

# CITY COUNCIL REPORT

Meeting Date: March 21, 2023  
 General Plan Element: *Community Mobility*  
 General Plan Goal: *Promote regional diversity and connectivity of mobility choices*

## ACTION

**Authorize (1) the construction bid award; (2) the acceptance of a federal grant award; and a 3) a FY 2022/23 Transportation Fund Capital Contingency budget transfer to the 68<sup>th</sup> Street: Indian School Road to Thomas Road Capital Improvement Plan capital project.**

Adopt Resolution No. 12733 authorizing:

- (1) The construction bid award IFB-092022-024 in the amount of \$1,455,768.10 to AJP Electric, Inc.
- (2) The acceptance of federal grant awards in the amount of \$615,243 in Congestion Mitigation Air Quality funds, \$286,844 in Congestion Management Air Quality funds and \$583,849 in Transportation Alternatives funds for a total of \$1,485,936
- (3) A FY 2022/23 Transportation Fund Capital Contingency Budget appropriation transfer of up to \$92,159 to the 68<sup>th</sup> Street: Indian School to Thomas Road (SG02) CIP project to be funded by the Transportation 0.2% Sales Tax.

## BACKGROUND

The purpose of this action is to award a contract for the construction of bicycle lanes, turn bays, pedestrian crossings and intersection improvements along 68<sup>th</sup> Street from Indian School Road to Thomas Road.

This project will make a series of improvements to 68<sup>th</sup> Street between Indian School Road and Thomas Road with the goal of improving safety, connectivity, and the quality of life for residents, students and visitors by completing critical north/south regional bike lanes on this major roadway.

The project will reduce the four-lane roadway to two lanes and add bike lanes, pedestrian improvements, left turn bays and intersection improvements at Osborn Road. The project will add two Rectangular Rapid Flashing Beacon (RRFB) crossings, one at Avalon and the other at 2<sup>nd</sup> Street. The project will keep most of the on-street parking on 68<sup>th</sup> Street north of Osborn Road and add turn lanes.

**City Council Report | Construction Bid Award IFB-092022-024 and Federal Grant Acceptance – 68<sup>th</sup> Street – Indian School Road to Thomas Road (SG02)**

Upon completion, this project will give pedestrians, cyclists, and drivers comfortable space for each transportation mode and will improve local and regional connectivity by linking to the existing bikeway and planned network in the area.

The project is currently funded by Federal Highway Administration (FHWA) Congestion Mitigation and Air Quality Program (CMAQ) grants, Transportation Alternatives grants, and by the Transportation 0.2% Sales Tax. In order to fully fund the project, this action is required to authorize the acceptance of a federal grants awarded by the Congestion Mitigation and Air Quality Improvement Program (CMAQ) and Transportation Alternatives Improvement Program (TA-MAG) through the Maricopa Association of Governments (MAG) in the total amount of \$1,485,936 with a local match requirement of \$89,819 that is funded with Transportation 0.2% Sales Tax.

An additional \$92,159 of Transportation 0.2% Sales Tax is needed in FY 2022/23 to cover additional project costs including staff time and other construction administration related items.

Project	CURRENT FUNDING SOURCES					PROPOSED FUNDING			
	Type of Grant	Federal Grant	Transportation 0.2% Sales Tax Local Match	Additional Transportation 0.2% Sales Tax	Total	Federal Grant	Transportation 0.2% Sales Tax Local Match	Additional Transportation 0.2% Sales Tax	Total
68th Street: Indian School Road to Thomas Road	CMAQ	615,243	37,189	-	652,432	615,243	37,189	-	652,432
	CMAQ	286,844	17,338	-	304,182	286,844	17,338	-	304,182

				244,805	244,805			336,964	336,964
		\$ 1,485,936	\$ 89,819	\$ 244,805	\$ 1,820,560	\$ 1,485,936	\$ 89,819	\$ 336,964	\$ 1,912,719

**ANALYSIS & ASSESSMENT**

**Recent Staff Action**

On September 30, 2022, staff solicited construction bids for the 68<sup>th</sup> Street – Indian School Road to Thomas Road project. The city received one bid on December 12, 2022. The bid received was from AJP Electric, Inc. in the amount of \$1,455,768.10

The engineer’s estimate for the construction of the proposed project was \$1,575,755. The Purchasing Director confirms that the procurement procedures provided by the City Code have been followed.

**Community Involvement**

A public open house was held December 5, 2022. Construction updates and notifications will be sent via mail to residents surrounding the proposed construction.

## RESOURCE IMPACTS

---

### Available funding

Sufficient budget appropriation for the grants and local match associated with the 68<sup>th</sup> Street: Indian School to Thomas Road (SG02) project is available in the FY 2022/23 CIP budget. Staff is requesting up to \$92,159 of FY 2022/23 Transportation Fund Capital Contingency Budget appropriation funded by the Transportation 0.2% Sales Tax to support costs associated with completion of the project. Additional contingency appropriation is available in the FY 2022/23 CIP budget.

### Maintenance Requirements

The completed project will continue to be maintained by city staff and the cost will be included in next year's CIP.

### Future Budget Implications

There is no increase in maintenance costs associated with this project.

## OPTIONS & STAFF RECOMMENDATION

---

### Recommended Approach

Adopt Resolution No. 12733 authorizing:

- (1) The construction bid award IFB-092022-024 in the amount of \$1,455,768.10 to AJP Electric, Inc.
- (2) The acceptance of federal grant awards in the amount of \$615,243 in Congestion Mitigation Air Quality funds, \$286,844 in Congestion Management Air Quality funds and \$583,849 in Transportation Alternatives funds for a total of \$1,485,936
- (3) A FY 2022/23 Transportation Fund Capital Contingency Budget appropriation transfer of up to \$92,159 to the 68<sup>th</sup> Street – Indian School to Thomas Road CIP project to be funded by the Transportation 0.2% Sales Tax.

### Proposed Next Steps

Following Council's approval of the contract, staff will issue a Notice to Proceed to AJP Electric, Inc. to begin construction of the 68<sup>th</sup> Street – Indian School Road to Thomas Road Project.

RESOLUTION NO. 12733

A RESOLUTION OF THE COUNCIL OF THE CITY OF SCOTTSDALE, MARICOPA COUNTY, ARIZONA AUTHORIZING THE MAYOR TO 1) EXECUTE CONSTRUCTION BID AWARD NO. IFB-092022-024 BETWEEN THE CITY AND AJP ELECTRIC, INC. FOR THE CONSTRUCTION OF THE 68<sup>th</sup> STREET – INDIAN SCHOOL ROAD TO THOMAS ROAD (SG02) CIP PROJECT; 2) AUTHORIZE ACCEPTANCE OF FEDERAL GRANT AWARDS IN THE AMOUNT OF \$615,243 IN CONGESTION MITIGATION AIR QUALITY FUNDS, \$286,844 IN CONGESTION MANAGEMENT AIR QUALITY FUNDS AND \$583,849 IN TRANSPORTATION ALTERNATIVES FUNDS FOR A TOTAL OF \$1,485,936; AND 3) AUTHORIZE A FY 2022/23 TRANSPORTATION FUND CAPITAL CONTINGENCY BUDGET APPROPRIATION TRANSFER OF UP TO \$92,159 TO THE 68<sup>th</sup> STREET – INDIAN SCHOOL ROAD TO THOMAS ROAD (SG02) CIP PROJECT TO BE FUNDED BY THE TRANSPORTATION 0.2% SALES TAX.

WHEREAS, the City desires to construct the 68<sup>th</sup> Street – Indian School Road to Thomas Road Project (“the Project”); and

WHEREAS, AJP Electric, Inc. has offered to provide to the City the requisite construction services necessary to complete the construction work; and

WHEREAS, additional funding for the Project is available from federal grants awarded through the Maricopa Association of Governments (“MAG”); and

WHEREAS, it is in the best interest of the City to accept the grant in order to fully fund the Project; and

WHEREAS, Article 6, Section 11 of the Scottsdale City Charter permits the transfer of any unencumbered appropriation balance or portion thereof between general classifications of expenditures within an office, department, or agency or from one office, department or agency to another with the approval of the City Council;

WHEREAS, the City is required to balance its budget and all associated funds; and

WHEREAS, State law permits the transfer of monies between budget items if the money is available, the transfer is in the public interest and based on a demonstrated

need, the transfer does not result in a violation of the expenditure limitation, and a majority of the Council approves the transfer at a public meeting;

BE IT RESOLVED by the Council of the City of Scottsdale as follows:

Section 1. The Mayor of the City of Scottsdale is authorized and directed to execute Construction Bid Award No. IFB-092022-024 between the City and AJP Electric, Inc. for construction of the 68<sup>th</sup> Street – Indian School Road to Thomas Road Project (SG02) with a total contract amount of one million, four hundred fifty-five thousand, seven hundred sixty-eight and ten cents (\$1,455,768.10).

Section 2. The City Council authorizes the acceptance of a federal grant awards in the amount of \$615,243 in Congestion Mitigation Air Quality funds, \$286,844 in Congestion Mitigation Air Quality funds and \$583,849 in Transportation Alternatives funds for a total of \$1,485,936; and 2) payment of the local contribution requirement of \$89,819 with Transportation Sales Tax.

Section 3. The City Council authorizes a FY 2022/23 Transportation Fund Capital Contingency Budget appropriation transfer of up to \$92,159 to the 68th Street – Indian School to Thomas Road CIP project to be funded by the Transportation 0.2% Sales Tax.

Section 4. The City Council hereby authorizes the City Manager or designee and City Treasurer or designee to execute any other documents and take such other actions as are necessary to carry out the purposes of this Resolution.

PASSED AND ADOPTED by the Council of the City of Scottsdale this \_\_\_\_ day of \_\_\_\_\_, 2023.

CONSTRUCTION CONTRACT**

**BID NUMBER: IFB-092022-024**

**ADOT TRACS PROJECT #:T032801C**

**FEDERAL PROJECT #: SCT-0(237) D**

**PROJECT NAME: 68<sup>TH</sup> STREET - INDIAN SCHOOL ROAD TO THOMAS ROAD**

THIS CONTRACT entered into this \_\_\_\_ day of \_\_\_\_\_, 2023, between AJP ELECTRIC, INC., an Arizona Corporation, herein after designated "Contractor" and the City of Scottsdale, County of Maricopa, and State of Arizona, a municipal corporation, organized and existing under and by virtue of the laws of the State of Arizona, hereinafter designated as the "City".

WITNESSETH:

The Contractor, in consideration of the sum to be paid Contractor by the City, in the manner and at the time provided, and of the other covenants and agreements contained in this Contract and under the penalties expressed in the bonds provided, agrees, for itself, its heirs, executors, administrators, successors, and assigns as follows:

**SECTION 1 - SCOPE OF WORK:** The work covered by these Specifications consists of all labor, equipment and materials for construction of 68<sup>th</sup> Street; Indian School Road to Thomas Road improvements to include a road diet to remove travel lanes, median adjustments, bike lanes, signal adjustments, Rectangular Rapid Flashing Beacons, and intersection improvements, in accordance with "THE INSTRUCTION TO BIDDERS", "GENERAL TERMS AND CONDITIONS", "SPECIAL PROVISIONS", and the "PLANS" prepared by the City of Scottsdale consisting of twenty (20) sheets and approved on April 28, 2022.

The Contractor agrees that this Contract, as awarded, is for Bid No. **IFB-092022-024**, Project No. SCT-0(237)D, 68<sup>TH</sup> Street and Indian School Road to Thomas Road in the amount of \$1,455,768.10 and understands that payment for the total work will be made on the basis of the indicated amount(s), as bid in the Bid Form.

**SECTION 2 - CONTRACT DOCUMENTS:** The Contract Documents consist of the Invitation for Bid, Bid No. **IFB-092022-024**, Plans, Standard Specifications and Details, Project Manuals, General and Special Provisions, Addenda, if any, and Contractor's Bid, as accepted by the Mayor and Council. Performance Bond, Payment Bond, Certificates of Insurance, and Change Orders, if any, are by this reference made a part of this Contract. In addition, the Parties agree that the federal terms and specifications referred to in the bid documents and set forth in Exhibits A.1, A.2 & A.3 hereto and shall be applicable to this project and Contractor shall abide thereby.

**BID NUMBER: IFB-092022-024**

**ADOT TRACS PROJECT #: T032801C**

**FEDERAL PROJECT #: SCT-0(237) D**

**PROJECT NAME: 68<sup>TH</sup> STREET - INDIAN SCHOOL ROAD TO THOMAS ROAD**

**SECTION 3 - TIME OF COMPLETION:** The Contractor further covenants and agrees at its own proper cost and expense, to do all work as required for the construction of the improvements and to completely construct the project and install the materials, as called for by the Contract Documents free and clear of all claims, liens, and charges whatsoever, in the manner and under the conditions specified within the time, or times, stated in the bid documents.

**SECTION 4 - PAYMENTS:** In consideration of the faithful performance of the work as stated in the Contract Documents, which have been made a part of this Contract by reference, and in accordance with the directions of the City, through its Contract Administrator or other properly authorized agent and to City's satisfaction, the City agrees to pay the Contractor the amount earned, computed from actual quantities of work performed and accepted or materials furnished at the unit bid and/or lump sum price on the Bid Form. Any progress payments made must be in accordance with the General Terms and Conditions as stated in the Contract Documents and final payment will be made within 60 days after final inspection and acceptance of the work.

**SECTION 5 - CONTRACT ADMINISTRATOR IS:** Elaine Mercado or designee.

IN WITNESS WHEREOF, 2 identical counterparts of this contract, each of which are for all purposes considered an original, have been duly executed by the parties on the date and year first above written.

**ATTACHMENTS**

A. Employment and Materials Preference for Appalachian Development Highway System or Appalachian Local Access Road Contracts (included in Appalachian contracts only)

**I. GENERAL**

1. Form FHWA-1273 must be physically incorporated in each construction contract funded under title 23, United States Code, as required in 23 CFR 633.102(b) (excluding emergency contracts solely intended for debris removal). The contractor (or subcontractor) must insert this form in each subcontract and further require its inclusion in all lower tier subcontracts (excluding purchase orders, rental agreements and other agreements for supplies or services). 23 CFR 633.102(e).

The applicable requirements of Form FHWA-1273 are incorporated by reference for work done under any purchase order, rental agreement or agreement for other services. The prime contractor shall be responsible for compliance by any subcontractor, lower-tier subcontractor or service provider. 23 CFR 633.102(e).

Form FHWA-1273 must be included in all Federal-aid design-build contracts, in all subcontracts and in lower tier subcontracts (excluding subcontracts for design services, purchase orders, rental agreements and other agreements for supplies or services) in accordance with 23 CFR 633.102. The design-builder shall be responsible for compliance by any subcontractor, lower-tier subcontractor or service provider.

Contracting agencies may reference Form FHWA-1273 in solicitation-for-bids or request-for-proposals documents, however, the Form FHWA-1273 must be physically incorporated (not referenced) in all contracts, subcontracts and lower-tier subcontracts (excluding purchase orders, rental agreements and other agreements for supplies or services related to a construction contract). 23 CFR 633.102(b).

2. Subject to the applicability criteria noted in the following sections, these contract provisions shall apply to all work

performed on the contract by the contractor's own organization and with the assistance of workers under the contractor's immediate superintendence and to all work performed on the contract by piecework, station work, or by subcontract. 23 CFR 633.102(d).

3. A breach of any of the stipulations contained in these Required Contract Provisions may be sufficient grounds for withholding of progress payments, withholding of final payment, termination of the contract, suspension / debarment or any other action determined to be appropriate by the contracting agency and FHWA.

4. Selection of Labor: During the performance of this contract, the contractor shall not use convict labor for any purpose within the limits of a construction project on a Federal-aid highway unless it is labor performed by convicts who are on parole, supervised release, or probation. 23 U.S.C. 114(b). The term Federal-aid highway does not include roadways functionally classified as local roads or rural minor collectors. 23 U.S.C. 101(a).

**II. NONDISCRIMINATION** (23 CFR 230.107(a); 23 CFR Part 230, Subpart A, Appendix A; EO 11246)

The provisions of this section related to 23 CFR Part 230, Subpart A, Appendix A are applicable to all Federal-aid construction contracts and to all related construction subcontracts of \$10,000 or more. The provisions of 23 CFR Part 230 are not applicable to material supply, engineering, or architectural service contracts.

In addition, the contractor and all subcontractors must comply with the following policies: Executive Order 11246, 41 CFR Part 60, 29 CFR Parts 1625-1627, 23 U.S.C. 140, Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000d et seq.), and related regulations including 49 CFR Parts 21, 26, and 27; and 23 CFR Parts 200, 230, and 633.

The contractor and all subcontractors must comply with: the requirements of the Equal Opportunity Clause in 41 CFR 60-1.4(b) and, for all construction contracts exceeding \$10,000, the Standard Federal Equal Employment Opportunity Construction Contract Specifications in 41 CFR 60-4.3.

Note: The U.S. Department of Labor has exclusive authority to determine compliance with Executive Order 11246 and the policies of the Secretary of Labor including 41 CFR Part 60, and 29 CFR Parts 1625-1627. The contracting agency and the FHWA have the authority and the responsibility to ensure compliance with 23 U.S.C. 140, Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), and Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000d et seq.), and related regulations including 49 CFR Parts 21, 26, and 27; and 23 CFR Parts 200, 230, and 633.

The following provision is adopted from 23 CFR Part 230, Subpart A, Appendix A, with appropriate revisions to conform to the U.S. Department of Labor (US DOL) and FHWA requirements.

**1. Equal Employment Opportunity:** Equal Employment Opportunity (EEO) requirements not to discriminate and to take affirmative action to assure equal opportunity as set forth under laws, executive orders, rules, regulations (see 28 CFR Part 35, 29 CFR Part 1630, 29 CFR Parts 1625-1627, 41 CFR Part 60 and 49 CFR Part 27) and orders of the Secretary of Labor as modified by the provisions prescribed herein, and imposed pursuant to 23 U.S.C. 140, shall constitute the EEO and specific affirmative action standards for the contractor's project activities under this contract. The provisions of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) set forth under 28 CFR Part 35 and 29 CFR Part 1630 are incorporated by reference in this contract. In the execution of this contract, the contractor agrees to comply with the following minimum specific requirement activities of EEO:

a. The contractor will work with the contracting agency and the Federal Government to ensure that it has made every good faith effort to provide equal opportunity with respect to all of its terms and conditions of employment and in their review of activities under the contract. 23 CFR 230.409 (g)(4) & (5).

b. The contractor will accept as its operating policy the following statement:

"It is the policy of this Company to assure that applicants are employed, and that employees are treated during employment, without regard to their race, religion, sex, sexual orientation, gender identity, color, national origin, age or disability. Such action shall include: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship, pre-apprenticeship, and/or on-the-job training."

**2. EEO Officer:** The contractor will designate and make known to the contracting officers an EEO Officer who will have the responsibility for and must be capable of effectively administering and promoting an active EEO program and who must be assigned adequate authority and responsibility to do so.

**3. Dissemination of Policy:** All members of the contractor's staff who are authorized to hire, supervise, promote, and discharge employees, or who recommend such action or are substantially involved in such action, will be made fully cognizant of and will implement the contractor's EEO policy and contractual responsibilities to provide EEO in each grade and classification of employment. To ensure that the above agreement will be met, the following actions will be taken as a minimum:

a. Periodic meetings of supervisory and personnel office employees will be conducted before the start of work and then not less often than once every six months, at which time the contractor's EEO policy and its implementation will be reviewed and explained. The meetings will be conducted by the EEO Officer or other knowledgeable company official.

b. All new supervisory or personnel office employees will be given a thorough indoctrination by the EEO Officer, covering all major aspects of the contractor's EEO obligations within thirty days following their reporting for duty with the contractor.

c. All personnel who are engaged in direct recruitment for the project will be instructed by the EEO Officer in the contractor's procedures for locating and hiring minorities and women.

d. Notices and posters setting forth the contractor's EEO policy will be placed in areas readily accessible to employees, applicants for employment and potential employees.

e. The contractor's EEO policy and the procedures to implement such policy will be brought to the attention of employees by means of meetings, employee handbooks, or other appropriate means.

**4. Recruitment:** When advertising for employees, the contractor will include in all advertisements for employees the notation: "An Equal Opportunity Employer." All such advertisements will be placed in publications having a large circulation among minorities and women in the area from which the project work force would normally be derived.

a. The contractor will, unless precluded by a valid bargaining agreement, conduct systematic and direct recruitment through public and private employee referral sources likely to yield qualified minorities and women. To meet this requirement, the contractor will identify sources of potential minority group employees and establish with such identified sources procedures whereby minority and women applicants may be referred to the contractor for employment consideration.

b. In the event the contractor has a valid bargaining agreement providing for exclusive hiring hall referrals, the contractor is expected to observe the provisions of that agreement to the extent that the system meets the contractor's compliance with EEO contract provisions. Where implementation of such an agreement has the effect of discriminating against minorities or women, or obligates the contractor to do the same, such implementation violates Federal nondiscrimination provisions.

c. The contractor will encourage its present employees to refer minorities and women as applicants for employment. Information and procedures with regard to referring such applicants will be discussed with employees.

**5. Personnel Actions:** Wages, working conditions, and employee benefits shall be established and administered, and personnel actions of every type, including hiring, upgrading, promotion, transfer, demotion, layoff, and termination, shall be taken without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age or disability. The following procedures shall be followed:

a. The contractor will conduct periodic inspections of project sites to ensure that working conditions and employee facilities do not indicate discriminatory treatment of project site personnel.

b. The contractor will periodically evaluate the spread of wages paid within each classification to determine any evidence of discriminatory wage practices.

c. The contractor will periodically review selected personnel actions in depth to determine whether there is evidence of discrimination. Where evidence is found, the contractor will promptly take corrective action. If the review indicates that the discrimination may extend beyond the actions reviewed, such corrective action shall include all affected persons.

d. The contractor will promptly investigate all complaints of alleged discrimination made to the contractor in connection with its obligations under this contract, will attempt to resolve such complaints, and will take appropriate corrective action

within a reasonable time. If the investigation indicates that the discrimination may affect persons other than the complainant, such corrective action shall include such other persons. Upon completion of each investigation, the contractor will inform every complainant of all of their avenues of appeal.

#### **6. Training and Promotion:**

a. The contractor will assist in locating, qualifying, and increasing the skills of minorities and women who are applicants for employment or current employees. Such efforts should be aimed at developing full journey level status employees in the type of trade or job classification involved.

b. Consistent with the contractor's work force requirements and as permissible under Federal and State regulations, the contractor shall make full use of training programs (i.e., apprenticeship and on-the-job training programs for the geographical area of contract performance). In the event a special provision for training is provided under this contract, this subparagraph will be superseded as indicated in the special provision. The contracting agency may reserve training positions for persons who receive welfare assistance in accordance with 23 U.S.C. 140(a).

c. The contractor will advise employees and applicants for employment of available training programs and entrance requirements for each.

d. The contractor will periodically review the training and promotion potential of employees who are minorities and women and will encourage eligible employees to apply for such training and promotion.

**7. Unions:** If the contractor relies in whole or in part upon unions as a source of employees, the contractor will use good faith efforts to obtain the cooperation of such unions to increase opportunities for minorities and women. 23 CFR 230.409. Actions by the contractor, either directly or through a contractor's association acting as agent, will include the procedures set forth below:

a. The contractor will use good faith efforts to develop, in cooperation with the unions, joint training programs aimed toward qualifying more minorities and women for membership in the unions and increasing the skills of minorities and women so that they may qualify for higher paying employment.

b. The contractor will use good faith efforts to incorporate an EEO clause into each union agreement to the end that such union will be contractually bound to refer applicants without regard to their race, color, religion, sex, sexual orientation, gender identity, national origin, age, or disability.

c. The contractor is to obtain information as to the referral practices and policies of the labor union except that to the extent such information is within the exclusive possession of the labor union and such labor union refuses to furnish such information to the contractor, the contractor shall so certify to the contracting agency and shall set forth what efforts have been made to obtain such information.

d. In the event the union is unable to provide the contractor with a reasonable flow of referrals within the time limit set forth in the collective bargaining agreement, the contractor will, through independent recruitment efforts, fill the employment vacancies without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, or disability; making full efforts to obtain qualified and/or qualifiable minorities and women. The failure of a union to provide

sufficient referrals (even though it is obligated to provide exclusive referrals under the terms of a collective bargaining agreement) does not relieve the contractor from the requirements of this paragraph. In the event the union referral practice prevents the contractor from meeting the obligations pursuant to Executive Order 11246, as amended, and these special provisions, such contractor shall immediately notify the contracting agency.

**8. Reasonable Accommodation for Applicants / Employees with Disabilities:** The contractor must be familiar with the requirements for and comply with the Americans with Disabilities Act and all rules and regulations established thereunder. Employers must provide reasonable accommodation in all employment activities unless to do so would cause an undue hardship.

**9. Selection of Subcontractors, Procurement of Materials and Leasing of Equipment:** The contractor shall not discriminate on the grounds of race, color, religion, sex, sexual orientation, gender identity, national origin, age, or disability in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The contractor shall take all necessary and reasonable steps to ensure nondiscrimination in the administration of this contract.

a. The contractor shall notify all potential subcontractors, suppliers, and lessors of their EEO obligations under this contract.

b. The contractor will use good faith efforts to ensure subcontractor compliance with their EEO obligations.

#### **10. Assurances Required:**

a. The requirements of 49 CFR Part 26 and the State DOT's FHWA-approved Disadvantaged Business Enterprise (DBE) program are incorporated by reference.

b. The contractor, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

- (1) Withholding monthly progress payments;
- (2) Assessing sanctions;
- (3) Liquidated damages; and/or
- (4) Disqualifying the contractor from future bidding as non-responsible.

c. The Title VI and nondiscrimination provisions of U.S. DOT Order 1050.2A at Appendixes A and E are incorporated by reference. 49 CFR Part 21.

**11. Records and Reports:** The contractor shall keep such records as necessary to document compliance with the EEO requirements. Such records shall be retained for a period of three years following the date of the final payment to the contractor for all contract work and shall be available at reasonable times and places for inspection by authorized representatives of the contracting agency and the FHWA.

a. The records kept by the contractor shall document the following:

(1) The number and work hours of minority and non-minority group members and women employed in each work classification on the project;

(2) The progress and efforts being made in cooperation with unions, when applicable, to increase employment opportunities for minorities and women; and

(3) The progress and efforts being made in locating, hiring, training, qualifying, and upgrading minorities and women.

b. The contractors and subcontractors will submit an annual report to the contracting agency each July for the duration of the project indicating the number of minority, women, and non-minority group employees currently engaged in each work classification required by the contract work. This information is to be reported on Form FHWA-1391. The staffing data should represent the project work force on board in all or any part of the last payroll period preceding the end of July. If on-the-job training is being required by special provision, the contractor will be required to collect and report training data. The employment data should reflect the work force on board during all or any part of the last payroll period preceding the end of July.

### III. NONSEGREGATED FACILITIES

This provision is applicable to all Federal-aid construction contracts and to all related construction subcontracts of more than \$10,000. 41 CFR 60-1.5.

As prescribed by 41 CFR 60-1.8, the contractor must ensure that facilities provided for employees are provided in such a manner that segregation on the basis of race, color, religion, sex, sexual orientation, gender identity, or national origin cannot result. The contractor may neither require such segregated use by written or oral policies nor tolerate such use by employee custom. The contractor's obligation extends further to ensure that its employees are not assigned to perform their services at any location under the contractor's control where the facilities are segregated. The term "facilities" includes waiting rooms, work areas, restaurants and other eating areas, time clocks, restrooms, washrooms, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing provided for employees. The contractor shall provide separate or single-user restrooms and necessary dressing or sleeping areas to assure privacy between sexes.

### IV. DAVIS-BACON AND RELATED ACT PROVISIONS

This section is applicable to all Federal-aid construction projects exceeding \$2,000 and to all related subcontracts and lower-tier subcontracts (regardless of subcontract size), in accordance with 29 CFR 5.5. The requirements apply to all projects located within the right-of-way of a roadway that is functionally classified as Federal-aid highway. 23 U.S.C. 113. This excludes roadways functionally classified as local roads or rural minor collectors, which are exempt. 23 U.S.C. 101. Where applicable law requires that projects be treated as a project on a Federal-aid highway, the provisions of this subpart will apply regardless of the location of the project. Examples include: Surface Transportation Block Grant Program projects funded under 23 U.S.C. 133 [excluding recreational trails projects], the Nationally Significant Freight and Highway

Projects funded under 23 U.S.C. 117, and National Highway Freight Program projects funded under 23 U.S.C. 167.

The following provisions are from the U.S. Department of Labor regulations in 29 CFR 5.5 "Contract provisions and related matters" with minor revisions to conform to the FHWA-1273 format and FHWA program requirements.

#### 1. Minimum wages (29 CFR 5.5)

a. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph 1.d. of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph 1.b. of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

b.(1) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(i) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(ii) The classification is utilized in the area by the construction industry; and

(iii) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(2) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(3) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(4) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs 1.b.(2) or 1.b.(3) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

c. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

d. If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program. Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

## 2. Withholding (29 CFR 5.5)

The contracting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor under this contract, or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics,

including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required by the contract, the contracting agency may, after written notice to the contractor, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

## 3. Payrolls and basic records (29 CFR 5.5)

a. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

b.(1) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the contracting agency. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the contracting agency for transmission to the State DOT, the FHWA or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the contracting agency.

(2) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or

subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(i) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5(a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(ii) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR part 3;

(iii) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(3) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph 3.b.(2) of this section.

(4) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under 18 U.S.C. 1001 and 31 U.S.C. 231.

c. The contractor or subcontractor shall make the records required under paragraph 3.a. of this section available for inspection, copying, or transcription by authorized representatives of the contracting agency, the State DOT, the FHWA, or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the FHWA may, after written notice to the contractor, the contracting agency or the State DOT, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

#### 4. Apprentices and trainees (29 CFR 5.5)

##### a. Apprentices (programs of the USDOL).

Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State

Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice.

The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed.

Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination.

In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

##### b. Trainees (programs of the USDOL).

Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration.

The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration.

Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the

corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed.

In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

c. **Equal employment opportunity.** The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

d. **Apprentices and Trainees (programs of the U.S. DOT).**

Apprentices and trainees working under apprenticeship and skill training programs which have been certified by the Secretary of Transportation as promoting EEO in connection with Federal-aid highway construction programs are not subject to the requirements of paragraph 4 of this Section IV. 23 CFR 230.111(e)(2). The straight time hourly wage rates for apprentices and trainees under such programs will be established by the particular programs. The ratio of apprentices and trainees to journeymen shall not be greater than permitted by the terms of the particular program.

**5. Compliance with Copeland Act requirements.** The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract as provided in 29 CFR 5.5.

**6. Subcontracts.** The contractor or subcontractor shall insert Form FHWA-1273 in any subcontracts and also require the subcontractors to include Form FHWA-1273 in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

**7. Contract termination: debarment.** A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

**8. Compliance with Davis-Bacon and Related Act requirements.** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract as provided in 29 CFR 5.5.

**9. Disputes concerning labor standards.** As provided in 29 CFR 5.5, disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor

set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

#### **10. Certification of eligibility (29 CFR 5.5)**

a. By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

b. No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

c. The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

#### **V. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT**

Pursuant to 29 CFR 5.5(b), the following clauses apply to any Federal-aid construction contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by 29 CFR 5.5(a) or 29 CFR 4.6. As used in this paragraph, the terms laborers and mechanics include watchmen and guards.

**1. Overtime requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. 29 CFR 5.5.

**2. Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in paragraph 1 of this section, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph 1 of this section, in the sum currently provided in 29 CFR 5.5(b)(2)\* for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph 1 of this section. 29 CFR 5.5.

\* \$27 as of January 23, 2019 (See 84 FR 213-01, 218) as may be adjusted annually by the Department of Labor, pursuant to the Federal Civil Penalties Inflation Adjustment Act of 1990).

**3. Withholding for unpaid wages and liquidated damages.**

The FHWA or the contracting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph 2 of this section. 29 CFR 5.5.

**4. Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs 1 through 4 of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs 1 through 4 of this section. 29 CFR 5.5.

**VI. SUBLETTING OR ASSIGNING THE CONTRACT**

This provision is applicable to all Federal-aid construction contracts on the National Highway System pursuant to 23 CFR 635.116.

1. The contractor shall perform with its own organization contract work amounting to not less than 30 percent (or a greater percentage if specified elsewhere in the contract) of the total original contract price, excluding any specialty items designated by the contracting agency. Specialty items may be performed by subcontract and the amount of any such specialty items performed may be deducted from the total original contract price before computing the amount of work required to be performed by the contractor's own organization (23 CFR 635.116).

a. The term "perform work with its own organization" in paragraph 1 of Section VI refers to workers employed or leased by the prime contractor, and equipment owned or rented by the prime contractor, with or without operators. Such term does not include employees or equipment of a subcontractor or lower tier subcontractor, agents of the prime contractor, or any other assignees. The term may include payments for the costs of hiring leased employees from an employee leasing firm meeting all relevant Federal and State regulatory requirements. Leased employees may only be included in this term if the prime contractor meets all of the following conditions: (based on longstanding interpretation)

(1) the prime contractor maintains control over the supervision of the day-to-day activities of the leased employees;

(2) the prime contractor remains responsible for the quality of the work of the leased employees;

(3) the prime contractor retains all power to accept or exclude individual employees from work on the project; and

(4) the prime contractor remains ultimately responsible for the payment of predetermined minimum wages, the submission of payrolls, statements of compliance and all other Federal regulatory requirements.

b. "Specialty Items" shall be construed to be limited to work that requires highly specialized knowledge, abilities, or

equipment not ordinarily available in the type of contracting organizations qualified and expected to bid or propose on the contract as a whole and in general are to be limited to minor components of the overall contract. 23 CFR 635.102.

2. Pursuant to 23 CFR 635.116(a), the contract amount upon which the requirements set forth in paragraph (1) of Section VI is computed includes the cost of material and manufactured products which are to be purchased or produced by the contractor under the contract provisions.

3. Pursuant to 23 CFR 635.116(c), the contractor shall furnish (a) a competent superintendent or supervisor who is employed by the firm, has full authority to direct performance of the work in accordance with the contract requirements, and is in charge of all construction operations (regardless of who performs the work) and (b) such other of its own organizational resources (supervision, management, and engineering services) as the contracting officer determines is necessary to assure the performance of the contract.

4. No portion of the contract shall be sublet, assigned or otherwise disposed of except with the written consent of the contracting officer, or authorized representative, and such consent when given shall not be construed to relieve the contractor of any responsibility for the fulfillment of the contract. Written consent will be given only after the contracting agency has assured that each subcontract is evidenced in writing and that it contains all pertinent provisions and requirements of the prime contract. (based on long-standing interpretation of 23 CFR 635.116).

5. The 30-percent self-performance requirement of paragraph (1) is not applicable to design-build contracts; however, contracting agencies may establish their own self-performance requirements. 23 CFR 635.116(d).

**VII. SAFETY: ACCIDENT PREVENTION**

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

1. In the performance of this contract the contractor shall comply with all applicable Federal, State, and local laws governing safety, health, and sanitation (23 CFR Part 635). The contractor shall provide all safeguards, safety devices and protective equipment and take any other needed actions as it determines, or as the contracting officer may determine, to be reasonably necessary to protect the life and health of employees on the job and the safety of the public and to protect property in connection with the performance of the work covered by the contract. 23 CFR 635.108.

2. It is a condition of this contract, and shall be made a condition of each subcontract, which the contractor enters into pursuant to this contract, that the contractor and any subcontractor shall not permit any employee, in performance of the contract, to work in surroundings or under conditions which are unsanitary, hazardous or dangerous to his/her health or safety, as determined under construction safety and health standards (29 CFR Part 1926) promulgated by the Secretary of Labor, in accordance with Section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 3704). 29 CFR 1926.10.

3. Pursuant to 29 CFR 1926.3, it is a condition of this contract that the Secretary of Labor or authorized representative thereof, shall have right of entry to any site of contract performance to inspect or investigate the matter of compliance

with the construction safety and health standards and to carry out the duties of the Secretary under Section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 3704).

### **VIII. FALSE STATEMENTS CONCERNING HIGHWAY PROJECTS**

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

In order to assure high quality and durable construction in conformity with approved plans and specifications and a high degree of reliability on statements and representations made by engineers, contractors, suppliers, and workers on Federal-aid highway projects, it is essential that all persons concerned with the project perform their functions as carefully, thoroughly, and honestly as possible. Willful falsification, distortion, or misrepresentation with respect to any facts related to the project is a violation of Federal law. To prevent any misunderstanding regarding the seriousness of these and similar acts, Form FHWA-1022 shall be posted on each Federal-aid highway project (23 CFR Part 635) in one or more places where it is readily available to all persons concerned with the project:

18 U.S.C. 1020 reads as follows:

"Whoever, being an officer, agent, or employee of the United States, or of any State or Territory, or whoever, whether a person, association, firm, or corporation, knowingly makes any false statement, false representation, or false report as to the character, quality, quantity, or cost of the material used or to be used, or the quantity or quality of the work performed or to be performed, or the cost thereof in connection with the submission of plans, maps, specifications, contracts, or costs of construction on any highway or related project submitted for approval to the Secretary of Transportation; or

Whoever knowingly makes any false statement, false representation, false report or false claim with respect to the character, quality, quantity, or cost of any work performed or to be performed, or materials furnished or to be furnished, in connection with the construction of any highway or related project approved by the Secretary of Transportation; or

Whoever knowingly makes any false statement or false representation as to material fact in any statement, certificate, or report submitted pursuant to provisions of the Federal-aid Roads Act approved July 11, 1916, (39 Stat. 355), as amended and supplemented;

Shall be fined under this title or imprisoned not more than 5 years or both."

### **IX. IMPLEMENTATION OF CLEAN AIR ACT AND FEDERAL WATER POLLUTION CONTROL ACT (42 U.S.C. 7606; 2 CFR 200.88; EO 11738)**

This provision is applicable to all Federal-aid construction contracts in excess of \$150,000 and to all related subcontracts. 48 CFR 2.101; 2 CFR 200.326.

By submission of this bid/proposal or the execution of this contract or subcontract, as appropriate, the bidder, proposer, Federal-aid construction contractor, subcontractor, supplier, or vendor agrees to comply with all applicable standards, orders

or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal Highway Administration and the Regional Office of the Environmental Protection Agency. 2 CFR Part 200, Appendix II.

The contractor agrees to include or cause to be included the requirements of this Section in every subcontract, and further agrees to take such action as the contracting agency may direct as a means of enforcing such requirements. 2 CFR 200.326.

### **X. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION**

This provision is applicable to all Federal-aid construction contracts, design-build contracts, subcontracts, lower-tier subcontracts, purchase orders, lease agreements, consultant contracts or any other covered transaction requiring FHWA approval or that is estimated to cost \$25,000 or more – as defined in 2 CFR Parts 180 and 1200. 2 CFR 180.220 and 1200.220.

#### **1. Instructions for Certification – First Tier Participants:**

a. By signing and submitting this proposal, the prospective first tier participant is providing the certification set out below.

b. The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this covered transaction. The prospective first tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective first tier participant to furnish a certification or an explanation shall disqualify such a person from participation in this transaction. 2 CFR 180.320.

c. The certification in this clause is a material representation of fact upon which reliance was placed when the contracting agency determined to enter into this transaction. If it is later determined that the prospective participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the contracting agency may terminate this transaction for cause of default. 2 CFR 180.325.

d. The prospective first tier participant shall provide immediate written notice to the contracting agency to whom this proposal is submitted if any time the prospective first tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. 2 CFR 180.345 and 180.350.

e. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180, Subpart I, 180.900-180.1020, and 1200. "First Tier Covered Transactions" refers to any covered transaction between a recipient or subrecipient of Federal funds and a participant (such as the prime or general contract). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant

who has entered into a covered transaction with a recipient or subrecipient of Federal funds (such as the prime or general contractor). "Lower Tier Participant" refers any participant who has entered into a covered transaction with a First Tier Participant or other Lower Tier Participants (such as subcontractors and suppliers).

f. The prospective first tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction. 2 CFR 180.330.

g. The prospective first tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," provided by the department or contracting agency, entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the \$25,000 threshold. 2 CFR 180.220 and 180.300.

h. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. 2 CFR 180.300; 180.320, and 180.325. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. 2 CFR 180.335. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the System for Award Management website (<https://www.sam.gov/>). 2 CFR 180.300, 180.320, and 180.325.

i. Nothing contained in the foregoing shall be construed to require the establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of the prospective participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

j. Except for transactions authorized under paragraph (f) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default. 2 CFR 180.325.

\*\*\*\*\*

## 2. Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – First Tier Participants:

a. The prospective first tier participant certifies to the best of its knowledge and belief, that it and its principals:

(1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency, 2 CFR 180.335;.

(2) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property, 2 CFR 180.800;

(3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (a)(2) of this certification, 2 CFR 180.700 and 180.800; and

(4) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default. 2 CFR 180.335(d).

(5) Are not a corporation that has been convicted of a felony violation under any Federal law within the two-year period preceding this proposal (USDOT Order 4200.6 implementing appropriations act requirements); and

(6) Are not a corporation with any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability (USDOT Order 4200.6 implementing appropriations act requirements).

b. Where the prospective participant is unable to certify to any of the statements in this certification, such prospective participant should attach an explanation to this proposal. 2 CFR 180.335 and 180.340.

## 3. Instructions for Certification - Lower Tier Participants:

(Applicable to all subcontracts, purchase orders, and other lower tier transactions requiring prior FHWA approval or estimated to cost \$25,000 or more - 2 CFR Parts 180 and 1200). 2 CFR 180.220 and 1200.220.

a. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department, or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

c. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous by reason of changed circumstances. 2 CFR 180.365.

d. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180, Subpart I, 180.900 – 180.1020, and 1200. You may contact the person to which this proposal is

submitted for assistance in obtaining a copy of those regulations. "First Tier Covered Transactions" refers to any covered transaction between a recipient or subrecipient of Federal funds and a participant (such as the prime or general contract). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant who has entered into a covered transaction with a recipient or subrecipient of Federal funds (such as the prime or general contractor). "Lower Tier Participant" refers any participant who has entered into a covered transaction with a First Tier Participant or other Lower Tier Participants (such as subcontractors and suppliers).

e. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated. 2 CFR 1200.220 and 1200.332.

f. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the \$25,000 threshold. 2 CFR 180.220 and 1200.220.

g. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the System for Award Management website (<https://www.sam.gov>), which is compiled by the General Services Administration. 2 CFR 180.300, 180.320, 180.330, and 180.335.

h. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

i. Except for transactions authorized under paragraph e of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment. 2 CFR 180.325.

\*\*\*\*\*

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Participants:**

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals:

(a) is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency, 2 CFR 180.355;

(b) is a corporation that has been convicted of a felony violation under any Federal law within the two-year period preceding this proposal (USDOT Order 4200.6 implementing appropriations act requirements); and

(c) is a corporation with any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability. (USDOT Order 4200.6 implementing appropriations act requirements)

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant should attach an explanation to this proposal.

\*\*\*\*\*

**XI. CERTIFICATION REGARDING USE OF CONTRACT FUNDS FOR LOBBYING**

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts which exceed \$100,000. 49 CFR Part 20, App. A.

1. The prospective participant certifies, by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

3. The prospective participant also agrees by submitting its bid or proposal that the participant shall require that the language of this certification be included in all lower tier

subcontracts, which exceed \$100,000 and that all such recipients shall certify and disclose accordingly.

## **XII. USE OF UNITED STATES-FLAG VESSELS:**

This provision is applicable to all Federal-aid construction contracts, design-build contracts, subcontracts, lower-tier subcontracts, purchase orders, lease agreements, or any other covered transaction. 46 CFR Part 381.

This requirement applies to material or equipment that is acquired for a specific Federal-aid highway project. 46 CFR 381.7. It is not applicable to goods or materials that come into inventories independent of an FHWA funded-contract.

When oceanic shipments (or shipments across the Great Lakes) are necessary for materials or equipment acquired for a specific Federal-aid construction project, the bidder, proposer, contractor, subcontractor, or vendor agrees:

1. To utilize privately owned United States-flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry-bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to this contract, to the extent such vessels are available at fair and reasonable rates for United States-flag commercial vessels. 46 CFR 381.7.

2. To furnish within 20 days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, 'on-board' commercial ocean bill-of-lading in English for each shipment of cargo described in paragraph (b)(1) of this section to both the Contracting Officer (through the prime contractor in the case of subcontractor bills-of-lading) and to the Office of Cargo and Commercial Sealift (MAR-620), Maritime Administration, Washington, DC 20590. (MARAD requires copies of the ocean carrier's (master) bills of lading, certified onboard, dated, with rates and charges. These bills of lading may contain business sensitive information and therefore may be submitted directly to MARAD by the Ocean Transportation Intermediary on behalf of the contractor). 46 CFR 381.7.

**ATTACHMENT A - EMPLOYMENT AND MATERIALS PREFERENCE FOR APPALACHIAN DEVELOPMENT HIGHWAY SYSTEM OR APPALACHIAN LOCAL ACCESS ROAD CONTRACTS (23 CFR 633, Subpart B, Appendix B)**  
This provision is applicable to all Federal-aid projects funded under the Appalachian Regional Development Act of 1965.

1. During the performance of this contract, the contractor undertaking to do work which is, or reasonably may be, done as on-site work, shall give preference to qualified persons who regularly reside in the labor area as designated by the DOL wherein the contract work is situated, or the subregion, or the Appalachian counties of the State wherein the contract work is situated, except:

a. To the extent that qualified persons regularly residing in the area are not available.

b. For the reasonable needs of the contractor to employ supervisory or specially experienced personnel necessary to assure an efficient execution of the contract work.

c. For the obligation of the contractor to offer employment to present or former employees as the result of a lawful collective bargaining contract, provided that the number of nonresident persons employed under this subparagraph (1c) shall not exceed 20 percent of the total number of employees employed by the contractor on the contract work, except as provided in subparagraph (4) below.

2. The contractor shall place a job order with the State Employment Service indicating (a) the classifications of the laborers, mechanics and other employees required to perform the contract work, (b) the number of employees required in each classification, (c) the date on which the participant estimates such employees will be required, and (d) any other pertinent information required by the State Employment Service to complete the job order form. The job order may be placed with the State Employment Service in writing or by telephone. If during the course of the contract work, the information submitted by the contractor in the original job order is substantially modified, the participant shall promptly notify the State Employment Service.

3. The contractor shall give full consideration to all qualified job applicants referred to him by the State Employment Service. The contractor is not required to grant employment to any job applicants who, in his opinion, are not qualified to perform the classification of work required.

4. If, within one week following the placing of a job order by the contractor with the State Employment Service, the State Employment Service is unable to refer any qualified job applicants to the contractor, or less than the number requested, the State Employment Service will forward a certificate to the contractor indicating the unavailability of applicants. Such certificate shall be made a part of the contractor's permanent project records. Upon receipt of this certificate, the contractor may employ persons who do not normally reside in the labor area to fill positions covered by the certificate, notwithstanding the provisions of subparagraph (1c) above.

5. The provisions of 23 CFR 633.207(e) allow the contracting agency to provide a contractual preference for the use of mineral resource materials native to the Appalachian region.

6. The contractor shall include the provisions of Sections 1 through 4 of this Attachment A in every subcontract for work which is, or reasonably may be, done as on-site work.

(106CMATLS, 10/20/22)

**SECTION 106 CONTROL OF MATERIALS:** of the Standard Specifications is modified to add:

**106.17 Construction Materials:**

A construction material, when used on a federal-aid construction project shall comply with the requirements of Build America, Buy America (BABA) Act specified in Title IX, Subtitle A, Part 1, Sections 70901 and 70911-70918 (Pub. L. No. 117-58 §§ 70901; §§ 70911-70918) of the Infrastructure Investment and Job Act (IIJA).

A "construction material" that is permanently incorporated on the project shall include an article, material, or supply that is or consists primarily of the following:

1. Non-ferrous metals;
2. Plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables);
3. Glass (including optic glass);
4. Lumber; or
5. Drywall.

Items manufactured through a combination of either two or more materials listed above, or at least one of the materials listed above and a material not listed shall be considered as a manufactured product, rather than as a construction material.

Build America, Buy America provisions specified for manufactured products in Section 70912(6)(B) of the IIJA, do not apply to federal-aid construction projects per FHWA's existing statutory requirement applicable to manufactured products. A "manufactured product" is considered to be an item that undergoes one or more manufacturing processes before the item can be used on a federal-aid construction project.

Construction materials shall not include cement and cementitious materials; bituminous materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives.

All construction materials shall be produced in the United States. This means, all manufacturing processes to produce the construction materials shall occur in the United States. All manufacturing processes for construction materials shall mean the final manufacturing process and the immediately preceding manufacturing stage for the construction material.

The contractor shall furnish the Engineer with Certificates of Compliance, conforming to the requirements of Subsection 106.05 of the specifications, which shall state that the construction materials incorporated in the project meet the requirements specified herein.

Certificates of Compliance shall also certify that all manufacturing processes to produce construction materials occurred in the United States.

Convict-produced materials are prohibited in accordance with the requirements of 23 CFR 635.417.

**\*\*\*Federal Fund Projects\*\*\***

106.05 Material Certification;

Section 106.2.1 of MAG Specifications shall be modified as follows:

(A) General:

The contractor shall submit to the Engineer an original or copy of either a Certificate of Compliance or a Certificate of Analysis, as required, prior to the use of any materials or manufactured assemblies for which the specifications require that such a certificate be furnished.

Certificates shall be specifically identified as either a "Certificate of Compliance" or a "Certificate of Analysis".

The Engineer may permit the use of certain materials or manufactured assemblies prior to, or without, sampling and testing if accompanied by a Certificate of Compliance or Certificate of Analysis, as herein specified. Materials or manufactured assemblies for which a certificate is furnished may be sampled and tested at any time, and, if found not in conformity with the requirements of the plans and the specifications, will be subject to rejection, whether in place or not.

Certificates of Compliance and Certificates of Analysis shall comply with the requirements specified herein, the ADOT Materials Testing Manual, and applicable ADOT Materials Practice and Procedure Directives.

(B) Certificate of Compliance:

A Certificate of Compliance shall be submitted on the manufacturer's or supplier's official letterhead, and shall contain the following information:

- (1) Project No's (City/ADOT Tracs No/Fed ID)
- (2) Material Cert Name/Description of the material supplied
- (3) Bid/Line Item Reference
- (4) Buy America Statement
- (5) Supplier Information including: current name, address, and phone number of the manufacturer or supplier of the material.
- (6) Quantity of material represented by the certificate (excluding quantities for temporary traffic control devices).
- (7) Means of material identification, such as label, lot number, or marking.
- (8) A statement that the material complies in all respects with the requirements of the cited specifications. Certificates shall state compliance with the cited specification, such as AASHTO M 320, ASTM C494; or specific table or subsection of the specifications. Certificates may cite both, if applicable.
- (9) A statement that the individual identified in item seven below has the legal authority to bind the manufacturer or the supplier of the material.
- (10) The name, title, and signature of the responsible individual. The date of the signature shall also be given.

Transportation Improvement Program Supervisor  
Maricopa Association of Governments  
302 N. 1<sup>st</sup> Avenue, Suite 300  
Phoenix, AZ 85003

RE: Supplemental Closeout Federal Fiscal Year 2022 – Redistribution of Unused Sub-Allocated Federal Highway Administration Funding

Dear Patrick,

This letter is a request to apply for Federal Fiscal Year 2022 FHWA supplemental closeout funding for the following project.

- **68<sup>th</sup> Street, Thomas Road to Indian School Road**

To receive the full federal share for the construction work phase, based on the most recent cost estimate, the city is requesting that the federal share be increased by \$583,849 to a total of \$1,485,936.

This project is currently programmed in the FY2020-2024 Maricopa Association of Governments Transportation Improvement Program (TIP). Final design is currently at 90 percent. This project was awarded Federal Fiscal Year 2022 Closeout funding, however the cost estimates have continued to increase based on current construction pricing. Project details are provided below and on page 2. Also included with this letter is the Transportation Improvement Program Project Change Form and an up-to-date engineering cost estimate.

**Project: 68<sup>th</sup> Street, Indian School Road to Thomas Road**  
**Project Description: Construct road diet, bike lanes, and intersection**  
**MAG Project ID: 28483**  
**MAG TIP ID: SCT21-802C (T0328) and SCT21-802C-CL (T0328)**  
**Programmed Work Year - Construction: 2022**

As the Transportation Director, I confirm that this project has sufficient local funding. The additional local match, if federal closeout funds are awarded, will be programmed in the FY2021/22 adopted capital budget. Scottsdale will also demonstrate continuous progress in completing the project milestones in coordination with the Arizona Department of Transportation.

Sincerely,

Mark Melnychenko  
Transportation and Streets Director

**BRIEF PROJECT DESCRIPTION**

PM APPROVAL \_\_\_\_\_

CLIENT DEPARTMENT \_\_\_\_\_

PPM APPROVAL \_\_\_\_\_

Rev. Date 8.28.14

**ESTIMATE NARRATIVE**

---

**PROJECT DESCRIPTION:**

This preliminary estimate is for the re-striping of 68th street between Thomas Road & Indian School Road in order to provide bike lanes on both sides of 68th Street. The scope consists of applying a slurry coat on the asphalt & re-striping the associated lanes as required.

**DOCUMENTS REFERENCED:**

This narrative and associated quantity take off was based off the exhibit from Phil M. plan dated 1/5/2022 sent via email; PDF's are attached.

**PRICING REFERENCED:**

The estimate pricing is based upon the current unit costs from the CPM estimating database. This database is made up of current and existing project cost data and estimates.

**ESCALATION NOTES:**

It is assumed this project will break ground within 6 months, therefore no escalation has been added

**RIGHT OF WAY NOTES:**

Right of Way acquisition is not required to complete this project.

**ASSUMPTIONS & CLARIFICATIONS:**

- 1 Intersection drainage improvements at 68th & Thomas are excluded. Cost/Scope will be included on the Thomas Bike Lane estimate
- 2 Excludes any work to improve ADA access across drive entrances
- 3 Estimate is limited to replacing (5) ADA ramps only. Assumes all other existing ramps are acceptable
- 4 Estimate is limited to (7) sidewalk offsets at poles
- 5 Estimate includes 30 days of an off-duty police officer
- 6 Estimate includes new pole foundations, poles, mast arms & traffic signal faces at the NE corner & SW corner of 68th & Osborn to accommodate new lanes
  
- 7 Includes \$30,000 allowance for landscaping
- 8 Estimate assumes existing SRP irrigation standpipes are to remain.
- 9 Estimate is limited to replacing existing SRP pipe with class V pipe at new AC pavement only
- 10 Includes \$80,000 allowance for RRFB crossings at the location North of Avalon & at 2nd Street
- 11 Includes \$50,000 allowance for unforeseen conditions
- 12 Public Art reduced to \$0.00

Please see the 'Dictionary' sheet for definitions and entry instructions for cells.  
A copy of the latest TIP is included in this spreadsheet for your use.

General reason for the group of changes:  
Scottsdale is requesting closure funds to address increased construction costs for materials and labor. Based on the latest cost estimate, the current \$362,067 Federal share accounts for only 57% of the construction costs.

Dear Mayor and Council,

Wow, another high density project was just added to the Council agenda at the last minute. I feel like I am dealing with a bunch of drug addicts who are addicted to approving apartment projects, with no regard for what is happening to traffic in Scottsdale.

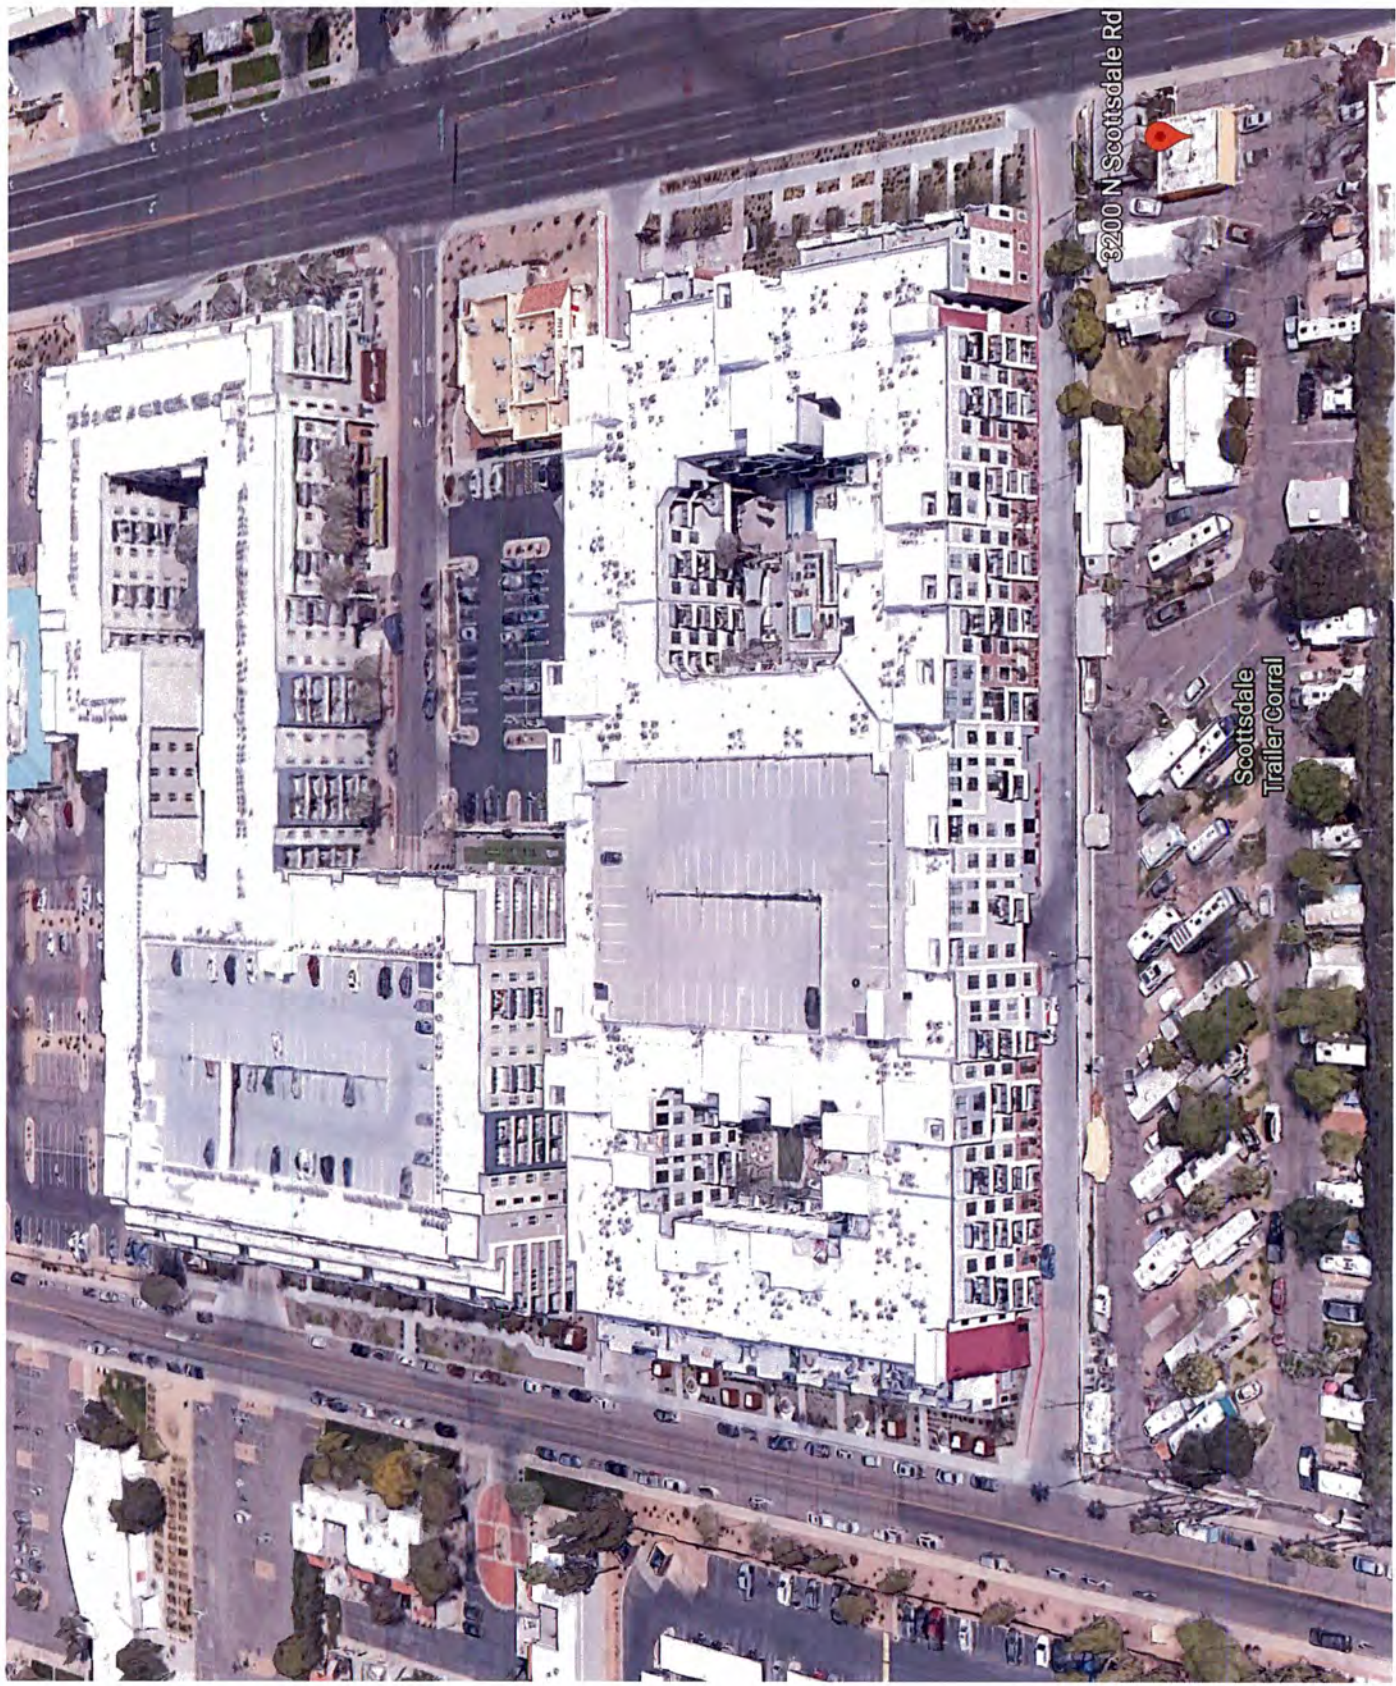

This project is 5 stories crammed on to a small 2.4 acre lot along Scottsdale Rd. It is 135 units, with a density of 55.8 units per acre. And did you know that the City is going to put 68th St on a "road diet" to remove travel lanes on 68th from Indian School to Thomas Rd. 68th St is 2 blocks west of this project.

So your excuse for approving a 5 story monstrosity is that this property is blighted with homeless and drug addicts. What happened to code enforcement? I guess code enforcement is weaponized only against suburban neighborhoods, while giving a pass to downtown properties.

Just another screw job, but who cares, this is merely downtown Scottsdale, which is already doomed.

**Subject:** Transportation Proposals for 68th Street and Thomas Road

**⚠ External Email: Please use caution if opening links or attachments!**

I am writing to all of you concerning a proposal I recently became aware of to add bicycle lanes to portions of 68<sup>th</sup> Street and Thomas Road. The proposals were presented to the public at a December 5<sup>th</sup>, 2022 open house at Paiute Neighborhood Center.

The first proposal calls for bike lanes in each direction on North 68<sup>th</sup> Street between Thomas and Indian School. This narrows the current four lane facility to one that is two lanes, one in each direction. This cuts in half the traffic capacity of an already busy street, and traffic at peak hours will be even worse than it is now. The intersection at Indian School Road and 68<sup>th</sup> Street was reconfigured to accommodate bike lanes after the bridge over the Arizona Canal was replaced a few years back, and the traffic back-ups on 68<sup>th</sup> have become a serious problem. You can't even get into the left turn lane on northbound 68<sup>th</sup> street because the northbound traffic backs up considerably worse than it did before the traffic patterns were changed a couple of years ago. The same is true on the south bound approach to the intersection. These back-ups didn't happen before the introduction of bike lanes, at least not to the extent they do now.

The Thomas Road proposal calls for reducing the current three lane west-bound traffic to two lanes to accommodate new bike lanes, and will stretch from 73<sup>rd</sup> Street to 56<sup>th</sup> Street. This is also a heavily travelled section of road that includes one of the busiest intersections in the city at Scottsdale Road and Thomas. The traffic already backs up at this point, especially at peak hours. Adding bike lanes just makes things worse.

During the open house at Paiute, one of the representatives of the city commented that changing the intersection of 68<sup>th</sup> Street and Thomas from a traffic light controlled intersection to a "round-a-bout" was considered, but discarded. I can't imagine what anyone was thinking when such a proposal was floated, and I hope it stays buried. This would turn the intersection into quite a hazardous piece of road given the existing traffic volume.

While I realize that "peak hours" are not all day, they are a fact of life that we all have to contend with. Reducing automobile flow on these two roads, 68<sup>th</sup> Street and Thomas Road, makes no sense in view of the congestion that already exists on both streets not only at peak hours, but oftentimes at other points in the day. And any disruption of traffic flow on these two roads, be it a traffic accident or construction or some other event, can create major headaches for the driving public. Permanently reducing the traffic capacity on these roads would make those headaches a fact of daily life for those of us who use these streets.

Over the last several years, decisions have been made by the city that have resulted in increased density in South Scottsdale, and with it increased traffic. It hardly seems practical to reduce the available road capacity for bike lanes which will be used only minimally at the expense of efficient automobile traffic flow.

I should add that following the open house at Paiute I emailed the transportation department my concerns on the "comments" format provided by the city's website, but got no response.

It is my hope that the city will reconsider the current proposal for bike paths on Thomas Road and North 68<sup>th</sup> street, and leave the existing roads to do what they were built to do, namely to handle automotive traffic.

Thank you for taking the time to consider my views.

Dan Troop

**To:** City Council  
**Subject:** Please vote No on Road Diets

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Scottsdale City Council Members,

I have learned that you are considering a proposal for "Road Diets" (effectively reducing the number of vehicular traffic lanes) in various parts of Scottsdale. Please vote NO on the Road Diets. It is an unsafe and absurd proposal and it has not worked in other cities.

Given Scottsdale (and the Phoenix area)'s explosive growth in residents in recent years as well as the numerous yet to be built high-rise multi-family housing units planned for Scottsdale, in my humble opinion, it is both unwise and unsafe to consider any proposal that would reduce traffic lanes in our city. Restricting vehicular lanes will put emergency vehicles at risk for responding to emergencies and automobile traffic will worsen.

Let's not kid ourselves: we live in a place where our extreme heat and long summers mean that residents and visitors typically travel by vehicle. The failed Phoenix Light Rail Project should be enough of an example to show that commuters in the Valley largely travel by car, and do not walk nor drive bicycles nor use public transportation when commuting to work. Instead, we should be figuring out how we can accommodate the increased number of vehicles in Scottsdale, not restrict the roads.

Sincerely,  
Kim Beres

**Subject:** ROAD DIET

⚠ External Email: Please use caution if opening links or attachments!

Dear Council Members:

Please vote no on the proposed "Road Diet".

This plan makes no sense and will only add to driver frustration, traffic snarls and endanger local business with loss of accessibility.

Again, please consider voting NO on these proposed lane removals. The citizens of Scottsdale are becoming weary of projects that do not improve quality of life, and only make for increased population density, congestion, and loss of what was once a really great place to live.

Road diets have failed everywhere they've been tried. How in the world can lane removals be helpful to a burgeoning populace?

Respectfully,

**⚠ External Email: Please use caution if opening links or attachments!**

Dear City Council,

As a homeowner in the city of Scottsdale, I have received information regarding the Road Diets coming to South Scottsdale.

I would like to voice my opinion that this idea is absolutely ridiculous and completely believe this method will only bring the city of Scottsdale to a disadvantage as well as take away some of the luster that many people have come to love and enjoy the downtown Old Scottsdale area.

I am asking as a city of Scottsdale tax payer to please reconsider this idea and search for alternative options that benefit and not hinder the value of beautiful Scottsdale.

Thank you for your time.

**Subject:** ROAD DIET: Scottsdale's new plan to narrow roadways to make room for 14,000+ new apartments

**⚠ External Email: Please use caution if opening links or attachments!**

One would think that since the city has approved over 24,000 new multifamily units since 2010, and having about 14,000 units in the current pipeline, they would be looking to ADD LANES to our streets, NOT REMOVE LANES.

**There is an Item on the City Council's Feb 28 Consent Agenda that proposes to put 68<sup>th</sup> Street (Indian School to Thomas) on a ROAD DIET by removing 2 lanes.**

Here is an interesting VIDEO on Road Diets and our city's plans.....

**Subject:** Vote No on Mercado Courtyards & 94 Hundred The Village 8-ZN-2022 & 12-ZN-2022

Hello City Council,

The Shea projects that will be voted up or down on Wednesday should not be up zoned in any way.

There has been a huge amount of public outcry that this is too massive and will generate too much new traffic and demand for increased water usage.

Currently there are 500 emails against these projects. City Staff is well aware of this opposition.

Right now, it appears that there is an amount of deceit being perpetrated. The amount of people against these projects seem to be set aside because of a project name change or developer change and therefore it is a new project, and the previous letters and emails are being dismissed as not relevant.

Don't kid yourselves. People are watching what you are doing with your votes. They know that you know the amount of pushback generated by voting citizens against these projects. You are lying to yourselves if you think the previous emails and letters can be ignored because of a name change. And then you are not only lying to yourselves but are lying to your

voting citizens. They are against up zoning all projects on these Shea properties regardless of the name, developer, or any other change.

To have a City Council Member say that the people who have contacted the city had generic comments is eye opening to me.

The word NO is a generic word. Regardless of whether or not it is a generic term, No means No and the citizens have said NO repeatedly.

Men have been told repeatedly that if a woman says NO to any type of sexual advance that they mean NO.

Any man who ignores that and continues his advances can be brought up on criminal charges. NO means NO!

Get that in your head the citizens have said NO repeatedly and changing a name or developer does not change anything. They have said NO!

If City Staff thinks that they can justify ignoring all the NO's and City Council thinks that they can ignore all the NO's and vote for these up zonings, they are only lying to themselves.

Do now allow for any up zoning on these Shea projects. Vote NO along with your citizens.

French Thompson

**Subject:** Road Diet on 68th Street

⚠ External Email: Please use caution if opening links or attachments!

Please don't do this! I live on the corner of Osborn and 64th St and with the new apartments on Scottsdale Rd the traffic is horrible. It is often 5 to 12 cars waiting to turn left on to 64th. 64th Street is like a raceway 24 hours a day. There is too much traffic on 68th St to do this. Have any of you had to drive this at rush hour? It will be a real mess. Please don't make it worse. It is already ugly without the trees or African Daisys. Who designs these messes? They evidently don't live or travel in the neighborhood.

**Subject:** Narrowing roads

**⚠ External Email: Please use caution if opening links or attachments!**

All -

I just heard about the plan to narrow 68th St into two lanes with a middle turn lane in order to "better manage" traffic. This seems like a bad idea to me for a street that is busy already and has many new apartments and condos planned to be built in the surrounding area. The "road diet" plan seems to be an inappropriate fit for that area. It would be useful to hear your reasoning for instituting such a change to our already congested downtown area.

Thank you,  
Barbara Carpenter  
32 year Scottsdale resident and regular voter

Break's Over, Time to Get Back To Work!----- Original Message -----  
From: "Bob Littlefield, Keep Scottsdale Special" <bob@boblittlefield.com>  
To: DOUGLAS MILLER <dmler108@cox.net>  
Date: February 9, 2023 at 11:59 AM  
Subject: Break's Over, Time to Get Back To Work!

Dear Friends:

2022 ended on some high notes for residents who care about preserving Scottsdale's special character and high quality of life; resident-friendly candidate Barry Graham was easily elected to join resident-friendly incumbent Kathy Littlefield on the City Council, the outrageous Mercado Courtyards (92nd Street and Shea) apartment proposal was defeated and, no doubt as a result of that defeat the equally outrageous 94 Hundred Shea apartment proposal was postponed indefinitely.

*New Resident-friendly team on City Council*

Unfortunately, the threats to our quality of life did not go away, they just took a break for the holidays and are already beginning to resurface. The developers of the tall, dense, traffic-clogging and water-guzzling apartment projects are already at work trying to figure out new and creative ways to get around citizen opposition in order to get their upzonings approved.

But the most immediate threat to our quality of life is a proposal by City staff to start putting Scottsdale streets on a "road diet!" Simply put, this idea would lower the number of lanes available to cars on our streets. Ever since I was first elected to the City Council over two decades ago the #1 complaint of Scottsdale citizens has been clogged traffic, and the thousands of traffic-clogging apartments approved over the last decade have made this problem even worse! Check out this video for more details: [Road Diets Coming to Scottsdale?](#)

Bottom line, Scottsdale citizens need to be actively engaged in their city government to protect Scottsdale's special character and high quality of life. Over the next few weeks, I will keep you informed about the upcoming threats and will let you know what you can do to fight them. Another way to help is to sign up at to [Protect Scottsdale](#) for information about upcoming projects and info about how to let the City Council know where you stand on them.

⚠ External Email: Please use caution if opening links or attachments!

Dear Members of City Council,

I have recently heard that you will vote on a proposal to remove travel lanes on 68th street between Indian School and Thomas roads, and make other changes to that road, in a process commonly called a "road diet." There may also be some plans to remove travel lanes from Hayden Road as part of this item.

I VERY STRONGLY urge you to vote AGAINST that proposal.

I have seen many dumb proposals before city council in the past, but this has to be one the really dumber ones. It will result in more congestion, more deaths of bicyclists on the roadway, more accidents, and less transportation safety.

This type of dumb activity is called for in the Transportation Action Plan 2022 (TAP-2022). Given this, I would also urge you to repeal the TAP-2022 so that city staff do not feel compelled to come up with insane ideas like this. If you feel that the city must have some sort of transportation plan, please revert to the much superior TAP-2008.

In fact, I would recommend you implement some budget cuts and staff reductions in the city's transportation planning department, since they are obviously overstaffed if they have time to come up stupid ideas like this "road diet" plan.

Thank you for your consideration.

Your Constituent,  
Peter Petrinovic

**⚠ External Email: Please use caution if opening links or attachments!**

Please say no to the idea of "Road Diets"!

As a citizen who needed urgent care in the trauma center that was 8 miles away from my accident, time was of the essence. Thank goodness we didn't have any road diets that would cause more traffic congestion for emergency vehicles! We already have bike lanes and sidewalks. Please keep the traffic flowing – say no to road diets and vehicle congestion please!!

Thank you,  
Shery Gossen

Dear Council members and Mayor,

I am writing to you about the the Road Diet issue that you will be voting on soon.

1. Can those of you who are in favor of this or not in favor of this write back to me to let me know of your position and the reasons? If you don't respond, I will assume that you are in favor of this.
2. What kind of community outreach has been done, if any, for something that would greatly impact residents all over south Scottsdale?

This is huge, and I can't believe that I have just only heard about it. And thanks to a local activist, definitely not my city council. I lived here since 1984, and although things are constantly changing, there has been an exponential change/increase in traffic just during the past 2-3 years. I thought I had gotten a handle on road rage 30 years ago, but the increased anxiety and impatience of drivers in the south part of town is causing a real setback. How many people, especially seniors (who btw have held this city together for the past 40 years) do you think will want to walk/ride a bike/wait for a bus in 110 degree weather? Most of you don't live anywhere near here, and you really don't have any idea how residents feel about these issues, nor do you even make an effort to do so or even keep us informed. Remember, we are the ones having to drive in this constant traffic, not you. Put me down as someone who is totally against this new scheme.

Awaiting your response,

**Subject:** 68th Street Road Diet

⚠ External Email: Please use caution if opening links or attachments!

PLEASE VOTE AGAINST narrowing 68th St. It makes absolutely no sense with the continued apartment growth in south Scottsdale. The bike path runs very close to 68th St. along the canal. There is no sane reason to create a new one by eliminating a traffic lane in an already congested area of Scottsdale.

Please do the right thing for Scottsdale citizens and vote NO on any road diet project that is presented to you. Road diets are not appropriate for Scottsdale streets.

Thank you for your consideration. ~G

Dear Council,

Is the Federal Government paying for this skinny diet road plan, or Scottsdale taxpayers? As you will know, the Bond which I opposed has already increased by well over \$100 million. We didn't need a \$40 million parking lot for Craig Jackson who had the best year ever, nor a new cactus swimming pool that Mike ASSbestos Snorton Norton claimed was full of Assbestos! 🤔

You need to put the brakes on the road diet. This is not the time. Scottsdale is becoming unrecognizable.

Thank you.

Emily Austin aka "asshole" according to the classy Tammy Caputi said no one.

Hello City Council Members, hope you're well! I'm writing in strong opposition of proposed road diets. According to the National Motorists Association, "The real solution is to upgrade and improve the traffic handling capabilities of main thoroughfares. This means implementing physical improvements, as well as raising speed limits and synchronizing traffic controls to accommodate actual vehicle speeds. If main streets provide convenient access between home, work and shopping destinations, motorists will use them, versus alternate routes through residential neighborhoods." I hope the council strongly considers this and the views of the residents.

Thank you for your consideration.

Jessica Batory

Can you folks not come up with better ideas than to ruin our beautiful city. We voted for you hoping you would be content to just keeping Scottsdale vibrant, beautiful, and popular. It seems however you have fallen prey to the developers (God knows what value you are deriving from this) and the grandiose BUILD BABY BUILD philosophy and with that comes ROADWAYS...MAKE'EM BIGGER...MAKE'EM BETTER...Forgetting that we the residents didn't move here to be a LA "lite."

I know Kathy will see they rhyme and reason in JUST SAYING NO to this proposal (road diet) and I am sure Barry likewise is enlightened with the change this will once again erode Scottsdale. Now if the rest of the council would just see the light instead of whatever they are getting from these plans...we could all co-exist.

I will be following along the votes on this project and on who voted for "what." And from that we will once again assemble the masses needed to unseat those of you who can't seem to keep SCOTTSDALE in your focus rather than blacktop..And we vote...And we remember...AND we gather.

Sincerely

So one day I see the AZ legislature coming up with one bad bill after another (SB1117 and renter tax elimination). And now Scottsdale wants to jam up traffic probably in preparation for more apartments. This just causes more pollution and traffic.

Say NO to this idea.

And now I would like to know why we are pulling concrete pipe out of Pima Road up near Pinnacle Peak Rd (somewhere in that area). And I get a survey from Polco asking if I am willing to pay more for water or if I am willing to use recycled water. Really!!! You approved Optima with pools on top of 6 story apartments and more apartments and more apartments and you want long term residents to pay more for water and drink treated sewage. Stop the development until we have enough water. Geez - what is wrong with you?

**Subject:** 68th Street Traffic modification project

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor and Council Members,

I am late to the discussion in this process, so my apologies up front for the following comments and questions. I've heard some resident concerns regarding this and proposed future street modification projects (referred to as road diets) in the south Scottsdale area and wanted to get more information about the analysis behind these plans.

What consideration was given to the land uses and projected growth and density in this particular stretch of street? When looking at aerials of College Avenue in Tempe, north to Virginia Avenue in Scottsdale, the predominant land use is single-family residential, with sidewalk, bike lane and single vehicle travel lane and middle turn lane. However north of Virginia Avenue, the land uses change and the street configuration changes accordingly to accommodate both commercial and multi-family developments with greater densities and presumably higher traffic counts. The area north of Thomas has a lot of smaller multi-family developments that are under parked for the tenants of these units, with the side streets utilized for on-street parking. I am curious why 68<sup>th</sup> Street, which may function as a reliever street to the traffic on Scottsdale Road, would be narrowed in the area of greatest density, with the goal of improving safety for bicycle traffic that has a dedicated 10' multi-modal path at the 64<sup>th</sup> Street alignment to the west, along the canal. Having ridden this path, there is only about 3,000 feet distance between the intersections on Indian School Road of the 64<sup>th</sup> Street canal and the 68<sup>th</sup> Street intersection, both which have signalized crossings to the canal. Providing safe access to this multi-modal path with connectivity along Thomas and Osborn and across Avalon and Paiute Park would encourage use of this existing canal path for safer bike travel away from vehicles.

As a critical north/south regional roadway in an increasingly dense downtown area, pedestrian improvements would be needed to encourage walkability. The street sections shown on the website show palm trees along the pedestrian path, which may just be illustrative, but unless the plans call for a shaded tree lined street, the walkability of 68<sup>th</sup> Street will be no different than the existing unlandscaped canal bank path. The quality of life for residents and visitors would be enhanced by the addition of street trees to encourage walking and wellness. The raised 14' median could be split to provide sidewalks with landscaped strips for shade on the west side of the walk. The project appears to already be designed and ready to issue construction funding, and may be tied to Federal grant funding with deadlines, so I'm not sure how much can be done to address these concerns.

The project will reduce the four-lane roadway to two lanes and add bike lanes when there is a multi-modal path a half of a mile to the west.

Were bike traffic counts taken in this area to determine demand of the need for bike lanes on 68<sup>th</sup> Street?

Was a vehicle traffic model generated at projected build out of the area within a mile of the street to determine peak demand and impacts of the loss of one lane in each direction?

Were alternative designs with bike/car shared lanes considered to maintain the # of lanes in each direction but accommodate commuter bikes (who don't want to bike out of their way on the canal)?

Was consideration given to using narrower 10' drive lanes and 9' parking spaces to encourage slower speeds with a visually narrower street while maintaining the # of lanes?

Was consideration given to creating 10' multi-modal paths, rather than bike lanes and sidewalks, so that pedestrians and cyclists would be vertically separated from vehicle traffic and enjoy a wider shared path?

What input have the police, fire and hospital emergency response staff had to the proposed design which eliminates traffic lanes in the area with higher density and adjacent to the increasing density of Scottsdale Road? Reducing the

vehicle lanes may impact transit service and emergency vehicle circulation around potential congestion on Scottsdale Road.

There is reference to pedestrian improvements, yet the sidewalks are not being widened nor are they being separated from traffic by landscape strips, nor is there shade proposed. What pedestrian improvements are being made besides the two Rectangular Rapid Flashing Beacon (RRFB) crossings, one at Avalon and the other at 2nd Street? Couldn't these RRFB devices be installed with the existing street configuration for pedestrian safety with no other changes needed? It appears this is the only pedestrian enhancement made. The area of greatest pedestrian risk is the east side of 68<sup>th</sup> Street where the Parc Scottsdale Condominium tenants park and back out over the sidewalk between First and Second Streets, if this condition remains, then encouraging pedestrian activity is increasing liability in this section of the sidewalk.

Were the residents and property owners along this 2-mile stretch of street were surveyed and engaged in discussions about the proposed changes? Was there a majority of favorable responses from those most impacted? Were there studies that indicated a warranted need for the changes? Was any consideration given to a pilot project to see how the striping affected traffic flow? The \$1.3 million budget seems a bit high for a 2 mile stretch of restriped street. Is the majority of this expense for the 2 RRFB controllers and related infrastructure? Upon completion, this project will give pedestrians 2 safe crossing points on existing narrow sidewalks with no shade and vehicles backing out from drives. Cyclists will have vehicles driving by on one side and car doors opening on the portion of the street with parked vehicles. Most of the changes made appear to be striping reconfiguration, with limited infrastructure changes that couldn't be undone (for additional expense) later if it is determined this design solution doesn't work with future growth in the area.

Thank you for your consideration of these questions and comments.

Sincerely,

Diana Kaminski

**To:** City Council  
**Subject:** Vote NO on Road Diet

**⚠ External Email: Please use caution if opening links or attachments!**

Hello Mr. Mayor and City Council Members,

After doing my own research about the Road Diet process that has occurred in other cities around the country, I am very much against the entire process of Road Diet.

The city is adding more and more population and there is no evidence that they are not using cars or any evidence that they are walking, riding their bikes or any other mode of transportation for any distance other than exercise and activity within a mile radius.

I understand that there is a city staff transportation department and if they don't have anything else to do they will make up projects. That is exactly what this sounds like to me. Making work where none is needed.

I urge you all to vote no to road diet plans. This is a terrible idea that has had major negative effects where it has been implemented in other city's.

More pollution as cars sit in traffic for longer periods of time. More road rage and there are actually more accidents rather than less.

I have read the argument for doing this and it is not a strong case. The case against doing this is so much stronger.

French Thompson

**Subject:** The Road Diet Vote

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor and Council Members,

I am writing regarding my concern in reference to the Road Diet Vote that I understand is now before the Council.

It is with deep concern that I am addressing the continuous disregard for the lifestyle and way of life we the residents of Scottsdale have been drawn to and have enjoyed over time but which is coming more under attack by such issues as the Road Diet Vote now before the Council. My husband and I settled down and made our home in Scottsdale to enjoy the peace and quiet and beauty of the area. Although I do not live in the particular area of Scottsdale that would be directly affected by the Road Diet Vote it is a step in the destruction of the charm and investment made by all of us who own homes in Scottsdale.

I urgently request that a strong "NO" vote be made against this destructive request and this issue be put to permanent rest.

Sincerely,

Charlotte Pierce  
9807 E. Clinton Street  
Scottsdale, AZ 85260

Dear Council members and Mayor,

I'm asking you to vote NO on the upcoming request for road diets in our city. Look no further than the failed attempts in California (Mar Vista, Redondo Beach, etc). They create unmanageable traffic, which leads to people avoiding the area altogether. This will hurt local business anywhere near that route. Scottsdale has plenty of green belt space, parks, and trails for bicyclists, joggers and walkers to enjoy safely away from any traffic. Most residents, like myself, rely on our city streets to shuttle our children to and from school and sports, shop at our local businesses, and get to and from our jobs. Roads are the arteries of our city. Constricting them for a small outspoken minority will do nothing but cause pain and suffering for the majority of your constituents. Thank you for your time.

I too, agree with fellow resident Rick Plumhoff. No reason for our City to spend hard earned tax payer dollars on something that has proven to be a failure in other cities. We love the plentiful multi use paths that we already have, and thank you for preserving them. Please resist the "progressive" bandwagon and vote NO on road diets, to protect Scottsdale.

We thank you for your dedication to Scottsdale.

Dear Members,

I have watched this city grow out of control now, for nearly 30 years. I live near the intersection of Cactus and Hayden Roads. This gives me the right to say that you're members are insane if they think putting the confusing traffic lanes of a "Road Diet" to make pedestrians and bikers happy, is a good thing. When the "Road Gods" opened a ramp for the 101 on Cactus, my life drastically changed. I had to add time to appointments, just in case, because sometimes, it takes me 10 minutes to leave my driveway to enter into the gads of traffic. There are four lanes and a strip in the middle and traffic galore. Downtown congestion would be such a nightmare, as it already is, without making it confusing and dangerous. Apparently, none of the council that is approving this plan intend to ever drive there again.

We used to be a lovely small city. You could see the mountains in the distance everywhere as you drove down roads without traffic. We got sold out. The residents that were here didn't care about courting companies and hundreds of thousands of new residents. If we wanted to live in Chicago, New York or even Atlanta, we would have moved there. The expansion of our city is out of control. What was a beautiful wild place that had room for animals and people alike, has become walls of concrete buildings and parking lots. God help an animal that finds itself in amongst that.

Also, here's a thought, as the council was selling us off to the highest bidders, did no one even consider that humans consume water and we live in a desert? There will be no water here very shortly, which will create a lovely ghost town, filled with all the apartment buildings and car dealerships one could ever want. By God though, we need to address this pressing matter of a confusing and ridiculous "Road Diet".

Sincerely aggravated,

Susan Borison Rodriguez

**Subject:** about the Road Diet. Here is what happened in Waverly Iowa when they did it

**⚠ External Email: Please use caution if opening links or attachments!**

Dear City Council members and Mayor Ortega,

I lived in this city in Iowa for four years of my undergraduate in Waverly Iowa "Wartburg College" a Private School. The Road Diet did not work there and ruined businesses and made it very unsafe. I am so sorry to see this happen to such a beautiful city. Don't let it happen to Scottsdale. I know Solange is all in for this but she does not know the ramifications to small businesses and is just thinking about bikes and pedestrians. Those people do not shop the stores and buy things that need to be carried home in a car. She likes to ride her bike fine but don't ruin the downtown experience for the rest of the world that is not up to riding a bike. Stop this insanity before you get into the mess they have in Waverly Iowa. Learn from others mistakes. Thank you for clicking on the below link. Especially Mayor Ortega I hope reads this. Scottsdale's future depends on knowledge of how it worked in other places before we do it here. Thanks

hello city council,

thank you for your time, as a citizen of old town, Scottsdale, I am not in favor of the road diet plan as our traffic is already very thick. I do not think the road diet will be a good idea going forward. I'm also worried about emergency vehicles as I hear and see more and more in old town. And with a smaller Road in their population, it will be hard for these vehicles to get to people in need ! Please consider that not many people, ride bikes, or walk to work with our extreme summer heat. thank you for allowing this input, and taking it into consideration!

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor and Scottsdale City Counsel,

Please do NOT allow this "road diet" agenda in Scottsdale. It is a lose-lose proposal. I experienced "Road diet" years ago when I lived in Seattle and it was a disaster.

If you think motorists will walk or ride a bicycle instead of driving a vehicle, well this is not Europe. It simply will not happen. Narrowing roadways for cars only causes further vehicle congestion, backups, accidents and road rage.

It accomplishes Nothing !

Please vote NO on this road diet.

Respectfully,

Jeanne Suliere

A concerned citizen.

Hello City Council and Mayor Ortega,

The more I learn of this Road Diet situation, the angrier I become. You people (at least some of you) have gotten this notion into your heads of how you want people in south Scottsdale to live. You want to impose a new lifestyle on us, one that you yourselves will not be living. You want to change the lifestyles of those of us who have been enjoying our lifestyles for 30 - 40 years+ without even warning us or giving us a vote in this. This is very authoritarian and definitely not a Democratic process.

I love bikes and bikers. I'm even looking to buy a new one for myself. There are plenty of bike lanes in my area which includes that proposed area on 68th St. In fact, everywhere I drive around here, I am happy to see the improved connectivity of the bike lanes. I am happy to see bikers out enjoying themselves, getting some exercise, and saving on gasoline. I know it's much better on the environment to use less gasoline. But, for an aging population in this area, we need our cars for so many reasons (groceries, doctor/medical appointments, etc.), and the traffic is already bad enough without taking away car lanes. That is just crazy.

Please take some time to drive around here sometime, especially during rush hour. Then, maybe you can understand the frustration and anxiety that your proposal is causing.

Your south Scottsdale neighbor/resident/Voter,

Gail Sikes

**⚠ External Email: Please use caution if opening links or attachments!**

Hello City Council and Mayor Ortega,

The City said it would be too expensive and balked at my idea to widen the bike path and separate it so electric vehicles such as scooters and electric bikes could safely and enjoyably cruise through Scottsdale and leave the other side for others to walk, jog, push strollers, use canes etc. It would be a great and safe idea and a lot less expensive than this ridiculous plan. Please vote no. You're destroying Scottsdale.

I also agree with Gail Sikes comments below:

The more I learn of this Road Diet situation, the angrier I become. You people (at least some of you) have gotten this notion into your heads of how you want people in south Scottsdale to live. **⚠ External Email: Please use caution if opening links or attachments!**

Dear Council members and Mayor,

I am writing to you about the the Road Diet issue that you will be voting on soon.

1. Can those of you who are in favor of this or not in favor of this write back to me to let me know of your position and the reasons? If you don't respond, I will assume that you are in favor of this.
2. What kind of community outreach has been done, if any, for something that would greatly impact residents all over south Scottsdale?

This is huge, and I can't believe that I have just only heard about it. And thanks to a local activist, definitely not my city council. I lived here since 2005 recently and before that as a child/young adult from 1961-1981, and although things are constantly changing, there has been an exponential change/increase in traffic just during the past 2-3 years. I thought I had gotten a handle on road rage 30 years ago, but the increased anxiety and impatience of drivers in the south part of town is causing a real setback. How many people, especially seniors (who btw have held this city together for the past 40 years) do you think will want to walk/ride a bike/wait for a bus in 110 degree weather? Most of you don't live anywhere near here, and you really don't have any idea how residents feel about these issues, nor do you even make an effort to do so or even keep us informed. Remember, we are the ones having to drive in this constant traffic, not you. Put me down as someone who is totally against this new scheme.

Awaiting your response,

Maureen Ray

I'm writing this email to let you know my feelings on the proposed "Road Diet". Have any of you been driving around Scottsdale lately? The traffic is horrendous. With all the new developments it is almost impossible to go from one area of Scottsdale to the next. I have lived here in Scottsdale since 1996 and never did I expect to see how our city is being destroyed. Building anywhere there is a piece of vacant land and now trying to change the roads by decreasing the lanes. I'm an older resident and certainly don't need less lanes. Aren't there enough accidents and deaths due to accidents? what is going on?? I'm so frustrated with developers thinking that they know best. Carol Terracciano, resident, owner tax payer and most importantly VOTER. Resident and owner at Belcara Condos.

Dear Ms. Aguirre,

we welcome your comments to the City Council concerning the "Road Diet". In understanding your response to the planned reversible changes, we think it is important to elevate the conversation and understand this project from a different angle.

The City master plan for transportation has different roads with differing carry capacity. As you well know, some roads are neighborhood streets, others through roads with more capacity. Living in a neighborhood as you do, it is easy to understand the benefit of a quieter safer neighborhood for you and your family. One of the affects of traffic calming is to redirect traffic to higher volume streets that are better suited to carry the load. Contrary to the idea that it will create congestion, it redirects traffic to more practical avenues. This actually results in more efficient movement of vehicles through the city thus reducing congestion.

This is a complex undertaking that extends strategically beyond just the striping of a street surface. The city always has the ability to reverse striping if it turns out to have unintended consequences. However, given the careful planning underneath this plan, we are confident and trust that the transportation team have been wise in advancing this plan.

Emergency vehicles would not be affected because there would not be any hardscaping. which could impede their movement.

We would welcome the opportunity to meet with you to talk through this complex matter and hope that we can get your support to encourage our city leadership to continue on their path of protecting and growing our city in a thoughtful and considered manner.

Feel free to call if you would like to talk or schedule a time to meet. 480.490.5742

Yours sincerely,  
The 68th Street Sidewalk Association  
"walk the walk, safely"

Why are we spending money on road diets? People are not going to get out of their vehicles. The way to reduce traffic and lessen the impact on water supplies at the same time is to STOP apartment construction. We cannot continue this over development without a water solution.

**⚠️ External Email: Please use caution if opening links or attachments!**  
March 1, 2023

Good Morning Mayor and City Council,

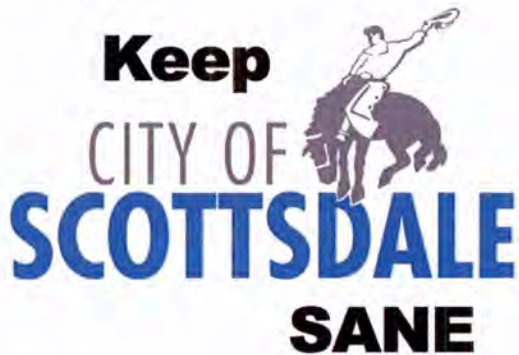

If you are in favor of Road Diets and the Proposed Sustainability Plan, I challenge you to lead by example and be carbon neutral for the next 30 days:

1. You may walk, ride your bike/scooter, ride-share, or use the city bus as often as you wish;
2. You may NOT drive a vehicle the entire month;
3. You may NOT order home delivery or Amazon, as that would mean other vehicles are adding to the carbon footprint in place of your car;
4. You may NOT ask others to drive you somewhere they themselves are not going;
5. Hydrate, at least it's not summer!

This may give *March Madness* 🏀 a whole new meaning.

Gloria Saeger  
Resident/Voter

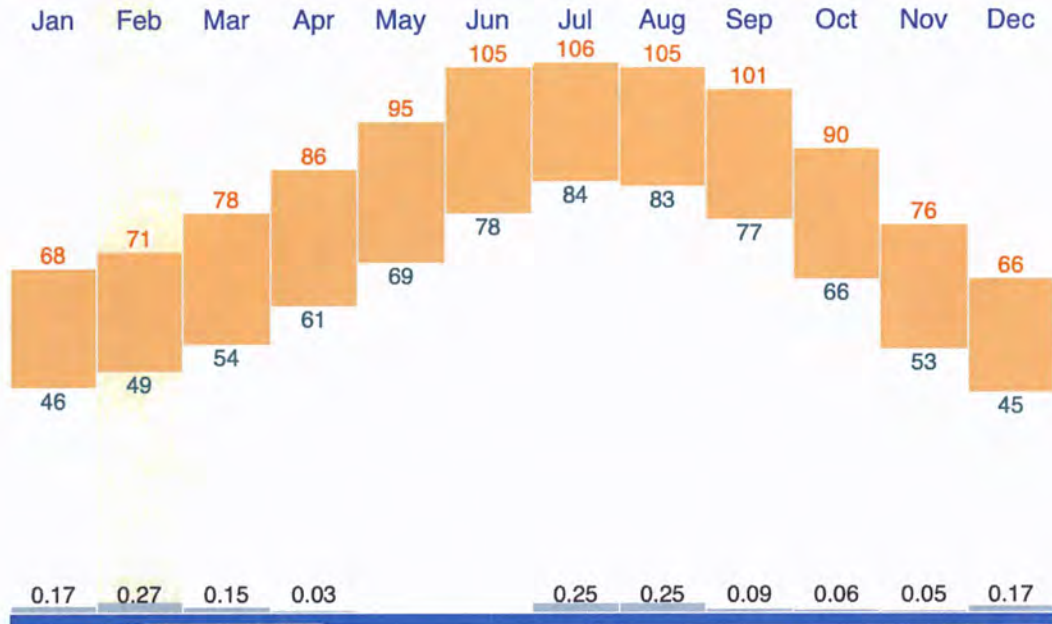

BTW, China is responsible for 32% of global greenhouse gas emissions. The US is responsible for 12%, with only 16% coming from transportation. <https://ourworldindata.org/co2-emissions>. Does it make sense to change our quality of life for such a small amount?

# Annual Weather Averages Near Scottsdale

Averages are for Phoenix Sky Harbor International Airport, which is 8 miles from Scottsdale.

**⚠ External Email: Please use caution if opening links or attachments!**

Please you all have turned this town into apartments and condoland.. everywhere we turn there is traffic galore and you now want to make it worse?

I have lived in south Scottsdale for 40 years, and the change is well not all good. The high density building has already reached the breaking point.. this is not making our city better, please please think about the few roads we use to escape the traffic..68<sup>th</sup> is our main road and it is only getting worse with our highstory dwellers being added... with all the new housing planned its plain stupid to try to throttle the traffic and it's residents more. I am guessing you do not care about our revenue streams.. the locals spend less and less money in high density areas because we can't access it.

And that building you have allowed on 64<sup>th</sup> and McDowell.. the glass is literally blinding to anyone driving by.. who approved this! If we don't have an increase in accidents at that corner

I would be shocked.. coming down the hill heading east with the sun setting.. you can't see try holding up mirrors in front of you while driving. Or trying to head north on 64<sup>th</sup> met with industrial grade mirrors.

So NO ROAD DIET... and NO more Apts and Condos Please

I saw the plan as presented on the video highlighting the areas scheduled for lane elimination. I am 100% IN FAVOR of this plan and think it should be expanded. Scottsdale Road between the mall and Lincoln is a disaster- unpleasant, dangerous, hostile to pedestrians and bicyclists etc.

Thanks.

**Subject:** Road Diet Proposal

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Council Members:

I'm writing in protest and complete shock at the mere concept of narrowing certain roads in our beautiful city.

It is beyond imagination that a "road diet" is being considered, given our current population of both permanent residents and seasonal visitors...and they keep coming!

Our streets are currently swollen with major congestion making it harder to navigate at peak hours: which are getting longer and longer and not just on our freeways!

I know that you know that serious vehicular accidents are on the rise. Not only is this a statistical consequence, yet it doesn't take much to notice the frequency and severity of traffic jams and driving hazards that we face daily.

As a Scottsdale resident since 1986, I have witnessed the negative impact of unprecedented growth and personally rely on our "quaint" back roads to avoid high-traffic areas. Narrowing the roads will not help anyone!!!!

If we do anything as responsible city planners and tax-paying citizens, we should be supremely focused on maintaining and expanding roads-not making them smaller!

Road diet? Seriously? You're going the wrong way here.

Mark,

Thank you so much for this response. I am really glad to hear that there is a plan for the area but wish the area from Camelback to Indian School road would be the initial project as that road is in the worst repair. We are very pleased and surprised last night when we returned from Mayo Clinic to see that the pot holes were repaired. It's a start!

Solange has put me in touch with members of the 68th Street Side Walk Association and I will look forward to talking with them. I will also contact Ed on Monday. My husband has many medical issues and I have been out of touch and out of contact for quite a while.

Thanks again,

Good morning Ms. Post,

We apologize for the miscommunication on your EZ request. I would like to update you on the future improvements for 68<sup>th</sup> Street from Thomas to Camelback Road, which is part of the 68<sup>th</sup> Street Active Transportation Corridor outlined in the Transportation Action Plan. First, the improvements from Camelback to Indian School Road includes new sidewalks and integration of a storm drain project (funded through the Maricopa County Flood Control District) as well as the paving of the street. The schedule and balancing of all of these tasks will be addressed as we move forward. The sidewalk project is included in the draft Capital Improvement Program currently going through the approval process. Second, the 68<sup>th</sup> Street Thomas to Indian School Road and Thomas Road from 73<sup>rd</sup>-56<sup>th</sup> Street project is going to City Council for contractor award on March 21, 2023. The improvements as part of this project will also include paving. In the interim, our crews are addressing any potholes in this corridor as we speak. I hope this provides clarity on our process to improve 68<sup>th</sup> Street and addresses your concerns. I know you and Ed Padron from our Paving Section have missed phone calls. Please contact Ed (480-312-4324) or myself if you have any further questions.

Dear Council Members,

I received the email below yesterday, March 1. The original email was sent 09/07/22! There was no correspondence on this until yesterday. That is TERRIBLE service. Nothing has been done to improve 68th Street and the road is crumbling apart.

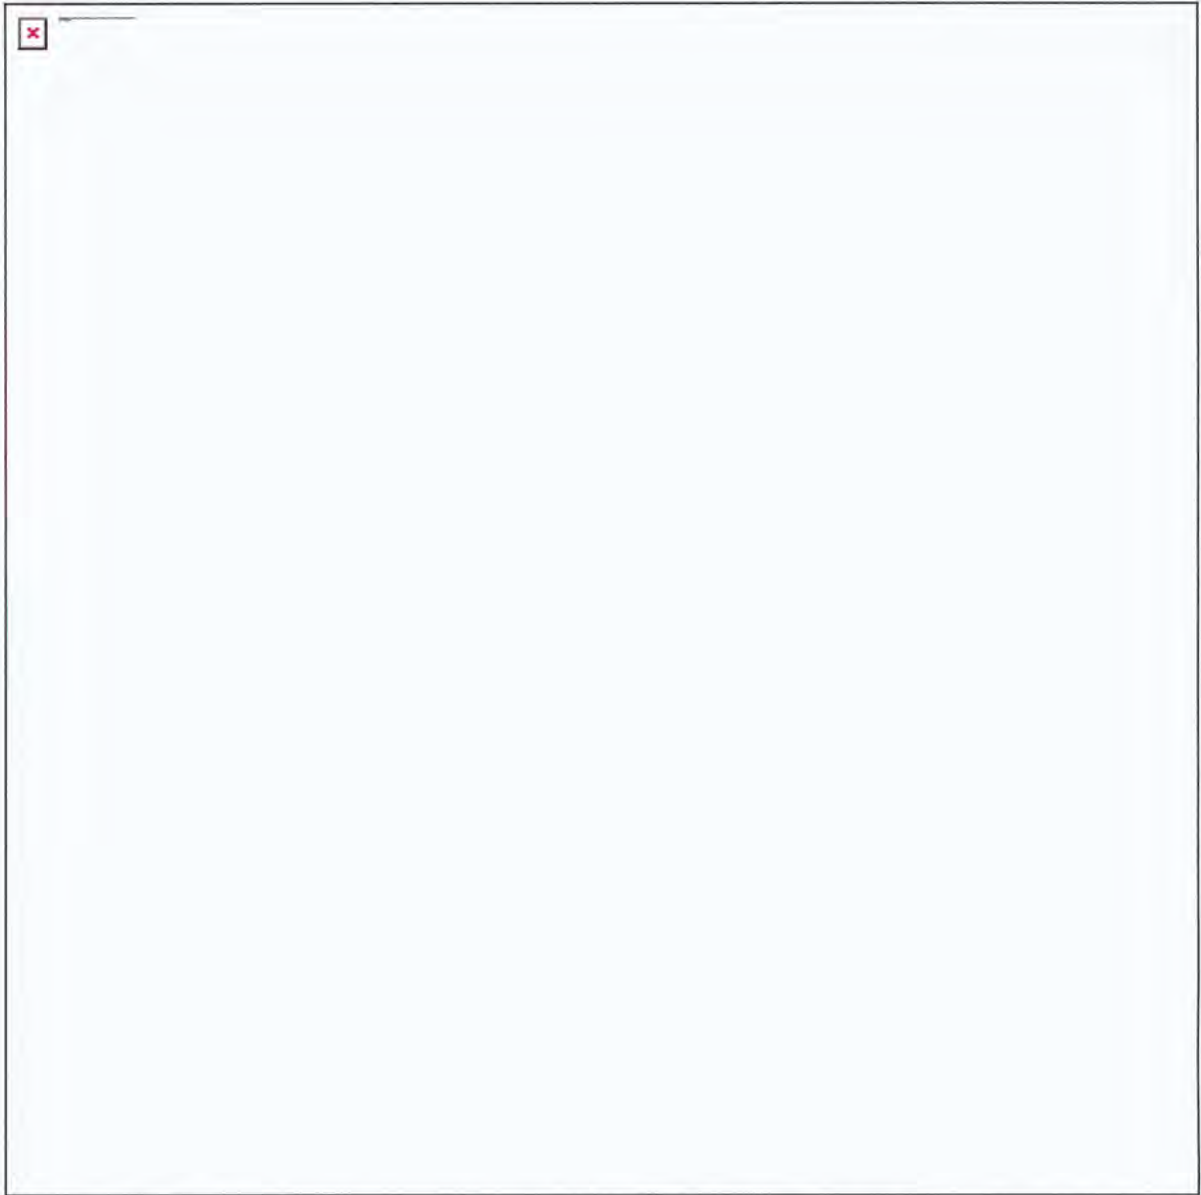

Last week I again sent a voice message and an email requesting that the pot holes be patched immediately and the street repaved soon. I had a call back saying they were notifying the correct department to patch the holes but City Maintenance would have to get back to me on when the street is to be repaved. I have heard nothing from them and the pot holes have not been patched. This street is a disgrace.

This situation certainly does not create a lot of confidence in the quality of services the city provides. It is very disappointing. We need to do better than this.

I am against limiting roads to 1 lane. Not practical at all in this area or any area in Scottsdale. With the heavy traffic in this area one lane will only create more delays and congestion Traffic volume will only increase in the future, not decrease. Why not let the citizens vote on this project, instead of a few people from the city.

Thank You

Hi Friends,

This email is in response to Scottsdale City Council's proposed plan to narrow streets, starting in South Scottsdale. It's a ridiculous idea which I believe is intended to move us in the direction of the 15-Minute City concept which is being forced on cities in Great Britain and Australia in the name of Climate Change.

But what it's really about is control. Controlling our mobility, movemen freedom to travel -- freedom in general. I've been observing how they're doing this in those other countries, and we can't let it happen here. It's already slated for many U.S. cities, as well as Phoenix-area towns like Chandler.

Clearly we have some "woke" City Council members! This is not good, it's the woke city leaders who've allowed awesome places like Portland, San Francisco, and even Austin to sink into the crime-ridden, lawless cities they've become.

Below is the email I just sent to the City Council members. If you're against a woke agenda being forced on Scottsdale (and Arizona as a whole, now that we have a woke Governor), now's the time to stand up against it.

Please send your own email to them either today or Monday. They have their meeting on this matter next Tuesday, and if anyone wants to join me and go down there to observe the discussion, let me know!

**⚠ External Email: Please use caution if opening links or attachments!**

Hi,

After viewing the video on YouTube regarding the proposed, or should I say, already planned, road diets I am even more concerned. These plans are based on seven year old data. The city's population has exploded since 2016.

A number of the streets that will be impacted currently allow for pressure to be taken off main arteries through and around Scottsdale. Reducing those would only result in an increase pressure on not only the main arteries, but the smaller streets as well. And with the city's insistence on an increase in wildly unnecessary multi-unit housing complexes, it simply doesn't make sense to reduce the size of roads. When you think about it, the roads were designed to be large in anticipation of population growth and to make sure traffic keeps moving.

Vehicles idling for extended periods of time, as they would if sitting in traffic, is actually quite bad for the environment and the health of Scottsdale residents, making the argument of road diets being better for the environment and people a moot one.

There are plenty of bicycle lanes plus the multi-use green belt for cyclists. And if we really want to get down to the nitty gritty, cyclists actually need more policing as they do not follow the laws of the road. More often than not I see them blow through intersections, ride in vehicle lanes even when there is a bicycle lane, weave in and out of traffic, not indicate when changing directions or turning, etc. If cyclists actually followed the laws as written, they wouldn't have nearly as many issues as they claim to have now.

I strongly urge you to reconsider the planned road size reductions. These road diets have proven to be utter failures in other cities. Scottsdale will not be an exception.

Thank you,  
Bri

Dear Council members and Mayor,

I'm asking you to vote NO on the upcoming request for road diets in our city. Look no further than the failed attempts in California (Mar Vista, Redondo Beach, etc). They create unmanageable traffic, which leads to people avoiding the area altogether. This will hurt local business anywhere near that route. Scottsdale has plenty of green belt space, parks, and trails for bicyclists, joggers and walkers to enjoy safely away from any traffic. Most residents, like myself, rely on our city streets to shuttle our children to and from school and sports, shop at our local businesses, and get to and from our jobs. Roads are the arteries of our city. Constricting them for a small outspoken minority will do nothing but cause pain and suffering for the majority of your constituents. Thank you for your time.

**To:** City Council  
**Subject:** Fwd: Road Diet Program

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Scottsdale City Council Members:

Please stop this nonsense of remodel some of our streets to reduce their capacity to handle traffic. At some point, one of our fine city traffic engineers determined that we need the capacity of these roads, we spent tax payers dollars to build these roads, and now, if you allow this program to go through to completion, we will have to use more taxpayer money to reduce the capacity of these streets. This seems like a waste to our tax dollars.

The long term residents of Scottsdale are frustrated by the traffic congestion on our roads. As we see high density housing going up all over our city, we know that the traffic will only get worse, and you want to use an additional amount of our tax dollars to exacerbate traffic congestion?

Reducing the traffic capacity of these roads will only hinder the reaction time it takes first responders to an emergency.

If we have access funds in our transportation budget perhaps we could fill some of the potholes on Scottsdale road and repair the pavement on our roads. In the twenty eight years that I have lived in Scottsdale, I've never seen our roads in such bad shape.

I urge you to please stop this insane idea and to use our precious tax dollars wisely>

Thank You,

Jim Haxby

**Subject:** City Planning & Council Decisions

**⚠ External Email: Please use caution if opening links or attachments!**

Hello Mayor Ortega and City Council Members:

Please restore good old "Common Sense" and "Sanity" to all of our Scottsdale planning and voting decisions going forward.

1. We need a strict STOP moratorium on multi-family apartment buildings. Vote "No" on these developer proposals.
2. So called "Road Diets" whereby vehicle traffic lanes are shrunk at the expense of bicycle lanes is total nonsense. We are not a bicycle city! These bicyclists can ride the greenbelts and canals and get off of our roads. Scottsdale is not Amsterdam!
3. Many of our Scottsdale roads are in terrible physical condition with potholes, large cracks, and comminutions from years of heavy traffic and the City's deferred maintenance (called procrastination and neglect). It's way past time to restore our City roads to first class condition rather than "watch" our roads deteriorate further. Some of them are in 3<sup>rd</sup> World condition. Please spend money on road resurfacing without further delays.
4. STOP any expenditures on all the items 1 and 2 above, plus all "Sustainable" and "Climate Change" crap that is being fed to each of you by radical Lisa Mcneilly. What planet did she fall from, and who hired her for our City? Please fire her immediately!

Thank you,

**Subject:** Sustainability

**⚠ External Email: Please use caution if opening links or attachments!**

Mayor and Council

On Tuesday you will consider a so called "sustainability" plan.

First it is not a sustainability plan unless it considers the city's financial sustainability, balancing income and expense including ALL expenses. Right now the city is not fiscally sustainable and in fact doesn't have enough income to run and maintain the city. So that should not only be included but should be a priority.

Second, you are NOT going to get people out of their cars or personal vehicles. The vehicle itself may change but that is not something Scottsdale can control. However having and using a personal vehicle is part of the freedom we enjoy in this country that doesn't exist in a lot of other places. It is part of the attraction to this country and this place in the country. Further it is critical that we remain attractive to both tourists and higher income residents as they spend money in our town which is what we must have to even come close to fiscal sustainability. Therefore a priority should be handling traffic volumes and providing adequate parking to accommodate personal vehicles. Traveling by foot, bike, scooter, or other means is nice to accommodate however it should not be the primary focus and subtract from what is needed to allow people to use the primary means of transportation. I would also add that this focus also supports tourism and our downtown businesses both of which rely on getting around easily using a personal vehicle and being able to park near where they are going. This also supports keeping emissions lower as nothing is worse for emissions than sitting in heavy traffic. I might note that the major source of the city's income comes from sale tax so it is critical to not only support our retail businesses but make sure customers can get to those stores easily. If we fail to do that, our major source of income will see a big dip and we desperately need MORE income not less.

There is a lot more to say about environmental sustainability but we should first focus on fiscal sustainability because without that the rest becomes insignificant. We can and should do a lot better with water use, energy efficient buildings, maintaining open space, etc. but we need to prioritize what we focus on to even hope to become sustainable. So please add fiscal sustainability into this whole plan and make it a priority. This is also a very necessary part of approving zoning changes that can and do negatively impact the city's fiscal health. That should be a primary consideration for any requested change. If we do this, the rest will then fall in place and the city will have the funds to make it happen.

Thank you for your consideration and service to the community.

Howard

Susan Wood

March 5, 2023

Dear City Council,

Regarding the work study meeting on March 7th to discuss the proposed Sustainability Plan.

This proposed plan is actually a war on cars and is jam packed with new regulations on small businesses, developers and residents.

On Pages 10 and 11, it includes mobility Goals to increase transit and **reduce car travel**.

It recommends maintaining and Improving multi model circulation by **narrowing roadways** where appropriate.

It states **Reducing existing pavement** where traffic demand is less than previously planned.

And using complete streets as the framework for **eliminating unneeded vehicular lanes** and replace them with bike lanes.

It emphasizes traffic safety, livable streets and multi-modal community access **over** rapid traffic throughput.

And recommends minimizing heat island effects by **reducing existing pavement** where traffic demand is less than previously planned.

I assume you know there are over 4200 new apartment units already approved that haven't been built yet in the

down town area? And this plan recommends road diets and removing lanes. There are no plans to add any additional travel lanes.

When roads are put on a diet, the result is traffic congestion and delays. As drivers sit idling in their cars, more CO2 will be emitted into the atmosphere., Isn't it ironic that the City is creating a plan that actually hurts the environment.

The median age of the population in Scottsdale is 47, and more than 100,000 of the 242,000 residents are over the age of 55. These people do not ride bikes, especially in the summer. And if the city thinks people will give up their cars, and ride a bike in 110 degrees, they are seriously mistaken.

This City must Stop approving high density concrete jungles and instead, prioritize open-space.

Residents want more programs for water conservation and recycling. And most of all, they want wide open streets to provide easy traveling to and from work and play.

You must reject this plan and send it back to the Sustainability Director for additional public input. If the residents knew what is actually in this plan, they would be outraged.

Hello City Council and Mayor,

I am writing again about the 'Road Diet'. This honestly feels like 'Big Brother' taking over the lifestyles of the residents without really reaching out or taking our opinions into consideration. This is Authoritarian and definitely Non-Democratic. None of us elected you to take over our lives in this way. I love the way you sit up in your gated communities up north and think of how we should live our lives, when none of you will be so drastically affected.

I don't know who plans to gain from all of this, but it certainly will not be the residents. Please, at least do some reaching out to residents before making these reckless decisions, ones that you (most of you) won't have to deal with the consequences.

I understand you will be meeting tomorrow night to discuss sustainability issues, and specifically the concept of “road diets”.

In my opinion, If you want a real **sustainability** plan:

1. **Stop the relentless building** of apartments, and the upzoning for multi use zoning proposals.
2. **Come up with a plan to FIGHT SB 1117** (which eliminates municipal authority over zoning and design decisions, and hands it to the state).
  - Be the leader in AZ, connecting outraged municipalities opposed to SB1117, with a real strategy to fight this state land grab.  
There’s an enormous opportunity here to really showcase how proactive Scottsdale can be.
  - Show legislative concern for the **increased water usage** that the continued building of housing would require.
3. **Get rid of the electric bikes** parked all over the sidewalks, and let cyclists ride *there*. Without question, this would be much safer for them.

The “Road Diet” concept, of cutting down vehicular lanes and replacing them with bike lanes

- does **NOT** **preserve our community’s lifestyle**.
- It seeks to try and **scale back** current vehicular traffic. (Then, continued building of **more** new housing might be easier to push through. )  
What will **really** happen if you reduce vehicle lanes, is that it will make traffic SO congested, people won’t want to go out and do their errands/ shopping, etc.  
Perhaps you’re Ok with that, in order to accommodate the development community.
- Finally, the “road diet” strategy has the air of trying to **coerce** a lifestyle change on current citizens. This doesn’t seem in keeping with who Scottsdale is. Take it to a vote of the citizens, why don’t you? (Of course we know, *that* won’t happen .)

Council Members: I carefully read the Sustainability Plan which you are discussing tomorrow and find it interesting that the most important part of any "Sustainability Plan" is entirely omitted!

That is "FISCAL Sustainability" - without which there is no need for everything else in the so called Sustainability Plan distributed for your discussion. Several of us have been pointing out Scottsdale's lack of fiscal sustainability, which was driven home by the need and indeed the justification for the recently passed bond issue to cover what should have been covered in a Fiscal Sustainability plan.

Now we find out that the Bond Issue was insufficient to cover the proposed projects in the justification and needs to be supplemented with city funds or trimmed - neither of which is acceptable. Moreover a recent Council meeting agenda had as an item the additional \$250,000 needed by the MOW to cover expenses which have not been supported by the admission fees and other revenue. Another example of lack of "Fiscal Sustainability". Need I go on?

I believe that the Scottsdale City Council needs to focus on Fiscal Sustainability FIRST and then some of these other Sustainability issues will sort themselves out on a rational basis of a city that is Fiscal Sustainable.

Jim Davis

Council Members:

I urge you all to simply look at what “road diets” have done to other cities and how these horrible infrastructure changes are perceived by both city departments (fire and police specifically) and their general population.

If you are willing, and, frankly it should have been the first thing you did when this plan was unveiled, to look at the actual evidence of the devastating effects of these major transportation changes have wrought, you CANNOT move forward with them here.

Sincerely,

Dean Weitenhagen

To all the members of the City Council. The people have spoken and are watching more closely than ever about the direction of this city. To keep Scottsdale sustainable, we must stop this silly progressive movement that some of the city council members support. No more apartments, segregating far north Scottsdale from these crazy ideological ideas from the rest of the valley, narrowing streets, and water usage, and other issues too numerous to list. Some of the council members have no intention of listening to the citizens voice. There will be another election down the road. We've made our concerns crystal clear. Stick to the principles that made Scottsdale first class. Not a plan that has failed everywhere. Mike Crooker

Dear City Council Members,

It is my understand you will be meeting tomorrow night to discuss sustainability issues, and specifically the concept of "road diets".

-There is a true way to sustain the life and lifestyle that makes Scottsdale attractive and livable is:

-**Stop the relentless building** of apartments, and the upzoning for multi use zoning proposals. STOP SELLING OUT TO DEVELOPERS!!!!

-**Come up with a plan to FIGHT SB 1117** (which eliminates municipal authority over zoning and design decisions, and hands it to the state).

- Be the leader in AZ, connecting outraged municipalities opposed to SB1117, with a real strategy to fight this state land grab. This only benefits corporate influence and corporate profits. People and communities will have no say in what their cities and towns become if this is allowed.

There's an enormous opportunity here to really showcase how proactive Scottsdale can be.

- Show legislative concern for the **increased water usage** that the continued building of housing would require.

**Get rid of the electric bikes** parked all over the sidewalks, and let cyclists ride *there*. Without question, this would be much safer for them.

The "Road Diet" concept, of cutting down vehicular lanes and replacing them with bike lanes:

- Does **NOT preserve our community's lifestyle**. It forces an unrealistic, unworkable vision down residents throats. We live in a large sprawling city in a large, sprawling valley, not a tight urban center that might be conducive to a large percentage of the population riding bicycles.

- It seeks to try and **scale back** current vehicular traffic, while more building and housing is being promoted. What will **really** happen if you reduce vehicle lanes, is that it will make traffic SO congested, people won't be able to get to work or get out to do their errands/ shopping, etc.

- Medical emergencies would be disastrous every time. You might be one of those medical emergencies that can't get through traffic to the hospital to save your life in time.

- "Road Diet" is a theory that does not work in practice, particularly in this city and state. Please don't fall prey to unrealistic social agendas.

- Finally, the "road diet" strategy has the air of trying to **coerce** a lifestyle change on current citizens. More of the socialist agenda that is being pushed from the current administration in DC as well as corporations who gain from these agendas while ordinary people lose BIG TIME!!! This is NOT in keeping with who Scottsdale is.

You represent the citizens so take it to a vote of the citizens. You serve US!

**Subject:** Future of Scottsdale

**⚠ External Email: Please use caution if opening links or attachments!**

Ladies and Gentlemen,

I start by identifying by what was once a courteous greeting. Yes I am profoundly conservative because that approach uses thought, good information, and reason in making public decisions. Some words far below (italics) are in part borrowed from Gail Sikes who you likely recognize as an “activist”.

I have been here in Scottsdale North of McDowell and South of Chaparral near Pima since 1966 having come here out of the Military (Ft Huachuca) and enjoying a challenging career as an Engineer with Motorola. I lived the environment of deep study, careful planning and listening to all available good information sources to make decisions that took us off this earth and even beyond this Solar System.

What I see governing the growth of this city when viewed from that perspective makes no sense at all. It ignores all history, defies the challenges of the future, and totally ignores the reasonable and sane desire of we citizens to live comfortable, safely, and reasonably stress free in our homes.

Granted, increasing density garners more tax revenue and somehow is thought to increase your stature in government but you leave those who gave you that position by working many years building our community totally out of your concerns and objectives. Perhaps you might consider the possibility that allowing some part of our city to remain “old school” and comfortable without the tense drive, stark black and white, and high stress of the world you currently seek.

Please consider the wishes of at least a few of us who came here in avoidance of the bicoastal metropolises and attempt to plan in a way to reduce traffic congestion by providing for traffic rather than making it so unpleasant the we simply cannot leave our now trapped homes. High rise and stacked box apartments are desirable to some (who I personally do not understand) so build for them in the concentrations they like and leave some parts of our old city with the open space and relaxed access we came here to live.

Gail Sikes comments which I support in fact if not in the activist wordings she uses:

*Hello City Council and Mayor, I am writing again about the 'Road Diet'. This honestly feels like 'Big Brother' taking over the lifestyles of the residents without really reaching out or taking our opinions into consideration. This is Authoritarian and definitely Non-Democratic. None of us elected you to take over our lives in this way. I love the way you sit up in your gated communities up north and think of how we should live our lives, when none of you will be so drastically affected. I don't know who plans to gain from all of this, but it certainly will not be the residents. Please, at least do some reaching out to residents before making these reckless decisions, ones that you (most of you) won't have to deal with the consequences.*

And please consider the plan identified below as an illustration of the thinking you support which I and many others cannot support.

13-ZN-022 The Parque. 16001 N. Scottsdale Road.

6,2023

march

re: the "road diet". it astounds me that any of you would think that narrowing any roads would be a good thing esp.with the growing number of cars already on our roads.

1. with the already approved 4207 units not yet built, the number of additional vehicles on the roads will grow exponentially. have you been out between 4pm and 7pm? traffic is a nightmare!

2. many citizens are older and will never use public transportation. i have lived here for 51 years and never ridden any buses. it's not a realistic expectation. we have too much sprawl and walking from a bus stop to our destination in summer heat is a deal breaker! we are spoiled and depend on our cars. we are not planning on giving them up regardless of your unrealistic fantasy.

3. summer temperatures of 110+ will deter many bikers/walkers, especially older ones from using bike paths during our 5+ month "getting hotter" summer. that's nearly 1/2 of the year. just sitting at an unshaded bus stop in 110+ can be painful.

4. citizens deserve a vote on something so life changing. i dare you to put it on the ballot!

5. many of us use hayden and 68th street as excellent north and south passages. the traffic flow, esp. on hayden is a dream. i will go way out of my way to avoid scottsdale rd. and use hayden or 68th. there are also other streets currently on your list highly favoured by drivers.

6. many cities that had already adopted this plan are reversing it because it didn't work.

7. emergency vehicles will also be challenged to move smoothly on narrowed streets.

8. please vote NO on this "pie in the sky" road narrowing plan.

sincerely,  
caroline v bissell

**Subject:** Sustainability Plan & Road Diets

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor & Council,

First things first!

Focus on the issues plaguing the city instead of voting to implement government overreach with an tyrannical Sustainability Plan.

- What is being done about the Increased Bond package overrun costs due to clerical errors and inflation for the Fire Facility and Museum, etc?
- When will streets in need of resurfacing by completed - Shea and Gold Dust, for example?
- Growing presence of panhandlers on street corners and on the sidewalk outside my church?
- How does building/approving apartments for some perceived need while magically thinking recategorizing streets and reducing number of lanes will create less traffic and frustration for tourists and residents?

Those of us with EVs and hybrids are being punished with road diets while more apartments bring more drivers and more traffic.

A DC Ranch friend, who is an HR director in a huge corporation in Tempe, asked why Scottsdale keeps building apartments. I told her some council members think lots of people want to move here.

She said everyone does NOT want to live in Scottsdale and it's flawed thinking to assume so because she is one of the few, from the thousands of employees, who lives in Scottsdale. Her middle and upper management live in Chandler and Gilbert.

She's right. I am the only one of my parents and 3 siblings who considered living in Scottsdale.

For added driver and biker safety, please consider designating streets with speed limits of 35mph or greater for vehicles only. Bikers can use the sidewalks along those streets as well as the many greenbelts around Scottsdale.

Welcome to Urbanized

A mini-Los Angeles, complete with  
with more traffic due to high-density  
apartments but narrowed streets, plus  
panhandlers, homeless, graffiti.

Sincerely,

Gloria Saeger  
Monterey Mountain View

Dear Members of the Scottsdale City Council,

I am writing to voice my **100% OPPOSITION to narrowing lanes (“ROAD DIETS”) to force drivers out of their cars and use other options.**

I lived this nightmare in California. **ROAD DIETS DO NOT WORK!** It's horrible. They narrowed roads to one lane in each direction and created bike lanes with buffers that, in total, were larger than the lanes for cars. This actually created danger and confusion for drivers in the transition area from two lanes to one. It created terrible congestion on already busy roads. **ROAD DIETS WILL NOT FORCE PEOPLE OUT OF THEIR CARS,** it will only make tax payers angry at their elected officials. People need their cars. They need to take kids to dr. appointments, sports activities/events, people drive to shopping, restaurants and bars at the time that is convenient for them. Reducing lanes will not and does not work. And why would you do this in the **HOPE** that people will ride their bicycles for six months out of the year??? **NO, NO, NO!!!**

Thank you,

Respectfully,  
Angela Moffatt

Enough is Enough! Stop the endless growth and needless reconfigurations. Manage the Scottsdale we have, not a fantasy one. The vast majority of our residents aren't going to use public transportation and bikes when temperatures are 100+ degrees for months. Don't squander our financial resources and limited water to make contractors, developers and their cronies wealthier. I suspect that our city planners attended a conference in Baltimore, Los Angeles or New York and think that their urban vision is best for us. God bless the concerned residents of Scottsdale.

**⚠ External Email: Please use caution if opening links or attachments!**

City Council members-

Thank you for your hard work on city council.

After consideration I want to ask you to please rethink the approval of more multi-family housing. Our resources are already stretched and with the very real shortage of water we are headed for disaster. There has been approval for too many multi-family homes over the last several years and there are too many being built and waiting to be built. Our community is suffering and will have an even bigger negative impact if this continues.

Many cities that have experimented with road diets have been sorely disappointed with the outcomes. There are also big problems with mass transit, safety is a huge issue and for many including me it is impossible to board a city bus.

We also need a plan to clean up Scottsdale, it is disgraceful. I see trash on most corners left from where people were asking for money but also trash on the sides of the roads throughout Scottsdale.

Please get our Scottsdale back to being beautiful Scottsdale.

Thank you,

Darline Peterson

Hello City Council and Mayor,

I've read the UN Agenda 30 and " Behind the Green Mask" I understand this is the NWO'S plan to get us out of our cars and stay within a 5 mile radius. Tell me **why our** city council and the mayor think this is a good idea? Our traffic is currently horrible, Council has approved to many apartments, eventually visitors will stop coming to Scottsdale. We were a state with liberty and freedom. What gives you the right to force us out of our cars? You are all destroying this once beautiful city. We once saw the mountains from every street we no longer can. We are pelted with high rises that make us look like any metropolitan city. No more the most livable city. Who's going to ride a bike when it's 100 degrees many of us are seniors and have medical problems. I pray you won't agree to input this plan into effect. If you do many will never hold office again. Many residents are furious with all the traffic and congestion problems. We will make sure none of you will ever hold office again.

This honestly feels like 'Big Brother' taking over the lifestyles of the residents without really reaching out or taking our opinions into consideration. This is Authoritarian and definitely not a REPUBLIC None of us elected you to take over our lives in this way. Maybe when you have to ride your bikes to work you will understand. Not to mention the gas cost. Think about the ramifications before you destroy this once great city!

Sincerely,

We don't need a plan approved in Scottsdale which includes **removing traffic lanes**, knowing that that the City has approved over **24,000 new multifamily units** since 2010.

The City should be **adding lanes** to accommodate the extra 30,000-40,000 cars. Not removing them. Bike Lanes are not practical for transit in the five months of 100+ degree temps in Scottsdale. Especially considering that we have many older residents.

Also, the **extra REGULATIONS** that this plan will impose on residents & businesses will make it more expensive to embark on Remodeling projects, building Additions, and basic everyday repairs.

Dear Mayor Ortega and Council Members,

This email expresses my concern regarding the Sustainability plan that will be presented tonight at the council meeting. As a resident of South Scottsdale, the increased traffic due to high-density housing has become a problem. I live in the Hyview neighborhood off 64th Street between Thomas and McDowell. McDowell Road has already narrowed the lanes for bike lanes, but we don't see any relief for the traffic congestion. I am a cyclist, so I appreciate the installation of bike lanes. However, the traffic to get out of my neighborhood and around South Scottsdale is getting worse with each new apartment complex, and out of my neighborhood and around South Scottsdale is getting worse with each new apartment complex added. Turning northbound from McDowell onto 64th Street can take up to 3 light cycles. The cars are backed up in the lane next to the turn lane which is dangerous with the traffic coming through the Papago mountains at 50 mph. Additionally, turning eastbound onto Thomas from 64th Street takes several light cycles due to the no right on red. Please reconsider this sustainability plan and ask the city staff to develop a plan that doesn't restrict our roads, but allows for expansion. I do not support adding more regulations to contractors and homeowners and requiring green energy in building and remodeling. We are already suffering the effects of inflation and more regulations would only increase costs for the residents. Take a look at how California has operated. They have so many regulations that people are leaving that state by the thousands. Thank you for your consideration.

Regards,  
Linda Ayres

Dear Council,

I concur with what Patty Badenoch said in her email to you. Please don't tell me people are going to walk and ride their bikes when it's 100° plus. That's unreasonable. Also, because of epidemics, crime and standing around in the heat waiting for trains, most people in Scottsdale like their cars, enjoy driving, the convenience, safety, etc. I took light rail one time from Tempe to Phoenix. I was verbally accosted by a crazy man who wouldn't leave me alone.

I had three years of that behavior in New York City taking the subway. I used to carry a set of hand weights to protect myself because it wasn't safe.

I still think my idea of widening the Greenbelt with one side for electric bikes, scooters, bicycles and the other side for those who want to walk, push strollers, walk their dogs, etc. is viable. Surely you can get grant money AND people don't have to worry about getting run over by cars. Please don't tell me it's too expensive. I can only imagine what the Skinny Street plan and light rail would cost.

Thank you.

Regards,

Emily Austin

**Subject:** Scottsdale Community Sustainability Plan

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Scottsdale City Council Members:

I urge you to vote on on the proposed sustainability plan and to shelf this idea. While it sounds magical and is the latest trendy thing, in practicality it will only increase building cost, cause more traffic delays and not improve our environment. It is very disingenuous to approve numerous high density housing projects increasing our population exponentially that will generate much more traffic, developing heat sinks. We routinely give away our existing standards to developers rather than enforce the General Plan. Yet we think because of this trendy plan we can save the environment! None of you dodged a dinosaur on your way to the Kiva. Their environment changed way before man.

This plan has no accountability, it is nothing but a pitch to pat someone on the back. If our staff has nothing better to do, we should send them out to patch the pot holes in our existing roads.

Please do not approve this proposal.

Jim Haxby

**Subject:** Street diet

**⚠ External Email: Please use caution if opening links or attachments!**

Hello all,

I have reviewed the "street diet" (DIET) and have comments. I am against spending money we do not have on something which significantly reduces my ability to navigate the streets near me. The DIET limits both streets out of my subdivision. The streets I am discussing are Redfield and Thunderbird. On regular roads I usually stick to the speed limit. By reducing the streets mentioned to 1 lane you are subjecting us to significant road rage if we do not go fast enough. There will be no lane for anyone to move around me. The traffic lights are extraordinarily long at the intersection of 94th and both of these roads. The traffic will backup to the prior intersection without 2 lanes. Also, I need to be able to turn into my subdivision without getting rear ended.

I also travel 96th to go to many Doctors offices and PT. Again that road is much busier than you think. I cannot stand the single lane part of 96th as it winds and has 2 roundabouts from Thunderbird to Shea. We have tons of drivers in the US who do not know the difference between YIELD AND MERGE. I would rather have 2 lanes all of the way to Shea. It is safer if I am going the speed limit to have a lane for people to go faster or a way around those who drive 20 mph in a 45 mph. If you don't believe me start driving it everyday.

The engineers who come up with these ideas to spend money we do not have will cost you any further bonds being voted on. They do not drive the roads they are trying to change.... If they did, these ideas would never make it to your desk.

I have a lot more to say but am running out of time. Do the right thing and be reasonable. Save the money and leave the roads alone. I drive and due to health concerns will always drive. I can elaborate more if necessary. Yes, I have the disability plate. Please do not make things harder for me to navigate by limiting these roads on the DIET.

Sincerely,

Julia M Pitula

**Subject:** 68th Street Restriping

**⚠ External Email: Please use caution if opening links or attachments!**

Hello Council Members,

I wanted to write in support of the 68<sup>th</sup> Street restriping plan. I own two apartment complexes on either side of 68<sup>th</sup> Street on Avalon between Osborn and Thomas. I live in downtown Scottsdale, so I travel south on 68<sup>th</sup> Street regularly. I also rode my bicycle down 68<sup>th</sup> Street on one occasion, but will not do so again due to the fear for my safety.

As a property owner along 68<sup>th</sup> Street I am strongly in favor of restriping the street. I have never understood why there is a short four lane section of 68<sup>th</sup> Street between Indian School and Thomas when it is only 2 lanes both north and south of that stretch. In my opinion, the difference of number of lanes causes more issues than it resolves. My tenants and I would support a restriping that provides for better pedestrian and bicycle access.

It is my understanding that City staff has reviewed the situation carefully and believes that the area would benefit from a restriping. I agree with that position.

If any of you have any questions, I would be happy to share my observations.

Thank you,

**Mark Winkleman**

**Subject:** road narrowing

**⚠ External Email: Please use caution if opening links or attachments!**

I just heard of plans to narrow Hayden Rd between McKellips and Indian School. I dont believe this is a good idea, especially when all I see in South Scottsdale is more and more apartments, increased density, which brings... more cars. Waste of money. Keep the traffic flowing. Hayden road has plenty of traffic. No need to narrow it just to widen it again in a few years. Is the traffic study even current? New apartments and condos are cropping up continually. I take Hayden Rd. just to avoid Scottsdale Rd.

Thank you,  
Karla Lodge

**Subject:** VOTE NO ON THE SUSTAINABILITY IDEA

**⚠ External Email: Please use caution if opening links or attachments!**

Narrowing roads has been tried in numerous cities across America. It never works! Fire departments don't like, the people don't like it. It is a bad idea.

PLEASE vote no or drop the idea of the sustainability bill.

I am a senior citizen and will not be pushed into public / mass transit or at my stage of life a bike is not a good idea.

**Subject:** Road Diet - Bad, Bad Idea

**⚠ External Email: Please use caution if opening links or attachments!**

To the City Council,

I missed the work session that covered the topic of the "Road Diets" for Scottsdale Roads.

It is amazing to me that the City Staff promulgate these ideas and have no inclination about the reaction and push-back from the residents.

How can the City justify cutting road lanes, which will increase traffic congestion, and certainly will not discourage use of the automobile, whether gasoline powered, hybrid or full electric. This is particularly true in the Summer months in Southern Arizona.

The State of Arizona is widening the Interstate and interstate primary and secondary roads to accommodate traffic due to population density/increase. The City has approved thousands of Apartments and the border with Phoenix along Scottsdale Road resembles a dystopian urban canyon – and the City staff wants to reduce roads? Who thinks these proposals up?

Let's not forget the monstrosity that a developer now wants to place on the derelict Cracker Jack Site at Scottsdale Road and Paradise. Apartments, Condo, Hotel, Retail and more – traffic, congestion (look across the street to Phoenix) and increased water consumption.

Keep in mind the Council is already discussing the City Staff budget miscalculation recently brought to light regarding the budget snafus related to the 2019 Bond funded programs. Will you pay for this and costly "Road Diets" or dip into general funds to pay for both.

Scottsdale is a great place to live. Can we just please focus on our quality of life and not trying to ram "Green Initiatives" that have no bearing on the quality of life and the community we enjoy?

Please tell the City Staff that this proposal is misguided and not fit for Scottsdale. Make it go away.

Thank you.

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much

money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

Polly Larsen

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

Why has the City of Scottsdale allowed a homeless person to make the "public" bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there

again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**Subject:** FW: SWVNA Supports 68th St. Restriping Project

**⚠ External Email: Please use caution if opening links or attachments!**

Dear City Council Members,

We are writing you today as Board Members of the Southwest Village Neighborhood Association, representing the 350 homeowners and approximately 500 residents of Scottsdale's Southwest Village. We are very proud of our Old Town single family residential community and the revitalization that has occurred in our neighborhood. Our residents include active retirees, young families and tourists enjoying short term rentals. We are committed to living in Old Town and have invested substantially in our properties and in our image. We are writing to you today asking for your support for the 68<sup>th</sup> street restriping and pedestrian safety project.

Our neighborhood boundaries are Indian School to the North, Osborn to the South and 68<sup>th</sup> street to the East. 68<sup>th</sup> street is our gateway into the Old Town district and is designated as the western boundary of the Old Town Character Area. We are a walking and biking community that needs safer access to Old Town and a more attractive "western gateway" into Old Town. For several years this project has been on the drawing board to restripe 68<sup>th</sup> street, reduce traffic lanes, add bike lanes and insert a pedestrian crossing beacon at 2<sup>nd</sup> street and 68<sup>th</sup> street. We've also requested enhancing/replacing the hardscape/xeriscape in the 68<sup>th</sup> street medians.

Beginning in the fall of 2019 the project managers, Susan Conklu and Greg Davies sought community input and presented the restriping project at our annual meeting with a very professional plan and thoughtful presentation. We requested the pedestrian crossing which they were able to add. In 2021, acting on behalf of Linda Millhaven, Brent Stockwell also joined our annual meeting to gather input on Short Term Rentals. In October 2022 an update on the project was provided by Jeremy Richter attending on behalf of Kathy Littlefield and additional input was provided. We included residents and owners from the bordering Garden Apartment District and Scottsdale Village at each meeting.

The entire board and an overwhelming majority of our residents support this plan and its goals to provide a safe corridor along 68<sup>th</sup> street between Indian School and Thomas. Some of our residents live directly on 68<sup>th</sup> street and have witnessed multiple accidents including a fatality. In this one mile segment, cars are taking advantage of the additional lane to speed past vehicles which are abiding by the speed limit. The restriping project including designated turn lanes and bicycle lanes will create a consistent flow of traffic aligned with the single lanes at the 68<sup>th</sup> street bridge and lanes south of Thomas. This will encourage cross town drivers to use 64<sup>th</sup> street and Goldwater which are specifically designed for crosstown traffic flow. The pedestrian crossing beacon at 2<sup>nd</sup> street creates a safe opportunity for residents to walk and bike directly into and out of Old Town.

68<sup>th</sup> street is currently the Old Town western boundary. As one of the only single family communities directly adjacent to Old Town, this project aligns with the Old Town Character Area Plan Values by providing 'fluid pedestrian connectivity' within and between districts focused on walkability and bike ability.

The members of our community thank you for all the work you've done to create a vibrant and thriving Old Town and for painting a vision of the future that emphasizes walkability and bike ability. We urge you to demonstrate your

support by approving the 68<sup>th</sup> street project funding and contracts. For responses or questions please contact Julie Uryasz, SWVNA President at 480.341.1197 or via email at [uryaszjulie@gmail.com](mailto:uryaszjulie@gmail.com)

## Item #19

### 68<sup>th</sup> Street – Indian School Road to Thomas Road Construction Bid Award

Adopt Resolution No. 12733 authorizing:

- (1) Construction bid award IFB-092022-024 with AJP Electric, Inc in the amount of \$1,455,768.10 for the construction of the 68<sup>th</sup> Street – Indian School Road to Thomas Road project
- (2) The acceptance of federal grant awards in the amount of \$615,243 in Congestion Mitigation Air Quality funds, \$286,844 in Congestion Management Air Quality funds and \$583,849 in Transportation Alternatives funds for a total of \$1,485,936
- (3) The payment of the local contribution requirement of \$89,819 with transportation sales tax
- (4) A FY 2022/23 Transportation Fund Capital Contingency Budget appropriation transfer of up to \$92,159 to the 68<sup>th</sup> Street: Indian School to Thomas Road CIP project to be funded by the Transportation 0.2% Sales Tax.

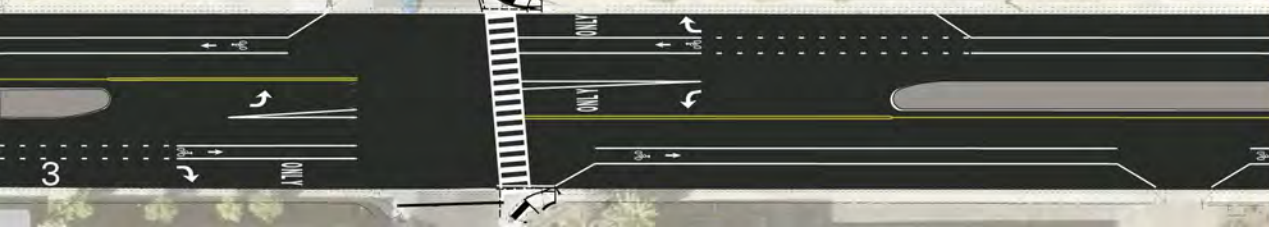

## This construction project includes:

- slurry seal and restriping of 68th Street to remove travel lanes and add bike lanes (existing curb to remain)
- raised median modifications to accommodate two way left turn lanes
- construction of rectangular rapid flashing beacon and marked crosswalks at:
  - intersection of 68th Street and Avalon Drive
  - intersection of 68th Street and 2nd Street
- signal modifications
- ADA ramp replacements
- right turn lanes at Osborn Road and Thomas Road

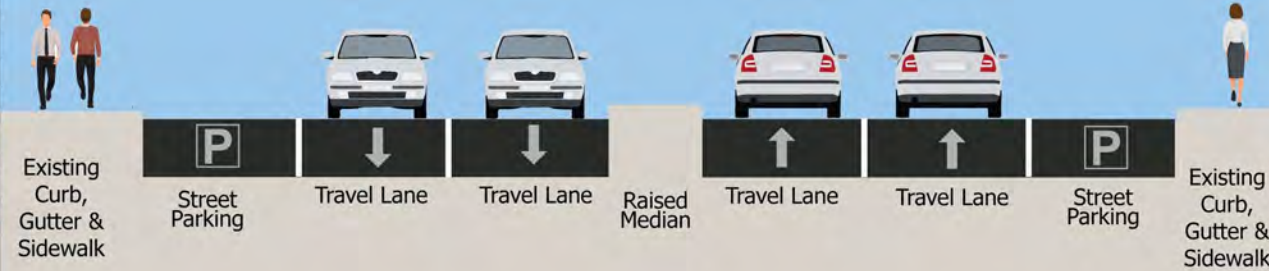

The project limits are 68th Street from approximately 1,500 feet south of the intersection of Thomas Road to the intersection of Indian School Road.

## 68th Street Bike Lanes

**PROJECT STATUS:**

Planning Design

**PROJECT OVERVIEW**

This project will make a series of improvements to 68th Street between Indian School Road and Thomas Road with the goal of improving safety, connectivity, and the quality of life for residents, students and visitors by completing critical north/south regional bike lanes on this major roadway.

The project will reduce the four lane roadway to two lanes and add bike lanes, pedestrian improvements, left turn bays and intersection improvements at Osborn Road. The project will add two Rectangular Rapid Flashing Beacon (RRFB) crossings, one at Avalon and the other at 2nd Street. The project will keep most of the on-street parking on 68th Street north of Osborn Road and add turn lanes.

Upon completion, this project will give pedestrians, cyclists, and drivers comfortable space for each transportation mode and will improve local and regional connectivity by linking to the existing bikeway and planned network in the area.

**Download proposed improvements exhibits:**

- Indian School Road to Osborn Road
- Osborn Road to Thomas Road
- Thomas Road Intersection

Construction is expected to take place during the winter of 2023.

# Questions?

# 2022 Transportation Action Plan

- Focuses on 10-year refinement of the existing transportation system
- Emphasizes livable streets/community over rapid traffic throughput
- *68<sup>th</sup> Street Active Transportation Corridor included in adopted plan*

## **Transportation Action Plan**

*City of Scottsdale's 10-Year  
Transportation Roadmap*

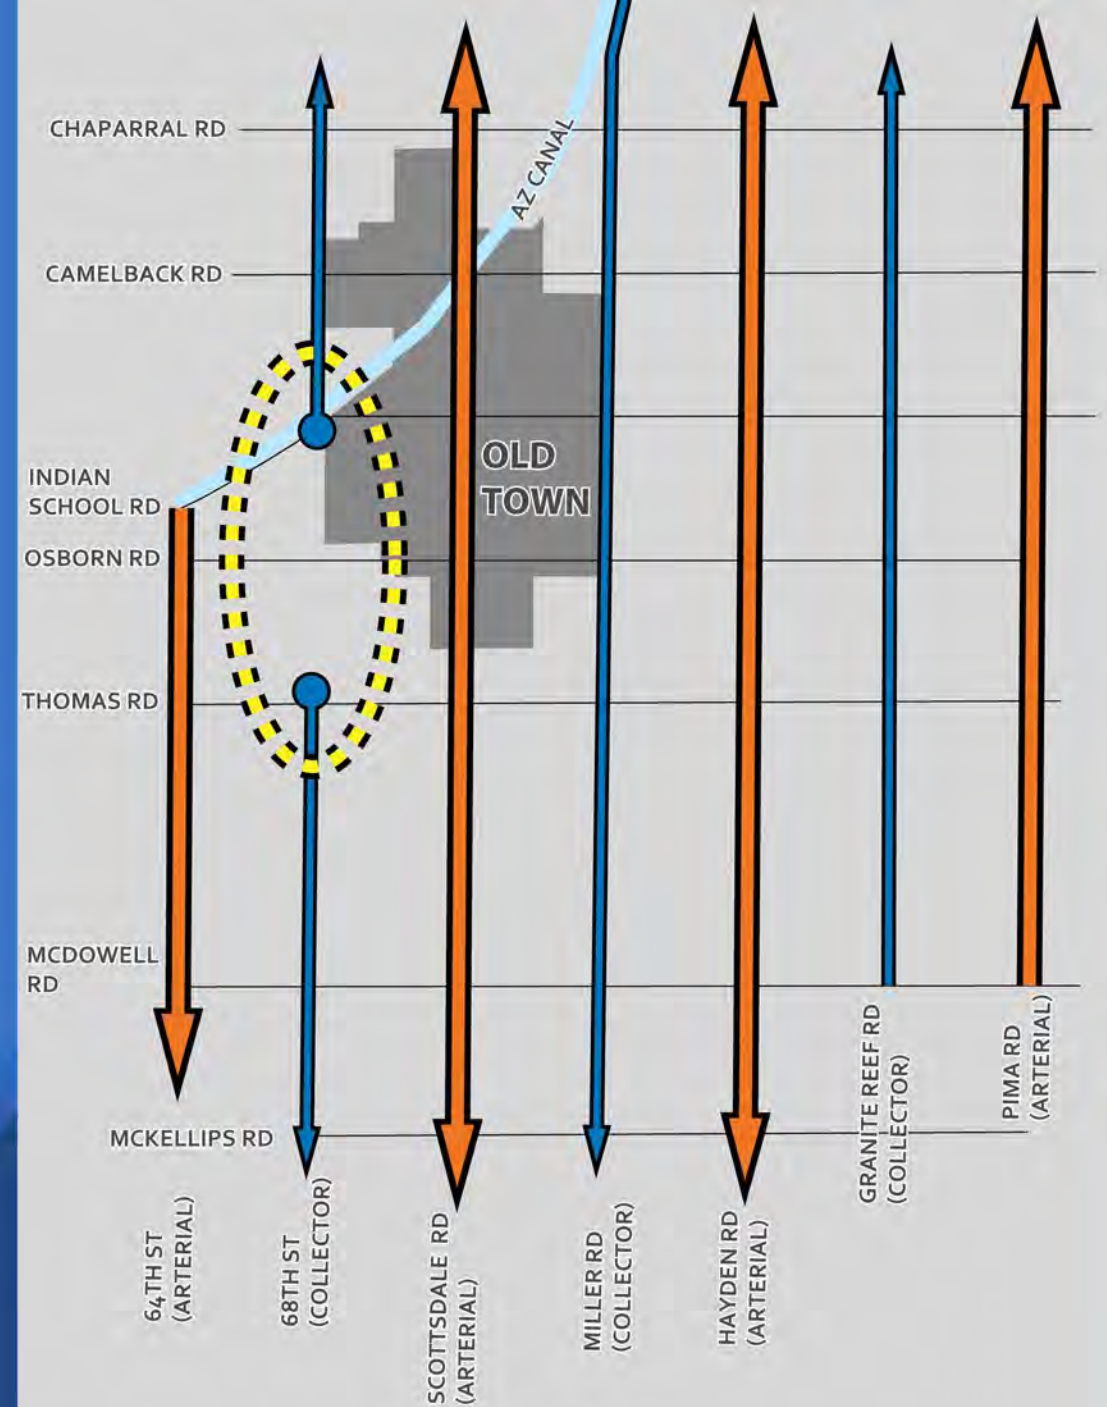

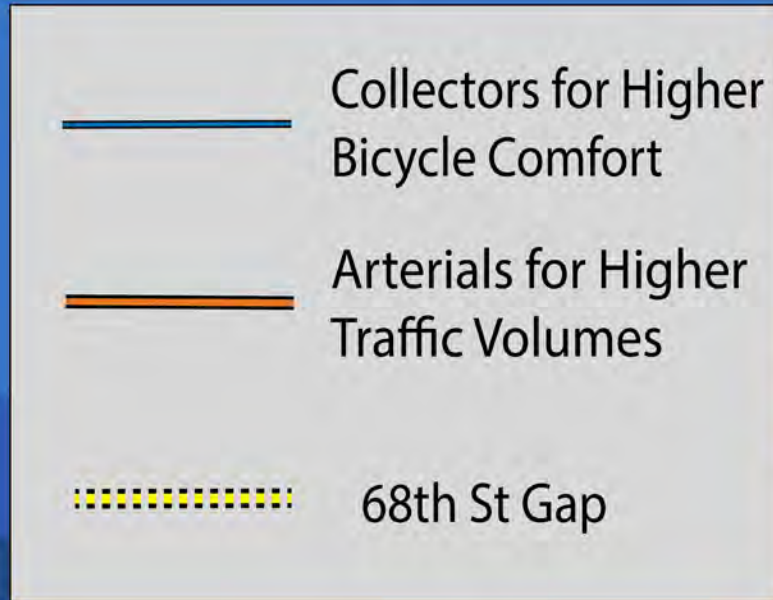

# What we heard in the extensive public outreach efforts for the Transportation Action Plan

- Comprehensive public involvement took place in the development of the Action Plan as well as the 68<sup>th</sup> Street project.

#	Question	Agrees	Neutral	Disagrees
1	Focusing on an action plan for the next 5 to 10 years is a better strategy than developing a new master plan for the next 20 to 30 years.	67%	21%	12%
2	Scottsdale should devote a portion of its transportation budget to evaluating and possibly implementing new transportation technology.	75%	9%	16%
3	Preserving and improving existing transportation infrastructure should be prioritized over building new transportation infrastructure.	48%	27%	25%
4	Scottsdale should emphasize pedestrian safety and multimodal travel over motor vehicle travel speed.	68%	15%	17%
5	It is okay to remove travel lanes on streets with excess traffic capacity to provide better bicycle and pedestrian facilities.	62%	8%	31%

# Project Location, Area Corridor Map

# Comprehensive Solutions for Successful Project

- Effective use of the existing right-of-way
- Consistent roadway configuration
- Address the needs of all users of the street
- Fill system gaps and needed upgrades for a safer roadway and travel options
- Pool resources to fully complete a corridor
- Use data-driven solutions that coincide with the Transportation Action Plan

Scottsdale Arizona

March 11, 2023

Dear Friends and Neighbors,

The outrageous attack on elected officials and city staff by an unruly mob using the modern iteration of a pitch fork, the video camera, is nothing less than a disorderly ill considered assault on respectful dialogue that is needed to advance the governance of our city, Scottsdale. The fact that many of these folks who wrote to the city council never had the courtesy to give full details of where they live or indicate the reason for their opinion is part of an unfortunate breakdown in decorum and good manners needed by us all.

The leadership mission in managing the city for all its residents demands a sophisticated examination of transportation needs. This means visiting the needs of all modes of transport, pedestrian, cyclist, motor cycle, automobile, public transportation, ride shares, and other miscellaneous modalities. The idea of reducing traffic or slowing it down to enable use by other modes of mobility and results in auto traffic being directed to more suitable surface roads. This is good management of limited resources and the type of choices our officials are elected to make, making the public right f ways safe for all citizens.

We all need to express our support for the team working on transportation planning and give them and our city council the gratitude they deserve for the leadership they continue to demonstrate in the face of this unwarranted attack.

We strongly support the council effort to ensure safe streets and neighborhoods for all the citizens of our community, not just for fast cars passing through our neighborhood at high speed to their north Scottsdale homes. That includes sidewalks, bike lanes, roadways with suitable turn lanes and whatever they determine is in the public interest.

In appreciation for our city staff and elected officials,

Harold Back

**To:** City Council  
**Subject:** Oppose narrowing of streets & roundabouts

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor and Councilmembers:

I understand that City Council is considering narrowing streets. I also heard it was based upon a 2016 survey – SEVEN years ago! A lot has changed in 7 years and I propose a new survey be taken, since Scottsdale has grown so much in the past 7 years. Traffic is already congested and narrowing roads makes no sense whatsoever. I heard that one of the streets is Hayden Road. We need Hayden to help when things really get stuck on the 101. Narrowing it is only going to cause more frustration for drivers and thus increase the risk of accidents. 68<sup>th</sup> Street north of Thomas is another one that needs to stay wide. I hope you will consider dropping this idea of narrowing streets and putting that funding into other areas that really need help to make our lives better here in Scottsdale. Thank you.

I also oppose adding more roundabouts. I find these intersections to be dangerous, because people don't know how to use them correctly. There are many drivers that still don't know the proper right-of-way with regard to roundabouts and that has the potential to cause more accidents as well. 2-way or 4-way stops do the job just fine and people know what they mean. (If it ain't broke, don't fix it . . .)

Thank you for your consideration on these two issues and thank you for your service to Scottsdale.

Sincerely,

Christine Wilson

Medicare Advisor

**Sent:** Tuesday, March 14, 2023 10:17 AM  
**To:** City Council  
**Subject:** Do not narrow our streets!

⚠ **External Email: Please use caution if opening links or attachments!**

Dear Council,

Have any of you given thought to the dangers of riding bikes on hot days in Scottsdale?

2020 was the hottest on record, setting marks for the most 95-degree days (172), 100-degree days (145), 105-degree days (102), 110-degree days (53) and 115-degree days (14) in a year while also recording the hottest July and August in history.

Widen the bike path. If people fall over, they will have a lesser chance of getting hurt because they will fall in the grass, it's cooler, they don't have to worry about cars. It's safer for everyone plus it's a fun way to get from North Scottsdale to South Scottsdale.

Regards,

Emily Austin

**From:** Joe Zimmerman <joezimmerman52@gmail.com>  
**Sent:** Tuesday, March 14, 2023 12:28 PM  
**To:** City Council  
**Subject:** Street narrowing.

**⚠ External Email: Please use caution if opening links or attachments!**

Please, let's stop wasting time and money on reconfiguring perfectly functional streets. With all the new apartments scheduled to be built, as well as the many other needs the city faces, narrowing a road that will eventually need to be widened again to accommodate future traffic needs is not helping traffic nor the budget. People who wish to ride bicycles are riding them now. People who wish to ride the trolley are riding the trolley now, Spending time and money on changing streets will not increase the use of either of these activities. Please take into consideration that during rush hour no one who is driving will be happy with less car lanes.

Please, let's move on to bigger problems within the city such as the disastrous short-term rental issue. Our neighborhoods are disappearing due to the number of short-term rentals that have been allowed to exist. The oversight of the city's code enforcement related to short-term rentals is minimal at best.

Thank you for taking these ideas into consideration.

Joe Zimmerman

**To:** City Council  
**Subject:** Road Diet Plan for 68th ST.

**⚠ External Email: Please use caution if opening links or attachments!**

Despite removing the concept of "Road Diets" from the Sustainability Plan, it has come to my attention that city council will be voting next Tues (3/21) on applying the Road Diet concept to 68th ST.

This is not the right strategy for Scottsdale. Citizens urge you to VOTE AGAINST IT. Simply stated:

- It's a manipulative power grab on our lifestyle
- If you took a vote, I'd bet at least 75% of **your constituents** would NOT support the concept of road diets
- citizens AREN'T going to choose riding a bike, over driving their cars...in ANY weather; and particularly in the summer.  
This is a strategy to **force reduced car usage**, by making the whole driving experience overburdened and so noxious that people won't even want to go shopping or do their errands.
- with over 10,000 new apartments currently in the pipeline, the city should be *expanding* roads, not narrowing them  
(are you just trying to accommodate *more* development?)
- 68th St is NOT "a neighborhood street" (as your rationale describes). It is an important connector street between Tempe and Scottsdale.

Of one thing you can be certain: **The way you choose to vote on this, WILL BE communicated broadly to Scottsdale's citizens.**

Do the right thing, and VOTE NO.

**To:** City Council  
**Subject:** Road Diets Apparently still has life

**⚠ External Email: Please use caution if opening links or attachments!**

if you pass this illogical plan for 68th street, this would be setting a precedent for future moves on other Scottsdale streets and roads. You would not be representing your constituents, voters, citizens if you do so. And that is a pledge I believe you all made during your campaigns. We do not need to be governed by a bunch of disingenuous folks, who have the power to changes people's lives, and the quality of life we have in Scottsdale, which seemingly some of you want to do.

⚠ External Email: Please use caution if opening links or attachments!

We need sidewalks on this stretch. My husband and I made a multi-million dollar investment in Pavoreal and were horrified to realize we'd take our life in our hands visiting nearby Old Town. People still walk and ride their bikes down this major thruway, and someone is going to get killed. Please consider the safety of the masses over a few high/end homeowners and do the right thing. Thank you. Tom and Kris Dickson, 6711 E Camelback lot 41 8475870283

Hoping that those using 68th as crosstown arteries will choose goldwater and 64th as they were designed to handle the cross town north south traffic. Pedestrian light will also encourage them to use 64th or goldwater.

Hi Julie,

I hope you are doing well.

There is a public open house tonight for two projects:

- 68<sup>th</sup> Street from Thomas Road to Indian School Road
- Thomas Road from 56<sup>th</sup> Street to 73<sup>rd</sup> Street

Postcards were sent out last week, but please share in case any neighbors did not receive one. Attached is the postcard and more information is below:

**Come View Plans for Changes to Thomas Rd. between 73rd St. and 56th St. and 68th Street between Indian School Rd. and Thomas Rd.**

You are invited to an open house from 4:30 –6 p.m. on Monday, Dec. 5 to learn more about two upcoming street projects. Stop by Paiute Neighborhood Center, 6535 E. Osborn Rd., Scottsdale, anytime between 4:30 – 6 p.m. to view plans and have your questions answered. Plans and comment forms will also be available on the project websites.

The [68<sup>th</sup> St. project](#) is scheduled to begin in early 2023 and will make improvements between Indian School Rd. and Thomas Rd. with the goal of improving safety, connectivity, and complete critical north/south regional bike lanes. The project will reduce the four-lane roadway to two lanes and add bike lanes, pedestrian

improvements, left turn bays and intersection improvements at Osborn Rd. and add crossing improvements at both 2nd St. and Avalon Dr.

The [Thomas Road Complete Street Project](#) will take place in early 2024 and construct bike lanes, curb ramps, pavement, and intersection improvements on Thomas Road between 56th Street and 73rd Street. The roadway configuration will change from three eastbound travel lanes to two travel lanes in each direction, to provide space for the bike lanes and turn lanes.

Let us know if you have questions.

Thanks,

Susan

Hello Jeremy,

I live at the corner of 68th & Osbron (my wife and I also own the triplex on the north west corner) and we are very excited for this improvement, we've avoided biking south of Osborn due to the lack of bike lanes.

I also wanted to bring up a very serious safety concern to your attention. The alley way just north of Osborn on 68th (see below images) is heavily used for parking due to prohibited parking on Osborn. The house on 6731 E 6th St Scottsdale AZ has a 6 foot block wall that pushes all the way up to the sidewalk that creates a very large blind spot where the bike lane and sidewalk narrow when trying to look left into oncoming traffic.

It seems very strange that the city allowed the wall to be pushed all the way up to the sidewalk on such a busy street, is there any way it can get pushed back away from the sidewalk?

Best,

Eric Bickler

With all due respect, I believe public transportation should take precedence.

There are some bicycle riders along 68<sup>th</sup> Street, but everyone, as far as I have observed, is respectful of them. 68<sup>th</sup> Street increasingly has more vehicle traffic, so you are going to negatively impact the transportation lanes to make "improvements" for a small segment of the public using 68<sup>th</sup> Street. I live in the Southwest Village and travel 68<sup>th</sup> Street every day. In my opinion, you are trying to make improvements where none are warranted. If you want to make improvements, take parking off 68<sup>th</sup> Street and make those areas bike lanes – cars and trucks parked near the side streets emptying out onto 68<sup>th</sup> Street make it hard to see oncoming traffic - but I am sure you would have people who would not like this either.

Thank you -Jackie Pearson

Dear Council Members:

Please vote no on the proposed "Road Diet".

This plan makes no sense and will only add to driver frustration, traffic snarls and endanger local business with loss of accessibility.

Again, please consider voting NO on these proposed lane removals. The citizens of Scottsdale are becoming weary of projects that do not improve quality of life, and only make for increased population density, congestion, and loss of what was once a really great place to live.

Road diets have failed everywhere they've been tried. How in the world can lane removals be helpful to a burgeoning populace?

Respectfully,

Kathleen Krolick RN MSN APRN FNP-C

Kindly DO NOT vote for this Road Diet nonsense. It has been tried in many parts of the country and failed. We are getting more people in Scottsdale and your solution is to have less roadways?

Please don't do this! I live on the corner of Osborn and 64th St and with the new apartments on Scottsdale Rd the traffic is horrible. It is often 5 to 12 cars waiting to turn left on to 64th. 64th Street is like a raceway 24 hours a day. There is too much traffic on 68th St to do this. Have any of you had to drive this at rush hour? It will be a real mess. Please don't make it worse. It is already ugly without the trees or African Daisys. Who designs these messes? They evidently don't live or travel in the neighborhood.

All -

I just heard about the plan to narrow 68th St into two lanes with a middle turn lane in order to "better manage" traffic. This seems like a bad idea to me for a street that is busy already and has many new apartments and condos planned to be built in the surrounding area. The "road diet" plan seems to be an inappropriate fit for that area. It would be useful to hear your reasoning for instituting such a change to our already congested downtown area.

Dear City Councilmembers:

I ride on 68<sup>th</sup> Street area and support the transportation department's plans to create a consistent road configuration between Thomas & Indian School Road. This is a neighborhood road and the improvements will reduce dangerous cut-through traffic. This will make the road safer for us – the residents of Scottsdale to drive, ride a bike. This one mile segment of 68<sup>th</sup> Street needs to be consistent with the rest of the road: one travel lane in each direction with a center lane.

We want to also thank Council for their support of sidewalks and bike lanes on 68<sup>th</sup> St north of Indian School Rd. Also, thank you to those on Council

Dear Mayor and City Councilpersons,

I have been a resident of Scottsdale for 32 years and watched our community grow. I strongly support the re-striping of 68th street between Thomas and Indian School Road. The traffic calming which would result would ensure a safe envelope for bikers and pedestrians who traverse the area whether they be neighbors or visitors. It is important to reduce hazards to those using the street on foot or bicycles.

More importantly, this stretch of road is a crucial link in the integrated plan to improve and standardize the aspects and use of 68th street that would enhance the walkability and safe use for all citizens approaching the area.

Please fund the 68th Street Corridor Improvements.

Thank you,

NAME : Patricia A. Teaford, MD

**External Email: Please use caution if opening links or attachments!**

Dear City Councilmembers,

I live in the 68<sup>th</sup> Street corridor and support the transportation department's plans to create a consistent road configuration between Thomas & Indian School Road. This is a neighborhood road and the improvements will reduce dangerous cut-through traffic.

We routinely try to walk and bike to old town business destinations, events, recreation sites, and friends' homes. It is dangerous to walk through areas with a sidewalk gap (68th Street north of Indian School) and it is dangerous to bike in the area where there is no bike lane (68th Street south of Indian School).

The project to reconfigure 68th Street between Indian School and Thomas Roads will make it safer for us – the residents – to drive, ride a bike, and walk our dogs. This one mile segment of 68<sup>th</sup> Street needs to be consistent with the rest of the road: one travel lane in each direction with a center lane.

Thank you for your continued support of safe neighborhood roads.

Also, thank you to those on Council taking a strong stand in support of local zoning and in opposition to SB1117.

**External Email: Please use caution if opening links or attachments!**

As one city after another has experienced failure with Road Diets, and has heard rage from its citizens and additional road rage from its drivers, many of these cities have reversed the Road Diets. Do you folks think you know more than those who have witnessed the bad results from implementing this terrible policy? Plenty of anecdotal evidence indicates this policy has unintended consequences.

Do the right thing, be responsible elected officials, and hit the delete button on this thing.

**Subject:** Road Diet/Road Rage

Dear Council members and Mayor,

I am writing to you about the the Road Diet issue that you will be voting on soon.

1. Can those of you who are in favor of this or not in favor of this write back to me to let me know of your position and the reasons? If you don't respond, I will assume that you are in favor of this.
2. What kind of community outreach has been done, if any, for something that would greatly impact residents all over south Scottsdale?

This is huge, and I can't believe that I have just only heard about it. And thanks to a local activist, definitely not my city council. I lived here since 1984, and although things are constantly changing, there has been an exponential change/increase in traffic just during the past 2-3 years. I thought I had gotten a handle on road rage 30 years ago, but the increased anxiety and impatience of drivers in the south part of town is causing a real setback. How many people, especially seniors (who btw have held this city together for the past 40 years) do you think will want to walk/ride a bike/wait for a bus in 110 degree weather? Most of you don't live anywhere near here, and you really don't have any idea how residents feel about these issues, nor do you even make an effort to do so or even keep us informed. Remember, we are the ones having to drive in this constant traffic, not you. Put me down as someone who is totally against this new scheme.

Awaiting your response,

Gail Sikes  
6507 E. Hubbell St.  
85257

**Subject:** ROAD DIET: Scottsdale's new plan to narrow roadways to make room for 14,000+ new apartments  
**Date:** Wednesday, February 8, 2023 2:41:04 PM

**External Email: Please use caution if opening links or attachments!**

One would think that since the city has approved over 24,000 new multifamily units since 2010, and having about 14,000 units in the current pipeline, they would be looking to ADD LANES to our streets, NOT REMOVE LANES.

**There is an Item on the City Council's Feb 28 Consent Agenda that proposes to put 68<sup>th</sup> Street (Indian School to Thomas) on a ROAD DIET by removing 2 lanes.**

Here is an interesting VIDEO on Road Diets and our city's plans.....

**Subject:** Vote No on Mercado Courtyards & 94 Hundred The Village 8-ZN-2022 & 12-ZN-2022

Hello City Council,

The Shea projects that will be voted up or down on Wednesday should not be up zoned in any way.

There has been a huge amount of public outcry that this is too massive and will generate too much new traffic and demand for increased water usage.

Currently there are 500 emails against these projects. City Staff is well aware of this opposition.

Right now, it appears that there is an amount of deceit being perpetrated. The amount of people against these projects seem to be set aside because of a project name change or developer change and therefore it is a new project, and the previous letters and emails are being dismissed as not relevant.

Don't kid yourselves. People are watching what you are doing with your votes. They know that you know the amount of pushback generated by voting citizens against these projects. You are lying to yourselves if you think the previous emails and letters can be ignored because of a name change. And then you are not only lying to yourselves but are lying to your voting citizens. They are against up zoning all projects on these Shea properties regardless of the name, developer, or any other change.

To have a City Council Member say that the people who have contacted the city had generic comments is eye opening to me.

The word NO is a generic word. Regardless of whether or not it is a generic term, No means No and the citizens have said NO repeatedly.

Men have been told repeatedly that if a woman says NO to any type of sexual advance that they mean NO.

Any man who ignores that and continues his advances can be brought up on criminal charges. NO means NO!

Get that in your head the citizens have said NO repeatedly and changing a name or developer does not change anything. They have said NO!

If City Staff thinks that they can justify ignoring all the NO's and City Council thinks that they can ignore all the NO's and vote for these up zonings, they are only lying to themselves.

Do not allow for any up zoning on these Shea projects. Vote NO along with your citizens.

French Thompson

**Subject:** "Road Diet" Agenda Item at next week's council meeting  
**Date:** Thursday, February 9, 2023 1:36:05 PM

---

External Email: Please use caution if opening links or attachments!

Dear Members of City Council,

I have recently heard that you will vote on a proposal to remove travel lanes on 68th street between Indian School and Thomas roads, and make other changes to that road, in a process commonly called a "road diet." There may also be some plans to remove travel lanes from Hayden Road as part of this item.

I VERY STRONGLY urge you to vote AGAINST that proposal.

I have seen many dumb proposals before city council in the past, but this has to be one the really dumber ones. It will result in more congestion, more deaths of bicyclists on the roadway, more accidents, and less transportation safety.

This type of dumb activity is called for in the Transportation Action Plan 2022 (TAP-2022). Given this, I would also urge you to repeal the TAP-2022 so that city staff do not feel compelled to come up with insane ideas like this. If you feel that the city must have some sort of transportation plan, please revert to the much superior TAP-2008.

In fact, I would recommend you implement some budget cuts and staff reductions in the city's transportation planning department, since they are obviously overstaffed if they have time to come up stupid ideas like this "road diet" plan.

Thank you for your consideration.

Your Constituent,  
Peter Petrinovic

**Subject:** 68th Street Re-striping project 68Th Street Sidewalk Association  
**Date:** Tuesday, February 14, 2023 7:58:06 AM

---

External Email: Please use caution if opening links or attachments!

The Honorable Mayor, Ladies and Gentlemen,

The effort to prevent the funding of the contemplated re-striping of 68th Street between Thomas and Indian School is an unacceptable challenge to progress in an area much in need of improvement to ensure pedestrian and bicycle utilization and safety. This area is an urban environment in which vehicular speed is a ever present danger to all who use the area.

Strategically, it is a link in an area whose ongoing improvements are a crucial element in ensuring a safe envelope for ALL USERS of this right of way and ensures that our city completes and maintains the infrastructure needed to integrate all aspects of a critical economic component of the City of Scottsdale.

We urge you all to support the planned improvements on 68th Street between Thomas and Indian School, acknowledging it for the important role it plays as a link in the chain of improvements contemplated between the northern border of Tempe and Jackrabbit.

We respectfully ask that you please include the re-striping of 68th Street between Indian School and Thomas roads in the budget under consideration, and reject all efforts to derail this undertaking.

Thanking you in advance,  
The 68th Street Sidewalk Association  
“Walk the walk, safely”

Laura Schwartz Harold Back

**External Email: Please use caution if opening links or attachments!**

Dear Mayor and City Councilpersons,

I strongly support the re-striping of 68th street between Thomas and Indian School Road. The traffic calming which would result would ensure a safe envelope for bikers and pedestrians who traverse the area whether they be neighbors or visitors.

More importantly, this stretch of road is a crucial link in the integrated plan to improve and standardize the aspects and use of 68th street that would enhance the walkability and safe use for all citizens approaching the area.

As President of the Pavoreak Homeowner Association, The inability to safely walk, bike, and scooter between Camelback and Indian School is a major obstacle to our community's ability to enjoy central Scottsdale and has become a principal topic of conversation and concern at our HOA meetings.

Please fund the 68th Street Corridor Improvements.

Thank you,

Michael Hawman  
President, Pavoreal Homeowners Association  
6711 E Camelback Road, Unit 80

I STRONGLY support the transportation departments plans to create a consistent road configuration between Thomas & Indian School Road.

I live in the neighborhood and am often walking/riding my bike, but avoid 68th street as it is dangerous for pedestrians and bicyclists due to lack of sidewalk/bike lane/traffic calming.

Over the weekend, I needed to ride my bike to Fashion Square Mall due to Super Bowl traffic/parking issues, etc. The expeditious route was 68th street, but I was afraid to ride my bike on 68th street. I had to take a circuitous route which included riding on some sidewalks in order to maintain my safety.

As the city faces a need to reduce vehicular traffic to reduce traffic congestion, pollution, and carbon emissions it is incredibly important that pedestrian/bicyclist safety is supported and encouraged with sidewalks and bike lanes.

I appreciate the Council's support of sidewalks and bike lanes on 68<sup>th</sup> St north of Indian School Rd.

Miriam Waltz  
6115 E HollyHock

Thank you!

---

---

Please let us know what you think about the THOMAS ROAD COMPLETE STREET project:

during construction traffic flow needs to be mitigated in the following areas:

- 1) 64<sup>th</sup> Street Rte way will be used in place of 68<sup>th</sup> (already a problem)
- 2) Street from 68<sup>th</sup> St / Rose Circle thru Golden Keys HOA already used as a cut through to Thomas.
- 3) Traffic Signal at 61<sup>st</sup> Pl / Thomas is ~~not~~ working timing goes from 10 seconds to 3 minutes
- 4) You have a convergence of ebdly drivers at 61<sup>st</sup> Pl and Thomas - ~~they~~ they will be very very confused!

Thank you for your comments. Please give them to a staff member before you leave.

Please let us know what you think about the 68<sup>TH</sup> STREET BIKE LANES project:

*Please consider reducing speed limits*  
*Have you considered "Protected Intersections" and "8-8" for improved safety overall.*  
*Increase traffic on Thomas already exists + squeezing them into one lane damages safety*  
*Increase all bike lanes by 1'*  
*Do not place parked car alongside of moving bikes*

Please let us know what you think about the THOMAS ROAD COMPLETE STREET project:

*Please consider reducing speed on Thomas Rd.*  
*More space for side-by-side bicyclists as allowed in AZ*  
*Widen bike lane by 1-foot. Reduce car lane by 1'*  
*Widen sidewalk from streets of N.Y. to 64th ST. SRP pathway along Thomas (north side)*  
*is dark at dusk*

Thank you for your comments. Please give them to a staff member before you leave.

# Item 19

#	Date	Name	Address	Email	Phone	Comment
1	12/6/2022	Jane S Burtnett	6713 E Granada Rd 85257	janeburtnett@yahoo.com	480-423-5920	I attended the open house last night and drove down 68th St to go home. The current 4 lanes between Osborn and Thomas are where businesses are, and the extra lanes make it easier to get in and out of the businesses without holding up traffic. Reducing to 2 lanes will cause bottlenecks as cars slow down to get into the businesses and have to wait for traffic and bicycles to clear to go out. That already happens with echo Coffee. I can imagine with only 2 lanes there will be more red-light running to get out of the traffic slow-down and snarl removing a lane each way will cause. More than 50 years ago, a classmate was decapitated at 68th and Thomas from a red-light runner. I think of him every time I go through the intersection. Please don't make the conditions for this to happen again.
2	12/6/2022	Katie Boligitz	515 W Riviera Drive	katherineboligitz@gmail.com	2154299947	I am in support of the bike lanes on 68th Street. I regularly ride down 68th and making the bike lane continuous would be great.  I mentioned also on the Thomas Road comment card about 2 street design elements that would make the street feel safer for users: narrower driving lanes and protected bike lanes. I would love to see those implemented here as well.
3	12/6/2022	Dan Troop	6619 E. Vernon Ave	dantroop1@msn.com	6025105469	Wed night the 6th I attended the open house at Paiute Center on this project. As I understand it, the city plans to narrow 68th Street north of Thomas from 4 traffic lanes to 2 traffic lanes for the purpose of installing bike lanes. This is already a congested roadway especially at peak hours and it completely baffles me why the city would want to reduce traffic capacity in the area. 68th Street between McDowell and Thomas is already configured this way and is often congested, even in off peak hours. There is nothing wrong with 68th St from Thomas to Indian School, and I see no reason for this "improvement". The intersection at 68th and Indian School was reconfigured along these lines when the 68th Street bridge was rebuilt, and 68th Street traffic at that location often results in long back-ups at the light in both directions.  With heavy traffic a problem in Scottsdale and with density in the 85251 and 85257 ZIP codes far exceeding other areas of town, I do not believe this project is an appropriate use of taxpayer money, not do I believe that it shows the city to have its priorities right.  I hope the city will cancel this project and put efforts and funding into areas of more importance.
4	2/21/2023	Jeff Caslake	1621 S Parkside Dr	Jeff@biketempe.org		I am going to love these bike lanes on 68th from Indian School to Thomas. This is part of my favorite fitness route and I will use it when commuting from Scottsdale as it connects directly to Tempe Town Lake.  I hope the construction funding is secured quickly and this gets completed this year.  Thanks
5	2/21/2023	Jay	3110 E Turney	Lpshoplp@hotmail.com		This area has significant bike traffic with bike related businesses that will definitely benefit from the added safety this project provides. The explosion of e-bikes for commuting and recreational purposes make this project more imperative.

6	2/21/2023	Curtis Cohen	6633 E Greenway Pkwy Unit 3146 Scottsdale, AZ	Curtisrcohensk8@gmail.com	4253501885	<p>Scottsdale has one of the best bike lane networks in the valley. The thriving old town area is walkable and provides access to several canal trail networks. By proceeding with this project, individuals can chose another means of transportation that doesn't require a car, potentially reducing traffic for motorists. If Scottsdale wants to cater toward a growing and younger residence base, providing safe, healthy, and activity transportation methods are an excellent idea.</p> <p>I frequently bike around the area, and the bike lanes allow me to stop at businesses during my bike ride.</p>
7	2/21/2023	Scott Solomon	4850 East Orchid Lane	sesolomon12345@aol.com	5169467007	The one mile gap between bike lanes creates an unsafe environment for cyclists.
8	2/21/2023	Tommy Bawden	610 E Concorda Dr	tommybawden@gmail.com	6023704689	I frequently ride my bike along 68th St from Tempe to Schottsdale/Paradise Valley. The entire length of 68th St feels very safe, when there is a bike lane. However, when the bike lane disappears, that's another story, and especially as you get closer to Indian School with many parked cars along the street (door opening are a constant fear of mine in this section). A bike lane along this section would greatly increase the accessibility along this road.
9	2/21/2023	Tim McKinstry	4512 S. Kachina dr Tempe	timmckinstry@hotmail.com	480-209-9269	<p>Please do the right thing by supporting funding and building great Bicycle and Pedestrian infrastructure. Thanks Tim</p> <p>Your biggest fan.</p>
10	2/22/2023	Michael Wehri	9033 E Pershing Ave	mike.wehri@gmail.com	2164060942	The additional bike lanes in this corridor will greatly improve the safety of bike travel for myself, family, and others. Self powered transportation is a big part of our lives, and every improvement makes a difference for the health of the community.
11	2/22/2023	Ian Searles	1255 E La Jolla Dr. Tempe. AZ	iansearles@ymail.com		I am heavily in support of improved, expanded, and further connected bike route projects. These projects allow for not only a safe option for cyclists to ride for leisure and commuting, but also increases automotive safety as well by separating cyclist traffic from the roads. These lanes better serve and connect the communities who may not be able to afford, or choose not to use a car for transportation. Increased bike lanes is a win for all members of the community, and that doesn't even mention the personal health and sustainability options that exist with increased protected bike lanes!
12	2/22/2023	Anthony Rodrigu	817 E Paseo Way	ant_rod27@yahoo.com		I am in full support of the proposed project. It will help to further establish a connected network of bike lanes and make it safer for those traveling by bicycle.

13	2/22/2023	Earl Ratledge	2956 E Laurel St Mesa AZ	etr.three@gmail.com		<p>I am writing to support the 68th Street Bike Lane project. As someone who often rides their bicycle in Scottsdale I find many of the streets in Scottsdale are not friendly to all road users.</p> <p>A few things that the should remembered when reviewing bicycle infrastructure projects:</p> <ol style="list-style-type: none"> <li>1. Bike lanes make the road safer for all road users.</li> <li>2. People who ride bicycles spend more money at local businesses than people who drive motor vehicles.</li> <li>3. Motor vehicle taxes and user fees do not collect enough money to support our roadways, so about 50% of the money used to build and maintain our streets comes from income tax and other non-gas tax revenue.</li> <li>4. Bike lanes can reduce congestion for motor vehicle drivers.</li> <li>5. People come from all over the world to ride bicycles in Arizona, spending over a billion dollars each year. Making the roads in Scottsdale more bike rider friendly will bring more of people who ride bikes and their money to Scottsdale businesses. (If you need references for any of these statements, email me and I will provide them.)</li> </ol> <p>Please continue with the development of bicycle lanes on 68th Street, and work to make the roads in Scottsdale safer for all road users.</p>
14	2/22/2023	Connor Smith	945 E Playa Del Norte Drive Apt 2005, Tempe AZ	Connorsmith422@hotmail.com	714-887-9240	<p>I am a resident of Tempe, and enjoy bicycling to and around Old Town Scottsdale. I am in full support of reconstructing the street in order to better serve bikes and pedestrians! I love to see my city becoming more walkable and bikeable, and this seems like a great step in the right direction.</p>
15	2/22/2023	Brittany Morris	5646 N 6TH ST Phoenix, AZ 85012	brittanyemorris@gmail.com		<p>I am a Phoenix resident that purposefully bikes to Scottsdale for safer rides. After being hit by a car while riding my bike last year, the bike paths &amp; paved networks in Scottsdale feel like one of very few safe spaces in the Phoenix metropolitan area that offer cyclists, runners and pedestrians a stress-free and safe place to enjoy their cities. To lose properly maintained bike lanes along 68th Street is to GAIN human injury &amp; potentially DEATH among people who are trying to enjoy their city streets. Thank you for your consideration.</p>
16	2/22/2023	Kristin Heggli	4132 E. Almeria Rd., Phoenix	Kristin.april@outlook.com		<p>I ebike to my workplace right off 68th Street and would love to be able to use a bike lane here. 68th Street would be ideal for bike lanes since it connects directly to the Arizona Canal. 68th also intersects with Osborn, which offers a great bike lane to connect from the Crosscut Canal west towards Old Town, and I've previously wanted to bike down 68th when visiting the area for dining but do not feel safe doing so since there are no bike lanes and two lanes of car traffic each way. I do notice low traffic volumes here and a lot of pedestrians having to cross at unmarked spots, making this is a great spot for a road diet to accommodate all road users without any inconvenience to drivers. I would love to see this project come to fruition and for Scottsdale to support multiple modes of transportation, including biking and walking. Thank you!</p>

17	2/22/2023	Jessica Bersson	124 East Bonita Way	jessicabersson@gmail.com	808-754-0758	Hello. I commute via bike to work and bike for enjoyment on 68th st in Scottsdale regularly. I am fully supportive for this project and believe the bike lane will make for a more safe biking experience. I will feel more comfortable biking along this street.
18	2/22/2023	Kyle Foxcroft	1634 West Polk Street	Foxycrofty@gmail.com	480-353-7986	I am in strong support of bicycle & pedestrian improvements. Our climate supports getting around by bike/foot for a significant portion of the year & can be used as a tool to drive development & increase winter tourism.
19	2/22/2023	Benjamin Larriva	3834 N 32nd Way	benny.larriva@gmail.com	4802482017	I personally work very near 68th street and I see cyclists every single day. This street NEEDS bike lanes for the safety of these riders.
20	2/22/2023	Ryan Chauncey	5646 N 6th St Phoenix, AZ 85012	Rchaunce@asu.edu		Improved ability to walk or bike is always a cause worth supporting. Not only does it promote active modes of transportation & reduced gas usage, it makes it safer for us and our loved ones.
21	2/22/2023	JosePablo Mant	7115 E McDowell Rd 2002, Scottsdale, Arizona	jpablomantilla@gmail.com	3057756336	I'm glad to see this project being proposed. Not only will this make cycling safer, if more people use cycling lanes it can reduce traffic for drivers. It will also reduce emissions and increase public health.
22	2/22/2023	JANET NASH	4026 E SUMMERH AVEN DR	janetkay710@gmail.com		Yes! We need more bike lanes in our community! Not only for us avid cyclists, but also to help keep our children safe. Thank you!
23	2/22/2023	Erin M Morrison	2049 W Joan De Arc Ave	erin.maher.morrison@gmail.com	2532899785	This will be such an improvement and would actually make it possible for me to safely cycle into Scottsdale from my work in east Phoenix. I'm so excited to see these plans carried out.
24	2/22/2023	Peter Zrioka	1641 E Rose Ln	petezrioka@gmail.com	4802770861	I am in full support of the bike lane installation on 68th St. As someone who runs and cycles all over the metro area and makes great use of the canal paths, this would be a welcome addition to the network of accessibility that slowly taking shape.
25	2/22/2023	Kay Blinn	20121 N 76th St, Unit 1038	kayblinn@gmail.com	3166801073	Scottsdale needs more bike lanes especially in places where the bike lane suddenly stops
26	2/22/2023	Shardul	741	simbahs@gmail.com	4802348283	Reducing our dependency on cars is important if we want to achieve sustainable growth in our cities. Scottsdale deserves a cohesive bike network where riders can feel safe from car traffic. Users deserve the freedom of choosing how to get around, whether that be on foot, bike, scooter, transit, or even by car. Support inclusivity by supporting bike lanes. Opponents of public space infrastructure are simply a vocal minority who will do anything to maintain car dependency.
27	2/23/2023	Kianna Pitegoff	15608 North 71st Street	kiannapitegoff@gmail.com	7028093959	This area has high bicycle use, and this infrastructure project will help fill a critical gap in the bike network.

28	2/23/2023	S Barvian	Mesa	wn513@hotmail.com	4808135721	<p>There's a lot of fuss in the cycling community urging us to fight for your plan. But as a motorist too, I oppose the elimination of traffic lanes. As you have surely seen from your comments, it will only increase the hostility that motorists often display toward cyclists.</p> <p>You're smart people, you can find a solution that keeps the traffic lanes! Why are you wasting 6 feet on bike lane buffers? I know that's all the rage now, but it's wasted space that benefits no one. Why are you keeping on-street parking on a major street like 68th? Turn that into bike lanes.</p> <p>Don't eliminate traffic lanes. Thank you.</p>
29	2/24/2023	Brian	3020 n diego, mesa	Greatneed@hotmail.com	4806207073	<p>I have ridden this section of road at least twice already this year and this will be a huge improvement. Thank you.</p>
30	2/24/2023	Jack Ketcham	1238 W 16th St, Tempe, AZ 85281	jack@ketcham.me	4802000137	<p>My fiancé and I ride down College Ave from Tempe into Scottsdale on 68th for recreation and to get around town, and to continue up to the Arizona Canal, and it's an otherwise enjoyable ride besides the one mile missing link between Indian School Road and Thomas Road.</p> <p>This is an amazing project and we are so glad to see this finally getting addressed. Scottsdale has a chance to further solidify its bicycle network that residents and visitors alike have come to know and enjoy.</p>
31	2/24/2023	Conor	112 Seton place	conor.m.mccarthy@gmail.com		<p>Bike lanes can only be a good, like any objection to them stink of probcsr arguments, which are generally silly. Because cars are innately silly</p>
32	2/25/2023	Tom	Allen	jillandtomallen@yahoo.com	6028030565	<p>Great ideas! Really needed!!</p>
33	2/25/2023	Michael Hitzel	6643 E Granada Rd	MJHitzel@gmail.com		<p>I am in favor of this project. It will allow for easier and safer biking for me to reach the old town area for cycling to dinner with friends and family.</p>
34	2/25/2023	Dr Daniel Davis	36 W Sunnyslope Lane	Dan7a7davis@gmail.com		<p>Please add bike lanes and we need more projects like this.</p> <p>As a Doctor I see the trauma that has stemmed from the malpractice of the traffic engineering profession. Phoenician streets historically have not been designed to the type of safety standards that they use on places like the Netherlands. I see the results of this in the high rates of death and motor vehicle collision related injuries in my patient population.</p> <p>Please ignore any ill informed comments of people afraid of a traffic apocalypse. We all know traffic calming improves safety and flow of traffic. Safety should always be the number one priority for traffic engineering. Please ignore any ignoramus comments that prioritize car speed over public safety.</p> <p>Good luck Dr Dan Davis</p>
35	2/25/2023	Brad Beauchamp	4337 n miller rd	vbbeauchamp@gmail.com	602 291 1299	<p>Avid cyclist, would love to see the bike lanes on 68th go all the way thru.</p>

36	2/26/2023	Noah Monsey	8443 East San Miguel Ave	nmonsey@msn.com	480-423-1883	I really look forward to having a bike lane on 68th Street between Thomas and Indian School. My mom lives in this area and I live a few miles North of this area. I will be nice having a direct route through Paradise Valley to Tempe.
37	2/26/2023	Laura Plummer	3110 E Turney Ave Phoenix	lpshoplp@hotmail.com		I support the addition of bike lanes on 68th Street. This would provide a crucial and safe non-motorized transportation link for the region.
38	2/27/2023	Kent McDonald	7350 N Via Paseo Del Sur L205	kent_mcdonald@hotmail.com	3184015410	Great project. Streets that do not have continuous bike lanes bump bikes into the car lane causing unpredictable choke points and are dangerous. E bikes are now providing more transportation to our greying population and road structure needs to evolve.
39	2/27/2023	Darryl Moorman	4132 E Almeria Rd	Darryl.Moorman@gmail.com	6028036651	I would find this bike lane very useful when traveling into the old town and fashion square area. I recently tried to ride my bike from oak to fashion square and was superseded at the lack of a lane for this stretch.
40	2/27/2023	Steven Sifferma	7240 E Vernon Avenue	siff1301@gmail.com	2069148194	<p>The addition of bike lanes to 68th Street is a good project. The citizens living in the high density housing in this corridor need dedicated bike lanes. These proposed lanes will provide better access to the community services at Paiute Park for those who may not drive a vehicle.</p> <p>This project will continue the roadway configuration that exists south of Thomas Road all the way to the city limits and into Tempe. Traffic seems to move just fine on 68th Street from Thomas Road to Continental Drive, where the road is one lane in each direction with bike lanes.</p> <p>Bike lanes should be extended all the way to Indian School Road on 68th Street for a more logical end at the Arizona Canal.</p>
41	2/27/2023	Jessica Meadow	18304 W Verbena Dr Goodyear 85338	J22runner@gmail.com	206-962-1896	We need more bike lanes to keep people safer. So many motorist don't understand or learn bike laws. A little protection via lane goes a long ways!
42	2/27/2023	Veronique Rang	4044 E Oak St, Phoenix, AZ, 85008	Veronique.ranger@gmail.com	602-810-9346	This project is very important to ensure that cyclists are able to ride safely without fear of being hit by cars. It is also more environmentally friendly than the current 4 lanes for cars.
43	2/27/2023	Beth Rank	17650 N 52nd Place	Bnrank@gmail.com		Please complete this pathway for cyclists. We need safe ways to commute and connect with the community.
44	2/27/2023	Sarah Salow	2134 N 80th Pl Mesa, AZ 85207	Ssalow9@gmail.com	5132563957	I am in full support of the bike lanes. Designated road space for cyclists is so crucial and a great way to create safety on our roads.

45	2/27/2023	Davis Wendt	10220 N 77th St	Dwendt99@gmail.com	3147759176	As an avid cyclist, and local to this community the importance for bike lanes has never been higher. After the recent tragic cycling road accidents the city has to put the safety of our community members of the highest level. This can be accomplished with the help of bike lanes. Please keep us safe and implement these new bike lanes.
46	2/27/2023	Anna Rischitelli	420 W 1st St, Tempe, Arizona, 85281	annarischitelli94@gmail.com	5037377042	I am writing to express my full support for the project to improve 68th Street between Indian School Road and Thomas Road. This project will not only enhance the safety and quality of life, but it will also promote active transportation modes, such as biking and walking, and improve connectivity within the community. I am particularly pleased to see the addition of critical north/south regional bike lanes on this major roadway, which will provide a safer and more comfortable cycling experience for commuters and recreational riders alike. I believe this project will have significant benefits for the community, and I urge the city council to move forward with it as soon as possible.
47	2/28/2023	James Davy	711 w Strahan dr	Fitnessdad00@gmail.com	4803108446	As a cyclist who rides all over the valley from 50-150 miles per week, I absolutely support this! We should have cycling lanes on every street! Share the road!
48	2/28/2023	Charles Banasz	4208 east amberwood Dr., Phoenix az 85048	charles.banaszewski@gmail.com	6026929376	Bike lanes improve quality of life in destination cities and help keep bikers safer. The cars that use 68th need to slow down through the neighborhood. It is not an alt pass for Scottsdale road.
49	2/28/2023	Jeff Rakoczy	7649 E. San fernando dr Scottsdale 85255	jrakoczy@cox.net		Please support the addition of bike lanes and this project. AZ has some of the best cycling weather. Adding biking lanes will increase the safety level for cyclists and also create more visibility and awareness for motorists. Let's use this opportunity to create safe riding conditions and reduce the risk of tragic accidents. Thanks Jeff Rakoczy
50	2/28/2023	Abby Luedecke	13011 N 48th Place	abby3330@aol.com	4806125232	This improvement project is great for the community, ideal and safe plan for vehicles, pedestrians and cyclists, which I can say I am all 3.
51	2/28/2023	Karen Hayes	11375 E Sahuaro Dr APT 2052 Scottsdale, AZ 85259	kshayes75@gmail.com		I am an avid cyclist and I appreciate the City of Scottsdale's commitment to providing safe thoroughfares for all modes of transportation. Please keep making these improvements to our wonderful city.
52	2/28/2023	Greg Short	PO BOX 12095	gregshort2001@gmail.com		I applaud the road improvement project proposal including bike lanes for 68th Street. We need to continue to improve the streets of Scottsdale and make them safe for cyclists and motorists. It adds value for residents and attracts tourism.
53	3/1/2023	Sisa	Tempe, AZ	achiqsisa@gmail.com	6025736159	As a cyclist and athlete, an active life style is important aspect of my life. I was pleased and thrilled to hear about this new project.  This project gives cyclists the much needed space to ride safely and protected. Great investment in the community and inclusion of healthy activities like cycling and pedestrian space.

54	3/2/2023	Sue Casaway	3942 E Daley Ln, Phoenix 85050	Marathonsue70@yahoo.com		Please continue this project for so many cyclists and pedestrians who want to stay healthy and safer on our streets. European countries value cyclists and walkers and have constructed multiple bike lanes throughout their cities and countryside. It's time for Scottsdale to take a firm commitment on being a "bike friendly" community and complete this project for all of us!
55	3/2/2023	Tim McKinstry	4512 S. Kachina dr Temp, AZ	Timmckinstry@hotmail.com	480-209-9269	Please do everything you can to make cycling in Scottsdale as safe as possible do NOT cave to the anti bike people. We need you to advocate the people most at risk. Many people commute by bicycle on 68th. Thanks, Tim
56	3/2/2023	Valentin Dinu	9249 E Western Saddle Way, Scottsdale, AZ	vndinu@gmail.com	4807603805	Please increase safety for cyclists and pedestrians. Make Scottsdale safer. We have the weather and geography to make Scottsdale a leader and innovator in sustainability while making the city safe for outdoor activities. Perhaps we can learn a bit from the Netherlands Cycle Highway System, see <a href="https://en.wikipedia.org/wiki/Cycling_in_the_Netherlands">https://en.wikipedia.org/wiki/Cycling_in_the_Netherlands</a>
57	3/3/2023	Katie Boligitz	515 W Riviera Drive, Tempe 85282	katherineboligitz@gmail.com	2154299947	I already commented my support of the bike lanes back in December, but I wanted to reiterate how important this bike lane would be. It is just common sense to add a bike lane between Osborn and Thomas so there is a continuous bike lane on 68th Street. In the same part, having the center turn lane will help the flow of traffic. Scottsdale has so many bike paths and they draw visitors from all over--this addition will just make it that much better.  Just this week, a friend on his bike was hit by a driver on 68th Street. That just shows the importance of this project. Please continue with this project despite those loud voices against it. We cyclists know the benefit of this project and drivers should benefit with safer streets and less congestion (induced demand).
58	3/3/2023	DAD	19777 N 76th St #218	Crapstastic@5454.com		A bicyclist was recently rear ended by a driver on this section of roadway. You can look him up on facebook. He put a picture of his split open face for everyone to see. His name is Michael Morgan. He is a local DJ who goes by the name "Bicycle Jesus" and is very active in the bike culture in Tempe.  First I recommend the City of Scottsdale contact him and apologize for designing a road so poorly designed it resulted in his horrific injuries. This would not happen if 68th St were designed with safety as a priority, the city should take responsibility and admit their error  Secondly I recommend fast tracking safety improvements-- start with temporary lanes made of traffic cones, hay bales etc. If safety is the priority we shouldn't have to wait to change the hazardous status Quo. This is called "tactical urbanism" and many cities are adopting this.  Thirdly I'd recommend naming the bike lanes after Michael Morgan. The "Michael Morgan's Face memorial bike lane" might be a nice gesture of goodwill.
59	3/7/2023	Nikka Valken	995 E Baseline Rd #1173	temperday@gmail.com		Fewer lanes and better bike and pedestrian traffic options make for safer roads all around.

60	3/8/2023	Ron Betzing	1910 E Citation Ln, Tempe	rbetzing@msn.com	6028819158	I support adding these bike lanes to 68th St. This road is a major bike route through Scottsdale that the PMBC uses for multiple rides. This improvement would make these rides safer and more enjoyable.
61	3/8/2023	Kat Djordjevic	6835 E Almeria Road	katarinadjordjevic@gmail.com	4804449228	I support safe roads for all, including bicycles. Adding dedicated bike lanes no 68th will reduce traffic, provide cyclist safety, and open up the road for walkability, bikeability and overall improvements to the neighborhood. Please proceed with next steps to start construction. The neighborhood needs it!
62	3/8/2023	Megan Bolanos	836 W Elna Rae St.	Megalyse@gmail.com	6572754604	This is a great project and it's really important that bicycle infrastructure can support our growing community. Our cities need to signal to drivers that cyclists have a right to be on the road by investing in projects like this. There is too much aggression from local drivers toward cyclists and pedestrians and it has fatal consequences.
63	3/8/2023	Janelle westfall	11970 e. Becker lane Scottsdale az	Jrwestfall@live.com	480-235-2990	Finishing this section of the bike lane will make it much safer for cyclists as well as cars. Cyclists won't have to take other streets to find a bike lane. Keeping the traffic flowing for all on the road. Specified bike lane is much safer
64	3/9/2023	Annie Eldon	2602 N Evergreen St. Phoenix, AZ 85006	MaryAnn.eldon@gmail.com	541-207-2244	Please implement and complete this project. There are bike lanes on either side of the proposed section, so it only makes sense to connect them. I sometimes bike to Scottsdale, and I want to be and feel safe. Please make this safe for everyone by completing this project. Thank you!
65	3/12/2023	Louis Edwards	10631 N 15th Way	thiswaslouis@gmail.com	8478453039	68th St plays a vital part of North/South commuting through Scottsdale to Tempe or to Phoenix via the AZ Canal for cyclists. Anything that can be done do make this safer for the the public must be done so that people can strive towards experiencing outdoor recreation in a safer environment whether cycling, walking or jogging. Thank you Scottsdale for considering this opportunity.
66	3/13/2023	Cara denby	8126 e Gary road	Caraden88@gmail.com		I support the bike lane for safety and traffic calming. Our city should have more bike lanes not less. Phoenix is making great strides with bike lanes and scottsdale shouldn't fall behind.
67	3/14/2023	Gail Johnson	6727 East 3rd Street	gailj@higginsrutledge.com	208-871-7133	This a must project for the people living in this area. I have seen speeds in Excess of 70mph, it's very dangerous crossing the street. There have also multiple accidents and hit a runs against pedestrians, this has to be done ASSP for the safety of our residents. Thanks

---

**⚠ External Email: Please use caution if opening links or attachments!**

68<sup>th</sup> Street is NOT a Neighborhood Street. It connects Scottsdale and Tempe. Restricting traffic by creating Road Diets is wrong! These projects are deliberately designed to inconvenience and diminish the mobility of responsible motorists. We know you want to create "Complete Streets", but forcing people out of their cars, making driving untenable IS WRONG!! You are creating gridlock and ruining the quality of life in Scottsdale.

We live in the desert where over half our population is 55 plus and 6 months of the year temperatures are above 90 and most times over 100 degrees! No one walks or rides bikes during this time. Scottsdale has designed one of the best bike path systems in the Valley so why placate the bike lobby and climate control advocates while being inconsiderate to the majority of residents/voters who choose to live here?

Why create gridlock while increasing our population? When will enough be enough? Why not spend this federal money to maintain our roads and expand some to accommodate the influx of people who will fill the 10,000 apartments presently in the pipeline? These 10,000 units will create approx. 20,000 additional cars on the road. Any sane city would be increasing driving lanes but Scottsdale is now considering reducing them. This is a mess!! This is insanity!! This is ruining our City and is a precedent for more of this madness to continue throughout Scottsdale .

Road Diets are used to reduce lanes on streets that have excess capacity. This IS NOT the case for Scottsdale Streets! We are becoming more congested as you continue to build us into a tenement city. You were elected to enhance Scottsdale, not ruin it!!

---

⚠ External Email: Please use caution if opening links or attachments!

Dear City Council,

Regarding the project

<https://www.scottsdaleaz.gov/construction/project-list/68th-street-bike-lanes>

that I understand is also referred to as "road diet", it is my understanding that this will be a big safety improvement for cyclists of all levels and connect two nearby areas that already have bike lanes into one large stretch.

As a resident who rides my bike every week for light errands and exercise, I am a minimally-confident cyclist and I do rely the empty sidewalks to ride on. This is an important part of my staying active outside of work hours.

I support better bike lanes on 68th street / this specific construction project, and would like to see it built.

**⚠ External Email: Please use caution if opening links or attachments!**

We don't have access to Miller .. and 68<sup>th</sup> is our only semi semblance of driving sanity.. this weekend by mistake we drove through old town.. only to have gridlock  
From scottsdale road to 68<sup>th</sup> street.. we can't drive in our town.. and frankly dealing with a broken foot .. walking or biking is not an option. Please don't ruin our  
City more than you already have.. Do Not narrow 68<sup>th</sup> street it is already tight with traffic

Dear Council,

Vote **NO** on this proposal coming up next Tues.

I do not know who has come up with this idea. But it makes no sense for Scottsdale.

We have 10,000 more apartments in the pipeline with double that of automobiles joining our already heavily congested streets. The money would be better spent repairing our streets.

Sincerely,  
Joyce Laux  
Scottsdale Resident

**Subject:** What are you doing?

**⚠ External Email: Please use caution if opening links or attachments!**

It is o.k. to do nothing! And, do not fall for the feds manipulation on money - remember, it is our money!

They have no right to condition its return on complying with some flash in the pan "woke" agenda that none of us want or agree with.

Immerse yourselves in the history of Communist infiltration into America in the 20's through the 40's - see the similarities.

I could not have said this better:

The controversial 68th St road diet (bike lane) project is on the March 21st City Council agenda. Estimated to cost \$1.6M to reconfigure a one-mile stretch of road, the city is signaling that it's only the beginning of an aggressive agenda to eliminate car-lanes and narrow roads across Scottsdale. City staff have embraced federal transportation lingo, describing lane reductions as "complete streets".

With over 10,000 new apartments in the pipeline for construction, the City should be expanding roads to make room for the additional 20,000 or more cars, not narrowing them.

The City is trying to build a false narrative that 68th St is a neighborhood street to justify slowing down it's traffic. In reality 68th Street is a collector street that connects Tempe and Scottsdale. City staff have admitted that this road diet is meant to divert traffic to other streets in the area. It is in essence a traffic calming project. 68th St is used by drivers to bypass traffic on Scottsdale Rd.

As the city pursues road-diets on additional streets, driving will become more difficult and unpleasant -- not as a side-effect but as the ultimate goal. Road-diets are intended to make driving so miserable that more people will give up their cars and ride buses or bicycles. Will the city try to bring back light rail, or bus rapid transit?

With more than 1/2 of the population of Scottsdale over 55 years old, there is no way these residents are going to walk to a bus, or ride a bike in 110 degrees.

According to the MAG bike ways map, Scottsdale has one of the best bike path systems in the valley. However, a powerful, special-interest lobby has been influencing council members to prioritize a select-few hobbyists above everyone else who uses a car to get around -- including tourists that keep our economy strong.

A 2022 Survey conducted by Statista's Global Consumer Survey, reports that 76 percent of American commuters use their own car to move between home and work. Meanwhile, only 11 percent use public transportation and 10 percent ride their bike.

The federal grant paying for this project has strings-attached: To make roads less driver-friendly, City staff is eager to spend the grant, because it helps their job security, increases their budgets, and allows them to hire more administrators and dole out more contracts.

We must bring sanity back to City Hall. Stop spending time and money on projects that will hurt our quality of life.

The City should use those funds to maintain and repair our deteriorating roads, as well as, adding traffic lanes to accommodate the new residents who will occupy all of the new apartments that will be built.

**Subject:** 68th St. Bike Lane Project / "Road Diet"

**⚠ External Email: Please use caution if opening links or attachments!**

Mayor Ortega and all council members:

I am opposed to this project because of several factors which are:

- This 1.6M \$ project would NARROW the road causing massive vehicle congestion. Clearly this is an "anti-vehicle" proposal.
- Unrealistic to think that people will use this for bicycles instead of vehicles because we live in the desert. It is dangerous to be in the heat for long periods especially while exerting oneself.
- Using mass transit is also unrealistic because it does not take you to an exact location resulting of having to walk in extreme heat. Again,dangerous.
- 68th St is NOT a "neighborhood street" as the proposal states. It is a thrufare, connector street that thousands of motorists use.
- with over 10,000 new apartments. In the pipeline for construction, the City should be EXPANDING road, not NARROWING them.
- You should be fixing the existing roads with the money proposed for this project. We have potholes etcetera throughout the City.
- Scottsdale already has one of the best bicycle path systems in the valley. We do not need this damaging " road diet".
- Statistically, ( via Statista's 2022 global Consumer Survey ) 76% of American commuters use their own vehicles to get around. Meanwhile only 11% use public transportation and 10% ride their bike. This project would be a waste of our tax dollars !

Why is the City of Scottsdale so hell bent on making Scottsdale an urban nightmare with exhorbitant high rise apartment buildings ( that are extremely pricey) and bike paths as alternatives?? Why?

This is NOT the answer. Vote NO on this project.

Respectfully,

Jeanne Suliere  
A Concerned Resident

Hello,

I am a woke Democrat, but I don't understand what that has to do with this project. It's a stupid project for so many reasons. I am in the process of composing a letter to city council. I don't know who will benefit from this project, but it certainly won't be the residents. Forcing a brand new lifestyle on residents of 30-50 years is authoritarian and not a democratic process. It reeks of Big Brother to me.

Council members,

Your delusional "Road Diet" scheme is completely out of touch with your Scottsdale constituents. Let's see, you allow thousands of apartments to be built and now you want to start reducing four lane roads to just two lanes with bike lanes.

Stop with these "woke" initiatives... WOKE up and realize that your Scottsdale voters are watching how you vote next Tuesday!

Dear Friends:

At their March 21st meeting the City Council will consider putting a one-mile stretch of 68th Street from Indian School Road to Thomas Road on a "road diet." The project would reduce the four-lane roadway to two lanes and add bike lanes. And while next Tuesday's item will only apply to 68th Street, it will, if approved, set a precedent for eliminating car-lanes and narrowing roads across all of Scottsdale.

There are two reasons "road diets" are a bad idea in Scottsdale:

1. Ever since I was first elected to the City Council over two decades ago the #1 complaint of Scottsdale citizens has been clogged traffic. Scottsdale residents don't want less traffic-carrying capacity, they want **more!**
2. The more than 10,000 apartments **already approved by the previous City Council majority but yet to be built** will make traffic in Scottsdale even worse over the next few years and will increase the need for more road capacity.

Bottom line, the City should be spending our transit money to maintain and repair our deteriorating roads to improve traffic flow for our current residents, as well as, adding traffic lanes to accommodate the new residents who will occupy all of the new apartments that will soon be built.

The proponents of "road diets" at City Hall are trying to sell this as a pro-bicycle and pedestrian plan, but in reality, it is an anti-automobile plan. It is purposefully designed to make driving in Scottsdale more difficult and unpleasant -- not as a side-effect but as a means of achieving their ultimate goal of forcing you out of your car. "Road diets" are a plan driven by ideology, not by practicality, and are **directly opposite of what the vast majority of Scottsdale residents want.**

Check out this video for more details about "road diets" and how they would lower your quality of life: [Road Diet For 68th Street.](#)

If you agree road diets are a bad idea for Scottsdale, please contact the Mayor and Councilmembers at [citycouncil@scottsdaleaz.gov](mailto:citycouncil@scottsdaleaz.gov) to encourage them to put a stake through the heart of "road diets" and do what their constituents want, which is make it **easier** to drive around Scottsdale, not more difficult.

**To:** City Council  
**Subject:** 68th Street project

I hear that the city council is considering removing lanes on 68th St and adding bike lanes. I'm totally against this `

Project. We already have traffic congestion (thanks to all the new apartments that have been allowed) and don't need to lose more car

Lanes.

There are plenty of bike lanes around Scottsdale. The money needs to be spent on road repairs and other issues

To keep our city beautiful.

Recently the city added new wheelchair sidewalks in our neighborhood that seemed totally unnecessary.

The turn off lanes that were added on Shea made sense there should be more things like that to help traffic, not removing lanes that are needed.

Or wheelchair ramps that aren't used.

Thanks,  
Sharri Riva

Council Members,

Since my wife & I moved to Scottsdale 23 years ago we have watched the roads in this city go from relaxing to congestive madness. Its bad enough with all the apartments that have been built, but now you want to make the streets smaller? "Road Diets" this is right up there with men can be women. Whoever thinks this is a good idea should be put on a salary diet. Seriously don't you people drive on your own city's roads? Do not remove lanes from 68th street and for that matter any Scottsdale streets. We need wider roads thanks to your "all out" growth policy. The next elections are not that far off.

STOP WITH THE ROAD DIETS!!!!!!!!!!!!!!!!!!!!!!

I have had my custom order jewelry business in downtown Scottsdale for 40 years. The biggest problem in all the years was PARKING, and very few places for my clients to park. Most of my clients are and have been over 60 years of age and they DO NOT WANT TO WALK a block to my store for a repair. And in the all the time in Scottsdale, NEVER ONCE has anyone ever ridden a bike to my store. That is for kids and not adults who buy JEWELRY or ART WORK. Stop with the road diet WE DO NOT NEED IT.

**Subject:** Reducing traffic lanes for Bikes

**⚠ External Email: Please use caution if opening links or attachments!**

Council Members,

While I understand the desire to create dedicated bike lanes.

The answer is not to reduce the traffic lanes as that is a short sided look at the future.

With the continued growth of Scottsdale traffic will continue to increase.

The bottle neck proposed will only hasten traffic congestion and reduce safety as motorists become impatient.

Please work on a longer term plan that focuses on bike lanes as a part of the pedestrian system not reduce vehicle traffic volume.

PLEASE DO NOT TAKE ROAD LANES AWAY!!

You are building apartment complex after apartment complex bringing in tens of thousands of new residents, with no regard to the fact we live in a desert, with limited water.

Now you are taking the roadways away?? Something is certainly wrong with this thinking. Who will choose walking or biking to work, get groceries etc. When it is 100°+?

We live in a desert....it is 100°+

6 or 7 months of the year! The nights don't even cool off for many of those months!

Why is the world are you bringing in more people AND taking road lanes away!!

This is absolutely asinine!

Traffic is already backed up... and near impossible to drive anywhere November thru March.

And you are proposing less lanes?!

The money has been spent, the lanes are already there! Why go backwards and remove lanes? Why be wastful of taxpayers money?

Please use common sense!!

Do the right thing. Show respect to your citizens who have been here for decades.

NO REMOVAL OF TRAFFIC LANES

Lisa Bayer

**To:** City Council; Mayor David D. Ortega  
**Subject:** Another STUPID idea = "road diets"

**⚠ External Email: Please use caution if opening links or attachments!**

We don't think much of the "road diets" idea. The traffic in Scottsdale is already bumper to bumper and with all the apartments and hotel rooms under construction will get much worse. Closing lanes is a waste of time and money; since as the hotels and apartments fill up there will be thousands more cars.

Mayor and City Council,

Scottsdale is still a beautiful city we would like to keep it that way. Having lived here since childhood I am familiar with the current challenges of growth. These challenges have been compounded for the last 10 years with the unnecessary building of so many high-rise apartments that are too close to major roads. The resulting traffic congestion has made our city less enjoyable.

In a similar vein, the "Road Diet" proposal you have discussed for 68<sup>th</sup> street is a bad idea and will set a terrible precedent for traffic congestion in downtown Scottsdale. I want to let you know that I am not in favor of the "Road Diet" idea for any street in Scottsdale. I want car traffic to become less congested not constricted by larger bike paths. One of the most complained about issues is Scottsdale is traffic congestion. The City Council has already made this problem worse in the past 10 years. You are not listening to the residents of Scottsdale about this issue. I am tired of the City Council doing what special interest groups tell or pay them to do without regard for what the tax paying residents desire in order to keep Scottsdale beautiful. I do not want my beautiful city to be socially engineered for a select few at the expense of the majority of Scottsdale residents.

I would like to have the money collected in taxes to be used for the repair and improvement of existing roads ways by widening them and adding more landscaping and trees. Both car and bike traffic would benefit from this action and maybe in the process you can tear down the ugly high-rise apartments you have built for the past 10 years.

Andy Page

**Subject:** Bob Littlefield is wrong about bike lanes.

⚠ External Email: Please use caution if opening links or attachments!

A recent email landed in my inbox which stated that adding bike lanes in our city is some sort of anti-automobile conspiracy to force everyone to ride bicycles.

It is actually a much needed effort to make the roads safer for bicyclists and connect existing bike routes together.

As a Scottsdalian, a bicyclist and a pedestrian, I support dedicated bike lanes.

Thank you,

Will Holoman

Councilwoman Whitehead, thank you for responding, but you missed my point. You are right, I live in zip code 85260, but that doesn't negate the fact that I have a concern about how our money is being spent anywhere within the city of Scottsdale.

I have lived in Scottsdale since 1956, and grew up in the area being discussed. I lived in that area until 1980 and have many friends and family members who still live right there. When I discussed this issue with these friends and family, not one of them was aware of the street plan you propose. The consensus was unanimous that the money could be better spent.

I took the time to drive the streets in my area that you mentioned had been reconfigured, and two things stood out to me: 1) the large number of round-a-bouts (this is not "just paint"), and 2) the terrible condition of Sweetwater between 100th Street and 104th Street. Rather than focusing on an unneeded "beautification" on 68th Street, you might want to focus on existing streets that need attention.

In my previous email, I brought up the issue of short term rentals in Scottsdale, which you failed to mention in your response to me. You mentioned that you "received no complaints from residents in the Shea/Cactus corridor about similar work up here," but I know you can not say the same for the short term rental issue. It would be worthwhile for city officials to put all of their time/effort/city money into something that is truly a problem, and not into this unnecessary road beautification plan.

Again, thank you for your time. If I hear back from you, or any other member of the city council, I hope the discussion includes the short term rental issue and what plans are in the works to get a handle on this travesty before it goes any further.

On Tue, Mar 14, 2023 at 4:57 PM Whitehead, Solange <[SWhitehead@scottsdaleaz.gov](mailto:SWhitehead@scottsdaleaz.gov)> wrote:

Hi Joe,

I see that you live in 85260. Re-striping streets is done in conjunction with other scheduled maintenance and basically involves paint. In your zip code, many streets have undergone similar improvements. 96<sup>th</sup> street was an expensive lane reduction project - and also beautiful - but most are just paint. Streets that are re-striped in your area include: Sweetwater, 104<sup>th</sup> Street, 100<sup>th</sup> street (awhile back), and 124<sup>th</sup> Street. The "thru" street is Thompson Peak/94<sup>th</sup> Street

I've personally stopped road widening projects because those invite new, higher density development and absolutely make our roads less safe for all.

The proposed project for next week's meeting is overwhelmingly supported by the residents that live in the corridor. And, I've received no complaints from residents in the Shea/Cactus corridor about similar work up here.

I have spent my 4 years on Council successfully protecting tax dollars.

Best regards, Solange Whitehead

**⚠ External Email: Please use caution if opening links or attachments!**

Please, let's stop wasting time and money on reconfiguring perfectly functional streets. With all the new apartments scheduled to be built, as well as the many other needs the city faces, narrowing a road that will eventually need to be widened again to accommodate future traffic needs is not helping traffic nor the budget. People who wish to ride bicycles are riding them now. People who wish to ride the trolley are riding the trolley now, Spending time and money on changing streets will not increase the use of either of these activities. Please take into consideration that during rush hour no one who is driving will be happy with less car lanes.

Please, let's move on to bigger problems within the city such as the disastrous short-term rental issue. Our neighborhoods are disappearing due to the number of short-term rentals that have been allowed to exist. The oversight of the city's code enforcement related to short-term rentals is minimal at best.

Thank you for taking these ideas into consideration.

Dear Council Members,

**PLEASE STOP ROAD DIETS IN SCOTTSDALE!**

Road Diets are used to reduce lanes on streets that have excess capacity. This IS NOT the case for the streets in Scottsdale! We will become more and more congested with all the apartments in the pipeline.

I was on Hayden Road a few days ago and it was very heavily travelled. Please do not eliminate any lanes there, or anywhere else for that matter. Instead, use our money for street repair with the many potholes that have been appearing lately.

Thank you.

⚠ External Email: Please use caution if opening links or attachments!

Dear City Council:

It's my understanding that the city council will be voting on 3/21 regarding the inclusion of the Road Diet concept to 68th Street between Indian School and Thomas. This is clearly not necessary or helpful to this neighborhood street. It is a road that connects Tempe and Scottsdale and narrowing the road will affect safety in a negative manner. It will cause significant congestion. Citizens of Scottsdale will not be riding bikes to work or stores or taking their kids to practices and activities. This can't be done on a bike. Cars are important methods of transportation in the Arizona heat. I am concerned you would be unjustly attempting to control the lifestyles of your constituents by approving this. Do the right thing for your constituents and VOTE NO.

⚠ External Email: Please use caution if opening links or attachments!

This is a crazy idea, when everyone is saying we need more lanes for cars, as you all keep approving more and more apartment, condos etc., leading to traffic jams everywhere! We have a large percentage of residents over 50, and most winter visitors who have no desire to travel by bicycle. If they do, it would be on a bike path, not a well traveled road!! Who thinks up these ideas and just assumes the residents want this? Go out in the neighborhoods, look on Next Door, and listen to your constituents!! Residents want and need to drive their cars, without traffic jams—not bikes, buses, trolleys etc! This is a ridiculous idea.

**To:** City Council  
**Subject:** Re: "Road Diet" Narrowing of 68th St

**⚠ External Email: Please use caution if opening links or attachments!**

In regards to the proposed narrowing of 68th St between Indian School Rd and Thomas:

1. The north/south corridor following 68th St is a needed relief valve for traffic stagnation in Old Town, on Scottsdale Rd.;
2. An extra lane is necessary between Thomas and Indian School during rush hours, when special events, trolleys and an increasing number of slow moving construction vehicles are causing top speeds to drop below 35 mph. This encourages passing in the right lane which is dangerous.
3. The nearest high flow north south street is 64th St., which is also seeing higher traffic due to the massive project on 64th St and McDowell Rd.

South Scottsdale is rapidly copying Downtown Tempe, which has 2 mass transit trains and numerous street closures which force residents to avoid that district. Mill Avenue is withering on the vine, as evidenced by numerous vacant commercial spaces.

Of all the initiatives Scottsdale does not need is to proceed with the Road Diet proposal on 68th Street. From Indian School to Thomas! If funding is available for this, apply these funds to repairing the failing current infrastructure. Roads need resurfaced, not narrowed to constrain traffic. This project sounds like a typical social initiative to force vehicles off the road! Please vote no on the project and keep Scottsdale streets open and safe.

Dear Council members:

For years we have approved more multi-family housing. This concept has gotten out of control with apartments being built in parking lots and small open spaces everywhere.

The past mistakes of the previous members of the city council who approved these projects is unconscionable.

You are about to vote in the "road diet" idea for Scottsdale. I am 100% opposed to this concept. It will further negatively impact our traffic.

We are not Oregon and we do not want to be.

Stay true to "The West's Most Western Town." We want open spaces, horse property, parks, sidewalks and yes roads for our cars.

Jene Soringrose.

**Subject:** Road 'Diet'/Complete Streets 3/21 agenda item

**⚠ External Email: Please use caution if opening links or attachments!**

I encourage the Council and Mayor to give VERY careful consideration to this agenda item as it represents a vision of Scottsdale that has obvious and profound implications for the daily lives of not only South Scottsdale residents, but all of us. This is clearly a transportation 'paradigm shift' that demands increased scrutiny by all parties involved.

At the very least, before voting, serious (in the true sense of the word) community outreach and dialogue is required before imposing such a vision on your, largely, unsuspecting constituents. To do otherwise, would be, in my view, a mockery of the 'resident-friendly' attitude you publicly endorse.

Thank you for your attention and consideration.

Whose “beady” little brain thought this idea is good? A failure in areas in CA and Seattle where tried had to be receded with the original costs to implement and then the costs to put things back the way they were. The council approves new apartment and condo development that brings more people, cars, and creates more traffic and then wants to reduce roads? Where is the brain power of normal thinking?—Obviously not in this city council. Vote them out.

**⚠ External Email: Please use caution if opening links or attachments!**

Dear city Council,

After reviewing the videos and information about this project, I feel that it's a waste of money and creating a problem for the community.

Your consideration for not going forward on this is very important to me.

Thank You

Don Moskovitz  
9244 N 117TH Way  
Scottsdale,AZ 85259

FYI from Bob Littlefield re: Road Diets

Dear Friends:

At their March 21st meeting the City Council will consider putting a one-mile stretch of 68th Street from Indian School Road to Thomas Road on a "road diet." The project would reduce the four-lane roadway to two lanes and add bike lanes. And while next Tuesday's item will only apply to 68th Street, it will, if approved, set a precedent for eliminating car-lanes and narrowing roads across all of Scottsdale.

There are two reasons "road diets" are a bad idea in Scottsdale:

1. Ever since I was first elected to the City Council over two decades ago the #1 complaint of Scottsdale citizens has been clogged traffic. Scottsdale residents don't want less traffic-carrying capacity, they want **more!**
2. The more than 10,000 apartments **already approved by the previous City Council majority but yet to be built** will make

traffic in Scottsdale even worse over the next few years and will increase the need for more road capacity.

Bottom line, the City should be spending our transit money to maintain and repair our deteriorating roads to improve traffic flow for our current residents, as well as, adding traffic lanes to accommodate the new residents who will occupy all of the new apartments that will soon be built.

The proponents of "road diets" at City Hall are trying to sell this as a pro-bicycle and pedestrian plan, but in reality, it is an anti-automobile plan. It is purposefully designed to make driving in Scottsdale more difficult and unpleasant -- not as a side-effect but as a means of achieving their ultimate goal of forcing you out of your car. "Road diets" are a plan driven by ideology, not by practicality, and are ***directly opposite of what the vast majority of Scottsdale residents want.***

Check out this video for more details about "road diets" and how they would lower your quality of life: [Road Diet For 68th Street](#).

If you agree road diets are a bad idea for Scottsdale, please contact the Mayor and Councilmembers at [citycouncil@scottsdaleaz.gov](mailto:citycouncil@scottsdaleaz.gov) to encourage them to put a stake through the heart of "road diets" and do what their constituents want, which is make it ***easier*** to drive around Scottsdale, not more difficult.

Dear council people,

With the only future being more people, and therefore more travelers, it seems crazy to narrow the roads that are already in place. The west was built for the automobile.

Why would you spend the money to fix something that isn't broken?

Considering the financial disasters of the roundabout at Miller and Earl and the recent remodel of the Civic Center , I am frightened that such money for the streets would also be hugely over budget and totally unnecessary .

Please consider this in your deliberations.

Thank you.  
Alastair Prescott.

**Subject:** 68th Street Improvements Between the Canal and Camelback Road

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Scottsdale City Council Members,

First of all, thank you so much for your dedication and service to the residents of Scottsdale, AZ. My wife and I greatly appreciate you.

My name is Jim Ryan and my is Fernanda Zubiria Vazquez. We purchased our home at 6918 E Exeter Blvd in June 2011. So we have been Scottsdale residents and have daily experienced 68<sup>th</sup> Street for almost 12 years. We are thrilled that improvements to **68<sup>th</sup> Street between the Canal and Camelback Road** are being considered by the Council. We aren't certain what exactly is being considered. However and based upon our daily experience with 68<sup>th</sup> Street, the following items would be very welcomed safety improvements for pedestrians & bicyclists and road travel improvements for automobile drivers.

**Improvements we believe would serve pedestrians, bicyclists, and drivers experiencing 68<sup>th</sup> Street.**

1. Extending the sidewalk to Camelback Road.
2. Installing a crosswalk at Exeter Blvd across 68<sup>th</sup> Street.
3. Implement the means to slow traffic down.
4. Improving the bike lanes.
5. Re-paving and re-striping.

**Why we think these improvements are in everyone's best interest.**

Let us tell you what we see daily when we experience 68<sup>th</sup> Street and what we experience when we walk 68<sup>th</sup> Street.

1. It is a very high trafficked street and getting more congested each year.
2. Pedestrians, bicyclists, and cars all share an undersized street.
  - a. We often see mom, dad, kids, and dog crossing 68<sup>th</sup> Street at Exeter Blvd. We have seen near misses between car and those same people. We don't think either the cars or the pedestrians are being reckless. They are just experiencing a street that was engineered decades ago and now finds itself with meaningful traffic and safety concerns.

- b. We often also see people walking on the east side of 68<sup>th</sup> Street and occasionally that includes us too. People could be walking north or south. Those that choose to walk in the bike lane are dangerously close to passing traffic. Those that choose to walk on the uneven grass surface of homes on 68<sup>th</sup> Street are a little safer but we have seen people tumble and trip on the uneven grass surface.
  - c. Not often, but we have seen bicyclists narrowly escape being clipped by a passing car. The bike lanes seem too narrow and definitely in need of re-striping so that the lanes are more visible to drivers.
3. This past year or so, 68<sup>th</sup> Street has seen frequent digging of holes and trenches. When finished with the work that was done, the street was uneven, pot holed (thank you for recently repairing those pot holes), and drivers swerving for the smooth spots. Like many that live with the 68<sup>th</sup> Street experience, we were sure the street would be re-paved and re-striped at the conclusion of all the digging and trenching on the street. But so far, no.

We applaud and thank the Council for rapidly acting upon the safety concern of the 68<sup>th</sup> Street Bridge once the defect was discovered several years ago. Please now take a longer look at our 68<sup>th</sup> Street between the Canal and Camelback Road. Safety improvements and road travel improvements may not be quite as compelling as the Bridge was, but nonetheless, the reality of these things have a very real concern for anyone that experiences 68<sup>th</sup> Street or who might study 68<sup>th</sup> Street with the intent of improving safety and road travel for pedestrians, bicyclists, and drivers.

Thank you for taking the time to listen to long time Scottsdale residents.

Sincerely,  
Jim Ryan and Fernanda Zubiria Vazquez

Mayor and All City Council Members:

I understand there is discussion regarding narrowing streets (i.e. 68thSt.). I do not support it. You are surely aware that our city is growing. We need wider and more streets to handle the influx of traffic from current and incoming residents. I vote NO to any further consideration of any plan to eliminate traffic lanes. Keep me informed regarding this issue and who, exactly, is proposing and supporting it.

Dear City Council – Here is a public comment I found on a YouTube video on this subject.

E. B. Swanson · 15h ago

People from California suggested we do this in Wayzata, MN. - although the residents fought it. The City Council of course passed it. We even plough the bike path in the winter, although I've never seen anyone bike there. Crazy!!! We have had nothing but traffic jams and complaints ever since. Elaine Swanson

1

There is plenty of real input on this from folks who have experienced it ....or you can choose to listen to the ones pushing for it.

I have never seen or heard the word 'Crazy' used as often on any other Plan that was before the council for a vote.

Bob Pejman

**Subject:** The Street Element of the Scottsdale TAP

⚠ External Email: Please use caution if opening links or attachments!

Dear Members of the Scottsdale City Council,

My husband and I are residents of North Scottsdale and more specifically the Legend Trail neighborhood. At a recent neighborhood meeting information regarding the plans for the city of Scottsdale to change the roadways in our area was discussed. I have read the information on your website about "The Street Element of the Scottsdale Transportation Action Plan". It could be that we are all so frustrated with the the traffic congestion created by the current road projects in our area...never ending installation of 5G cable, Pima road expansion between Pinnacle and Happy Valley, etc that we are opposed to the plans to change the entirety of Legend Trail Parkway (from Pima Road to Stagecoach) from a four lane roadway with median, bike lanes and sidewalk into a two lane road.

There doesn't appear to us that there is any good reason to change a perfectly good city street. There is an adequate bike lane and a sidewalk already. We are avid bikers and runners and have never felt unsafe doing either on Legend Trail Parkway. Above all else it is a waste of hard earned tax payer dollars to revamp a perfectly good road. Those taxpayer dollars could be put to much better use.

The stated goal of that plan is to create "safe and efficient roadways". I believe the current Legend Trail Parkway meets those goals.

Please keep in mind that there is still plenty of land around Legend Trail open to future development. So you do not know what type of traffic will exist in the future and what type of roadways will support that.

We encourage the city of Scottsdale to leave Legend Trail Parkway as it is. Has the city council spent any time in these areas in far north Scottsdale? Talked to any of the residents that live in these areas? Contacted the home owners associations in far north Scottsdale to explain these proposed changes to the residents? I can tell you that at the meeting the other night there wasn't a single person who wasn't upset by the news.

Thank you for your time in reading my email. Please pass this on to other members and staff of the city government if needed. Or give me the name of the individual I should contact with our concerns. I look forward to hearing from you.

Sincerely,  
Anne Truniger

**Importance:** High

**⚠ External Email: Please use caution if opening links or attachments!**

Honorable Mayor, Vice Mayor, and Council:

On behalf of the Transportation Commission as Chair, we would like to support the City in approving Item #19 68th Street – Indian School Road to Thomas Road Construction Bid Award.

The Transportation Commission spent the better part of a year in separate meetings from the monthly commission meetings refining the Transportation Action Plan. In doing so, the name was changed from the Transportation Master Plan to reflect the multimodal nature of what has become Scottsdale. The TAP is focused on a 10-year refinement of the existing transportation system; it places emphasis on livable streets and connecting a community; and promotes sustainable infrastructure based on capacity and need. Bicyclists, pedestrians, transit, and vehicles can and should be accommodated where practical. The 68th Street corridor is such place.

The 68th Street improvements is an example of the success of the public outreach conducted; is a great example of following the FHWA initiatives for safety; and the improvements provide sidewalks for pedestrians, bike lanes to protect bicyclists, and smart use of the roadway for drivers. For example, new right turn lanes and left-turn bays improve traffic flow and safety, and transit boarding and alighting will take place outside of the driver travel lanes making for efficient use of the City's right of way. It shows an understanding of the capacity requirements for 68th Street. This understanding is based on decades of experience, research, and expert recommendations that continue to guide us forward as we tackle the challenges of multimodal transportation demands.

We encourage the City to approve Item #19.

Sincerely,

Pamela Iacovo  
Chair, Transportation Commission

Dear City Council members,  
Please take a step back, take a moment to investigate other cities who have tried road narrowing to encourage less traffic. It is not popular with citizens and eventually many cities return the roads to their former design. You have approved so many high density buildings that will be causing even more traffic. Please wait for the dust to settle from all the building. ( As a newly retired citizen I bike the green belt for enjoyment and would not bike on 68th street even if it was made as a road on a diet!) Thank you, Shery Gossen

Stop the ridiculous idea of road diets in Scottsdale. This whole idea of going green and forcing people to ride bikes instead of driving their car is so overdone. It's as impractical today as it was 30 years ago. Nothing about the idea of green does any good for anyone except the politicians who have investments in green technology and want to line their pockets. Bet they never had to ride a bike when it's 120 outside, and I rather doubt anyone else wants to either. Just "Stop" the stupid spending and this idiotic idea of bike lanes being more necessary in Scottsdale.

**Subject:** NO Road Diets

⚠ External Email: Please use caution if opening links or attachments!

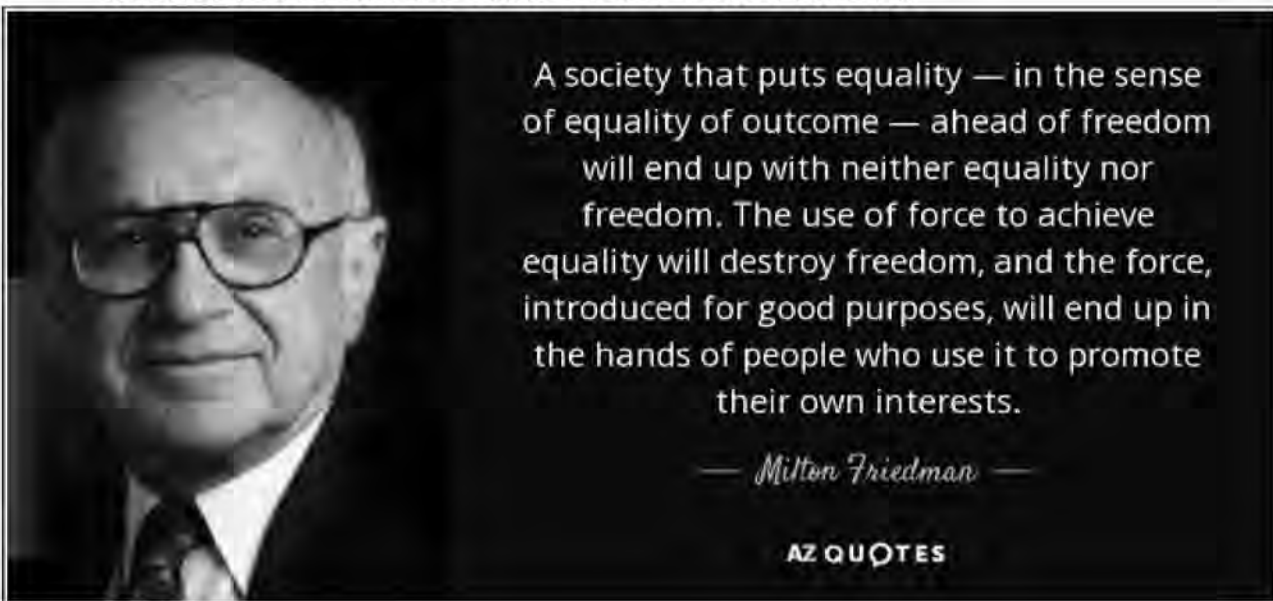

Dear Mayor and Council,

Let's analyze road diets with Peter Drucker's five principles/questions:

1. **What is our mission?** In short, to serve the needs of the citizens without bias or agenda, by providing essential services, public safety to enhance residents' quality of life and and enjoy the City, and encouraging business and tourism growth, while fulfilling election promises.
2. **Who is our customer?** If you're thinking, "*We are—we, the Council, the people in authority making decisions, because we know best,*" then you are mistaken. *We, the People* elected you to represent the vast, and often silent, majority of us. Many of us, due to parental caretaking and jobs, were unable to previously give input to the Council and instead, campaigned for you to represent us by proxy and not continue the Lane Gang of Four utopian vision of transforming Scottsdale into dense, up-zoned apartments, changing the Scottsdale brand and landscape forever. Determining who your customer (aka resident/voter) is requires extensive resident outreach, not just your online multiple-choice surveys or hearing from special interest groups, especially with emotionally-charged decisions like up-zoning, apartments, and road diets.
3. **What does our customer value?** A beautiful Scottsdale, with roads in good condition, less traffic congestion, and a quality of life and freedom to enjoy all this City has to offer, without beggars or homeless.
4. **What are our results?** Scottsdale was once considered a Beverly Hills; now it is likened to Los Angeles. Common sense tells us that more apartments = more people = more cars = more traffic, adding to an already bad traffic

situation and poor road quality (e.g. Shea, Gold Dust, etc.) Lots of apartments in the pipeline. Capital projects prioritized/delayed/canceled to accommodate clerical errors and increased supply costs. And the semi-completed, cost-overrunning Osborn roundabout during the height of Spring training? Tourism is being negatively affected.

5. **What is the plan?** I respectfully request a Proposition for Road Diets be put on the November 2024 ballot and decided by the voters/drivers rather than decided by 4 of 7 council members. Please keep roads/streets for vehicles only to accommodate more traffic generated by new apt dwellers and their vehicles. In the meantime, bikers can use the many miles of greenbelts the City offers. Isn't that what they were designed for? When feasible and cost effective, consider widening sidewalks along streets to accommodate pedestrians and bikers, who will then be a safe distance from vehicles. Resurface existing roads in need. Refrain from approving more multifamily housing until the voters have spoken. Stay away from Agenda 21/2030 Federal Transportation grants which have massive restrictions like road diets that negatively affect the quality of life of Scottsdale residents. The decision to recategorize streets and reduce their number of lanes takes away our freedom to choose by forcing us to find alternate routes or simply stay home and order things for home delivery. Not one Scottsdale resident we know takes the bus. And none uses their bikes for anything other than recreation/exercise. Please let the voters decide.

Thank you,

Gloria Saeger

**Subject:** 68th St. Road Diet, Resolution 12733

**⚠ External Email: Please use caution if opening links or attachments!**

I urge you to absolutely vote no on this proposal.

Have you vetted this idea with the residents of Scottsdale. How many people know that this is how you are spending our tax dollars? Have we had any community outreach on this idea? I have talked to several people that live in this area and they have no idea of what you are proposing.

This sounds like a scheme by staff trying to get Federal and State funds for a make work project. It says they are asking for \$286K from Congestion Mitigation Funds and \$584 K from Congestion Management Funds. Remember, that these funds although not collected by the City are still paid for by the taxpayers.

This project will not mitigate any congestion! Because 68th is a through street to Tempe, reducing the number of lanes on a section of it will create more traffic congestion on both 68th St. and Scottsdale Rd.

This sounds more like a scheme to keep city staff busy and is a misappropriation of our tax dollars.

Reducing the number of traffic lanes in the City will only lead to more traffic congestion and add to the response time of our First Responders. It will be much more difficult for ambulances and fire trucks to maneuver through 68th St. and will increase response times. Every minute counts in many of these dispatches.

This section of town has a high percentage of 55+ residents that are not going to ride a bike or walk when temperatures go above 96 degrees. A 2022 Global Survey said that 76% of Americans use their car to commute, 11% use public transportation and 10% bike. Is reducing the number of traffic lanes a good use of our tax dollars?

We have approved over 10,000 apartments that have yet to be built. Those will add more than 20,000 auto trips a day to our existing streets. This will increase traffic on the roads all over our City, including this area. Rather than reducing the number of traffic lanes on our roads we should be maintaining and expanding our existing roads.

I live South of E Cactus Rd between Scottsdale Rd and Hayden. Our community has been built out for over thirty years with only some remodeling happening for the last few years. However, the Traffic on E Cactus Rd has grown exponentially in the last three years. We can no longer make a left hand turn and go west on Cactus. In the morning the traffic is bumper to bumper on Cactus from Hayden to the 101. Even though we haven't had any high high density development within in a mile, we have had an enormous gain in traffic on Cactus because Shea is so congested. The same thing is going to happen to Scottsdale Rd.

Rather than spend our tax dollars on this scheme, use those funds to maintain our existing roads. Scottsdale Rd is full of potholes.

Please vote no on this proposal.

Thank You

**Subject:** RE: Proposed lane reduction on 68th St

**⚠ External Email: Please use caution if opening links or attachments!**

I've been polling my neighbors. So far 100% opposed. I'd be glad to pass out voting sheets.

Roads are supposed to promote smooth, even flow of traffic.

Creating bottlenecks will impede that. I can image how one lane will impact turning into and out of the Circle K plaza.

Will it make it safe or not. I think the latter since it will decrease the distance between vehicles and make turns more dangerous.

If approved, where will bikers go south of Thomas? On the 2 lane 68st? So what will this accomplish? Just a traffic bottleneck.

I live 1/2 mile from 68th street. Lots of vehicular traffic there. One lane not needed there for bikes as 64th street has extensive bike and canal paths.

I will not use 68th if bike lanes are made there since 64th is so much better place to bike, a nice park, access to both N/S and E/W canals and Papago Pky

leading to the Zoo, Botanical Gardens, McDowell Rd, etc.

Not many use bikes on that stretch of 68th street. It will help kill the business there since it will discourage vehicle traffic there.

How many businesses closed or ready to on Central Ave near Broadway in Phoenix? How many promises did Phoenix break to those businesses?

Saying clients will have access to your business from Broadway or construction will not have a major impact on traffic to your business and so on.

From Circle K, coffee shop, 2 Mexican restaurants, car wash, a vegan bakery and more. It'll push more traffic onto 64th street and cause more crashes on Osborn and 64th Street. We should be helping small local businesses not hurt them. How much business reduction will it take to force the new bakery out of business?

Have you asked them for their opinion?

Just because downtown Phoenix and Tempe did so is no reason to join the spending bankwagon.

What happens, G\_d forbid, if someone (or many are) is killed or maimed if this goes thru and is completed? Can they sue the council?

Was there an environmental impact study done on this proposal and modelling? More stop and go and congestion will increase pollution

or is the intention (or byproduct) to promote biking and try to throttle down the # of vehicles travelling on 68th Street between Thomas and Indian school.

What about all the unintended consequences?

What does the police, fire and traffic departments think? Are there provisions in the plan to help prevent impedance of emergency vehicles?

It'll stop in at all businesses on 68th street & inform them of the Council's plan. Can you guess what they'll think?

We can think of so many better uses for the \$\$\$ you intend to spend here.

Why not help sequence traffic lights better, promote block parties to help neighbors get to know each other, enforce not signaling laws,

find out why gas stations all raised prices recently to same price and time, helping schools prepare students for jobs and careers?

If you want to promote biking, why not simply help subsidize purchase of bikes and contend will all the legal ramifications?

Thak you for considering my comments and suggestions,

Sincerely,

Russell Olinsky

Dear Council,

There are a few community members who no matter what you say will say the opposite for a variety of reasons. Now they're using age discrimination to defend bike lanes. Maybe some people have fallen on their heads a few too many times.

I have started to do some research on cycling, accidents, age related issues, heat, etc. This isn't just about getting more people on bicycles. There is a lot more to it than that especially in a climate where in 2020, 145 days reached 100° or higher. Something to think about. I've exercised my entire life and will continue to do so, but for many it is much safer to ride a stationary bike in controlled temperatures or even a virtual rower...my new love! ❤

Councilwoman Whitehead, thank you for the offer to discuss this further. But, I think I understand your position on this, and I hope you understand mine. Hopefully, my comments will be taken into consideration before a final decision is made to proceed with the street project.

And thank you for attaching links to information concerning short term rentals. We are well aware of the online resources pertaining to STRs, and have familiarized ourselves (at length) with Ordinance 4566. We are still dealing with code enforcement regarding the recent issue involving the STR across the street from us at 8618 E. Gary Road and the recent non-residential use (rented to Barstool Sports for business use only).

Again, thank you for your time and consideration.

Joe Zimmerman

Hi Joe,

The Short Term Rental issue is a State-legislated (big) problem that pre-empted local control. Governor Ducey and the legislature unleashed an unregulated industry on our neighborhoods. Now, cities are having to use local tax dollars to undo some of the damage and with very limited authority.

This year, the legislature tried to pre-empt virtually all local zoning authority with the support of the Arizona Multihousing Authority. This would have been devastating. My newsletter on the topic generated hundreds of emails and thankfully - for the moment - the bill did not pass. See newsletter and article on short term rentals below.

On the subject of 68<sup>th</sup> street, I am happy to further discuss if you wish. Let me know a time and number that I can call.

**⚠ External Email: Please use caution if opening links or attachments!**

Councilwoman Whitehead, thank you for responding, but you missed my point. You are right, I live in zip code 85260, but that doesn't negate the fact that I have a concern about how our money is being spent anywhere within the city of Scottsdale.

I have lived in Scottsdale since 1956, and grew up in the area being discussed. I lived in that area until 1980 and have many friends and family members who still live right there. When I discussed this issue with these friends and family, not one of them was aware of the street plan you propose. The consensus was unanimous that the money could be better spent.

I took the time to drive the streets in my area that you mentioned had been reconfigured, and two things stood out to me: 1) the large number of round-a-bouts (this is not "just paint"), and 2) the terrible condition of Sweetwater between 100th Street and 104th Street. Rather than focusing on an unneeded "beautification" on 68th Street, you might want to focus on existing streets that need attention.

In my previous email, I brought up the issue of short term rentals in Scottsdale, which you failed to mention in your response to me. You mentioned that you "received no complaints from residents in the Shea/Cactus corridor about similar work up here," but I know you can not say the same for the short term rental issue. It would be worthwhile for city officials to put all of their time/effort/city money into something that is truly a problem, and not into this unnecessary road beautification plan.

Again, thank you for your time. If I hear back from you, or any other member of the city council, I hope the discussion includes the short term rental issue and what plans are in the works to get a handle on this travesty before it goes any further.

Joe Zimmerman

Hi Joe,

I see that you live in 85260. Re-stripping streets is done in conjunction with other scheduled maintenance and basically involves paint. In your zip code, many streets have undergone similar improvements. 96<sup>th</sup> street was an expensive lane reduction project - and also beautiful - but most are just paint. Streets that are re-stripped in your area include: Sweetwater, 104<sup>th</sup> Street, 100<sup>th</sup> street (awhile back), and 124<sup>th</sup> Street. The "thru" street is Thompson Peak/94<sup>th</sup> Street

I've personally stopped road widening projects because those invite new, higher density development and absolutely make our roads less safe for all.

The proposed project for next week's meeting is overwhelmingly supported by the residents that live in the corridor. And, I've received no complaints from residents in the Shea/Cactus corridor about similar work up here.

I have spent my 4 years on Council successfully protecting tax dollars.

Best regards, Solange Whitehead

**Subject:** Street narrowing.

**⚠ External Email: Please use caution if opening links or attachments!**

Please, let's stop wasting time and money on reconfiguring perfectly functional streets. With all the new apartments scheduled to be built, as well as the many other needs the city faces, narrowing a road that will eventually need to be widened again to accommodate future traffic needs is not helping traffic nor the budget. People who wish to ride bicycles are riding them now. People who wish to ride the trolley are riding the trolley now, Spending time and money on changing streets will not increase the use of either of these activities. Please take into consideration that during rush hour no one who is driving will be happy with less car lanes.

Please, let's move on to bigger problems within the city such as the disastrous short-term rental issue. Our neighborhoods are disappearing due to the number of short-term rentals that have been allowed to exist. The oversight of the city's code enforcement related to short-term rentals is minimal at best.

Thank you for taking these ideas into consideration.

**Subject:** Road Diet

⚠ External Email: Please use caution if opening links or attachments!

I think the proposed "road diet" is a terrible idea for 68th St and most of the others proposed. I love Scottsdale for the nice wide roads.

When I return home from visiting places like Seattle or San Diego, I am so happy to have space and less congestion. Hayden Road especially is great. Seems like staff is out looking for a problem where none exists.

Please don't mess with a good thing. This life-long resident is not happy with the new Scottsdale that is emerging.

**⚠ External Email: Please use caution if opening links or attachments!**

Please do not approve reducing the number of traffic lanes on 68th St. at your meeting next week.

This is a bad idea for this street and all streets in our city. We have more traffic on our streets than ever before, with more planned apartments bringing in even more drivers in the future.

The passage of this proposal will cause more congestion than we have now. I know of no one who thinks this is a good idea.

Thank you,

Jeanne Peters

**Sent:** Friday, March 17, 2023 11:38 AM  
**To:** City Council  
**Subject:** Vote No on the 68th Street Project Road Diet & Fix what we have now

**⚠ External Email: Please use caution if opening links or attachments!**

I understand your March 21st meeting will consider putting a one-mile stretch on 68th Street from Indian School Road to Thomas Road on a "road diet." which would reduce the four-lane roadway to two lanes and add bike lanes. This project would set a bad precedent for eliminating car-lanes and narrowing roads across all of Scottsdale with our taxes.

Why are many of us against skinnier roads / "road diets" in Scottsdale?

1. When I first moved here two decades ago I appreciated the wider roads.
2. Our **increasing population growth and the high density apartment buildings you have approved is producing clogged traffic and accidents.** If anything, we want more roads that have more capacity.
3. The more than 10,000 apartments ***already approved by the previous City Council majority but yet to be built, (which I asked you not to vote for),*** will make traffic in Scottsdale even worse over the next few years and will increase the need for more road capacity.
4. **Current streets are showing age & potholes ....** these need to be fixed first!
5. The **Raintree & Hayden Traffic Circle has been under construction for a year now!** Incompetence like this hurts businesses in the area while they still have to pay the same rent and taxes. Why aren't you putting our dollars in to expediting completion here?!
6. There are **not enough bike riders where bike paths are available now to justify the expenditure. The ROI is not there!**

**The City should be spending our transit money to maintain and repair** our deteriorating roads for our current residents, as well as, adding traffic lanes to improve traffic flow and accommodate the new residents who will occupy all of the new apartments that will soon be built.

**Please stop wasting our money and stop the high density growth to save our environment and our water.**

Thank you!

Sincerely,

Cynthia Sampson

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Hardworking Councilman and Mayor!

I am highly opposed to this plan and beg you to stifle the urge to partake in this form of social engineering. It's totally unrealistic to think that we can get citizens to ride a bike in our city as I personally live 25 miles from city hall. This topic is merely the beginning of the federal government to attempt to interfere with our city rights. Please vote a firm hard "no" on this topic.

**Subject:** No to Road Diets

**⚠ External Email: Please use caution if opening links or attachments!**

To all my elected officials of Scottsdale:

I am a resident of Scottsdale and I just came to know about the plan to make the car accessible area of the road narrow. Please don't plan for Road Diets as we need more space for cars as more and more people are coming into Scottsdale. Road Diets will make Scottsdale more congested, and unsafe. I have seen them in some roads in Phoenix and this is way too narrow and confusing. I hardly see bikes being driven in those roads, while so many cars use the roads. Please reconsider your decision to waste precious space. Don't turn good things into worse ones please.

Thank you.

Sincerely,  
Dorey.

**⚠ External Email: Please use caution if opening links or attachments!**

To all City Council Members:

I have done some research on the "street diet" plan in other cities. It has been so unsuccessful in some cities, they are going back to the "regular" street design.

Traffic has increased tremendously, even where I live in North Scottsdale. Eliminating lanes is ridiculous. We our extremely hot summers, you will never turn the Scottsdale community into bikers.

Please save us all some money by voting against a street diet!

Thank you,

Regina Knapp

**Subject:** No Road Diets

**⚠ External Email: Please use caution if opening links or attachments!**

Dear City Council, I am a 43 year Scottsdale resident and I have seen the 101 freeway become congested rapidly and that without the huge quantity of apartment units online yet in Scottsdale, Mesa, E Phoenix, N Chandler. When these come online next year the traffic is going to be significantly heavier. I am already using Hayden and Scottsdale in my work and leisure commutes and do not want to have surface streets capacity reduced. This road diet activity in San Diego and Los Angeles are causing traffic delays and impacting access to business. Please reject these proposals for Road Diets in Scottsdale.

Dear Scottsdale City Council members,

Please register our strenuous objecting to the proposed traffic "calming" plans for this portion of 68th Street. Traffic "calming" plans are really driver infuriating plans. Squeezing four traffic lanes down to two will certainly cause drivers to question the wisdom of officials who squeeze traffic into tighter and tighter spaces while at the same time approve apartment and condo projects which squeeze more and more residents into those same areas! We urge you to expand traffic capacity where possible. Expand setback requirements for your new condo projects to allow extra traffic lanes and sidewalks and a bike lane.

Respectfully,

Vicki and Wayne Wentz

⚠ External Email: Please use caution if opening links or attachments!

City Council;

I am opposed to the 68th St project and removing lanes of car access.

The more you continue to allow apartments and high density buildings, the more traffic we have.

Are you trying to make Scottsdale entirely unliveable? Due to all of this added building, we need more roads, not less.

Remember we have many months of the year where a significant amount of our population is not safely able to bike due to excessive heat.

They actually need their cars to get to and from appointments etc.

Please do not pass this project with our tax dollars...

Thank you.

Laura Jorden

⚠ External Email: Please use caution if opening links or attachments!

Gentlemen,

II urge you to vote against this ridiculous plan. Bus and bike transportation will not replace,automobile travel. Bus routes do not take you directly to your,places,of employment but due to their routes leave you off at some distance from your destination. Bus transportation adds travel time to the work commute due to the bus schedules.

I lived in the East where bus travel was heavily utilized BUT, the places of employment were more centrally located within the cities and still traveling by bus added time to the commute. That is not the case in Arizona. Business are scattered all over and there will never be enough bus routes to meet that demand.

Stop pandering to,special interest groups and to the theorists who think narrowing streets, and adding bike lanes, will result in people taking more public transportation.The result of this ill thought out plan will be a horror of traffic jams and an escalation in accidents. We are not New York, we are Scottsdale and the traffic is horrific enough now without compounding the problem. Stop the madness.

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**⚠ External Email: Please use caution if opening links or attachments!**

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7l13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

⚠ External Email: Please use caution if opening links or attachments!

As a home owner in Scottsdale I want to voice my opposition to Road Diet planning. Our traffic has enough problems without restricting lanes. Instead please stop granting developers permits to build more condo and apartment buildings. Please consider long term congestion and water availability. Thank you, Julane Lamkin

**Subject:** Road Diet - 68th Street Indian School to Thomas

**⚠ External Email: Please use caution if opening links or attachments!**

I have been traveling the proposed route for the “road diet” daily for the past month. I suggest those council members that are leaning towards approving this experiment try that route during rush hour. Traffic during our high tourist season is not a pleasant experience. Reducing two of the four lanes per my experience will have an adverse effect for commuters and residents.

**To:** City Council  
**Subject:** Road Diet - 68th St. proposed bike lanes

**⚠ External Email: Please use caution if opening links or attachments!**

Councilman Littlefield:

I read with great interest and concern your update on the proposed "Road Diet" for 68th St. between Indian School and Thomas Roads.

I'm a 27-year resident of my home located just west of the 68th St./Lafayette intersection which is the primary entrance to the Arcadia neighborhood from the East. Within the past five years alone I've witnessed significantly worsening traffic conditions on 68th St. This deterioration is in the form of increased traffic congestion on 68th St. throughout the day, to the point where exiting Lafayette onto 68th St., or vice-versa has become difficult and dangerous for drivers, pedestrians and bikers.

Having witnessed this deterioration over a period of years it's clear to me what the causes are:

1. Increased development of thousands of apartment units, condominiums and hotels within the Old Town Scottsdale neighborhood has forced more traffic to use 68th St.
2. Reconstruction of the 68th St. bridge over the canal in 2019 **reduced the number of through lanes over the bridge from two lanes to one.**

The byproduct of residential and hotel development in Old Town has led to a significant increase in traffic on 68th St. Due to the reduction from two traffic lanes to one in either direction over the 68th St. bridge, traffic is backed-up on 68th St./Indian School Rd. in both directions for much of each day. It's my strong belief that creating bike lanes while taking away a second lane in either direction between Indian School Rd and Thomas will further increase congestion and frustration for the entire Arcadia neighborhood and many of our neighbors west of Old Town. This will result in more dangerous conditions for drivers, pedestrians and cyclists. ***There already is a bike lane of substantial width in both directions between Indian School Rd and Osborn.***

It's clear to me the City of Scottsdale has operated over the years with no master plan for development. In its eagerness to overdevelop Old Town in recent years the city has failed to consider the impact of traffic and quality of life issues in the immediate neighborhoods surrounding Old Town. This proposal for a single lane of traffic on 68th St. between Indian School Rd and Thomas would benefit a small (and apparently vocal) bike lobby. This would come at the expense of the majority of my neighborhood faced with the prospect of even more traffic congestion on 68th St. This would result in further erosion of quality of life for many of our residents west of Old Town Scottsdale.

Please do not proceed with this initiative. Contrary to what the bike lobby would like many to believe, most of our neighbors want to remain in their vehicles in this increasingly urban setting. Our weather and demographics support this notion.

We would be better served adding an additional lane for vehicle traffic over the 68th St. bridge. This should never have been taken away four years ago.

Thanks for your service and consideration.

Jim Byron

I have lived in Scts all my life and was born here before Scts became a city. I am so against all the new apts being built and then you are going to narrow the streets that are already congested? It is bad enough that you put that round about in on Osborn so we will have trouble getting out of our street onto Miller along with poor Peaceful Valley not being able to access Miller easily either. I will continue to live in Old Town and downtown is how I remember the city as a child, not so congested. Please rethink this. Thank you Kathy Stallman

**Subject:** Skinny streets

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Solange,

Word on the street is you've been peddling hard to narrow 68th St. with all of your cycling buddies.

Not everyone as is fit as you. If you recall, one of the huge proponents of having apartments across the street from the hospital was in case he was in dire need to get to the hospital because he hasn't taken care of himself and can barely walk.

Do you have any idea how dangerous it is to ride bikes in extreme heat? As I wrote in a prior email, more than 145 days were over 100° in Arizona in 2020. That doesn't even factor in how much hotter the ground gets when the sun is beating down on the street!

On a 80 degree day, concrete that had been sitting in the sun almost all day was 55° warmer at 135°! That is very warm. Also it holds onto the heat and starts releasing it as the sun goes down!

Get grant money and widen/separate the bike paths along the Greenbelt. That makes sense. Also, you don't burn your feet on grass unless it's plastic. Do not vote for this bad project!

Thank you,

Regards,

Emily Austin

**Subject:** Re: Road Diets Coming to your dense (and getting denser) neighborhood

**⚠ External Email: Please use caution if opening links or attachments!**

Back in 2004, the City narrowed 96th St to 2 lanes and added a horse trail, bike lanes, and 2 roundabouts from Shea to Thunderbird.

It cost millions of dollars.

A couple years ago, the 101 was totally shut down from Shea to Thunderbird. The traffic ended up on 94th St and 96th St. I was trapped in my neighborhood at 96th and Cholla. All of the side streets were parking lots.

Shea was so backed up I couldn't get out.

Remember the Paradise fire, in 2018 in California? People died because they couldn't escape. One of the main roads were put on a diet.

How stupid do these elected officials and city staff think we are?

Stop narrowing roads and prepare for the increase in population that is coming with all of the new apartments.

Susan Wood

Subject: RE: Road Diets Coming to your dense (and getting denser) neighborhood

It's the Emperor's Clothes. How many council members can resist getting sucked into the Bike Lane Kool Aid push?

Just count how many bikes you see here even in good weather days. Then count the cars and the ever growing traffic.

This Public Comment on YouTube says it all:

The city admits on their Pipeline list that since 2010, **council has approved over 24,000 multifamily units.**

And then the city want to narrow roads? It's insanity.

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I rarely see any bicycle riders and doubt by making more lanes we will see more bike riders? At the expense of already way too much congestion and density.

**Subject:** Re: Road Diets Coming to your dense (and getting denser) neighborhood

If the City of Scottsdale was a dam, one would have to question why the powers that be keep poking new holes into it. The dam has enough holes in it that need plugged before it bursts. Lack of Public Service, IE; Police & First Responders, Homelessness & Vagrancy, Dwindling Water Supply, Drug Houses & Prostitution, Traffic & Congestion on Roadways, Out of control Vacation Rentals...I could go on and on. Would the City focus on current pressing issues rather than creating new & costly future issues to add to the pressure behind the dam!

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...  
Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent

adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the "public" bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**Subject:** Re: Road Diets Coming to your dense (and getting denser) neighborhood

Back in 2004, the City narrowed 96th St to 2 lanes and added a horse trail, bike lanes, and 2 roundabouts from Shea to Thunderbird.

It cost millions of dollars.

A couple years ago, the 101 was totally shut down from Shea to Thunderbird. The traffic ended up on 94th St and 96th St. I was trapped in my neighborhood at 96th and Cholla. All of the side streets were parking lots.

Shea was so backed up I couldn't get out.

Remember the Paradise fire, in 2018 in California? People died because they couldn't escape. One of the main roads were put on a diet.

How stupid do these elected officials and city staff think we are?

Stop narrowing roads and prepare for the increase in population that is coming with all of the new apartments.

Subject: RE: Road Diets Coming to your dense (and getting denser) neighborhood

It's the Emperor's Clothes. How many council members can resist getting sucked into the Bike Lane Kool Aid push?

Just count how many bikes you see here even in good weather days. Then count the cars and the ever growing traffic.

[This Public Comment on YouTube says it all:](#)

The city admits on their Pipeline list that since 2010, **council has approved over 24,000 multifamily units.**

And then the city want to narrow roads? It's insanity.

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I rarely see any bicycle riders and doubt by making more lanes we will see more bike riders? At the expense of already way too much congestion and density.

**Subject:** Re: Road Diets Coming to your dense (and getting denser) neighborhood

If the City of Scottsdale was a dam, one would have to question why the powers that be keep poking new holes into it. The dam has enough holes in it that need plugged before it bursts. Lack of Public Service, IE; Police & First Responders, Homelessness & Vagrancy, Dwindling Water Supply, Drug Houses & Prostitution, Traffic & Congestion on Roadways, Out of control Vacation Rentals...I could go on and on. Would the City focus on current pressing issues rather than creating new & costly future issues to add to the pressure behind the dam!

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...  
Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

Polly Larsen

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the "public" bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

Dear Council,

Have you really thought this through? Think about it for a minute. We need to come up with something better than narrowing streets for more bike lanes!!

Emily Austin

How hot is asphalt on a 100 degree

160 degrees

On a sunny day, asphalt can quickly heat up, even if the air temperature doesn't feel super hot to you. For example, if it's 85 degrees, then the blacktop temperature is 110. If the air temperature is over 100 degrees, they reach **160 degrees.** Aug 20, 2020

**Subject:** 68th St. Project, Scottsdale

⚠ External Email: Please use caution if opening links or attachments!

Please do not vote for the 68th Street project that would reduce the number of traffic lanes. Traffic is horrible in old Scottsdale and since the council continues to vote for additional condos/apartments, the traffic is only going to get worse. We don't need more bike lanes, we need more traffic lanes and less multi-family units. The summer heat is oppressive for bicycles, walking, and waiting at bus stops. This is not a workable solution.  
Thank you.

Nancy King

**Subject:** High Rise Development/Bike Lanes/Road Project

**⚠ External Email: Please use caution if opening links or attachments!**

Scottsdale Council Members:

Drive around Scottsdale, see the massive building structures erasing the once unique Scottsdale mountain-scape. A historical review clearly depicts developers obtaining waivers for increasing height structures while allowing “open/green space” (definition changes) to allow less of “it”.

Allowing managed growth valuing the western landscape and character of a city is praiseworthy. Creating an urban megalopolis undesirable by the people, is not a worthy, responsible goal for our elected officials. Residents, based on local dialog are not supportive of increased density for rationale reasons.

Residents are asked to conserve water, with AZ allocation from the CO River cut 20%, while City Council members approve more density. More people, less water.

Scottsdale has high auto insurance rates, increasing annually due to the high number of accidents. More people, more cars, more congestion, more accidents, more fatalities.

 **Bike Lanes/68 Rd Project: HELL NO!**

Repair the roads. Build sidewalks. Be transparent!

Note: How many ride bikes in 100+ degree temperatures?

Drive around our city and take note: Will your votes continue the plan for excessive growth on the land and on our streets, or will your vote protect the beauty that makes Scottsdale a tourist destination and a desirable place to call home?

Votes matter!

Respectfully submitted,

Patricia Deojay

**Subject:** Please Approve 68th Street Corridor with Side Walks and Bike Lanes

⚠ External Email: Please use caution if opening links or attachments!

Dear Scottsdale City Council and Scottsdale City Mayor:

I am in strong support of for completing the sidewalk north of the canal and bike lanes on the 68th Street corridor.

My husband and I are seniors and moved to Scottsdale 13 years ago. The draw to move here was the consistent weather that would allow us to be outside all year long and engage in outdoor activities in our neighborhood. My husband is a bike rider and has spoken about the risk of riding on 68th Street corridor because of the non-existent bike lanes.. He and his group of fellow riders describe riding on 68th street as "perilous." Personally, I am a hiker but spend several days a week walking the Scottsdale neighborhoods. I have always found it strange that there was a side walk gap north of the canal on 68th street forcing me to walk in a bike lane. Not only was I at risk of being injured by a car but a bike as well.

I urge the Scottsdale City Council to consider the safety of our community by increasing the bike lanes and creating the necessary sidewalks along the 68th corridor.

Sincerely,

Peggy Klein  
7161 East Rancho Vista Drive

**Subject:** I AGREE...NO ROAD DIETS

**⚠ External Email: Please use caution if opening links or attachments!**

I agree with the sentiments listed below!! This is all part of a globalist U.N. Agenda 20/30 to further the 15 minute city!! Dangerous in its concept AND it's IMPLIMENTATION!! STUDY IT!!

Dear Mayor and Council

Let's analyze road diets with Peter Drucker's five principles/questions:

1. **What is our mission?** In short, to serve the needs of the citizens without bias or agenda, by providing essential services, public safety to enhance residents' quality of life and and enjoy the City, and encouraging business and tourism growth, while fulfilling election promises.
2. **Who is our customer?** If you're thinking, "*We are—we, the Council, the people in authority making decisions, because we know best,*" then you are mistaken. *We, the People* elected you to represent the vast, and often silent, majority of us. Many of us, due to parental caretaking and jobs, were unable to previously give input to the Council and instead, campaigned for you to represent us by proxy and not continue the Lane Gang of Four utopian vision of transforming Scottsdale into dense, up-zoned apartments, changing the Scottsdale brand and landscape forever. Determining who your customer (aka resident/voter) is requires extensive resident outreach, not just your online multiple-choice surveys or hearing from special interest groups, especially with emotionally-charged decisions like up-zoning, apartments, and road diets.
3. **What does our customer value?** A beautiful Scottsdale, with roads in good condition, less traffic congestion, and a quality of life and freedom to enjoy all this City has to offer, without beggars or homeless.

4. **What are our results?** Scottsdale was once considered a Beverly Hills; now it is likened to Los Angeles. Common sense tells us that more apartments = more people = more cars = more traffic, adding to an already bad traffic situation and poor road quality (e.g. Shea, Gold Dust, etc.) Lots of apartments in the pipeline. Capital projects prioritized/delayed/canceled to accommodate clerical errors and increased supply costs. And the semi-completed, cost-overrunning Osborn roundabout during the height of Spring training? Tourism is being negatively affected.
  
5. **What is the plan?** I respectfully request a Proposition for Road Diets be put on the November 2024 ballot and decided by the voters/drivers rather than decided by 4 of 7 council members. Please keep roads/streets for vehicles only to accommodate more traffic generated by new apt dwellers and their vehicles. In the meantime, bikers can use the many miles of greenbelts the City offers. Isn't that what they were designed for? When feasible and cost effective, consider widening sidewalks along streets to accommodate pedestrians and bikers, who will then be a safe distance from vehicles. Resurface existing roads in need. Refrain from approving more multifamily housing until the voters have spoken. Stay away from Agenda 21/2030 Federal Transportation grants which have massive restrictions like road diets that negatively affect the quality of life of Scottsdale residents. The decision to recategorize streets and reduce their number of lanes takes away our freedom to choose by forcing us to find alternate routes or simply stay home and order things for home delivery. Not one Scottsdale resident we know takes the bus. And none uses their bikes for anything other than recreation/exercise. Please let the voters decide.

Dear City Council Members:

We are writing to urge you to prioritize improvements to 68th Street. We have parents in their 80s and 90s and 68th Street is unsafe for all local pedestrians especially seniors and those with special needs.

Completion of sidewalks north of the canal junction at Indian School will improve safety for local residents and connect access to Old Scottsdale, the Fashion Square and the Canal Path.

We are long-time Scottsdale residents living in the Village of Pavo Real.

Please give 68th street priority in all of your upcoming budget considerations.

Thanks for all you do for our community.

## Empty Bike Lanes: Did a Small Well-Organized Special Interest Group of Biking Enthusiasts Rip-Off San Diegans?

by SOURCE on DECEMBER 14, 2022 · 65 COMMENTS

in SAN DIEGO

The *San Diego Union-Tribune* ran a [guest Op-Ed](#) on Tuesday, Dec. 13 with an online headline of “Empty bike lanes a telling comment on who has clout in San Diego.”

Bill Slack, a retired former university administrator who now lives in Golden Hill, asked a pertinent question after seeing hardly any bicycles along the bike paths on 30th Street which he frequents often:

***Is this a monumental rip-off perpetrated by a very small but clearly well-organized special interest group of biking enthusiasts?***

Slack continues:

Part of the plan forecasts that 10 percent of the working population in the city will bike to work in the near future. Millions of dollars have been spent facilitating this remarkable goal by constructing bicycle lanes or pathways throughout the city and many more millions are scheduled to be spent. Vehicular parking has been erased to accommodate an elaborate network of barriers, street markings, traffic lights unique to bike traffic, and other

To whom it may concern~

I thank you for your service on the City of Scottsdale City Council and your stance on their out-of-control ideas regarding high rise apartments and now this Road Diet nonsense.

Please forward my objections to this latest idea of shrinking the width of 68th Street between Indian School Road and Thomas Road for bike lanes.

I am thoroughly disgusted by the latest information just issued regarding the Roundabout at Miller/Osborn Roads being 500% over budget! Another debacle by the people who are supposed to be watching out for the citizens of Scottsdale's best interests and spending OUR money wisely!

Respectfully,  
Diane Drozdowski~

**Subject:** Roadway Reduction — Please Don't Be Foolish

**⚠ External Email: Please use caution if opening links or attachments!**

We previously lived in Chicago, where elected officials thought it would be a good idea to redesign certain streets by reducing the number of car lanes, in order to make permanent bike lanes or allow for more pedestrian traffic.

These adaptations turned out to be costly, under used and negatively impacted many more people with increased traffic congestion.

It was a nice idea to try, but the results were just terrible and a significant waste of taxpayer money.

Please learn from Chicago's ill-conceived attempt at reconfiguring existing public streets. Make our streets wider if you want to add bike lanes or pedestrian walks. Don't think Scottsdale will achieve different results by narrowing any of our streets and roads.

Sincerely,

**⚠ External Email: Please use caution if opening links or attachments!**

Hello Mayor Ortega and City Council Members:

Please restore good old **"Common Sense" and "Sanity"** to all of our Scottsdale planning and voting decisions going forward. This so called "Road Diets" whereby vehicle traffic lanes are shrunk at the expense of bicycle lanes is total nonsense. If this project is approved, there will be a steady progression for more and more Road Diets, just like a metastatic cancer. **Please VOTE "NO" and put this issue on a ballot proposition for our City's voters to decide.**

Many of our Scottsdale roads are in terrible physical condition with potholes, large cracks, etc., that literally require the driver to dodge these defects, which obviously increases danger. Drive Shea East from Scottsdale Road to the 101 and beyond. The entire road needs resurfacing immediately! Many other roads are in 3<sup>rd</sup> World condition, and such conditions do not lend a good impression with our tourists as well as all of our Arizonans.

Thank you,

Dr. Bob Saeger  
48 year Scottsdale resident

**Sent:** Sunday, March 19, 2023 10:03 AM  
**To:** City Council  
**Subject:** Narrowing Roads in Scottsdale...

⚠ External Email: Please use caution if opening links or attachments!

...is the absolute worst decision of all time. Let's keep approving and building new multi-story apartment complexes all over town and then narrow our existing streets so that nobody can get anywhere on time.

Please think about how foolish this proposition is.

The narrowing of 68th Street between Thomas and Indian School is frightful to think about. Bicyclists have many alternatives, including our beautiful greenbelt and the canal banks. Scottsdale is one of only 39 communities nationwide rated Gold level or higher for bicycle friendliness by the League of American Bicyclists. So when you think about it, Scottsdale is taking care of bicyclists just fine.

Please stop building multi-unit high-rise apartments and then narrowing our streets by eliminating traffic lanes. We live and work in the desert. It gets hot during the summer. Less than an nth of the population will walk to work or to a bus stop in the dead of summer, let alone ride their bikes in the sweltering heat.

Most sincerely,

Virginia Anne (Ginny) Bertoncino

**Subject:** Road constriction

⚠ External Email: Please use caution if opening links or attachments!

It has come to my attention that City Council is or may be considering reducing the number of lanes for cars in favor of additional bike lanes. We need more car lanes not less in light of the constant building of condos and apartments in Scottsdale.

I have had the misfortune of encountering packs of bikers where there is a designated bike lane but the bikers chose to take up the entire road in both directions. They saw cars but chose to ignore the car drivers which could have resulted in an accident.

Again, until roads for cars are expanded, leave the bike lanes as is.

Thank you for your attention in this regard.

Mary Margaret Monillas

**⚠ External Email: Please use caution if opening links or attachments!**

Honorable Mayor and City Council members,

My husband, Richard, and I live at 6957 E. Lafayette Blvd. We are the last house on Lafayette where it joins with Exeter in the community of Villa d'Esta. We use 68th street at least once a day as that is our only way out. We have endured the construction and truck traffic during the building of Optima and then the construction of the new bridge on Indian School. Earlier this year utility cables were added along 68th street and the road was torn up but ultimately patched well in spots but not resurfaced. We have lived here for over five years and this road has never been touched and it is crumbling. Last week I complained about the pot holes and they were finally patched but that won't last long as the quality of the patchwork was not as good as the patches done by the utility company.

In addition, this section of road desperately needs a sidewalk and a bike path! Many people walk in our neighborhood and this section is very dangerous as you must walk in the road and try avoiding all the endless traffic. Bikes are especially dangerous, particularly at night as the road has no edge in many places. This is not a safe situation and it really needs to be addressed soon.

I have attached several photos of the road so you can see the quality of the surface. Please help make this neighborhood safe and our streets usable. I would attend the council meeting but my husband has serious medical issues and I can't leave him. Please feel free to contact me should you need anything further.

Thanks for your time and attention to this!

Sincerely,

Penny (Penelope) Post

⚠ External Email: Please use caution if opening links or attachments!

Dear Mayor and City Council members;

I am writing today to express strong support for the improvements being considered for 68th Street. We desperately need to have this stretch of road safe for pedestrians, bikers, as well as traffic. Right now the striping project from Indian School to Thomas will greatly improve the situation for the volume of bike riders who traverse this route, and completing the sidewalk down 68th from Camelback to Indian School will ensure the same for pedestrians. The City of Scottsdale is a vibrant city for both residents and tourists, and it is all our responsibility to keep both safe as they visit Fashion Square Mall, Old Town, the wonderful canal path, and the area south of Old Town. Please give your support to these important projects.

Sincerely,

Susan Back

**⚠ External Email: Please use caution if opening links or attachments!**

Scottsdale City Council,

The road diet on 68<sup>th</sup> St is not only a slap of our tax payer dollars but it is also against what the vast majority of Scottsdale residents want.

Traffic is already an issue. There thousands pouring into Scottsdale – many more cars. This is the reality.

And the Council is actually considering such making traffic worse for a few bicyclists??!

Where is the logic and common sense?

Please do not put this on the agenda.

Taxpayer,

**Subject:** Support for Funding 68th Street Pedestrian/Cyclist Improvements

**⚠ External Email: Please use caution if opening links or attachments!**

I strongly support the safety improvements to 68th street and hope that you will approve the funding. Bike lanes, sidewalks, and traffic calming are desperately needed to keep ALL users (drivers, cyclists, and pedestrians) safe on this street.

I live in the neighborhood and am a frequent driver, cyclist, and sometimes pedestrian on 68th street. I consider 68th street to be the most dangerous part of my cycle ride to run errands in Old Town Scottsdale. I also consider it quite dangerous when I am driving and there are pedestrians walking in the street. When I have inadvertently ended up walking in 68th street, I found it terrifying. In addition to making it safer for everyone, the improvements have the potential to encourage non-vehicular traffic which would reduce congestion and pollution while increasing the appeal of the neighborhood.

I appreciate your work to make Scottsdale safer and hope you will support funding these improvements.

Thank you.

**⚠ External Email: Please use caution if opening links or attachments!**

Dear City Council,

We are dismayed to see that the City Council is seriously considering making changes to 68th street traffic pattern. This proposal would start a trend that is not in the best interests of Scottsdale. This proposal by reducing car traffic will:

- 1) Hurt tourism (a life line of needed revenue for the city and local businesses).
- 2) Downtown Scottsdale is already clogged with traffic and would get worse. Such a change will discourage us from going downtown for restaurants, shops and events. Why would you want us to take our entertainment dollars to another city / town?
- 3) Divert precious staff and financial resources away from repairing existing streets.
- 4) With our climate, expecting us to abandon our car and use a bicycle or bus is not realistic!

***Please vote NO to this absurd proposal!***

Members of the City Council. This plan is another total joke. And you know it. Those in favor of this reduction in road lanes are only interested in their personal interests and ideologies. NOBODY rides their bikes in 110 degree weather. Nobody is going to stop driving their cars, no matter what you try to do. Nobody! Wake up. Some of the people on this Council are so self serving. It's so obvious. Anything for the developers. Stop!!! Respectfully, Mike Crooker

**⚠ External Email: Please use caution if opening links or attachments!**

To the Member of the Scottsdale City Council,

I write to ask you to deny approval of the City Staff's proposed "Road Diet"/"Traffic Calming" project being considered for 68<sup>th</sup> Street.

While positioned as a "bike Friendly" enhancement, this really is the start of an Anti-Car and Anti-Motor vehicle proposal. We have seen what comes next if this is approved, as noted in earlier City Staff information regarding other roads and streets for reducing traffic lanes.

Estimated to cost \$1.6M to reconfigure a one-mile stretch of road, the city is signaling that it's only the beginning of an aggressive agenda to eliminate car-lanes and narrow roads across Scottsdale. It makes more sense to keep the current roads in good repair to address the future population increase due to currently approved, and yet to be built apartments. Using Scottsdale City published numbers, more than 10,000 new apartments are in the inventory for construction. Using this backlog as a litmus test, it makes sense for the City to expand roads to make room for the additional 20,000 or more cars. Why on earth would you narrow them?

Moreover, using the standard classification of 68<sup>th</sup> Street's designation, the City Staff is falsely claiming that 68th St is a neighborhood street to justify limiting its traffic flow. In reality 68th Street is a collector street that connects Tempe and Scottsdale. City staff have admitted that this road diet is meant to divert traffic to other streets in the area. It is in essence a "traffic calming" project. 68th St is used by drivers, both for personal and commercial purposes, to bypass traffic on Scottsdale Rd.

Lastly, this in reality is the ploy of a special-interest lobby that has been influencing council members to prioritize a small and infrequent user group and a select-few hobbyists above everyone else who uses a car to get around -- including tourists that keep our economy strong. According to the MAG bike ways map, Scottsdale has one of the best bike path systems in the valley.

Please vote no on this issue and put an early and definitive end to "Road Diets" in and around Scottsdale communities.

Thank you,

**Sent:** Monday, March 20, 2023 9:13 AM  
**To:** City Council  
**Subject:** 68 St./ Road Diets

**⚠ External Email: Please use caution if opening links or attachments!**

Dear City Council and Mayor Ortega,

I am writing to you about the proposed Road Diet on 68<sup>th</sup> St and why it is such a bad idea for the residents living in this area.

1. It sets a bad precedent. I feel sure that this is just the start of cutting out car lanes all over south Scottsdale, and probably working further north.
2. 68<sup>th</sup> St is a street that is heavily used as an alternate for using Scottsdale Rd. Scottsdale Rd, between Thomas and Chaparral, is an area of high traffic most of the time and especially during rush hour. Most people who live in this area know to avoid that stretch of road unless there is no other way to get to where they are going. We need as many roads as possible for alternates to Scottsdale Rd.
3. South Scottsdale is/has been in a state of perpetual construction for the past several years, and it looks like that will continue for the next decade or so. Just that roundabout at Osborn and Miller continues to make one have to detour at least a mile or more to get to the doctors' office building at that intersection. I, along with my neighbors, have been unable to enjoy our backyards for 4 years plus due to Entrada construction, and I don't think they are going to finish that any time soon. The traffic is so much worse in south Scottsdale, and drivers seem more and more anxious as indicated by increased tail gaiting, honking and flipping each other off.
4. Police and fire department will have a much more difficult time of answering emergencies in the area.
5. Seniors (over half the population) will have a whole new set of problems. Our choices of getting groceries will be: to sit for long periods in the car lanes, taking a bike in 110 degree weather and trying to tie the groceries on the back of the bike; use an Uber; order online and hope that they pick out good produce. Another problem will be getting to doctor and medical appointments. Basically, this plan will eventually keep seniors stuck in our houses more.

6. This whole thing is not a democratic process. It is Authoritarian. The majority of residents have no idea what is about to hit them. I have spoken to many people who have not even heard of this and think that I must be wrong. Why can't you at least reach out to residents and hear our opinions, ***all of us***. You should send a paper survey to every resident and explain this process, the reasons for it, and if they agree with this plan.

Overall, this whole plan reeks of Big Brother forcing a whole new way of life upon us with no concern for our feelings and needs. Please vote 'no' on this proposal.

Thank you,  
Gail Sikes

**Subject:** Our Roads Are Not FAT Enough

**⚠ External Email: Please use caution if opening links or attachments!**

To Whom It May Concern,

I don't know if the people here in Scottsdale have all fallen asleep or they're too busy to notice or are all on permanent vacation, but we citizens, over the past two decades, have allowed our local government to lose its collective mind. Firstly, we live in a desert that depends on pumping water from a river, far, far away, so let's pretend we won't run out of the stuff and keep expanding our future ghost town. That's so smart.

Now, the latest "great idea" is to take an already taxed road and make it smaller. Make it bike friendly like we haven't really exploded with new people and an exorbitant number of cars that make it so much less than bike and pedestrian friendly. The days of quaint have long been killed off by high rise apartment complexes and dense populations. I live on Starfire golf course. We are always fighting to keep one road (Sundown) from the greed of expansion so that those squirrels and prairie dogs and coyotes, who somehow manage to be alive, can still cross the road without getting hit by people speeding down it. Quaint, isn't it?

You guys need to put this thing to rest and figure out how to move more of these hundreds of thousands of people around this, "not quaint city" on fatter roads. I, myself, live on Cactus Road. I've lived here for 29 years and have watched this beautiful place be shaped by greed and ignorance. This "road diet" has to be in the top 5 for not fitting the bill that you have in front of you. We are not quaint. We are not biker or pedestrian friendly. Not only are we too crowded, but the extreme heat will keep anyone with a brain off those roads that aren't carrying an air conditioner. Please, use your time more wisely. Like, fixing the bottleneck that was caused at the Shea off ramp from the 101 that got squeezed down to one less lane. Some genius took a lane away and now every single day, it's a nightmare. Spend time analyzing that, instead of this ridiculous road diet. The 101/Shea off ramp is a great example of roads going on a diet.

Sincerely,  
Susan Borison Rodriguez

I agree completely with Gail on this topic. These lane removals are about prepping people for urban City living in face of the many apartments still to be built. There is not a single big City I have been to that has traffic handled well.

The problem here is too many apartments and not enough water. The drought is not necessarily over. It totally pisses me off when rezoning was approved for apartments with swimming pools but you could not provide water to longtime Rio Verde residents. The State has a billion \$ set aside but the residents do not see or hear of any results. And the towns and cities are "business as usual".

Scottsdale does not want to be urban.

Dear Council,

It seems obvious to me that several of you think this idea of taking away car lanes making way for more bicycles that won't be using these lanes especially when it's hotter than hell, is part of a liberal agenda. As a liberal, it may seem hypocritical, but this isn't about politics. This is the fact that this is a bad idea for our city. We have a Greenbelt. Why don't any of you who are in support of more bikes answer me as to why we shouldn't widen the Greenbelt? We already have a way to get around on the Greenbelt away from cars.

You need to let us vote on it! I have not spoken to have not spoken to one person liberal or not who thinks this is a good idea!

Put it on the ballot. We're so tired of not being listened to.

It does give me great pleasure however to see all of the construction and road widening right in front of Tom Durham's massive house and pool. Karma at work.

Regards,

Emily Austin

Hello City Council and Mayor,

I totally agree with Emily's letter below. I'm also a liberal, right up there with Bernie. But I cannot see why this is a liberal idea or a conservative one. Anyone who is proposing this is not liberal, is authoritarian, and definitely does not want to follow a democratic process.

The only thing where I differ with Emily (because I live in this area, so I know) are that ***there are actually plenty of bike lanes connecting all over south Scottsdale***, including on 68th St. They are all along the canals and on most main roads. I'm totally in favor of bikes, and I love to see people out and enjoying themselves. I would just like the option to ride for fun vs being forced to ride one to get anywhere. Please give the option for ***residents to decide*** by first, sending out paper mail explaining what is being proposed, the reasons for it, and if the majority of people want this.

Thank you Kathy and Barry for responding to me and acknowledging my input. Why do none of the other council members answer and explain why they think this is a good idea? And why do they know more what's good for us than we do?

Gail Sikes

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor and Council,

I have been doing some research on the potential plans to narrow some roads and thereby limit traffic on some of our city streets.

I'm trying to find some advantages of this, and why we're even considering this. I hate to be cynical, but I think this is all about federal dollars and changing streets to get access to more funding.

This is not a good idea. Does anyone really believe we are going to see less automobiles on our streets in the foreseeable future? All this will do is make some streets more crowded.

Please reconsider this crazy idea and stop this nonsense.

**Subject:** Resident Feedback to Council Road Diets / Litter

**⚠ External Email: Please use caution if opening links or attachments!**

Hello,

Please accept this resident feedback regarding “Road Diets” being discussed at upcoming council meeting.

The Scottsdale experience is being filled with every growing chaos reducing the quality of life here for all those but inner city transplants. Now there is a city council recommendation of ROAD DIETS which may start in one area but will bleed thoughtlessly into other areas. Further clogging Scottsdale streets with feel-good ideas that hurt that day-to-day routines of those who live here and love their community is a scandalously stupid idea. Can someone measure the pain to profit ratio on that for the citizens? Growth isn't a problem. It's ridiculous ideas like this that are the problem. If you want to reduce traffic with thoughts of forced pedestrian and bicycle alternatives—**you start first**. Abandon your vehicles, hit the path and travel to and from work, school, medical appointments, grocery shopping. Let us know how it goes.

However there is another growing problem being ignored. **LITTER POLLUTION**. I'm not sure how much plastic and waste is in the Ocean, but it's very apparent how much is in, on and around the streets of Scottsdale. Congratulations ignoring that one. What happened to the business-resident programs to pick up litter? Isn't there ANY community program out there to address this growing blight?

**Subject:** Legend Trail Parkway-Lane Modification a Bad Idea

**⚠ External Email: Please use caution if opening links or attachments!**

Mayor & City Council Members:

I am writing to provide a view on why this initiative makes no sense for Legend Trail Parkway to go from 4 lanes to 2 lanes. The reasons are:

- Legend Trail Parkway connects between two very different streets. Pima is like a super highway to the north that has very limited bike traffic for safety reasons. When & if Pima is expanded to four lanes with adequate bike lanes at Legend Trail Parkway through Stage Coach maybe more bikers can & will use this.
- Stagecoach is the other connector – this is a narrow 2 lane road that has a rolling terrain that is not safe for car traffic, much less bicycles. This will never be a corridor for bike traffic
- So, if both connectors to Legend Trail Parkway do not support bike traffic, how does this make any sense
- Legend Trail is made up of mostly retired couples that for safety's sake on Pima & Stagecoach do not bike outside of the gated community. The lots are completely built out so there will not be any influx of new residents here.
- If ever there was not a compelling reason to not remove lanes, this is currently it. If the purpose is to post how many miles were removed on a website that does not take into account the merit of the road being proposed, Legend Trail Parkway would be it.

Sincerely

Bruce & Kathy Berndt

**Subject:** Opposition to Road Diets

**⚠ External Email: Please use caution if opening links or attachments!**

Hello,

I am writing this email to give you my thoughts on the proposed use of “Road Diets” in Old Town and South Scottsdale. We are already experiencing a rapid population growth in approximately a four square mile area around Old Town Scottsdale that is creating rush hour traffic congestion and increased air pollution around the major roadways including Scottsdale Rd., Thomas Rd., Hayden Rd., 68<sup>th</sup> Street and Camelback Rd. to mention a few. Apartment and condos are spring up in this area like mushrooms after heavy rains. It seems that the city council has decided to follow the developers’ vision of transforming this area into a crowded, heavy use urban downtown Scottsdale that will be known for overcrowding, congestion and confusion ignoring the will of many residents living in this area who oppose these actions.

The major developers’ lobbyists obviously have the ear of the City Council and have convinced you that we must have overdevelopment with a narrowing of many streets in the area making it harder and more dangerous to navigate the streets in and around Old Town. I feel there is no actual justification for this point of view beyond increased profits for the developers!

I find the rationale, especially in the face of a growing water crisis and air pollution, confusing. Our streets will have more cars and buses using them not less. Public transportation is already limited and time consuming. “Road Diets” in my opinion are NOT the answer period!!

Sincerely,

Ron Eich

6902 East Earll Drive, Scottsdale AZ 85251

⚠ External Email: Please use caution if opening links or attachments!

Dear City Council and Mayor Ortega,

I am writing to you about the proposed Road Diet on 68th St and why it is such a bad idea for the residents living in this area.

It sets a bad precedent. I feel sure that this is just the start of cutting out car lanes all over south Scottsdale, and probably working further north.

68th St is a street that is heavily used as an alternate for using Scottsdale Rd. Scottsdale Rd, between Thomas and Chaparral, is an area of high traffic most of the time and especially during rush hour. Most people who live in this area know to avoid that stretch of road unless there is no other way to get to where they are going. We need as many roads as possible for alternates to Scottsdale Rd.

South Scottsdale is/has been in a state of perpetual construction for the past several years, and it looks like that will continue for the next decade or so. Just that roundabout at Osborn and Miller continues to make one have to detour at least a mile or more to get to the doctors' office building at that intersection. I, along with my neighbors, have been unable to enjoy our backyards for 4 years plus due to Entrada construction, and I don't think they are going to finish that any time soon. The traffic is so much worse in south Scottsdale, and drivers seem more and more anxious as indicated by increased tail gaiting, honking and flipping each other off. Police and fire department will have a much more difficult time of answering emergencies in the area.

Seniors (over half the population) will have a whole new set of problems. Our choices of getting groceries will be: to sit for long periods in the car lanes, taking a bike in 110 degree weather and trying to tie the groceries on the back of the bike; use an Uber; order online and hope that they pick out good produce. Another problem will be getting to doctor and medical appointments. Basically, this plan will eventually keep seniors stuck in our houses more.

This whole thing is not a democratic process. It is Authoritarian. The majority of residents have no idea what is about to hit them. I have spoken to many people who have not even heard of this and think that I must be wrong. Why can't you at least reach out to residents and hear our opinions, all of us. You should send a paper survey to every resident and explain this process, the reasons for it, and if they agree with this plan.

Overall, this whole plan reeks of Big Brother forcing a whole new way of life upon us with no concern for our feelings and needs. Please vote 'no' on this proposal.

Thank you,  
John & Darla Rattazzo  
Resident and Voter  
85257

**Subject:** Road Diets - In Favor

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Scottsdale City Council,

While "road diets" may not be ideal for every street, I am in favor to have as many applicable streets get on this diet. I can, especially, appreciate an increasing # of streets in North Scottsdale being suitable for and benefiting from "road diets".

Thank you,  
Pete Gil

**Subject:** 68th Street Lane Reduction: The Big Lie

**⚠ External Email: Please use caution if opening links or attachments!**

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

Bob Pejman

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn without major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7l13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40

The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39
Papago Plaza	7115 E MCDOWELL RD	274
Scottsdale Entrada	6560 E MCDOWELL RD	735
Scottsdale Residences	6901 E MAIN ST	130
	<b>Total Units</b>	<b>3811</b>
	<b>Total Cars (based on 1.75/unit)</b>	<b>6669.25</b>

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not “too good” to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for bringing this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying

that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Council Members,

Please listen to the residents of Scottsdale and do not approve the plan to trim the roads and add bike lanes. This will make our city even more stressful to navigate. All the apartments were a bad idea, and this would only add to the problem.

Thank you,

Susan Petty – resident since 1985

**⚠ External Email: Please use caution if opening links or attachments!**

Please vote NO on this initiative!

It will increase the already horrible traffic AND it will not be used from June through September.

I'm a biker and do not get on my bike during the Summer months due to the heat, even at night.

This will create a lot of headaches and not get the use you are hoping for.

Thank you,  
Liz Dawn

**Subject:** 68th Street Sidewalk addition/bikelane

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Council,

I live in the Pavoreal neighborhood at 68<sup>th</sup> /Camelback Rd. I walk every morning, but avoid 68<sup>th</sup> street whenever possible to avoid walking in the bike lane. An easement exists along the west side of 68<sup>th</sup> street to put in a side walk. A sidewalk exist on both sides of 68<sup>th</sup> street from McDowell to Chaparral, EXCEPT from between Indian School and Camelback. I understand the need for the lane change between Indian School and Thomas is on the table and that is a good idea. However at least bikes and people “could” use the sidewalk although that too is not a good situation.

The worst situation however is having pedestrians walking in the bike lane due to the lack of sidewalks. Pedestrians can be hit by cars and bikes. No other place up and down the major streets in the city has pedestrians walking in the bike lane as the ONLY means of travel. Please strongly consider putting in the sidewalks asap.

Thank You, Don

Donald L Myles, Jr.  
6711 E Camelback Rd  
Scottsdale, AZ 85251

**Subject:** Council Meeting: 3/21/2023 - Comments on Agenda Item 14, Osborn Road.

**⚠ External Email: Please use caution if opening links or attachments!**

Greetings,

I am a transportation advocate and work with local and national orgs to improve cycling in Arizona. My focus is around quality of life and connectivity for all modes of transportation with respect to connecting modes of travel to economic drivers in communities

I was just notified of this agenda and I read through the packet. Every email to the council was against the plan so I thought I should weigh in at this late date with my expertise. Having regularly cycled and driven 68th street, in all traffic, over the last 30 years I can say that 2 lanes in each direction were never needed. Before moving to be closer to ASU I lived on Virginia ave, just south of the proposed improvement zone and worked at the Osborn Trauma Center.

Residential traffic here is light and 68th is not a major traffic corridor. In fact, the section between Indian School and Thomas is the ONLY section that has 2 lanes in each direction. The majority of this road, from Tempe to Paradise Valley, is 1 lane each way with speeds nor greater than 35 MPH. The improvements proposed to 68th street will serve to improve the lives of everyone using this road. I do recognize the concerns that residents have around a "road diet" but I have yet to see a time where such improvements increased car travel times over 1 minute in a mile. The concerns of drivers leisurely moving in 2(+) tons of climate controlled metal with Apple CarPlay, 5 speaker surround sound and a 8" TV in the dash cannot be backed up by any data.

Such comments speak to an outdated culture where the safety and the quality of life of anyone but drivers is a distant 2nd place. As a community, I believe we've all moved past this mindset.

Improving this section to improve access to non-motorized traffic will benefit the city in direct revenue from cyclists and other mode users. We have already seen the benefit (\$\$\$) that OHSO Brewery (and Phoenix) have enjoyed via its unique location on the canal path; Businesses along the improved section of the Scottsdale Waterfront are booming. The 68th St. improvements will finally connect South Scottsdale to this economic area along the canal path and into Old Town.

As a driver and a cyclist, I urge the city to adopt this resolution to improve access while bringing revenue and people to this vital economic corridor.

**Subject:** Lane Modification Program

⚠ External Email: Please use caution if opening links or attachments!

Dear City Council Members,

We live in the Legend Trail neighborhood of Scottsdale, and have loved Scottsdale for many years. We recently learned about the proposed Lane Modification Program, and wanted to let you know that we are very opposed to the plan. Traffic is already very heavy in the city, and we can't imagine how such a program could do anything but make traffic congestion much worse. We drive in central and northern Scottsdale on a daily basis, and have noticed for years how well the bicyclists and pedestrians have coexisted. We have bike lanes in our neighborhood, and lots of bicyclists in our area. It all seems to work fine with the parties all showing mutual respect for each other. We hate to think that Scottsdale is just going to become another large, congested city like so many others in our country.....which we have so far been successful in avoiding. Scottsdale has always seemed to be very well regulated and managed, which we have greatly appreciated. Let's not give that up, please!

Sincerely,  
Jim and Roberta Kreutzfeld

**Sent:** Monday, March 20, 2023 3:03 PM  
**To:** Mayor David D. Ortega; City Council  
**Subject:** Lane Modification Initiative

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor, City Planning Staff and City Council Members:

Lane Modification Initiative

Please reconsider at the 21MAR2923 City Council meeting reducing the number of lanes on 68th Street and/or Legend Trail Parkway, from 4 lanes to 2 lanes ("Road Diet"). The reduction is to increase bicycle and pedestrian access on the street.

If you wish to increase pedestrian access on Legend Trail Parkway:

- Extend the north & south sidewalks from E Whitewing Drive to Stage Coach Pass.
- Extend the north & south sidewalks from E Preserve Way to N Pima Road.

There already exists a bicycle lane on the north and south side of Legend Trail Parkway. Please visit the parkway on Saturday or Sunday and you will see how extensively the bike lanes are used.

None of the residents of the Legend Trail Community want less traffic-carrying capacity. We want more. Perhaps you should drive north on Pima or Scottsdale past E Dynamite Blvd. The roads are at capacity.

If you want to deliver what north Scottsdale residents want:

- Increase N Pima Road to four lanes north of E Dynamite Blvd to E Cave Creek Road.
- Increase N Hayden Road to four lanes north of E Pinnacle Peak Rd to E Cave Creek Road.

The more than 10,000 apartments already approved by the previous City Council majority but yet to be built requires increasing road capacity.

Adding traffic lanes accommodates the new residents who will occupy the new apartments soon to be built.

"Road Diets" are driven by ideology not practicality and are directly opposite of what the vast majority of Scottsdale residents want.

If you are uncertain what the Scottsdale residents want, put the lane reduction plan to a Citywide vote.

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor Ortega and City Council Members

I had hoped to appear at tomorrow afternoon's City Council meeting to participate in the discussion about 68<sup>th</sup> Street. Unfortunately, I have a pre-existing commitment and am unable to attend. I previously emailed the Council members to share my feelings about this issue and feel the need to do so again since I am unable to appear before you in person. To reiterate, I own two apartment complexes on either side of 68<sup>th</sup> Street on Avalon between Osborn and Thomas. I live in downtown Scottsdale and travel south on 68<sup>th</sup> Street regularly. The plan proposed by City staff would fix an existing problem, not create a new problem. Anyone who uses and is familiar with this stretch of 68<sup>th</sup> Street would understand this immediately. The vast majority of 68<sup>th</sup> Street is only two lanes, both north and south of Camelback Road. For some strange reason, there is a short portion of 68<sup>th</sup> Street between Indian School Road and Thomas Road in which the two lanes become 4 lanes. This short stretch of 4 lane road does not increase the traffic capacity of 68<sup>th</sup> Street. It is merely an aberration for a short distance. It definitely causes more problems than it solves. The bike lanes that exist in other portions of 68<sup>th</sup> Street do not exist in the stretch between Indian School and Thomas roads, creating a danger for bike riders, and discouraging the use of bikes in the area. The flow of traffic would be improved more by creating left and right turn opportunities that do not currently exist, instead of extra lanes of traffic that only exist for a short distance. It would also allow the trolleys to stop, allowing passengers to get on and off, without blocking a lane of traffic.

Anyone who is concerned about improving the current situation would quickly recognize the benefits of the plan. Certainly those of us who live in the area and travel on 68<sup>th</sup> Street do. I am informed that some persons in opposition to this plan have called it a "road diet". I don't know the genesis of this term, but it is a misnomer in this instance and doesn't apply to this effort to improve traffic in the area. If there were a realistic opportunity to make the majority of 68<sup>th</sup> Street into four lanes, one could argue that traffic movement could be improved. That, however, is not the case. This is an opportunity to solve existing problems and create a better environment for the area residents.

I urge you to prioritize this corridor and benefit the residents that live in the area and use 68<sup>th</sup> Street.

Thank you,

**Mark Winkleman**

Be. Dry careful what you do in reducing car lanes to add bike lanes. I lived in Brooklyn NY for almost 40 years. I lived very near a big beautiful park. The city in its drive to reduce cars and help the bikers reduced lanes around the park and added bike lanes. It caused massive traffic jams , horn honking , idling engines no more emissions. The bikers were really happy. As a pedestrian my life became much more dangerous. I was more likely to be hit by a biker than a car. Every crosswalk became a danger zone. Bikers were told they must yield to walkers. They almost never do. Ask the people Who run browns trail how dismissive of rules the bikers have become. Bikers go on almost any road they want and in any direction. They never stop for lights .....in az There seems to be a better compliance than in Brooklyn. I have lived in Scottsdale Since 2009. The traffic is up huge. Most roads are the same so getting around scottsdale feels more like living in NYC or Florida. Please be very careful ....

**Subject:** Proposed Road Diet at 68th St. between Scottsdale Road and Chapparal

**⚠ External Email: Please use caution if opening links or attachments!**

To the Scottsdale City Council and Mayor Ortega:

I have been a Scottsdale homeowner in the 85257 area for 30 years. I am writing to you about the proposed "Road Diet" (or "Complete" Streets or "Sustainability Plan" or whatever the current "spin" is on this particular proposal. The majority of residents in this area have no idea what is about to occur should this proposal pass tomorrow (on March 21, 2023).

South Scottsdale is/has been in a state of perpetual construction for the past several years. Just the construction stretch on Miller Road alone has taken over a year to complete!

The more than 10,000 apartments already approved by the previous City Council (but yet to be built) will make traffic in all areas of Scottsdale even worse over the next few years and will increase the need for more road capacity. The City should be spending our transit money to maintain and repair our deteriorating roads to improve traffic flow for our current residents, AS WELL AS adding traffic lanes to accommodate the new residents who will occupy all of the new apartments that will soon be built.

Please delay any decision concerning this important matter until the Scottsdale City Council:

- (1) sends a survey detailing the Council's proposal (with pros and cons) to every Scottsdale resident; OR
- (2) until the Council has more than a simple majority (only 4 out of 7 Council members); OR
- (3) best of all, simply vote "NO" on this proposal!!

**Subject:** Do Not Reduce Traffic Lanes

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Council,

I am writing to express my opposition to any plan or notion to reduce traffic lanes for any reason on the roads in Scottsdale. I am a resident of Scottsdale, currently living in Park Scottsdale.

Reducing lanes is dangerous because it increases drive time and therefore increases road rage.

Also, it does not encourage people to walk at all since Scottsdale for half the year is unwalkable because of the heat. As someone who cares about senior citizens this is I feel very discriminatory towards them. They will have to spend more on gas, plus time and it is simply too hot for them to be walking around in summer to do their errands.

Thank you,

Jeffrey Apodaca

**To:** Mayor David D. Ortega; City Council  
**Subject:** Lone Modification Road Diet

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor Ortega and City Council members,

As a resident of the Legend Trail community, I am writing to let you know that the Lone modification road diet that is planned for Legend Trail Parkway is a very bad idea. As a registered voter, I am against it for the following reasons.

At the present time, there is ample space for bikers and cars to share the road at the same time. There are even times when bikers use the entire right lane for riding as a group. They are using it as access to the mountain biking trails in the preserve. Legend Trail Parkway not only is used by Legend Trail residents but is also used by residents of Mirabel, Boulder Heights, Treviso, and Sierra Norte. These communities only access to their subdivisions is by way of Stagecoach (a two lane road with no signal at Pima) which is extremely congested or cutting through the Legend Trail community using Legend Trail Parkway to access Pima. It is a feeder into Westland which is the only way to get to Scottsdale Road and retail shopping.

What a waste of money it would be to tear up a roadway which is in good condition and built using taxpayer funds. Has anyone even bothered to have a community forum with people in the neighborhood? A study alone does not tell the whole picture of the situation.

Thank you in advance for your consideration of this matter.

Sincerely,

Shirley Kingsbaker

Some of us are aware that our opinions are irrelevant, but we have sooooo much fun expressing them.....

A recent newspaper article indicated that water availability could restrict future development in Arizona or should I say a lack of water. Yes, apparently a lack of water is a deal breaker for prospective residents. Just ask the folks in Rio Verde. Another looming issue is poor air quality, a situation made worse by traffic congestion caused by... Hmmmm. Don't help me. I've got this. Give me a minute. Oh yeah. Over development. A recent article also indicated that increasingly poor air quality will have an impact on growth in the area. Funny, but these are all the adverse consequences of dare I say it? Over development. Something to ponder. If our air quality deteriorates it will just encourage more Californians to move here. Smog makes them feel right at home you see,

Developers can heave a collective sigh of relief though. Why? Because the topic of this tirade is not a rant about the overabundance of luxury apartments and the overabundance of people who cannot afford them. Nope, not gonna mention it. Why? Well, I've mentioned it in other well worded missives to no avail. Unless you count the six affordable units that were bequeathed to the masses as part of a larger multifamily community. Six. Impressive. Love to see the length of the waiting list for those. Rather, I have decided to turn my attention to other issues facing Scottsdale. (Blame it on my short attention span) that are the consequences of well, over development.

Finding concrete solutions (sadly no shortage of concrete in the area) for various problems facing Scottsdale has proven elusive. Examples include a housing "shortage." Solution? Keep building housing that doesn't solve the housing problem. Homelessness. Solution? Turn it into a chess game. Move them around like pawns on a chess board. During special events like the Super bowl move them as far out of town as possible. If you can't see it, we don't have it. Out of your city and into any other city. Mesa will do. Yes, it's all one big game of Monopoly and speaking of Monopoly, have ya heard? There's a new version of Monopoly on the market. The Scottsdale edition. Lots of luxury properties to purchase or buy up entire communities and become a one-man vacation rental entrepreneur. Skip licensing and go straight to sex trafficking. Wink, wink. (Reference to Scottsdale incident) So, how do you lose the game? Draw the rent increase card and end up - on the street. No one will care except the cops who will ask you to move along. No worries. All is not lost. You can roll the dice and hope you get one of those six affordable units. The goal in this version of the game is to stay off the street and not out of jail unless...you are Gilbert Ortega. If you should end up on the street, you will have the opportunity to earn a get off the street card. A one-way pass to Mesa (or any other city other than Scottsdale) aboard light rail which doubles as a mobile home for the homeless. Scottsdaleopoly. Available at all luxury retailers near you or online at [www.Scottsdalewe'respecialyou'renot.com](http://www.Scottsdalewe'respecialyou'renot.com).

So, back to issues facing Scottsdale. I've had an epiphany regarding some issues facing Scottsdale. Epiphany. I've always loved that word. Impress your friends. Use it in a coherent sentence after a couple of cocktails. One of the issues I feel far differently about than I did a few years ago is transit, everyone's favorite political football. Increased traffic congestion coupled with poor air quality and something I like to refer to as DDB, deplorable driving behavior, makes transit a relevant topic for conversation once again. Unlike some of light rails vocal critics at the time, I actually used it to commute to the high-rise cement canyons of downtown Phoenix. Initially, I was encouraged by the introduction of light rail believing it was a much-needed transit option. Fast forward some ten years. I recently decided to give rail a try again due to a variety of factors including high gas prices, traffic and driving behavior that has caused me to ponder whether you even need to pass a driver's test in Arizona or simply demonstrate a command of expletives and inappropriate hand gestures. Most drivers also seem to suffer from an inability to use turn signals assuming the driver behind them is...psychic. Pedestrian? The sign says walk and you take it at its word. Fool. You are roadkill. Walk, don't walk. Makes no difference. You are - doomed. And to the gentleman in the BMW whose time was far more valuable than the elderly

gentleman who was attempting to cross a Scottsdale intersection several weeks ago (sign said walk), who you almost hit, karma dictates you are destined to end up as a hood ornament on my vehicle. There is a reason the Phoenix metro area recently landed on another list. One of the worst places for pedestrian fatalities. Commercial drivers have also commented on a lack of police presence on many valley roads which allows drivers to engage in DDB.

I thought light rail might be an alternative to filling up the tank and paying prices that force you to consider some unpalatable options. Carpooling with coworkers (shudder), gas siphoning. Remember those days? Asking for a friend. The light rail stations that were pristine and adorned with public art (my fav) a few years ago are now adorned with less artistic embellishments. One of the rail stations was located across from a high-rise apartment community with that concentration camp feel I so love. Cold, austere. I believe this is an example of what they refer to as transit-oriented development. Built up to the sidewalk so you get the full benefit of a constant stream of traffic, poor air quality and ... DDB. All this at your front doorstep. Setbacks are for sissies. The heat this creation generates in the summer would allow you to prepare a five-course meal on the sidewalk. Then there are the inadequate landscaping choices. Four trees that cast minimal shade but shed profusely. Wish I could have witnessed the developers' presentation for this project. Some smooth-talking John Berry clone who spouts the advantages of the project in a soothing monotone. "Yes, setbacks will provide a buffer to street traffic. Lush landscaping will create a screen .... blah, blah, blah. You seldom get what you are sold. Transit users will find that keeping an on-time schedule is not priority one for most forms of transit. This allows you plenty of time to gaze at the "scenery" that is common around many transit stations. Makes one ponder why anyone would want to live in close proximity to a rail station. Things (scenery) I witnessed while waiting for a train. The majesty of a drunken brawl between transit/homeless patrons, a heated debate over who stole my stuff peppered with inevitable expletives and....questionable grammar. . There is a sporadic security presence to break up informal "gatherings", check transit passes and remove unruly or nonpaying passengers.

When light rail was first introduced a few years ago, I read all the rabid criticisms of it. Vocal opponents of rail argued that there were superior transit options. My question then and now is what and... when? Seems now would be a great time to explore alternatives to address a growing traffic problem and a deterioration in air quality. With an influx in population, gas prices that are higher than they were several years ago and with more apartments on the horizon (and blocking the horizon) it is inevitable that traffic congestion will only get worse along with air quality and quality of life. You know. Those inconsequential things that made this a desirable place to live. As the area becomes flooded with cars rather than water it is long past time to consider solutions to the looming traffic nightmare. Instead, we seem to kick the can down an inadequate road. So, what solutions has Scottsdale considered? Widening appropriate streets? No. Rather, they are discussing reducing lanes and putting particular streets on a road "diet". I have a better idea. How about a luxury apartment diet? Tastes great, less filling. Expanding transit options? No. Scottsdale has never met a transit option they could tolerate. Trolley service has never been restored on the weekends even during tourist season with a variety of events and Spring training flooding downtown streets. Discouraging over development? The more the merrier seems to be the misguided plan. More parking availability in the downtown? Parking problem? What parking problem? Remember, the longer you are forced to sit in traffic the more gas you burn and at today's prices that is enough to purchase a dozen eggs. Almost. I've got it. The perfect solution to Scottsdale's traffic woes. Balloons. Suits Scottsdale's party image. Stay off the streets and up in the air. Hey, if they are good enough for China, aliens, whoever then why not Scottsdale? Of course, they seem to be moving targets. Not transit for the faint of heart but neither is most transit.

Never fear. Scottsdale has a plan. Make driving impossible. They hope traffic congestion will reach a point where cars will no longer be a feasible option and you will be forced to consider other alternatives that have received the cities blessing. Pedestrian friendly alternatives, walking, biking. Might cut down on foot traffic in the downtown during the warm summer months. Certain the merchants, struggling to survive in July, will welcome that. Yes, Arizona in July, a place Satan once visited during the summer (Annual Satanic conference) and was overheard muttering... 112 degrees? Oh Hell no.

Here's hoping this annoyed all the right people. Remember, when they want you to sit down and shut up be all the more determined to stand up and speak up.

Lisa Haskell

Mayor Ortega,

Please support the 68th Street and other road diets. Scottsdale has too many crowded, dangerous high speed roads. Providing a safe space for bicycles and pedestrians will reduce the number of cars on the road. Many people can't or don't want to drive their car everywhere.

Thank You,

## Comment

COMMENT

I support the modifications to 68th St between Thomas and Indian School. I and many of my co-workers commute by bike, transit, and car to get to our workplace at General Dynamics in Scottsdale, including along 68th St. I support making roads safe and accessible to all road users, no matter what transportation mode they use. These modifications will both increase road safety, and make that section uniform with all other sections of 68th St. There is no good reason for that one section of 68th St to be different. It is a lower volume street for car drivers, and that difference has made it unsafe for all road users for many years.

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mr Mayor:

Hello. My name is Michelle Bonura. I am a small business owner of BEG Bakery in Scottsdale. I know this communication is coming late in the game however we were NEVER notified in the two years we've been on property? We just became aware when our customers in the neighborhood were concerned for us and asked how they can stop this. My sister and I had always dreamed of someday opening a business to serve our family's recipes while serving our community and it finally has happened. We are in our 2nd year of operation and I am happy to say we are really gaining traction and starting to see all of our investment start to be successful.

My sister developed her love for baking with our grandmother. As a matter of fact our cinnamon rolls to this day are made with her original rolling pin! You see we love what we do and who we do it for. We also love serving our community.

I am writing you today to explain a much different side of your 68th St Bike Lane Proposal. This is one that turns our American dream into a personal nightmare. I would like to take a moment to explain our unique perspective on how this proposal will cost the city growing tax revenue, jobs and hurt tourism attraction. Here is our story and I hope it will make you reconsider the proposed plan for 68th Street. We know what we are talking about because this has happened to us before.

I met my husband Rich Bonura 23 yrs. ago while in the process of trying to purchase my first business. I was a single mom working a second job at a pizza place in Gilbert that I was looking to purchase. Rich would come in to eat and quite frankly stalk me into going on a date with him. While talking with him I learned he is a chef and has a passion for food. He worked to help me get that business and we fell in love, got married and blended a family since we each had a child from a previous relationship. We took a struggling business that was doing \$150K in sales a year to doing \$500K in the first year. Life was great! Living the dream! We got a new house, new car and did what successful people do. We started building a life. We were rolling into our second year with a staff of 32 people and a growing customer base. The wait to get a table on Fri. & Sat. was over an hour! Even I couldn't believe people would wait so long to eat. We had something we thought was very special.

In the early part of our second year in business, the City of Gilbert began a road construction project which severely limited access down our street. People avoided our area to avoid the construction and they found other places to eat. We went from \$50K a month in receipts down to \$6K. We had to lay off all of our employees. We went to city council meetings and explained our hardships to be told there wasn't anything that could be done to assist. That it would be over soon and things would return to normal.

We struggled for 4 months and we lost EVERYTHING. We lost our business, our home, our cars and everything we poured our heart and soul into. We were living in our accountants house with our two young children and had nothing but \$250K in debt.

Here we were newlyweds, parents to young children and just lost everything. We were starting in massive debt with no job and not much hope. My husband refused to claim bankruptcy despite the advice of his accountant, lawyer, pastor, friends and family. He said, "I took the money so I'm gonna make it right!" I watched him work for several years rebuilding our life while paying for our past. He gave up on the idea of doing another business in order to follow a steady paycheck and benefits. He worked to get us debt free, house paid off and have a retirement investment to thrive on. He travelled 12 days a month and missed a lot of the things parents miss in order to rebuild from an unforeseen catastrophe. He was a successful business man for 22 years in corporate America until becoming sick. In 2019 my husband developed an auto-immune disease. Within 6 months he was bed ridden, being fed on a tube and went from 200 lbs as a 6 ft man down to 141 lbs. He was fighting for his life. He had to go out on disability from his job of 13 years.

While struggling with health, no career aspirations other than to live and desperate for answers, he began researching what could help this auto-immune disease. He ultimately decided to try a vegan diet for 2-4 weeks because it has been know to reset the immune system. Since he was already sick and in bed, it made it easy to convert to a vegan lifestyle. My sister who knew Rich had a sweet tooth began baking him stuff that was vegan so he would heal and eat. Visiting friends would always rave about these baked goods and couldn't believe my sister had made them.

Within 4 weeks of going vegan my husband was vertical. Within 6 months his blood work returned to normal. Now he just needed to learn how to breath, walk and build stamina again. Being in bed for an extended period of time erodes these abilities we take for granted. It was at this point, my husband's employer decided it was cheaper to cut him loose with a settlement rather than keep him employed with a federally protected disability. They cut him a severance check and I watch him once again let go of a business he had help build from nothing. He took that money and began to build a new dream of a vegan bakery with me and my sister.

A little about myself is that I went into this business because I love to serve people. I have spent my last 20 years raising a family as well as fostering over 50 kids along the way. I have done outreach to anyone and everyone in need. I helped start up a thrift store that uses the profits to buy food for the elderly, veterans and others in need. I have set up community outreach projects that have helped thousands of people directly. I have worked with mayors and council members in Tempe, Mesa and Gilbert to secure housing, furnishings, food, clothes and financial assistance for people getting off the streets. I love to improve peoples lives with acts of kindness. I love helping a mother feel at ease when she is allowing her celiac child eat a cupcake for the first time! I love to see people getting some small part of their life back when they can eat something they have been denied based on diet.

My sister, Shawna, is my business partner and the other half of the heart of BEG Bakery. She has always been an amazing baker. She is talented and puts all of herself into her products. She and I decided to create this business for a couple of reasons. The first is we love to serve people and give them a hospitable experience. She shows love through food. Shawna's daughter, Sammy, is non-functioning autistic. We also started BEG for Sammy. We know that someday Sammy would be too much for Shawna to handle. We know that eventually someone will need to care for Sammy long term and good care costs money. Shawna wants to use her gifts and talents to insure the security of her child.

So that's a little about us. This is the reason for my communication. The proposed bike lane improvement to 68th St will in fact kill our business. We have first hand experience with this situation. We took an abandoned property here in Scottsdale on 68th St. that was in a significant state of disrepair in an area where even the police warned us that the area wasn't good and we planted a flag. We took a building that had several homeless people living on the balcony, there was drug/ alcohol paraphernalia littering the property and the lot was used as a trash dump. Scottsdale had this eye sore in a run down part of town for 16 years. So, we took our entire life savings and my husband took his severance pay to build BEG. He spent a year working on building and rehabbing the property. During Covid, we started up a woman owned business, redeveloped a run down building and invested our retirement to bet on us and the American dream.

We survived our first year but barely. In the months of June, July and August we saw a 67% drop in customers. We rely on tourism as well. Being rated as one of Scottsdale's best bakeries, with 230 five star reviews, has us on the map. It also is a tourism draw. You see, people who have celiac disease or have food allergies, might be here on vacation but their eating lifestyle is not. To be able to find places to eat so you are safe in is a far greater draw than a bike lane. When you visit a city you remember the vibe of the city, the cuisine and the culture. We have built a destination that has been visited by people from all over the world. Many saying they can't wait to come back. We know that 35% of our business is from people who

found us “driving by”. With 68th St. being a main traffic flow that connects into Tempe, any restriction of traffic will significantly erode these numbers. In our first year, we almost did not survive the summer. We had no historical data to consider and never expected a 67% drop off. In order to survive, we took out a mortgage on our house. We spent the past two years working 14 hours a day to make this work. This year, we have seen our business grow so much that we are in the process of developing additional concepts to roll out into Scottsdale to attract lifestyle eaters. We know that we cannot survive the construction of this bike lane and the drop in traffic. Voting to go through with this, is knowingly and willingly killing someone's dream. I would invite you to watch the movie Pursuit of Happiness. Consider you are placing obstacles that shouldn't be there for businesses trying to make it.

In closing, I would ask you to consider what is fundamentally important to the city. Do we want businesses that start up, thrive and attract other businesses? Do we want to create long term jobs for the people who live and work in the area? Do you want to be responsible for making a decision that will crush someone's future? Consider if you can that you work your whole life, come back from near death to swing for the fences only to have a single decision take all of that away from you? I do understand that progress does come and we do need to adapt. If you cannot kill the project could you delay it? We would need 48 months to raise capital, find location, build out and move. If ultimately you do not see the value in what I outlined, then we would ask for the time to pivot. I submit to you that If the backbone of America is small business, than a vote to approve this bike lane is a spineless move. You now know better, so I hope you will do better. Our life depends on it. Thank you for any consideration you can give our information. I would also invite you to come down and try our food to see what people from around the world rave about.

Be well.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

**⚠ External Email: Please use caution if opening links or attachments!**

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7l13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40
The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39
Papago Plaza	7115 E MCDOWELL RD	274
Scottsdale Entrada	6560 E MCDOWELL RD	735
Scottsdale Residences	6901 E MAIN ST	130
<b>Total Units</b>		<b>3811</b>
<b>Total Cars (based on 1.75/unit)</b>		<b>6669.25</b>

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless

said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...  
Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for bringin this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Council,

I totally concur with Gail Sikes additional comments to you. This does seem more authoritarian and bullying actually. I'm still working on getting over Tammy Caputi calling me an asshole without using my name totally taking my desire to make a difference saving water in our community out of context, and from what I understand, turning her back to people when she doesn't like the questions they ask her at one of her little coffee gatherings. Yes there are bicycle paths all over the place we have access to!

Do you really think taking lanes away causing gridlock, angry drivers idling and 115° temperatures is a good idea? Not one of you can tell me you haven't some had someone recentlt blare their horn at you because they don't like the land you're in, you're going to slow, they want you to leave tire tracks as soon as the light or they want you to turn into oncoming traffic.

Who exactly are these people who think this skinny diet is such a great idea? The temporary renters in the apartments on 68th St.? This is ridiculous. Give us a vote or better yet, scrap this plan all together!!

Thank you.

Regards,

Emily Austin

Hello City Council and Mayor,

I totally agree with Emily's letter below. I'm also a liberal, right up there with Bernie. But I cannot see why this is a liberal idea or a conservative one. Anyone who is proposing this is not liberal, is authoritarian, and definitely does not want to follow a democratic process.

The only thing where I differ with Emily (because I live in this area, so I know) are that **there are actually plenty of bike lanes connecting all over south Scottsdale**, including on 68th St. They are all along the canals and on most main roads. I'm totally in favor of bikes, and I love to see people out and enjoying themselves. I would just like the option to ride for fun vs being forced to ride one to get anywhere. Please give the option for **residents to decide** by first, sending out paper mail explaining what is being proposed, the reasons for it, and if the majority of people want this.

Thank you Kathy and Barry for responding to me and acknowledging my input. Why do none of the other council members answer and explain why they think this is a good idea? And why do they know more what's good for us than we do?

Gail Sikes

Dear Council,

It seems obvious to me that several of you think this idea of taking away car lanes making way for more bicycles that won't be using these lanes especially when it's hotter than hell, is part of a liberal agenda. As a liberal, it may seem hypocritical, but this isn't about politics. This is the fact that this is a bad idea for our city. We have a Greenbelt. Why don't any of you who are in support of more bikes answer me as to why we shouldn't widen the Greenbelt? We already have a way to get around on the Greenbelt away from cars.

You need to let us vote on it! I have not spoken to have not spoken to one person liberal or not who thinks this is a good idea!

Put it on the ballot. We're so tired of not being listened to.

It does give me great pleasure however to see all of the construction and road widening right in front of Tom Durham's massive house and pool. Karma at work.

Regards,

Emily Austin

**Subject:** FW: Is Your Local Road Too Fat?

**⚠ External Email: Please use caution if opening links or attachments!**

Dear City Council,

As a local resident of Hy-View, I am in favor of creating bike friendly lanes and sidewalks for 68<sup>th</sup> st.! I would argue that this street should be unincentivized as a thoroughfare for rush hour traffic and used primarily by local residents. Scottsdale Road can remain the primary north - south thoroughfare. I haven't personally experienced the traffic increases associated with the increase of apartments in the area and I regularly commute between Hy-View and Old Town where I office (on the Civic Park: which all the enhancements look beautiful, by the way).

I would continue to suggest to reduce paving as much as possible as well to curb heat island. Any opportunity to give back to the residents with streetscaping and pedestrian friendliness and not automobiles is a plus! My family, including pre-school age children, regularly bikes the area including the canal paths. Making the ride that much safer is certainly preferred. I'd love to see the same energy focused on minor east-west streets like Osborn and Oak that dedicate more to bikes and less to cars.

Thank you for your consideration.  
Brian

**Subject:** Is Your Local Road Too Fat?

Dear Friends:

At their March 21st meeting the City Council will consider putting a one-mile stretch of 68th Street from Indian School Road to Thomas Road on a "road diet." The project would reduce the four-lane roadway to two lanes and add bike lanes. And while next Tuesday's item will only apply to 68th Street, it will, if approved, set a precedent for eliminating car-lanes and narrowing roads across all of Scottsdale.

There are two reasons "road diets" are a bad idea in Scottsdale:

1. Ever since I was first elected to the City Council over two decades ago the #1 complaint of Scottsdale citizens has been clogged traffic. Scottsdale residents don't want less traffic-carrying capacity, they want *more!*
2. The more than 10,000 apartments *already approved by the previous City Council majority but yet to be built* will make traffic in Scottsdale even worse over the next few years and will increase the need for more road capacity.

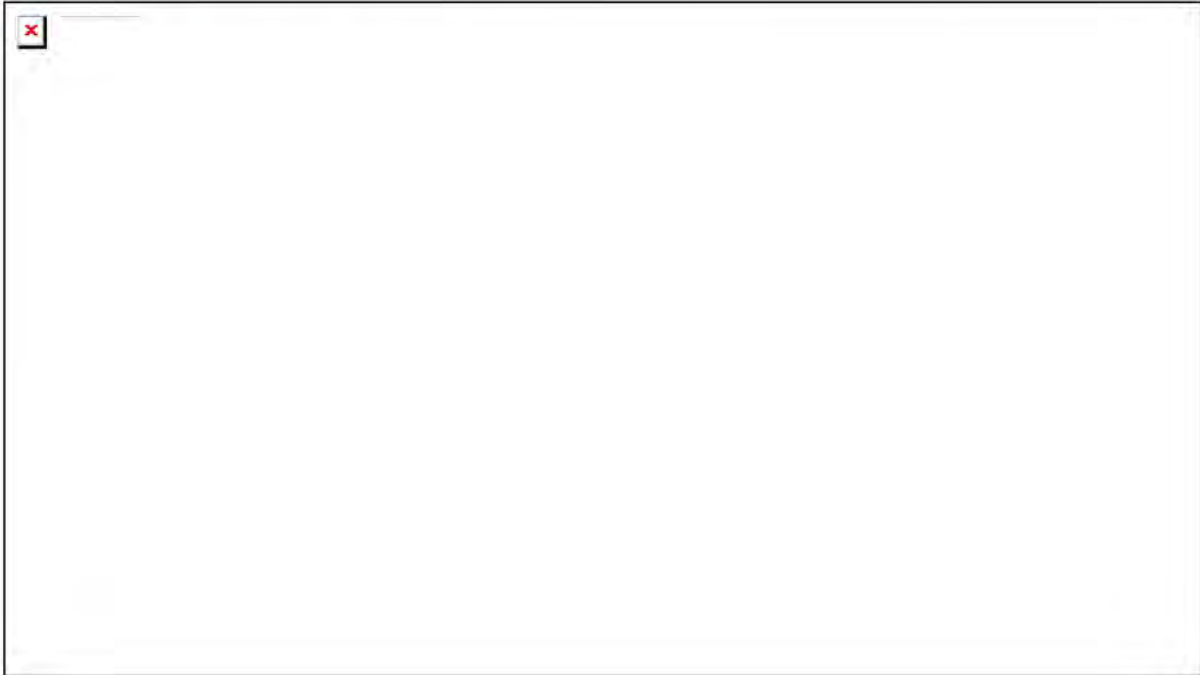

Bottom line, the City should be spending our transit money to maintain and repair our deteriorating roads to improve traffic flow for our current residents, as well as, adding traffic lanes to accommodate the new residents who will occupy all of the new apartments that will soon be built.

The proponents of "road diets" at City Hall are trying to sell this as a pro-bicycle and pedestrian plan, but in reality, it is an anti-automobile plan. It is purposefully designed to make driving in Scottsdale more difficult and unpleasant -- not as a side-effect but as a means of achieving their ultimate goal of forcing you out of your car. "Road diets" are a plan driven by ideology, not by practicality, and are **directly opposite of what the vast majority of Scottsdale residents want.**

If you agree road diets are a bad idea for Scottsdale, please contact the Mayor and Councilmembers at [CityCouncil@scottsdaleaz.gov](mailto:CityCouncil@scottsdaleaz.gov) to encourage them to put a stake through the heart of "road diets" and do what their constituents want, which is make it *easier* to drive around Scottsdale, not more difficult.

Bob Littlefield

**Subject:** RE: 68th Street Lane Reduction: The Big Lie

**⚠ External Email: Please use caution if opening links or attachments!**

The Big Lie: 'Everyone in the Neighborhood Supports this Project'.

Really?

**Rachel Sirett** · 50 minutes ago

I live on 68th street and this project is absolutely NOT needed! We need the additional traffic lane, especially with more residential properties and apartments beginning construction.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7l13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

Director of Sales & Creative Development

Owner/Architecture Specialist

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the "public" bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

Dear Council members and Mayor Ortega,

Bad idea I have written before but I hope you know that this was done in Waverly Iowa and it ruined small businesses and caused a nightmare for emergency responders. Lots of money spent for a nightmare. Vote NO.

Thank you,  
Diane Gray

**Subject:** Road Diet

**⚠ External Email: Please use caution if opening links or attachments!**

Hello City Council,

Please stop the road diet plans! Don't we have better things to spend money on? As an almost senior I see the issues with this plan. It makes the streets quite a bit more dangerous for the people who obey the law. If you think the tons of impatient drivers in expensive cars will not use that expanded bike lane to go around someone going too slow, you are wrong! We have had a ton of people move here after 2016. Remember Covid? The so-called study is always way too outdated to have any positive bearing on the road diet plan.

Furthermore, these plans are drawn up by people who do not drive these roads. If they drove these roads they would not even suggest this crazy plan. The only 2 ways out of my subdivision are Redfield and Thunderbird! It affects every single time I get behind the wheel! I never would have bought my house in this area had I known. I moved here for my health and this is just one more thing to make this a more stressful place to live.

I also take 96th to the area South of Shea. I hate driving the area North of Shea as it feels like a narrow obstacle course with the non sloping curves. It is hard to see with some of the foliage and curves created by landscaping. Also, drivers do not stop at the stop signs and pull out in front of you. Do not do this to the area South of Shea. I feel like I can see where I am going and can anticipate what some of the crazy drivers will do. It will make a visible area not very visible. What you see as landscaping I see as reducing visibility and safety. Driving is about seeing the road and staying safe. Stop this road diet now!

Sincerely,

Julia M Pitula  
Resident of Scottsdale

⚠ External Email: Please use caution if opening links or attachments!

Our wonderful City of Scottsdale does not need Road Diets. Many of us are senior citizens, we will not be riding our bikes & taking long walks. Please keep our streets safe for cars. Thank you, Joan Levin Sacks, Scottsdale

**Subject:** Gail Sikes and I are riding in the same lane.

**⚠ External Email: Please use caution if opening links or attachments!**

I fixed my typos. I'm sure I still missed a few!

Dear Council,

I totally concur with Gail Sikes additional comments to you. This does seem more authoritarian and bullying actually. I'm still working on getting over Tammy Caputi calling me an asshole without using my name totally taking my desire to make a difference saving water in our community out of context, and from what I understand, turning her back to people when she doesn't like the questions they ask her at one of her little coffee gatherings. Yes there are bicycle paths all over the place we have access to!

Do you really think taking lanes away causing gridlock, angry drivers idling and 115° temperatures is a good idea? Not one of you can tell me you haven't some had someone recently blare their horn at you because they don't like the lane you're in, you're going too slow, they want you to leave tire tracks as soon as the light turns green or they want you to turn into oncoming traffic.

Who exactly are these people who think this skinny diet is such a great idea? The temporary renters in the apartments on 68th St.? This is ridiculous. Give us a vote or better yet, scrap this plan all together!!

Thank you.

Emily Austin

Hello City Council and Mayor,

I totally agree with Emily's letter below. I'm also a liberal, right up there with Bernie. But I cannot see why this is a liberal idea or a conservative one. Anyone who is proposing this is not liberal, is authoritarian, and definitely does not want to follow a democratic process.

The only thing where I differ with Emily (because I live in this area, so I know) are that **there are actually plenty of bike lanes connecting all over south Scottsdale**, including on 68th St. They are all along the canals and on most main roads. I'm totally in favor of bikes, and I love to see people out and enjoying themselves. I would just like the option to ride for fun vs being forced to ride one to get anywhere. Please give the option for **residents to decide** by first, sending out paper mail explaining what is being proposed, the reasons for it, and if the majority of people want this.

Thank you Kathy and Barry for responding to me and acknowledging my input. Why do none of the other council members answer and explain why they think this is a good idea? And why do they know more what's good for us than we do?

Gail Sikes

**Subject:** Partisanship

Dear Council,

It seems obvious to me that several of you think this idea of taking away car lanes making way for more bicycles that won't be using these lanes especially when it's hotter than hell, is part of a liberal agenda. As a liberal, it may seem hypocritical, but this isn't about politics. This is the fact that this is a bad idea for our city. We have a Greenbelt. Why don't any of you who are in support of more bikes answer me as to why we shouldn't widen the Greenbelt? We already have a way to get around on the Greenbelt away from cars.

You need to let us vote on it! I have not spoken to have not spoken to one person liberal or not who thinks this is a good idea!

Put it on the ballot. We're so tired of not being listened to.

It does give me great pleasure however to see all of the construction and road widening right in front of Tom Durham's massive house and pool. Karma at work.

Regards,

Emily Austin

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING VIDEO:** <https://www.youtube.com/watch?v=QgHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

Please watch this video: <https://www.youtube.com/watch?v=Pc7l13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54

Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40
The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39
Papago Plaza	7115 E MCDOWELL RD	274
Scottsdale Entrada	6560 E MCDOWELL RD	735

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the "public" bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**Subject:** Road Diet 68th Street

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Scottsdale City Council,

I do not live in Scottsdale but frequent small businesses and Old Town every week. This issue of narrowing 68th Street will destroy small businesses that I frequent often.

Will the Scottsdale City Council now have the reputation of destroying small business because of ideology and the destruction promoted by Agenda 2030.

There is also an issue with West World where outside contracts for events and ended through contracts with one vendor. I attended the rodeo this year and the food offerings were terrible and not the usual local vendors. Is this another centralized control issue from the City of Scottsdale again promoting corporations that destroy small business?

Those of us who do not live there but spend the majority of our money in Scottsdale need to think differently because what happens in Scottsdale is reflected elsewhere. Then there is the tourist industry.

A concerned citizen,

Sue Thomas  
Phoenix, Arizona

**To:** Mayor David D. Ortega; City Council  
**Subject:** 68th St. "diet plan"

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor Ortega and City Council members,

My name is Paulette Wiley and I have been a resident of South Scottsdale since 1977.

I live between 68th St. and 64th St. just off of Osborn. I use 68th St. to travel north and south mostly every day. I've been doing this for many years due to the horrific traffic on Scottsdale Rd. especially in the winter months and during Spring training. When they decided to expand the lanes from Indian School to Thomas, I thought it was a wonderful decision because of the old town traffic and apartments traffic in the area.

The growth of the valley has unfortunately put a strain on the resources the desert can supply. Why is this never looked at when approving more housing? Do you actually think making bike and sidewalks along 68th St. will help? No it will not. It will only cause more congestion and affect air quality.

I understand some of the councils fantasy to make old town a biking and walking area but, it is a fantasy. .

Much of the population going into the area are older people going to medical appointments and older Winter visitors. They will be walking or riding their bikes to these appointments.

I highly doubt these young people on bikes or walking will be going into an art studio and purchasing a \$5,000 dollar art piece. Your fantasy will affect all the businesses in Old Town. Shame on you.

You need to take responsibility of the huge population you've brought into this area with high story condos and apartments by making the streets more accessible not narrowing them.

Laura Norton Schwartz who lives north of Indian School Rd. complaining at the March 29th 2022 city council meeting about no sidewalks on 68th st and feeling quote "trapped" She said that her and her husband have been wanting sidewalks since the day they moved in. Instead of wanting the city to make provisions for her, maybe she should have thought about this before buying a house in that location.

Your idea about old town is a fantasy.

Please do not pass this ridiculous plan.

Sincerely,  
Paulette Wiley

**Subject:** 68th St Lane Reduction - March 21 Council Meeting

**⚠ External Email: Please use caution if opening links or attachments!**

Do NOT vote to reduce traffic lanes on 68<sup>th</sup> St.... or any other city street.

You need to concentrate more on repairing and expanding the roads we have. This isn't an urban environment like New York or Chicago. Mass transit and walking/biking may seem like the hot new thing but it doesn't work here. We all enjoy walking and riding bikes as we are able both from a physical and practical standpoint. But get real. This is a large city and a larger metropolitan area. Traffic is already bad. Why make it worse?!

Scrap the road diets and get busy addressing real problems. Your "urban zones" and approving so many new apartments are a joke. They aren't the answer and are only going to add to the traffic issues. And those apartments aren't going to be "affordable housing". Someone sold you a bill of goods. Not everyone works remotely and most of us plan our business appointments/errands geographically. Help us out. Don't make life harder.

⚠ External Email: Please use caution if opening links or attachments!

To Whom It May Concern:

I heard that you are seeking input re: reducing automobile lanes to allow for more bike lanes. Please do not do this! We are increasing traffic by how many times with all of the new multi family housing units and then decreasing the traffic flow on roads that are already overloaded. This is a horrible idea. Please do not even consider it. Bike paths are fine, but get them off the roads where they share the same space as vehicles. Create wider sidewalks like the Greenbelt. I'm asking you to forget about this idea and find a different solution.

Thank you.

Susan

**Subject:** 68th st bike lanes project

**⚠ External Email: Please use caution if opening links or attachments!**

dear mayor and city council members,

whether you call it a road diet, a complete street or 68th street bike lanes, it is a disastrous idea for all of us who drive cars.

68th street is a main artery connecting scottsdale and tempe. it is not a neighborhood street, it is a main thoroughfare that many of us use regularly.

your vote affects our established way of life. we have come to depend on 68th st and hayden road for efficient N/S movement.

we are not giving up our cars in spite of how much you restrict lanes. it will only serve to anger drivers and most likely affect your ability to be reelected. voters don't forget when their freedoms are removed.

most of us never use the buses esp. in the brutally hot summer months.

1.6 million for a 1 mile stretch of road is ludicrous especially when many of our streets are in terrible shape. the funds available should be spent on repairing existing street deterioration, not a fantasy idea that won't work.

implementing this plan on other main thoroughfares will not accomplish getting more cars off the road. it will just infuriate us.

getting around scottsdale currently is a nightmare as we consistently run into closed streets and already narrowed lanes.

we have miles of outstanding greenbelt bike paths which should be used by bikers.

emergency vehicles will have a much greater challenge with narrowed lanes. we will end up with diminished safety.

where do you plan to put all the cars that will be generated by the residents of the, yet to be built, 10,000 apartment units already in the pipeline?

why are you being influenced by a special interest lobby group instead of your own constituents? aren't you supposed to advocate for

the comfort, safety and well being of scottsdale citizens???

i think a plan this huge, that will impact all scottsdale resident drivers should be put on the ballot and not left up to 4 city council members. that is not our democratic system.

PLEASE VOTE NO ON THIS PROPOSED PLAN AND GIVE ALL SCOTTSDALE RESIDENTS THE CHANCE TO WEIGH IN IN NOVEMBER.

**Subject:** 68 St./ Road Diets

**⚠ External Email: Please use caution if opening links or attachments!**

Dear City Council and Mayor Ortega,

My wife and I are writing to you about the proposed Road Diet on 68<sup>th</sup> St and why it is such a bad idea for the residents living in this area.

1. The proposed Road Diet plan sets a bad precedent. We feel sure that this is just the start of cutting out car lanes all over south Scottsdale, and probably working further north.
2. 68<sup>th</sup> St is a street that is heavily used as an alternate for using Scottsdale Rd. Scottsdale Rd, between Thomas and Chaparral, is an area of high traffic most of the time and especially during rush hour. Most people who live in this area know to avoid that stretch of road unless there is no other way to get to where they are going. We need as many roads as possible for alternates to Scottsdale Rd.
3. South Scottsdale is/has been in a state of perpetual construction for the past several years, and it looks like that will continue for the next decade or so. Just that roundabout at Osborn and Miller continues to make one have to detour at least a mile or more to get to the doctors' office building at that intersection. People living nearby, have been unable to enjoy their backyards for 4 years plus due to Entrada construction, and I don't think they are going to finish that any time soon. The traffic is so much worse in south Scottsdale, and drivers seem more and more anxious as indicated by increased tail gaiting, honking and flipping each other off.
4. Police and fire department will have a much more difficult time of answering emergencies in the area.
5. Seniors (over half the population) will have a whole new set of problems. Our choices of getting groceries will be: to sit for long periods in the car lanes, taking a bike in 110 degree weather and trying to tie the groceries on the back of the bike; use an Uber; order online and hope that they pick out good produce. Another problem will be getting to doctor and medical appointments. Basically, this plan will eventually keep seniors stuck in our houses more.

6. This whole thing is not a democratic process. It is Authoritarian. The majority of residents have no idea what is about to hit them. We have spoken to many people who have not even heard of this and think that I must be wrong. Why can't you at least reach out to residents and hear our opinions, ***all of us***. You should send a paper survey to every resident and explain this process, the reasons for it, and if they agree with this plan.

Overall, this whole plan reeks of Big Brother forcing a whole new way of life upon us with no concern for our feelings and needs. Please vote 'no' on this proposal.

We vote in every election cycle and we don't forget who voted for what bills / actions taken in Scottsdale.

Thank you,  
Mr. and Mrs. Bruce / Paula Linker

68th Street Capital Improvement Project - Input

March 20, 2023

Dana Riggall  
4525 N. 66<sup>th</sup> Street #125  
Scottsdale, Arizona 85251

Scottsdale City Council  
3939 N. Drinkwater Blvd  
Scottsdale, Arizona 85251

Dear Scottsdale City Council Members,

My name is Dana Riggall and I reside at the Casa Del Monte community located at the corner of 66<sup>th</sup> Street and Camelback Road. I urgently write you to respectfully ask that you vote **"NO"** to the 68th Street Capital Improvement Project.

I never received communication from the City of Scottsdale about this proposed project that will impact my commute to work in Tempe. I was shocked to hear by word-of-mouth that this type of project would be considered for 68<sup>th</sup> Street as it's the most accessible route to Tempe. This is also the most accessible route to my place of employment that provides me the income to dine and shop in Scottsdale as well as pay my taxes.

I believe that every heart intentioned citizen wants less air pollution, healthier citizens/neighbors and the many benefits that derive from less cars and more bike use. However, as someone who is physically active, regularly hikes Camelback and utilizes our canal system for running, I would never ride my bike to and from work in Tempe.

Narrowing 68<sup>th</sup> Street to include a bike lane will not reduce car traffic but rather overcrowd the street and create frustration for the citizens of Scottsdale. The next alternative for myself, and likely others, will be 64<sup>th</sup> Street. Spending money to construct bike lanes on 68<sup>th</sup> Street only to create an issue on 64<sup>th</sup> Street makes no financial sense. Furthermore, if I wanted to ride my bike to Tempe I would take the already established Hayden bike trail system from Scottsdale to Tempe to avoid the danger of being hit by a car which we hear about on the news too often.

There are many areas of Scottsdale that are in need of safe sidewalks and that is where tax dollars should be spent. We already have an amazing bike path to Tempe and our tax dollars should be spent on a project that makes sense to all, instead of the few. I kindly ask that you listen to the Scottsdale residents, including myself, that oppose this project and please vote **"NO"**.

Sincerely,

Dana S. Riggall

**Attachments:** Bikeways Map.png

**⚠ External Email: Please use caution if opening links or attachments!**

Dan,

After doing extension research on the 68th St bike lanes project, I found 3 other streets that are planned for road diets, within that area.

Thomas Road, removal of the 1 east bound lane from 56 th St. to 73rd St.

Goldwater Blvd. and Drinkwater remove 1 southbound lane.

There is a plan to add bike lanes on 70th St., so why would there be a need for bike lanes on 68th also.

When was the last time traffic counts were done on these streets? Do you have counts from 2022?

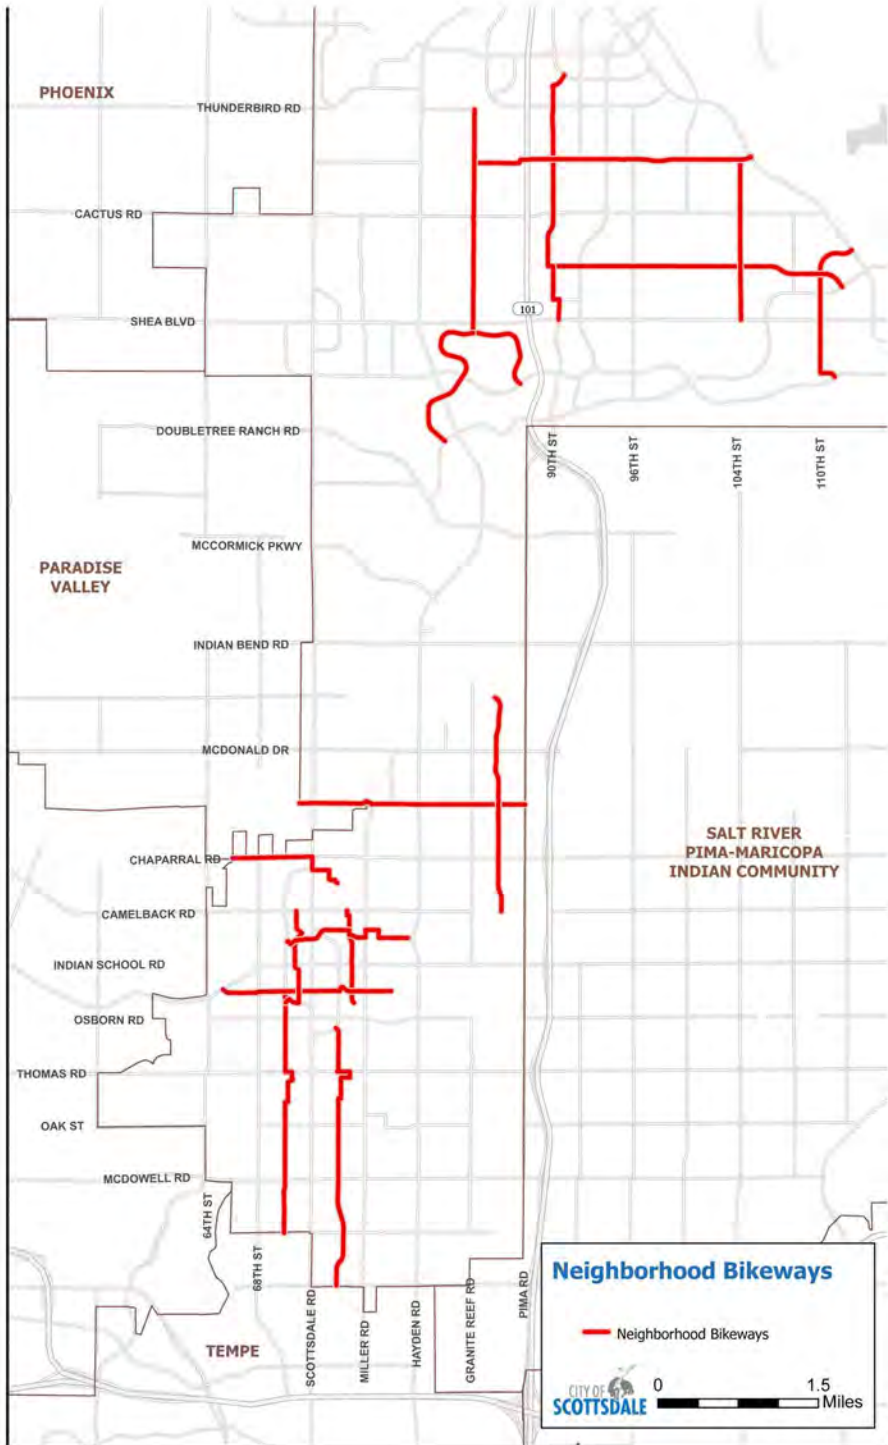

With over 4000 new apartment units approved, but not yet built, it is hard to understand how you could be narrowing any roads.

I have lived in the Shea corridor since 2000, and I have never seen so much traffic along Shea.

It is often bumper to bumper from the 101 freeway east to 96th St. Even your own traffic analysis concedes that Shea is "at or over capacity". But I don't see any plans to widen any roads here.

The City must stop making decisions based on old data and start planning for the future.

**⚠ External Email: Please use caution if opening links or attachments!**

I think it is best that you vote No on this proposal and look for alternatives to extend the bike lanes. Today that portion of 68th St, might be under utilized, but when the approved apartments are built, we will have more clogged roads. We must look at the future traffic that will be caused by what's been approved.

Thank You

**To:** City Council  
**Subject:** No Road Diets, Including on 68th Street

**⚠ External Email: Please use caution if opening links or attachments!**

Council Members:

I am strongly opposed to "Road Diets" in Scottsdale. These are being pushed by leftists who want to do away with automobiles as part of the green new deal. We do not need to narrow the roads in Scottsdale to make room for bicycles, when the City already has numerous, ubiquitous bike lanes. Narrowing roads while at the same time promoting the construction of dense, multi-unit housing, borders on insanity. More people, more cars, and narrower roads is a recipe for disaster, and financially irresponsible.

Vote against the 68th Street Road Diet!

**⚠ External Email: Please use caution if opening links or attachments!**

As I follow the information I can find about this proposed "Road Diet" I can find no logical or technical information justifying any consideration of increasing traffic density anywhere.

I am a technical individual who has spent a lifetime responding to logic, reason, and good information to make critical and costly decisions. I read only vague opinions, statements defying observable information, and a general kind of an attitude that somehow cars are categorically bad.

Any individual who grew up just after WWII will fill you in about the feeling of freedom for any young person who made the grade and got their driver's license. It was a "rite of passage" into freedom.

We now have east west streets in Scottsdale quite often reaching Grid Lock between some intersections and the north south traffic has begun to be the stop and go experienced in very large eastern cities. This is all a contribution to a deteriorating quality of life.

I have lived in Scottsdale since 1966 and had periods of deep sorrow for the loss of easy transportation an open living that made this city so desirable. I believe you are at least a generation too soon to drive those of us who are older from our automobiles and force us to walk. We live in this city to avoid the suffocation of a big city apartment environment and your efforts to drive us into stacked boxes and never seeing the open sky will be resisted in whatever ways the opinions of we serfs in your kingdom can be expressed.

**Subject:** 68th Street striping project

**⚠ External Email: Please use caution if opening links or attachments!**

To the members of Scottsdale City Council:

Thank you in advance for continuing to focus on the multitude of needs the 68th Street region is facing. The safety of our residents and those traveling on 68th Street should continue to be a priority. The current proposed re-striping South of Indian School Road is another positive step. I have lived just East of 68th Street for 16 years and have witnessed first hand the increase in traffic and related dangers. I have witnessed accidents and injuries. My comfort walking along 68th Street south to the canal areas has decreased considerably after experiencing the impacts from heavy traffic and abusive drivers. The number of vehicles exceeding the speed limit or often for fun driving close to a pedestrian or bicyclist has grown exponentially. I have had items tossed at me, verbal abuse, the quick swerving towards my direction "for fun and entertainment", honking, etc. As you now consider this first step of improving the traffic flow and safety South of Indian School, please recognize this is a positive step towards the safety of all who utilize this street either as a driver, bicyclist, or pedestrian. I look forward to your continued efforts as you begin to address the needs of 68th Street north of Indian School Road.

Thank you in advance,  
Carole McManus

City Council members---

Please look at all the facts before you vote.

The 68<sup>th</sup> Street Neighborhood DOSE NOT supports this lane reduction project which effectively removes 2 traffic lanes between Indian School & Thomas Rd.

please know all the facts and watch this:

<https://www.youtube.com/watch?v=QgHBC-aU8bc>

Please do not pass this plan--it will hurt Scottsdale---

**Subject:** 68th Street & Road Diets - Send to Voters to Decide

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor Ortega and Scottsdale City Council Members,

As you are to vote today on the 68th Street Road Diet proposal, we ask that you suspend your vote and instead send this important city-changing decision to Scottsdale Voters to decide as a referendum.

In case none of you have noticed, our automobile traffic in Scottsdale has been increasing and with over 10,000 MORE apartments approved and yet-to-be-built, that's at least another 10,000 cars that will be coming to drive on our roads in the near future. We need to be maintaining and improving the quality of our roads for our increased vehicular traffic, not reducing the space for automotive vehicles. There is nothing more frustrating for Scottsdale residents and visitors than to be stuck sitting in heavy traffic when trying to get around our great city. Making our city anti-automobile is not practical here and is not what our residents want.

Personally, we are in favor of bike lanes and pedestrian traffic in our city, however, these improvements MUST NOT come at the expense of reducing vehicular traffic on our streets.

We know it is winter and perhaps some of you have forgotten how HOT our desert summers can be. How many of you spend the months of May-October in our 100-115 degree days either walking on foot or riding your bikes to/from work, the grocery store, or just to do your daily errands? Probably not even one of you. If this was Boston, or perhaps San Diego, perhaps narrower streets and more bike lanes might make some sense; however, this is Scottsdale, in the Sonoran Desert, and no one in their right mind can utilize bikes and pedestrian traffic as a sole means of transportation year-round. Reducing vehicular traffic lanes is an absurd proposal when our city is growing and traffic is already terrible.

If you are so vehement that this road diet project is a good idea for Scottsdale, then please send it to the voters to decide, instead of voting on this yourselves.

Sincerely,  
Dr. & Mrs. Lex Beres

To the members of the City Council,

As of this morning 624 people in Scottsdale have signed this petition AGAINST the 68<sup>th</sup> Street Road Diet, that is in addition to the numerous people against it that have e-mailed and written to you.

### Stop 68th street Bike Lane Project>

624 have signed. Let's get to 1,000!

Use form...

Watch form...

Thanks to you, we've reached the petition goal. It's official or we're not! We only need 176 more signatures to reach the next goal. Can you help?

Take the next step!

still blocked started this petition

We, the undersigned residents & local businesses, petition the Scottsdale City Council to NOT APPROVE the Council Agenda Item for 68th St. - Indian School Rd to Thomas Rd Capital Improvement Project for the following reasons:

This project will increase the traffic on 68th street, but will instead create more congestion, making it more challenging to travel to various locations including residential areas and local businesses. Lengthy road & sidewalk construction will make drivers avoid 68th & surrounding streets, and will add pressure for small family-owned and operated businesses that rely on early traffic on this street for their livelihood. This will also result in killing jobs, hurting small businesses, decreasing sales tax revenue that fund vital services.

As this project is intended to restrict the flow of traffic on 68th Street, it will cut off traffic flow vital to local businesses, and will restrict a long used

Please vote NO.

Thank you,

Thomas Kube

**Subject:** 68th St. "road Diet" NO

**⚠ External Email: Please use caution if opening links or attachments!**

Dear Mayor Ortega and Council:

This is the most boneheaded idea i've heard since you proposed putting in all those apartment buildings in the 68th St/McDowell/Camelback corridor~

i live in a 1958 block home just west of 68th St, on Vernon. Now, in addition to low water pressure and increased traffic due to the massive number of new residents in my immediate neighborhood, you want to make it even harder for me to exit my street onto 68th st?

we have perfectly good bike lanes here... and no need for traffic to back up even more.

in the 1 mile stretch for which this is proposed, many people turn to head into Old Town~ 2 lanes there works nicely.

please stop destroying my historic neighborhood, in which I've lived for almost 40 years. if you want to increase density and cause traffic jams, please do it in the neighborhoods where YOU live... if it works for you, then maybe we can talk about it.

thank you~

Marie-Elizabeth Finamore

**Subject:** Scottsdale Road Diet

⚠ External Email: Please use caution if opening links or attachments!

Dear Scottsdale City Council:

Upon reviewing the upcoming plan to institute a 'road diet' I am compelled to compose and send my grievances about this plan.

Has city council requested and prepared a comprehensive and conclusive traffic report that would indicate the current load of vehicles traversing this section of road? Additionally, has the data been extrapolated to include the projected new traffic inclusive of the large amount of new residents that would be occupying the to-be-built condominiums in Scottsdale?

I am an avid runner, walker and advocate for lowering the national obesity rate. That being said, this force-placed plan to up-end traffic in a large metro area is a bad one. This is rooted in ideology and emotion, without taking into account the facts and data. Forcing handicapped/elderly/families onto bicycles or city transportation is in direct opposition of personal freedom and choice.

City Council, please vote no on this measure.

Kind regards,

Lynn Flatt  
Scottsdale Resident

**⚠ External Email: Please use caution if opening links or attachments!**

Do you people lay awake at night dreaming of "stupid human tricks?" This road construction project (68th st) is not well planned, well thought out, and with that as background one can only surmise why the road diets, the roundabouts, and other construction turn into the projects from hell. Do you not listen to the people who live there..who shop there..who simply "drive there." I refer most recently to the 68th Street road diet..The BEG Bakery will certainly be one that is impacted by the 68th st. project..and as I understand it...who are the people "clammoring" for this project...especially when you have a shop keeper who was never asked nor informed.

As for the bike lanes...and this comes from an experience of a bicyclist's mother. My daughter is a rider..she has ridden across 3 European countries, has participated in Pelatons in Colorado and OH and rides daily with an established group of riders. She was also hit by a car in December 2021 but luckily survived. The driver was at fault making a wide turn, trying to beat a red light. This is offered as I have an interest in both riders and drivers. That said. I am still going to fault the city for so called "improvements" in roadway construction. Bikers can go up North (which is where my daughter's group rides)..or they ride to Fountain Hills and back..So far no one has suggested redoing SHEA with islands or putting Shea on a diet..and that is perhaps one of the busiest roads in this area.

How about instead...just reiterating that bicyclists have the right of way..that drivers need to be reminded TO LOOK before turning..and Drivers should be aware that when there is junk on the roads....the junk tends to navigate to the sides..where the cyclists are riding...SO MOVE OVER. How simple is that. No expense needed..Just common sense reminders. Maybe the auto shops could hand out "reminders" to drivers...license bureaus the same...There will never be a complete peaceful co existence but maybe we can make it safer. Stupid human tricks will always come into play, but hopefully NOT from the city council.

If you (council) can't get one project finished, why start another. If there are cost overruns to the point of a significant portion of the original cost....something is WRONG. Don't play into the hands of asphalt "layers". I am thinking Scottsdale is becoming the poster child for illogical planning...a tourist town...but LA traffic...unfriendly to pedestrians and bicyclists..what next..a NO PEOPLE ZONE...

**To:** Karen O'Dowd <kodowd@associatedasset.com>  
**Subject:** RE: Scottsdale Lane Modification "Road Diet"

Tried to respond to the Mayor's office but didn't work.

Please pass on the following:

The idea to damage travel from 4 lanes to 2 is about the dumbest idea yet by Scottsdale. You just don't want to pay to construct bike lanes off the existing roadways. The Bike lane in upper Scottsdale road (2 lanes) is extremely dangerous for bikers. From Dynamite toward the 101, the 4 lanes are full on a daily basis and any biker is in danger of an accident due to the amount of traffic TODAY.

A qualified traffic engineer will show how dangerous it is if not compromised by City Officials.

Build your bike lanes in the unimproved Right of Way. It is safer and more enjoyable for the biker.

Roger Stalick

**Subject:** Scottsdale Lane Modification "Road Diet"

### **Legend Trail Residents,**

If you are not aware, the City of Scottsdale is considering reducing the number of lanes on numerous streets throughout Scottsdale. One of the streets that is planned for reduction is Legend Trail Parkway, reducing it from 4 lanes to 2 lanes. The video link below describes the initiative, called "Lane Modification." Also below is an opinion letter written by former Scottsdale Council member, Bob Littlefield. The premise for the reduction is to increase bicycle and pedestrian access on the targeted streets.

If you want to share your opinion on this plan there is a link in Bob Littlefield's letter to

Scottsdale council members.

<https://youtu.be/VkQABuFypO8>

Dear Friends:

At their March 21st meeting the City Council will consider putting a one-mile stretch of 68th Street from Indian School Road to Thomas Road on a "road diet." The project would reduce the four-lane roadway to two lanes and add bike lanes. And while next Tuesday's item will only apply to 68th Street, it will, if approved, set a precedent for eliminating car-lanes and narrowing roads across all of Scottsdale.

There are two reasons "road diets" are a bad idea in Scottsdale:

1. Ever since I was first elected to the City Council over two decades ago the #1 complaint of Scottsdale citizens has been clogged traffic. Scottsdale residents don't want less traffic-carrying capacity, they want **more!**
2. The more than 10,000 apartments **already approved by the previous City Council majority but yet to be built** will make traffic in Scottsdale even worse over the next few years and will increase the need for more road capacity.

Bottom line, the City should be spending our transit money to maintain and repair our deteriorating roads to improve traffic flow for our current residents, as well as, adding traffic lanes to accommodate the new residents who will occupy all of the new apartments that will soon be built.

The proponents of "road diets" at City Hall are trying to sell this as a pro-bicycle and pedestrian plan, but in reality, it is an anti-automobile plan. It is purposefully designed to make driving in Scottsdale more difficult and unpleasant -- not as a side-effect but as a means of achieving their ultimate goal of forcing you out of your car. "Road diets" are a plan driven by ideology, not by practicality, and are **directly opposite of what the vast majority of Scottsdale residents want.**

Check out this video for more details about "road diets" and how they would lower your quality of life: [Road Diet For 68th Street](#).

If you agree road diets are a bad idea for Scottsdale, please contact the Mayor and Councilmembers at [citycouncil@scottsdaleaz.gov](mailto:citycouncil@scottsdaleaz.gov) to encourage them to put a stake through the heart of "road diets" and do what their constituents want, which is make it **easier** to drive around Scottsdale, not more difficult.

Bob Littlefield

**Subject:** Adopt Resolution No. 12733: 68th Street – Indian School Road to Thomas Road Construction Bid

**⚠ External Email: Please use caution if opening links or attachments!**

Honorable members of the Council:

I urge you to support Resolution No. 12733 and the effort to continue making Scottsdale streets safer for pedestrian and bicycle travel by adding dedicated travel spaces. As a nearly 20-year resident of Scottsdale, I have seen the local population grow considerably over the years as people discover our vibrant downtown area and the broader South Scottsdale region. To be sure, such growth translates to more cars and traffic. But the remedy (or better, perhaps, salve) is not to increase road width to accommodate more motor vehicles, but is rather to restrict road width by adding bike lanes and expanded walkways to encourage local travel via more environmentally friendly modes.

While some of my fellow residents continue to be mired in the muck of old thinking, catering more to modes of transportation that do not further our impact on climate change is clearly the only path forward. After all, widening roads and eagerly accommodating motor vehicle travel is, in part, how we got ourselves (e.g. humankind) into this dilemma in the first place.

Again, please adopt Resolution No. 12733 and show your continued and very much appreciated support for safer, cleaner local transportation.

Thank you,

Brian Anderson

**⚠ External Email: Please use caution if opening links or attachments!**

Dear City Council,

**Here is another Road Diet (aka Complete Streets) SUCCESS**

**STORY:** <https://www.youtube.com/watch?v=JrHlr4SwUf0>

This recently happened in a NJ town where I had my art gallery for 25 years, before I moved to Scottsdale.

The \$8.2 M Complete Streets Project drove many merchants out of business and made it very difficult to navigate downtown.

And at the end, based on intense local opposition and Voter BACKLASH, the City decided to reconfigure the street.

Let's not repeat the mistakes of other cities in Scottsdale. We have much more pressing issues at hand.

Bob

Hello!

It has been recently brought to my attention that there is a meeting tonight to decide if 68th street should undergo construction to decrease vehicle lanes and create more bike lanes. I as a small business owner of Let's Lash was unaware of this change, no one has reached out to discuss or communicate these arrangements. As a small business that just endured and overcome Covid, this is suicide for us all over again. This should have been brought to our attention way before today, so we would be able to get out of leases if we choose to.

Please postponed the plans, at least for 3 to 5 years so we are able to get out of our leases without having penalties.

Sincerely,

Athena Pauly

I as a small business owner of Let's Lash was unaware of this change, no one has reached out to discuss or communicate these arrangements. As a small business that just endured and overcome Covid, this is suicide for us all over again. This should have been brought to our attention way before today, so we would be able to get out of leases if we choose to.

Please postponed the plans, at least for 3 to 5 years so we are able to get out of our leases without having penalties.

Sincerely,

Athena Pauly  
Let's Lash

**⚠ External Email: Please use caution if opening links or attachments!**

To whom it main concern,

We have not been made aware of any project / bike lane that will close down streets around us. We would like to be included on any future communications. Please advise as I understand there is a meeting this evening and the developer said he has made everyone aware, that is just not the case.

**Subject:** RE: Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

Tom – 80%-90% of Scottsdale voters are against the Road Diet concept. Why don't you vote to put 'Road Diets' on the Ballot for the Scottsdale Voters to decide?

You ran to be the voice of the residents.

Bob

PS: 68<sup>th</sup> Street is NOT a neighborhood street. It connects Scottsdale to Tempe. So, this item shouldn't even be decided by the neighbors.

**Subject:** Re: Real Neighborhood Outreach on 68th Street?

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING VIDEO:** <https://www.youtube.com/watch?v=QgHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7l13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent

adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to **'Road Diet' is 68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for bringin this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**⚠ External Email: Please use caution if opening links or attachments!**

Tom,

I would love to see a copy of those post cards, exactly how they were worded, etc. You can't possibly believe that the majority, if any, of the residents want what this proposal is about as well as the future ramifications of such a project. Actually, any residents who know you and have followed you while in office have a huge trust issue with you. Please don't pretend that you care about the residents. We know that you don't.

Gail Sikes

Subject: Re: Real Neighborhood Outreach on 68th Street?

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING VIDEO:** <https://www.youtube.com/watch?v=QqHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...  
Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent

adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for bringing this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the "public" bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**Subject:** RE: Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

Thomas

Our business is very closed to 68<sup>th</sup> Street and Thomas and we never received a postcard? If 5000 were sent we would think that we would have received one? As well as all the galleries on Main Street since the road closures affect our businesses?

**Subject:** Re: Real Neighborhood Outreach on 68th Street?

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING**

**VIDEO:** <https://www.youtube.com/watch?v=QgHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7l13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532

L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for bringing this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**Subject:** Road Diet for 68th Street

**⚠ External Email: Please use caution if opening links or attachments!**

I own a property owner on 68<sup>th</sup> Street and I am very upset you are even suggesting the Road Diet plan for that area. I don't think you want a fight on our hands from the property owners and I don't wish to fight you. It is strongly requested that you change your thinking considering that area.

Thank you,

Charlotte Pierce

**Subject:** Re: Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

Hey Tom, The Southwest Neighborhood Assoc.(located on 64th st). has nothing to do with the 68th St Businesses. I don't care if every last one of them loves this ridiculous project. Are they so clueless that they don't realize the traffic calming project on 68th St. would result in more traffic on 64th St?

After canvassing 20 different businesses on 68th St., we found that NONE of them knew about the road narrowing project.

Why didn't the City notify the businesses?

Because the City knew they would be adamantly against it.

Susan Wood

Protect Scottsdale.com

Subject: RE: Real Neighborhood Outreach on 68th Street?

Tom – 80%-90% of Scottsdale voters are against the Road Diet concept. Why don't you vote to put 'Road Diets' on the Ballot for the Scottsdale Voters to decide?

You ran to be the voice of the residents.

Bob

PS: 68<sup>th</sup> Street is NOT a neighborhood street. It connects Scottsdale to Tempe. So, this item shouldn't even be decided by the neighbors.

**Subject:** Re: Real Neighborhood Outreach on 68th Street?

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING VIDEO:** <https://www.youtube.com/watch?v=QqHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40
The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39
Papago Plaza	7115 E MCDOWELL RD	274
Scottsdale Entrada	6560 E MCDOWELL RD	735
Scottsdale Residences	6901 E MAIN ST	130
<b>Total Units</b>		<b>3811</b>
<b>Total Cars (based on 1.75/unit)</b>		<b>6669.25</b>

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...  
Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent

home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**⚠ External Email: Please use caution if opening links or attachments!**

**Tom – This was how you campaigned to win, and that’s why I, along with many others worked very hard to get you elected.**

**How many hundreds of emails have you received against this project, and many from the folks to supported you. You should be so obviously against this, it’s not even funny.**

## SCOTTSDALE

I am humbled and honored by the confidence that Scottsdale voters have placed in me by electing me to the City Council. I hope I live up to your high expectations. I could not have won this election without the help of dozens of volunteers who collected signatures last winter and spring, spread the word on social media, distributed literature, encouraged me along the way, and donated generously to my campaign.

Special thanks are due to my Campaign Director Nadeen Hathaway, who led the way in strategic planning and social media, and Andrea Keck, who constantly provided good advice.

And of course, special thanks are due to Betty Janik. It has been a pleasure to share this journey with her. I have never done anything like this before, so I ask for your prayers and assistance as I take on the job of City Council Member.

I intend to be a servant of the Scottsdale citizens and to translate their hopes for the future of Scottsdale into action to improve and preserve the wonderful city we call home.

Until I have an official City Hall email, you can always reach me through my campaign website.

**Subject:** Re: Real Neighborhood Outreach on 68th Street?

Tom,

I would love to see a copy of those post cards, exactly how they were worded, etc. You can't possibly believe that the majority, if any, of the residents want what this proposal is about as well as the future ramifications of such a project. Actually, any residents who know you and have followed you while in office have a huge trust issue with you. Please don't pretend that you care about the residents. We know that you don't.

Gail Sikes

Subject: Re: Real Neighborhood Outreach on 68th Street?

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING**

**VIDEO:** <https://www.youtube.com/watch?v=QqHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40
The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39
Papago Plaza	7115 E MCDOWELL RD	274
Scottsdale Entrada	6560 E MCDOWELL RD	735
Scottsdale Residences	6901 E MAIN ST	130
<b>Total Units</b>		<b>3811</b>
<b>Total Cars (based on 1.75/unit)</b>		<b>6669.25</b>

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for bringin this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the "public" bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

Tom,

I would love to see a copy of those post cards, exactly how they were worded, etc. You can't possibly believe that the majority, if any, of the residents want what this proposal is about as well as the future ramifications of such a project. Actually, any residents who know you and have followed you while in office have a huge trust issue with you. Please don't pretend that you care about the residents. We know that you don't.

Subject: Re: Real Neighborhood Outreach on 68th Street?

Hey Tom, The Southwest Neighborhood Assoc.(located on 64th st). has nothing to do with the 68th St Businesses. I don't care if every last one of them loves this ridiculous project. Are they so clueless that they don't realize the traffic calming project on 68th St. would result in more traffic on 64th St?

After canvassing 20 different businesses on 68th St., we found that NONE of them knew about the road narrowing project.

Why didn't the City notify the businesses?

Because the City knew they would be adamantly against it.

Susan Wood  
Protect Scottsdale.com

Subject: RE: Real Neighborhood Outreach on 68th Street?

Tom – 80%-90% of Scottsdale voters are against the Road Diet concept. Why don't you vote to put 'Road Diets' on the Ballot for the Scottsdale Voters to decide?

You ran to be the voice of the residents.

Bob

PS: 68<sup>th</sup> Street is NOT a neighborhood street. It connects Scottsdale to Tempe. So, this item shouldn't even be decided by the neighbors.

**Subject:** Re: Real Neighborhood Outreach on 68th Street?

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING**

**VIDEO:** <https://www.youtube.com/watch?v=QqHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40
The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39
Papago Plaza	7115 E MCDOWELL RD	274
Scottsdale Entrada	6560 E MCDOWELL RD	735
Scottsdale Residences	6901 E MAIN ST	130
	<b>Total Units</b>	<b>3811</b>
	<b>Total Cars (based on 1.75/unit)</b>	<b>6669.25</b>

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...  
Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**Subject:** RE: Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

I am not sure that it is a fair assessment to designate South Scottsdale in a economic class and North Scottsdale in another.

However, when the city staff wants to take traffic lanes away from South Scottsdale while at the same time spending millions adding lanes of traffic to North Scottsdale I cannot help but see discrimination on an economic level.

Take away from the South and give to the North!!!!

If you really think that people want less lanes of traffic to get around the city, then the best thing that City Council would put it to a vote and let the citizen decide. Let the citizens decide their own fate and not people who are not affected by the road diet.

Heck the city can't even put in a simple roundabout on schedule and with in budget. To spend money on Road Diets is fiscally irresponsible at a minimum. Especially since all other projects are now going to cost double what they were when budgeted.

French Thompson

**Subject:** RE: Real Neighborhood Outreach on 68th Street?

Tom – 80%-90% of Scottsdale voters are against the Road Diet concept. Why don't you vote to put 'Road Diets' on the Ballot for the Scottsdale Voters to decide?

You ran to be the voice of the residents.

Bob

PS: 68<sup>th</sup> Street is NOT a neighborhood street. It connects Scottsdale to Tempe. So, this item shouldn't even be decided by the neighbors.

**Subject:** Re: Real Neighborhood Outreach on 68th Street?

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING**

**VIDEO:** <https://www.youtube.com/watch?v=QqHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

On Mar 20, 2023, at 1:59 PM, Bob Pejman <[bobpejman@gmail.com](mailto:bobpejman@gmail.com)> wrote:

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7l13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148

Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40
The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is 68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her

messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**Subject:** Vote Yes on Making the Southern Part of 68th Safe Pedestrians, disabled and Bikers

**⚠ External Email: Please use caution if opening links or attachments!**

I support turning the southern part of 68th into a safe corridor so that southern Scottsdale residents will have the same protection as northern Scottsdale citizens, especially for those with disabilities.

Please vote YES, a NO vote puts all those with disabilities at risk and undermines the public safety of all on the street. Residents of both North and South Scottsdale should have ADA compliant sidewalks and bike lanes. Residents in the South deserve the same as the North.

I ride a 100 miles a week on my bicycle all over Scottsdale and have noticed this disparity between the North and the South for safe road access.

**Sent:** Tuesday, March 21, 2023 2:46 PM  
**To:** City Council  
**Subject:** 68th Street Bike Lanes - STOP!

⚠ External Email: Please use caution if opening links or attachments!

To whom it may concern,

I am a resident on 68th St. and Thomas. I own property which I've lived in for three years now I just recently heard about the proposed changes to 68th St., adding a bike lane. I am extremely against these changes and I'm in shock that the city wants to spend 1.3 million on this. I take great pride and who I vote for in the politicians I've elected and I feel severely let down by my elected officials.

The community does not need bike lanes. The road is extremely frequent dead by motor vehicles, and reducing to two lanes would cause extreme congestion. I've also research the 10 new apartments proposed for a building which I've been preapproved. This will add even more congestion to the streets and reducing down to two lanes with more people just doesn't make sense.

We live in a climate where it is above 90° five months out of the year living on 68th St. I have seen very few bike riders on 68th street. Definitely not enough to create bike lanes for them when they have bike lanes 3 blocks down the street on the canal. In addition, there are multiple bike paths connecting Scottsdale in Tempe.

I am extremely disappointed in this proposal, I have discussed with multiple small businesses and neighbors, who were unaware of this project, and do not approve of this project. Creating one years worth of construction, disrupting small businesses, reducing the amount of space for highly traveled roads is going to make residents lives miserable.

I do not want my taxpayer dollars going to a project that is going to negatively impact my day-to-day life and others including shutting down the small businesses which have significantly improved our community. 68th St. was once a place for drug addicts, and homeless people. With the launch of many new small businesses on 68th St., the street is finally thriving and bringing in the right crowds. Pursuing this project would end the livelihood of small businesses, making transportation for residents near impossible and create a negative environment bringing back the change, we've worked so hard for.

As a property owner on 68th St., I kindly ask you to reconsider this project as it will only negatively impact our community.

Best,  
Rachel Sirett

**Subject:** Re: Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

Pardon my intrusion. While going door to door to all of the businesses one of them saved it. It is a white post card that looks like every other piece of junk mail. If I could make a simple suggestion to have road initiatives taken seriously by operators working 15 hours a day to run businesses, it would be to make future communication card orange construction cone shape! With a WARNING THIS MAY IMPACT YOU! If you truly want a dialogue with community then awareness is where ALL of your initiatives start. This card is a little lack luster for the impact it will be making to the constituency. I'd also be curious to know why out of 25 businesses I visited on 68th st and the galleries on Thomas only 2 received this communication despite this being ground zero for this initiative?

Thank you  
Rich Bonura

Thomas

Our business is very closed to 68<sup>th</sup> Street and Thomas and we never received a postcard? If 5000 were sent we would think that we would have received one? As well as all the galleries on Main Street since the road closures affect our businesses?

**Subject:** Re: Real Neighborhood Outreach on 68th Street?

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood

Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING VIDEO:** <https://www.youtube.com/watch?v=QqHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77

Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40
The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39
Papago Plaza	7115 E MCDOWELL RD	274
Scottsdale Entrada	6560 E MCDOWELL RD	735
Scottsdale Residences	6901 E MAIN ST	130
<b>Total Units</b>		<b>3811</b>
<b>Total Cars (based on 1.75/unit)</b>		<b>6669.25</b>

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not “too good” to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for bringing this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

Funny, Tom, I've never heard of, "Southwest Neighborhood Association."

Can you provide me with contact info for that organization?

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

Subject: Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING VIDEO:** <https://www.youtube.com/watch?v=QgHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

Please watch this video: <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40
The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39
Papago Plaza	7115 E MCDOWELL RD	274
Scottsdale Entrada	6560 E MCDOWELL RD	735
Scottsdale Residences	6901 E MAIN ST	130
	<b>Total Units</b>	<b>3811</b>
	<b>Total Cars (based on 1.75/unit)</b>	<b>6669.25</b>

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from

the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not “too good” to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

## Scott Jarson

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there

again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**To:** City Council  
**Subject:** 68th Street Bike Lanes - STOP! (Revised)

⚠ External Email: Please use caution if opening links or attachments!

To whom it may concern,

I am a resident on 68th St. and Thomas. I own property which I've lived in for three years now I just recently heard about the proposed changes to 68th St., adding a bike lane. I am extremely against these changes and I'm in shock that the city wants to spend 1.3 million on this. I take great pride in the politicians I've elected and I feel severely let down by my elected officials.

The community does not need bike lanes. The road is extremely frequented by motor vehicles, and reducing to two lanes would cause extreme congestion. I've also researched the 10 new apartments to be built in Scottsdale which will only further congestion. Reducing down to two lanes with more people just doesn't make sense.

We live in a climate where it is above 90° five months out of the year. Living on 68th St. I have seen very few bike riders. Definitely not enough to create bike lanes for them when they have bike lanes 3 blocks down the street on the canal. In addition, there are multiple bike paths connecting Scottsdale in Tempe.

I am extremely disappointed in this proposal, I have discussed with multiple small businesses and neighbors, who were unaware of this project, and do not approve of this project. Creating one years worth of construction, disrupting small businesses, reducing the amount of space for highly traveled roads is going to make residents lives miserable.

I do not want my taxpayer dollars going to a project that is going to negatively impact my day-to-day life and others including shutting down the small businesses which have significantly improved our community. 68th St. was once a place for drug addicts, and homeless people. With the launch of many new small businesses on 68th St., the street is finally thriving and bringing in the right crowds. Pursuing this project would end the livelihood of small businesses, making transportation for residents near impossible and create a negative environment bringing back the change, we've worked so hard for.

As a property owner on 68th St., I kindly ask you to reconsider this project as it will only negatively impact our community.

Best,  
Rachel Sirett

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING VIDEO:** <https://www.youtube.com/watch?v=QgHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

Please watch this video: <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512
The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40
The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39
Papago Plaza	7115 E MCDOWELL RD	274
Scottsdale Entrada	6560 E MCDOWELL RD	735
Scottsdale Residences	6901 E MAIN ST	130
<b>Total Units</b>		<b>3811</b>
<b>Total Cars (based on 1.75/unit)</b>		<b>6669.25</b>

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to '**Road Diet**' is **68<sup>th</sup> Street between Indian School & Thomas Road**, where **4 lanes are proposed to be reduced to 2 lanes**.

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for bringing this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

<[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the "public" bus stop at Indian School Road and Main

Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

Funny, Tom, I've never heard of, "Southwest Neighborhood Association."

Can you provide me with contact info for that organization?

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING VIDEO:** <https://www.youtube.com/watch?v=QgHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

**Please watch this video:** <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King

Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

Jacque

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last Tuesday: <https://www.youtube.com/watch?v=LFx84QIwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use

of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for bringing this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

**Subject:** 2 Petitions sheets submitted for agenda item 19 68th st

⚠ External Email: Please use caution if opening links or attachments!

Hello  
 Please include the 2 petition sheets representing 22 businesses in the councils packets for this item.

We, the undersigned residents & local businesses, petition the Scottsdale City Council to NOT APPROVE the Council Agenda Item for '68<sup>th</sup> Street - Indian School Rd to Thomas Rd Capital Improvement Plan capital project' for the following reasons:

- We were never contacted by the city to gather our INPUT for this project. We only found out about the project through signing this petition. City of Scottsdale needs to do proper outreach to the residents and businesses in the neighborhood when contemplating a significant project like this.
- This project will not decrease traffic on 68th street, but will instead create more congestion, making it more challenging to travel to various locations including residential areas and local businesses. Lengthy road & sidewalk construction will make drivers avoid 68th & surrounding streets, and will kill revenue for small family owned and operated businesses that rely on easy traffic on this street for their livelihood. This will also result in killing jobs, hurting small businesses, decreasing tax revenue that fund vital city services.
- As this project is intended to restrict the flow of traffic on 68<sup>th</sup> Street, it will cut off traffic flow vital to local businesses, and will restrict a long used corridor that connects into Tempe for drivers avoiding the traffic created in and around Old Town. This vital roadway is used by about 8000 cars a day. As a result of this project, some of this traffic will be forced into other streets, and will put more pressure on Scottsdale Road & 64<sup>th</sup> St. It will also cause cars to use nearby local neighbor streets, increasing vehicular traffic for people who have enjoyed limited traffic in their quiet streets. The City of Scottsdale has approved 10 new apartment communities which will only increase vehicle traffic in the future, all while reducing lanes of vital roadways. Lessening traffic lanes on 68<sup>th</sup> St will also cause risks for emergency responders since a 2 lane disablements will reduce access.

ladies and gentlemen,

I would like an explanation as to why Legend Trail Parkway is being tampered with in the name of improving the climate for bicyclists? We currently have adequate bike lanes and our safety record with four lanes is unmatched. Is there some hidden agenda having to do with the Road Diet program? Keep in mind that our population is expanding and we should be looking ahead to the need to expanding our roadways for safety sake not narrowing them.

As a 20 year resident of Legand Trail I am concerned that this is an obvious waste of money and a detriment to our safety.

Michael Stephenson

**Subject:** RE: Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

But it's good enough to give credibility to the statement *'Everyone in the Neighborhood Supports it'*. Right?

A petition was just delivered to the City Clerk signed by 22 local businesses on 68<sup>th</sup> Street. It's top paragraph reads: **"We were never contacted by the city to gather INPUT for this project"**

**Subject:** Re: Real Neighborhood Outreach on 68th Street?

Funny, Tom, I've never heard of, "Southwest Neighborhood Association."

Can you provide me with contact info for that organization?

On Tue, Mar 21, 2023 at 1:00 PM Durham, Thomas <[TDurham@scottsdaleaz.gov](mailto:TDurham@scottsdaleaz.gov)> wrote:

Bob, the City sent out over 5,000 postcards. Obviously, it is impossible to reach every single person who will potentially be affected by a project. But the City did work closely with the Southwest Neighborhood Association, which represents residents west of 68th Street and they enthusiastically support the project.

**Subject:** Real Neighborhood Outreach on 68th Street?

**⚠ External Email: Please use caution if opening links or attachments!**

The FOUNDATION of the argument for approving the 68<sup>th</sup> Street Lane Reduction Project is: *Everyone in the Neighborhood is Requesting it.*

That makes you wonder how the city knows that?

Obviously NOT everyone was reached out to by the City. **WATCH THIS REVEALING VIDEO:** <https://www.youtube.com/watch?v=QgHBC-aU8bc>

This makes you wonder who the city really reached out to in the neighborhood, if they didn't include a local business that is located right ON 68<sup>th</sup> Street.

**Subject:** Re: 68th Street Lane Reduction: The Big Lie

Bob, does this actually surprise you, or anyone familiar with City/Staff? The word "Outreach" apparently is a mythical word. It is used by the powers that be to quiet those truly concerned with issues plaguing Scottsdale residents & businesses, but never actually practiced. It is used in Scottsdale Government in the same context as Unicorns & Leprechauns.

The Big Lie: Everyone in the neighborhood is asking for this... they are practically begging for it.

I just stopped by a local business on 68<sup>th</sup> street between Thomas & Osborn. The owner didn't even know about the proposed project until yesterday. Not only that. He is 100% opposed to it.

Were the other businesses that are on 68 reached out to? Or was the support for this project cherry picked the way support for the Apartment project are cherry picked?

**Subject:** RE: Road Diets Coming to your dense (and getting denser) neighborhood

I think that spending **1.5 Million Dollars** on a one mile stretch of road to put in wider bike lanes is financially irresponsible.

There already are bicycle lanes on that one mile of roadway. What ever happened to the sidewalks of the mile section of 68<sup>th</sup> Street between Camelback and Indian School. That is needed more than removing perfectly good automobile road lanes to only widening existing bike lanes.

I believe that this is discrimination, to take away auto lanes from the Scottsdale citizens who live in the South part of Scottsdale while adding auto lanes for those citizens living in North Scottsdale.

And this is being brought to you by the people who cannot even make a simple roundabout at Miller and Osborn with out major cost over runs and major time delays.

Not sure I trust this department to spend the taxpayers money wisely.

French Thompson

**Subject:** Road Diets Coming to your dense (and getting denser) neighborhood

Please watch this video: <https://www.youtube.com/watch?v=Pc7I13-U1N8>

What a great idea! Let's narrow roads by removing traffic lanes in the already densest zip code in Scottsdale (85251), which is about to get even much denser.

**Next Tuesday, Council will be voting on removing 2 traffic lanes on 68<sup>th</sup> street between Indian School & Thomas Rd. And this is only the beginning of the Road Diet Agenda.**

Hey - why not? We only have thousands of more apartment units coming to the area. So why not make the driver miserable by not widening roads, but instead narrowing them.

Here is a partial snapshot of the new apartment buildings in Old Town and South Scottsdale that have not been built yet, and whose increased traffic effect we have not experienced yet.

Think about the added 6000+ cars that would be added to the traffic in this area:

Artisan Scottsdale	SWC Marshall & Indian School	83
Canalside (Magnolia Waterside)	6824 E INDIAN SCHOOL RD	54
Greenbelt 88	SWC Osborn & Hayden	228
Hazel & Azure - Camelback (Blue Sky)	4605 N SCOTTSDALE RD	532
L'Esperance	NWC Earl & Scottsdale Rd	77
Museum Square (Phase I & II)	Arts District	346
Scottsdale 3200 North	3202 N SCOTTSDALE RD	135
Scottsdale Collection	SEC Camelback & Scottsdale Rd	512

The Miller	7570 E 6TH AVE	148
Winery Residences	6961 E 1ST ST	31
Southdale	7000 E MCDOWELL RD	267
The Goldwater	7000 E 4TH ST	40
The Kimsey (Triangle)	7110 E INDIAN SCHOOL RD	180
75 on 2nd	7502 E 2ND ST	39

**Subject:** Re: Homeless problem

Ditto French, Legacy congratulations to your very successful event and thank you for bringing traffic and notability to the Arts on Main Street in Scottsdale! Ditto to the city of Scottsdale needing to get priorities straight with our homeless issue amongst a list of other issues being ignored.

**Subject:** RE: Homeless problem

Congrats Legacy Gallery!

Let's keep the good news flowing about the Arts so that the City recognizes our importance to the downtown and addresses the issues that all of us keep bringing up for consideration.

**Subject:** RE: Homeless problem

Congratulations to Legacy Gallery for their weekend show for the artist Mark Maggiori and their total sales of over \$3 millions dollars.

The arts are still in demand and there are lots of people who are willing to travel to Scottsdale to purchase their art.

Please click and view <https://www.facebook.com/legacygalleryart>

Yes, we do have a homeless problem that needs to be addressed to keep our city a desirable destination for our art collectors and all the other visitors we get year around.

There seems to be money that the city wants to spend narrowing existing lanes of traffic in South Scottsdale while adding lanes in North Scottsdale. Maybe they could use some of those funds to house the homeless.

French Thompson

**Subject:** RE: Homeless problem

Sidebar on French's comment:

And the word gets out quickly about more congestion and no parking (we already have that reputation), so it further decreases the number of folks willing to come to Old Town.

I do so wish everyone realized that the 'gem' they have in Old Town brings people here, and they will spend money everywhere. I have people tell me they come to the art district and Old Town right from the airport—that is how much they love art and more. If Old Town doesn't exist, the draw to Scottsdale lessens. They might as well stay in Glendale or Phoenix! Sad...

Some forget that in 2014 MSN in the UK published the top 10 best things in the world, and our Scottsdale ArtWalk/Old Town made the top 10 best cultural strolls IN THE WORLD—and we were the ONLY ones that made that list in the USA. Yep—not even NYC or Santa Fe! Just saying...lest we forget...don't believe me, check the AZ Republic archives.

As for the homeless, I thought we were better than this. Scottsdale is not "too good" to have a shelter, are they? There must be land/buildings for housing...but then the homeless don't have much money, huh? Now that is really sad. (John had to wash human excrement off the bench in front of King Gallery—gag! And that's not his job!) Is the federal or state rule/law that a city can't move the homeless unless said city has a place/shelter to move them to? Not sure I have that right...but still, seems like we need some resources for them if housing and food and all are out of their reach—maybe some of those roadway funds could build a shelter? Anyway, thanks for these phone numbers.

Hang in there, kids...

**Subject:** RE: Homeless problem

Hello Everyone,

Yesterday I took a drive up to North Scottsdale as far as Dynamite and witnessed all the construction to create more lanes of roadway to decrease congestion in the North part of Scottsdale while at the same time it is being discussed by the City to reduce traffic lanes in South Scottsdale.

I can see the headline. City increases (adds) road lanes for Lexus, Mercedes, BMW's, and Tesla's while reducing (removing) road lanes for Ford, Chevys, Hondas, and Toyotas.

The densest populated part of the city will have less lanes of traffic increasing congestion, pollution, aggravation, and accidents while the north which has much less density has millions of tax dollars spent adding lanes to their roadways allowing them less congestion, smoother sailing and less aggravation while driving.

That sounds quite a bit like discrimination to me.

I honestly do not have a solution for the homeless problem but on this issue above I just want to say don't break what is working just to make work and spend money.

French

**Subject:** RE: Homeless problem

While the city appears to have no plans of dealing the issue of this email chain, it has plans to remove lanes from our roads to make room for Bike Lanes.

Here is a VIDEO of two Public Comments on this topic last

Tuesday: <https://www.youtube.com/watch?v=LFx84QlwcZs>

Note that the council directed staff to remove references to 'Road Diet' from it's **Sustainability Plan** last Tuesday night. However, the Road Diet Plan (aka as 'Complete Streets') remains in our **Transportation Action Plan**.

The next street to be subject to 'Road Diet' is **68<sup>th</sup> Street between Indian School & Thomas Road, where 4 lanes are proposed to be reduced to 2 lanes.**

This item will go before the council on March 21<sup>st</sup>.

**Subject:** RE: Homeless problem

Hi all –

Happy Wednesday. Scott Burdick here from Wiseman & Gale... I too am deeply concerned about the growing homelessness in Scottsdale.

Here are three telephone numbers. I'd urge you to use them.

Sue Oh – assistant director of human services for the city of Scottsdale. 480 312 0053. Sue heads the team charged with homeless outreach and dispatches resources. Call her please. Leave her messages. I've found her to be responsive and trying, with her limited resources. Specific daily concerns are a helpful guide for her, I believe.

Greg Bestgen – is the director of human services. His number is 480 312 0109. Call him. Leave him a message, with specific issues as they arise...

Mayor David Ortega – his office number 480 312 2433. Leave him a message with your concerns. Homelessness has to be a higher priority. Allocate resources, increase budgets, and utilize best practices from other cities experiencing similar issue. We are not unique.

Thank you, enjoy this incredible weather, and have an awesome day!

Scott

**Subject:** RE: Homeless problem

This is the answer that I received from City Staff.....

Ms. Larsen, court decisions by the 9th Circuit Court of Appeals have severely limited the City's ability to deal with homeless persons on public property. I understand your frustration but the City could be held liable if we tried to evict these, persons from public property.

This is not acceptable. Other cities are addressing homelessness (by filing suits against Martin vs. Boise) and arresting or fining violators for what is happening in our city (i.e. San Diego and other California cities and elsewhere throughout the US). Littering at all the bus stops, defecating and urinating on private and public land, doing drugs in broad daylight, and illegal use of public bathrooms that are meant for tourists and visitors to our City are crimes and should be punishable whether you are homeless or not. However, the homeless are not held accountable for these crimes because of the 9<sup>th</sup> Circuit Court of Appeals? If one of us, taxpayer citizens, chose to empty our trash cans in broad daylight at a bus stop or the corner of Marshall Way and Indian School we would be arrested or at least fined for littering. If one of us, taxpayer citizens, were sitting on the sidewalk with a group of friends doing drugs, we would be arrested. City staff, your shield of the 9<sup>th</sup> Circuit is not acceptable.

Additionally, places like parks, sports facilities (tennis courts) and the green belt are supposed to be for families, sporting events, and taxpayer use not for homelessness encampments

making these public spaces that we fund as taxpayers unsafe for their intended uses because of the City's lack of addressing the issue.

I just don't accept that "our hands are tied" and we can't do anything even though our taxpayer dollars as residents and business owners are funding our City. More needs to be done!

**Subject:** Re: Homeless problem

Dear Polly- Thank you for brining this problem to the attention of staff and the community.

I absolutely concur- there's an issue here that's being ignored and must be addressed before Old Town becomes one big camp... The Alley between Marshall and Bishop is also often littered with abandoned carts and possessions.

Regards,

**Scott Jarson**

On Mar 7, 2023, at 10:07 AM, Polly Larsen <[plarsen@larsengallery.com](mailto:plarsen@larsengallery.com)> wrote:

Why has the City of Scottsdale allowed a homeless person to make the “public” bus stop at Indian School Road and Main Street his permanent home? He is there everyday when we enter downtown Scottsdale for work and every night when we leave. In addition to him occupying that bus stop for his home many of the other bus stops on Indian School and elsewhere are full of trash as homeless people are using them for shelter and then just dumping there. The other day there was a homeless person, obviously completely wacked out on drugs, screaming and yelling at cars at Indian School and Hayden Blvd and constantly walking out into the street. This is not what our beautiful City should look like and more needs to be done.

Indian School Road is one of the gateways to downtown Scottsdale for tourists and residents alike and it is just shameful that the Mayor and City Council along with City staff are not addressing the homeless issue with more zeal. This morning I passed the intersection of Marshall Way and Indian School and there were four grocery carts full of trash and belongings and only one homeless person on site so it appears that a mini encampment is starting there again. What is going to be done to be more concerned about the tax paying citizens of this City rather than homeless that don't care about our City at all.

We need to widen Scottsdale streets, not narrow

**Michael Prazich**

19 hours ago

Reducing the traffic flow on roads that are already in poor shape to put in bike lanes (that will hardly be used 4-5 months) just doesn't make sense. Traffic movement on high density living and increased bicycle traffic does not make sense in Scottsdale

The 68th St “ road diet” is wrong, completely unnecessary and will worsen ur road congestio  
We have over10,000 new apartments in the pipeline being built with more to come. We need our deteriorating roads to be fixed and expanded not shrunk!
