Graffiti vandals believe their actions harm no one. The reality is graffiti hurts everyone: homeowners, communities, businesses, schools, and you. Although the cost of graffiti vandalism in the U.S. has yet to be definitively documented, for many communities, private property owners, and public agencies the cost is rising each year. The City of Scottsdale and its property owners are not immune to this issue.

The City of Scottsdale Code Enforcement Department graffiti abatement team, Scottsdale Police Department and many neighborhood groups are working hard to remove graffiti within 24-48 hours. By signing this permission slip/petition and returning it promptly to our office you are helping keep Scottsdale clean, beautiful, and graffiti free.

PROPERTY OWNER:
