

Scottsdale Water Efficiency Workshops Fall 2024

**REGISTRATION
REQUIRED!**

PLANTS FOR THE ARIZONA DESERT NEW BOOK LAUNCH

Join Scottsdale Water Conservation as our irrigation specialists discuss the best plants for your low water use landscape. You will learn about Arizona-Friendly plant species, planting techniques, and how to efficiently water and prune your water-wise plants. We will also be debuting the new Landscape Plants for the Arizona Desert booklet.

**TUESDAY, OCT. 29, 11:30 A.M. - 12:30 P.M.
CIVIC CENTER LIBRARY AUDITORIUM**

CONSERVE AND SAVE WITH WATERSMART

Register to receive a link to the virtual workshop. Learn how to use Scottsdale's free WaterSmart portal! Scottsdale water customers will learn how to navigate the portal, plus get practical tips to reduce water waste and proactively watch for unplanned use.

VIRTUAL WORKSHOP! REGISTER TO RECEIVE A LINK TO THE VIRTUAL WORKSHOP. CAN'T MAKE IT? WE WILL SEND ALL REGISTERED USERS A RECORDING AFTER THE WORKSHOP.

THURSDAY NOV. 14, 11 A.M. - 12:15 P.M.

SCOTTSDALE'S XERISCAPE GARDEN TOUR

Guided walking tour through Scottsdale's demonstration garden. It's the perfect way to see how desert-friendly landscaping can be both stunning and simple! The walking tour may be up to two miles.

**FRIDAY, DECEMBER 13, 1 - 3 P.M.
CHAPARRAL PARK**

Registration Required, visit [ScottsdaleAZ.gov](https://www.scottsdaleaz.gov) search, "workshops" or click [HERE](#)
