

Scottsdale Earth Week

celebrates our commitment to a sustainable future

From volunteer road cleanups and guided nature walks in our beautiful preserve, to an edible garden presentation and xeriscape garden tour, Scottsdale has a full line-up of events for everyone looking to recognize Earth and Arbor Day.

Scottsdale Earth Week begins on Earth Day, Saturday, April 22, and runs through Arbor Day, Friday, April 28, concluding with a tree-planting ceremony to celebrate Scottsdale's 41st year as a Tree City USA community. Earth Week is an opportunity to shine the light brighter on environmental topics that Scottsdale focuses on year-round.

April 22 - April 28

Here's what's happening in Scottsdale:

Saturday, April 22

Scottsdale Green Expo – 8-11 a.m.

📍 [North Corporation Yard](#)

You're invited to be part of a special re-dedication ceremony honoring the "Son of Godzilla," the Scottsdale invention that advanced modern trash and recycling pickup. There will also be two art workshops about reclaimed materials and naturally dyed creations. Bring your reusable water bottle to fill up at our Scottsdale Water trailer!
