

Monday, August 15th: SMYC Meeting #2

Nathan's Practical Education Group: Noah, David, Ethan, Andrew, Delia, Kylee, Zach

- SMYC Instagram focused on providing informative education content (tips and tricks on finance, interview techniques, and resume-building ideas)
- could have a website to provide information
- Interview practice or seminar on interviewing potentially?
- Designing a specific practical education knowledge 101 pamphlet

Georgia's Equity and Representation Group: Sophia, Caitlin, Anjali, Amutha, Isha, Avery

Who is our target audience?

Children with learning disabilities/disorders

- Children from immigrant families
- First-generation students/ students whose parents went to college outside of the U.S.
 - Possible language barriers
- Abused/neglected children
- Working with middle school children before their transition to high school

Ideas for project

- SUSD flyers/newsletters (coming from the teachers so children whose parents aren't as involved have access to opportunities)
- Public libraries/Public parks- flyers in Spanish and English
- Focusing on children in low-income areas
