Total	14,014	13,878	14,658	15,627	14,969	12,493	11,817	12,271	13,441	15,035	14,808		153,011

ITIN - Itinerant - an operation is arriving from outside the traffic pattern or departs the airport traffic pattern

LOCAL - an operation that stays within the traffic pattern airspace (non-itinerant)

IFR - an operation that is conducted under instrument flight rules. IFR operations are a sub-category of the total number of operations as they can either Local or Itinerant.

Total Operations = Itinerant Operations + Local Operations
