**How often do you typically visit the parks and recreation facilities listed above?**

**If your household does NOT visit any City of Scottsdale parks and recreation facilities in a typical year, please CHECK ALL of the following reasons why you do NOT visit.**

**Please Explain.**

No reason to go

We prefer the natural resources around us like trails and off-road

Not interested in parks.

Can walk etc around our neighborhood

Live in Terravita which has tennis, pickleball, a pool, golf, walking paths and indoor activities such as cards, art (oils, watercolors, pottery, mosaics) and fitness activities

Not physically active. We do go to arts and cultural events.

Not enough time.

We just don't visit parks, in general

Don't engage in activities offered

We're always traveling so we don't have much time to visit the parks

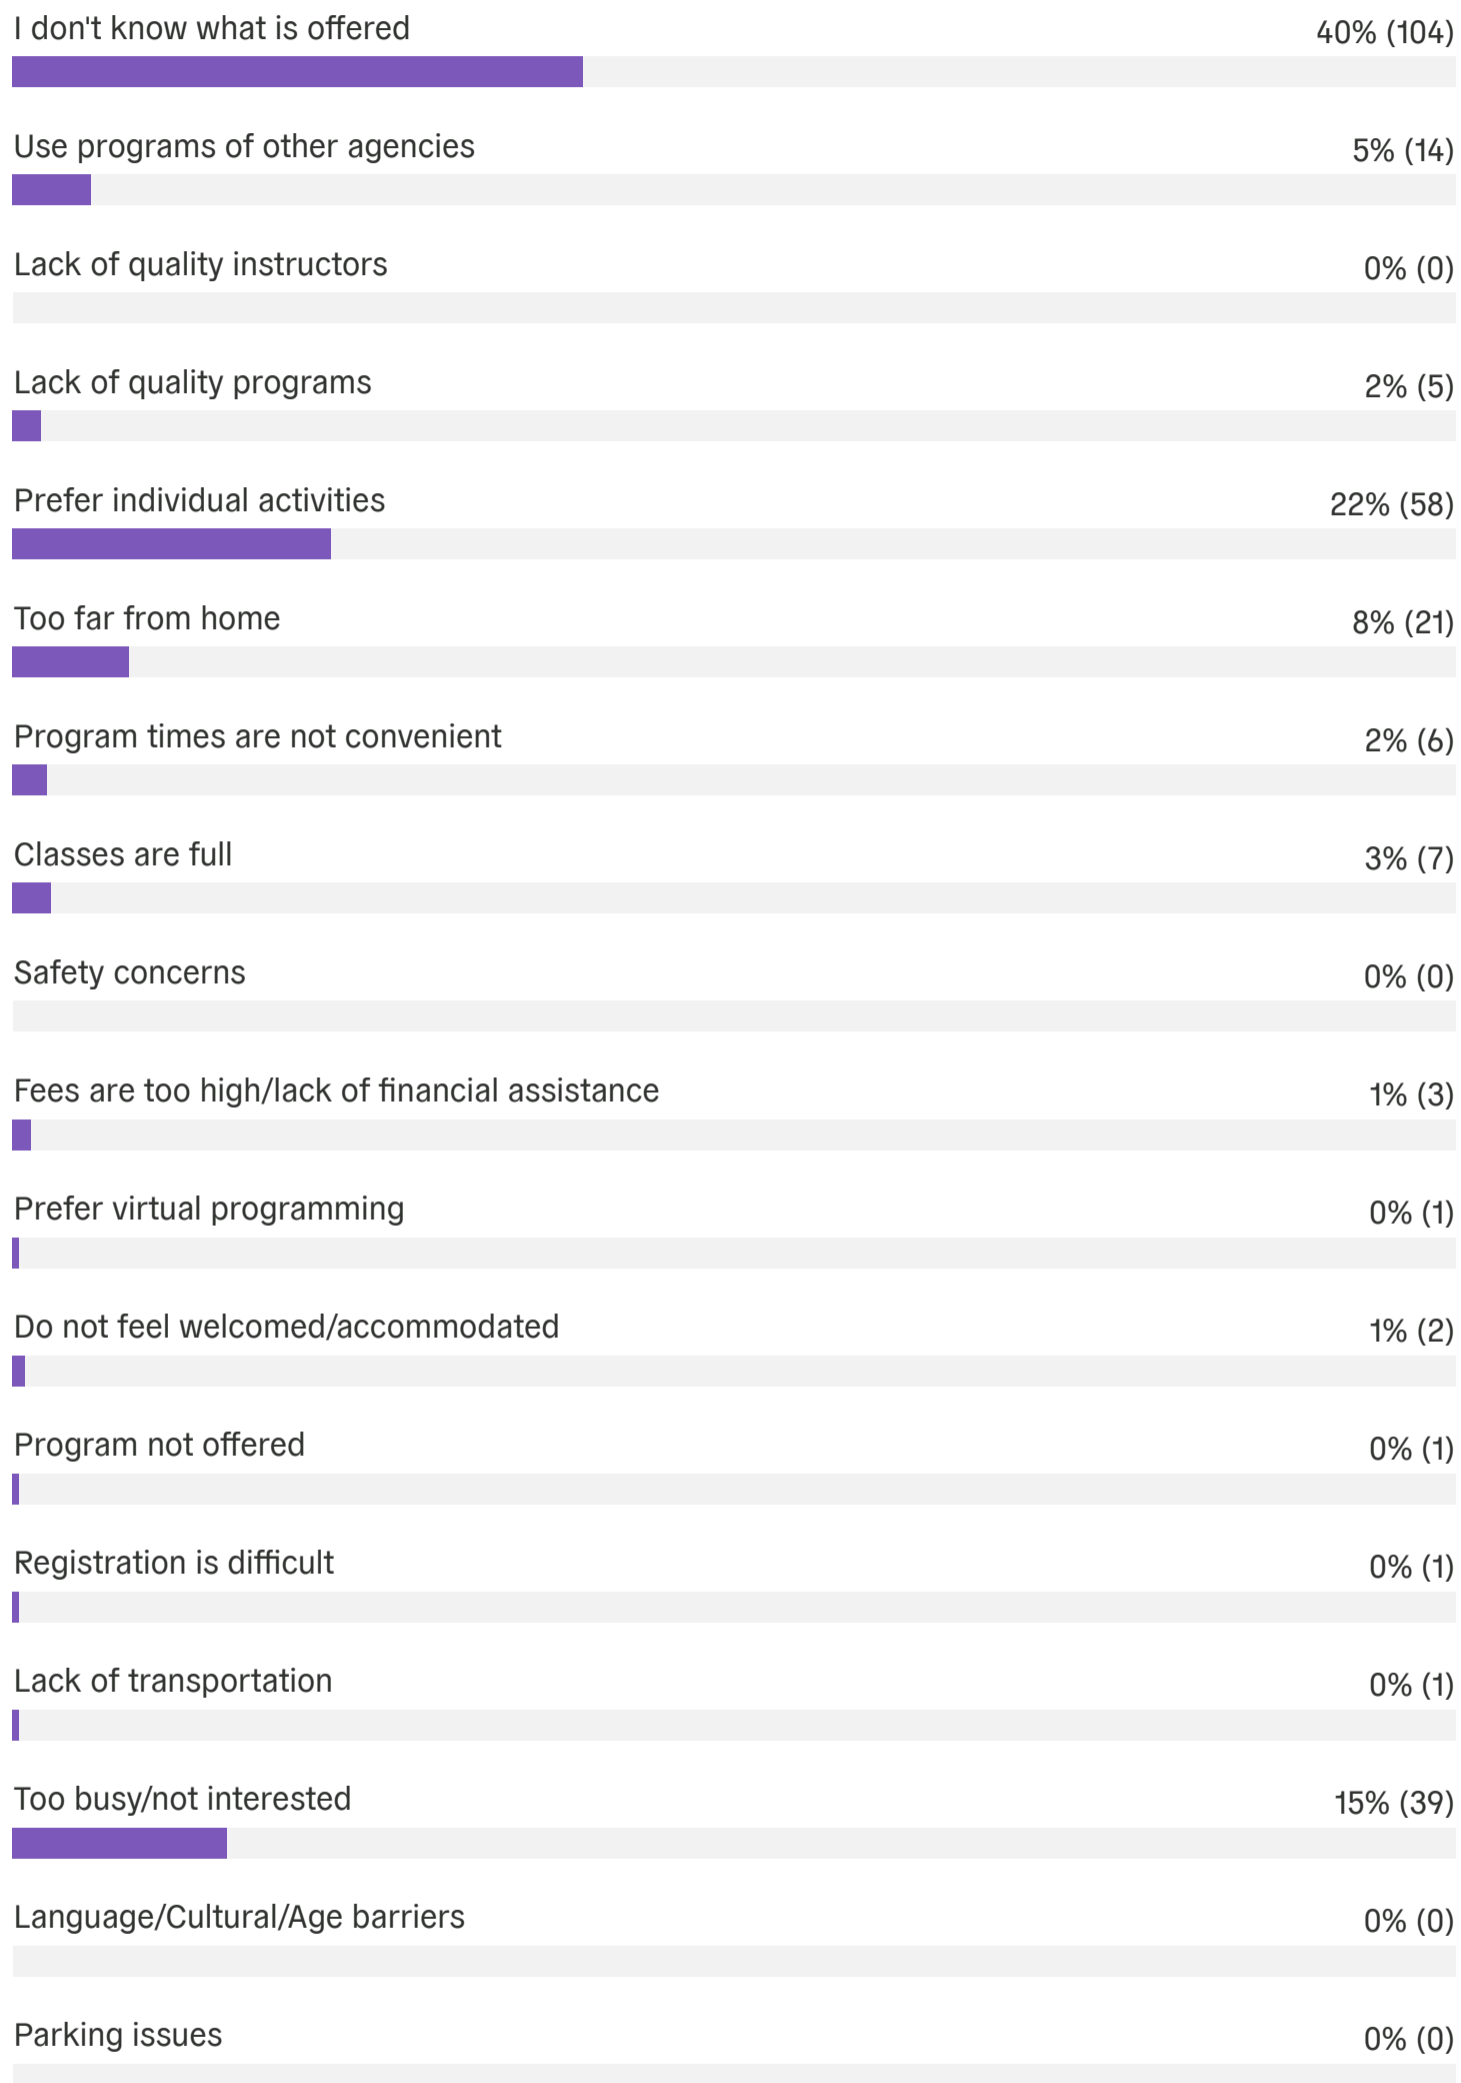

its only mr no one to go wiyh

**During a typical year, do you or any member of your household participate in any parks and recreation programs or events offered and/or hosted by the City of Scottsdale?**

Yes 38% (170)

No 62% (275)

**If your household does NOT participate in any City of Scottsdale parks and recreation programs or events during a typical year, please CHECK ALL of the following reasons why you have NOT participated.**

(19) Bike paths- we use daily, lack of (29) Pickleball courts in South Scottsdale- where are they?  
(27) Outdoor Performance Spaces in South Scottsdale are non-existent - I realize huge resources were put into the city mall- but performance places, like at the RR park in the South, are needed - along with other activities for South Scottsdale residents. Halloween seems to be the only time the city acknowledges the southernmost portion of itself. Upgrades to Eldorado Park seem diminished, stalled or outright dropped from the plan. (30) Pima Park's green area is sloped so that kids can't really use it; balls run into heavy traffic on Thomas Road. I was surprised this was not addressed during its "facelift"

Open spaces, hiking/walking/biking trails to accommodate all fitness levels. Ensure biking trails are in safe areas where it is unlikely to get hurt by cars or other. We live a couple mins from Horizon Park; I appreciate the access thru the park to walk to West World. I would like to take classes there as well, but my job limits the amount of free time i have to do so. We have no children but have used the ramada and playground for extended family events. Love them!

Baseball fields are almost impossible to use. I have had my kid in travel ball and cactus yards and victory lanes gets all the spring breakers from other states Eldorado is unusable for most. The more kids stuff the better. The Easter bash at civic center is a hit. My kid asks to go for the Kona and the egg hunt regularly now.

The City of Scottsdale is in the process of evaluating its event offerings. With that in mind, please select the single-day or multi-day event concepts in which you and members of your household most enjoy or are interested in.

[Select all that apply.]

## Please explain.

Misting systems city wide so outdoor activities can be enjoyed in the warmest months. Set with a 'timer' so they run only when needed. At the Railroad Park, it is brutal waiting with grandchildren in line for rides. Plus much more access to 'push cart' type vendors [vetted] so there is no need to walk a mile for something cold.

Skip promoting alcohol, please.

HORSEBACK RIDING EVENTS

Need more events near Greyhawk.

none

More pet (esp. dog) activities

Pet-friendly activity

Year round swimming pool access.

Events get too crowded and lack parking or alternate transportation methods. If you do more events, please solve the lack of handicapped parking, especially in the Old Town area.

Education programs

Running.

Need more dog parks

Social interaction for seniors

Water Polo, Synchronize Swimming

Farmers Market Art Fair

Pickleball courts

Gardening education with native plants used in parks

It would be nice to have some natural desert areas around Chaparral Park and to have guided walks like they do up north. Not just the little xeriscape gardens.

Strengthen offerings in McDowell Sonoran Preserve

What I don't see are things I had in Seattle. Using park buses, I went out to lunch monthly with other seniors (a small fee for transportation & paid own lunch), exploration of parks with senior walking groups, activities to see events, learn about neighborhoods by short walking tours with time to see things of interest such as murals, art pieces, a hat maker a weaver, a re-use store, visit small museums, etc.

New Dog Parks and places where dogs can go of leash. Landscaping at Comanche Park, trees are sick need to be trimmed, they are dead or dieing. Have grass watered in winter when we use parks, and no water in the summer when it is too hot to even be on the lawn.

Most neighborhood park dogs are left unleashed. Also most parks have dog poop in bags or without. Its makes the parks unhealthy and unhygienic.

I don't know where to go

I don't really hear about programs nor do I proactively visit the City website for parks and rec.

by luck

I don't hear anything about programs and services in the City of Scottsdale.

Don't know about them

Could only select one, but live next to club sar, brochure, emails, social media, website

I'm not really aware of programs & services offered. I'm only in Scottsdale one week per month.

don't know

I have no idea what Scottsdale offers for recreation

None - need to inform us how to find out more

I swim on a masters team so I am aware of the city pools near me and get notifications from them.

I am not really aware of what is done except by word of mouth

Do not.

This survey. I have lived here 13 years and had no idea the city actually had services like the ones mentioned above, other than a few obvious services i.e. dog, aquatics, multi-use/biking paths and parks. Maybe Scottsdale could advertise their park system and services.

**What is ONE amenity/program/facility/service/etc. that Scottsdale Parks & Recreation does not currently have that you would love to see?**

None

Indoor pickleball/tennis facility

youth sports leagues

North Scottsdale dog park

Longer hours/ days open at community pools and splash pads

Email. internet

Drop in tennis 101 or pickleball 101 for first timers

family volunteering opportunities with young kids

More Bike paths

Pull-up bars

Outdoor/wilderness safety education

Free admission to all events in the Civic Center park area.

Many more splash pads for our grandchildren and again, shade everywhere and misting systems city wide.

Save our tax dollars

Better communication. I don't know all programs available.

Community garden in the north part of town.

none

Litter pick up events

None

Wild animal visits education

Construct a multi purpose event center for dance and cheer competitions, concerts, and other performing arts capable of serving statewide or national competitions. It is crazy that none are held in Scottsdale. Build it at West World to enable it to house even larger shows and events. Those events would pack the Scottsdale hotels and resorts year round.

Search and rescue volunteer program for UTV and off road enthusiasts

Golf practice area

none

Improve disability access

none

Pickel ball at each park with organized leagues

Community center/fitness center near Greyhawk, more walkability in far north Scottsdale

none

additional senior center

I don't have anything brand new, not already offered to suggest.

none

More police

a polo field that can be used for other activities

None

Rest benches along canal Camelback to greenbelt

email blasts to all the residents that are near desert hiking parks

Community programs like workshops for first aid fore safely etc

?

Lighted pickleball courts at Doc Cavalliere Park!

Golf lessons at nice North Scottsdale golf course

small concession stand or coffee cart in greenbelt parks

Aquatic Park in North Scottsdale, north of Dynamite

Far north dog parks

I would love to see a low-cost personal trainer option (1 on 1) for beginners using gym equipment at the McDowell Mountain Aquatic Center facility. Something that would emphasize safety and how to lift weights without injury. Not an ongoing class, just maybe offer one or two sessions per participant.

An open trail area for families and pets like Colorado springs bear creek. They have 25 acres of trails, paths, creeks and activity for pets and families. Colorado Springs has more dog parks than anywhere I've been. <https://www.visitcos.com/blog/top-dog-parks-in-colorado-springs/>

Rock wall climbing

Multi-use paths on 68th St connecting to the canals.

Drivers education

None

not sure

Better and more dog parks

Community garden, food share, gardening classes

A larger better dog park. Better equipment on the playgrounds for the kids.

Improvements to South Scottsdale - bring all events staged in central or north Scottsdale to the south.

Protection of wildlife

Park Rangers

Pickleball courts

Golf instruction

Actual grass in parks during the winter

Public swimming pool in north scottsdale

Concert options on the north end of the city and indoor rock climbing.

Safer connections to the greenbelt bike path

None

Parks & Rec sponsored outdoor events...concerts, learning events, show & tell events, etc.

City owned golf course

None

Multi-Use Path connectivity from Carefree to Tempe

North Scottsdale Pickleball courts

more/improve drinking fountains

None

I really like a lot of what you offer us

Pickle ball

The Greenbelt connecting from Horizon Park northward to Grayhawk. It is amazing, south of Cactus - I can get to many places around the valley, when I use the greenbelt and the connecting canal trails. But I live in N.Scottsdale and have to DRIVE my car with my bike on it to Horizon Park. I would love to see that next piece of the Greenbelt prioritized and connected so I don't have to drive my car to ride my bike. N. Scottsdale only has two major N-S roads, and they are deadly. Not even a rumble strip to keep distracted and sleepy drivers from entering the bike lanes.

None

Satellite bike repair stations

None

Outdoor camps for kids

Disability parks

Covered splash pads

Better use of new Civic Center Plaza for entertainment.

A park near me in the north west section of Scottsdale.

Underpasses or overpasses for all street crossings on multi-use trails, especially the canal path from Indian Bend to 64th St. The path is good but the street crossings are very dangerous, especially from the crossing at Camelback/Scottsdale Rd and south.

paddle board pond that one would not be afraid to fall in due to how disgusting it looks.

Water Aerobics in South Scottsdale

none

Email, internet

heat safety programming (summer)

All good.

more water fountains along the bike path

Well trained aquatics class instructors (the class I have attended only has the lifeguard reading from a script to direct the activity)

Please add another lap pool facility. It is currently offered, but is always too busy and will only get worse when Cactus Pool closes for renovations

None

A more contemporary splash pad facility similar to Goodyear or Avondale in South Scottsdale

Nicer/more playgrounds at Scottsdale Parks

Dog parks

NONE

website for dog parks so we know if they are open or close after a rain!

Pickle ball in south Scottsdale

Affordable senior events

N/a

Expansion and/or widening of multi use paths to enable dedicated paths for pedestrian and cycling

Pickleball in Indian bend wash

SAFE WALKING PATHS TO KEEP WILDLIFE AWAY FROM

Pickleball (while it is in process at Ashler Hills Park)

Security patrols at night.

Can't think of any

Small Area for multiple Golf Putting sand shot practice

Absolutely none. Offer way too much already.

More new parks and dog parks

3, 4 & b7

I cannot think of anything specific

More pickleball courts with more benches

Recreation Center for older adults, offering daily classes (Jazzercise, dance classes, swimming, art classes, etc) games, billiards, fitness center. All indoors, all in one place, that could be utilized year-round.

Not sure

more enclosed dog areas. use existing sports fields, little league fields. In all areas of the city.

not sure

a walking club or league

Email and social media

kayaking

More pickleball courts

Newspaper

more adult ice hockey options

Free (time limited) space for residents for indoor seated games like cards or mahjong or book clubs or knitting groups.

not sure

Indoor facilities

Restaurants and bars along the greenbelt (RT O'Sullivan's is great, wish we had more places like that)

More hiking trails

Food trucks

No sure if there is any service missing.

I would LOVE to see an actual recreation center in southern Scottsdale. All existing centers are human service focus (PNC, VSTA, GRSC) have youth programming limitations due to shared use agreements (ELDO), minimal indoor space and/or parking (CHAP, MTNV), or are for dedicated special interest/sport use (ISPK, ELDA, CHAP). We don't have any recreation centers for our kids/families too--- and would love to see that change!

Open baseball fields! Stop locking up for use by out of Scottsdale tournaments. Fields are for benefit of tax paying Scottsdale residents. Stop trying to make money off of Scottsdale taxpayer funded park property. Allow fields to be used by dog owners when not being used by Scottsdale resident baseball.

A television channel dedicated to showing upcoming events and programs.

We live in "far North" Scottsdale, near Carefree Highway, and have no facilities at all up here! It is a very long drive for us to take advantage of any Scottsdale facilities.

Gun range

Pickleball courts

North Scottsdale dog park

Don't know.

We are losing shade trees in Chaparral Park. They have been removing large shade trees and planting small trees that don't provide shade, and as far as I can tell they are not native trees. Please hire an urban ecologist with experience in natural desert landscaping.

NONE

Tool library

Dutch oven cooking classes

Massive shortage of pickleball courts and waiting areas

indoor track for walking/running

BELOW IS A REAL ISSUE THAT NEEDS TO BE ADDRESSED FIRST TO PROMOTE IMMEDIATE QUALITY OF LIFE FOR ALL SCOTTSDALE CITIZENS. LET'S TACKLE THIS BIG GORILLA IN THE ROOM FIRST, BEFORE ASKING QUESTIONS ABOUT PARKS AND RECREATION AND SPENDING MORE MONEY ON THE GREAT PARK AMENITIES WE ALREADY HAVE. Traffic Enforcement and Engineering Questionnaire The city of Scottsdale is working through a process improvement study surrounding the way that traffic enforcement and safety concerns and improvement inquiries are collected, addressed, and responded to. The inquiry topics include, but are not limited to: • speeding vehicles • request for enhanced speed enforcement • red-light running • racing vehicles • vehicle crashes • intersection or roadway analysis / modification • traffic control requests traffic calming Your input is important to us and will help the city to continue to provide simply better service to our residents. Thank you for your feedback!

Dedicated Off Highway Vehicle routes for full size vehicles like Jeeps or shared use trails that are accessible to full size vehicles like Jeeps.

Nothing to add here.

none

More bike paths all connected together

exercise track like buffalo park in flagstaff, simple wooden structures with sign on how to exercise

Family friendly/ kid friendly multi use paths. Currently paved paths are too narrow and overcrowded. Many unpaved paths are unusable for children and family members unless they have great physical fitness and expensive bikes.

4

Racquetball

Preserve more open space and protect the environment. Every empty lot now is being taken by ugly, mid-rise apartment buildings. Stop building all these multi level buildings - our beautiful Scottsdale is turning into an ugly "City like" place. The city needs to create more open acreage City/State parks with trees.

Indoor pickleball courts to rent.

adult sports

More park and playground facilities for younger children and they should be FULLY shaded with water fountains so they can be used in the warmer months

I don't know.

conservative watering landscaping and irrigation

Park ranger/rules enforcement. Could be volunteers.

BRING BACK THE PADDLEBOATS to Eldorado Park that little lake area right behind the boys & girls activity center!!!! Make the stream running through tidier with more waterfall instances and benches.. plant more of maybe Weepy Willows and those 2 spectacular old, white barked trees right at the streams edge.. need more trees for sure.. would also love swings for us adults to use!!

nothing that I can think of

Honestly real law enforcement in all of those areas....

More seating/benches inside the Dog Park at Chaparral Park

Email, social media

guided bike tours along the Greenway

More garden designs and better landscaping

Indian Bend Park Pickleball Courts

more activities for kids offered in south Scottsdale. We always have to drive up north for rec classes, such as dance.

Cupones, descuentos para entretenimiento como acuarios, parques y todas las diversiones

More info on current offerings. Didn't know half of these were available to me.

Something like a senior center, but not age specific

Identification of plants, flowers, trees. More public art, sculptures - murals.

More music in the park. More free concerts

MORE segregated bike paths / multi-use paths that connect the entire Scottsdale communities...north to south

More "No Dogs" areas.

Downhill skiing

A South Scottsdale Mountain Biking Area. Browns Ranch is awesome! Is there any Reservation Area we could use for a beginners MTB area?
